Hello all!

Hope this finds you in good time. At our last meeting we discussed some of the members not getting their printed copies of The Freedom Press. It has been addressed with the printer, and hopefully we can get this problem solved soon.

All of us are getting ready for a new event season. Local 1 Lime Run is scheduled for June 18th, 2022. Hope to see many of you there! Bootstrap always sets up a great route for the ride.

By now the District 4 Crockpot Cookoff is history. As always, I'm sure fun was had by all. You'll have to wait till next month for pictures and a list of the winners.

The FEW Seminar in Jeff City is next month. See the flyer in this issue. Always a good time for new member and new officers to attend – much to learn and a great place to meet members from all over the state. Not to mention the games and the auction are a major PLUS!

The KC St. Patrick's Day is a go. (at least for now) Sadly it has been cancelled for the past two years in a row. Our family has participated in this for many years so if you're in the neighborhood.... It's a 'Must See'.

We have changed our meeting location for February 20th meeting to the Mule Skinner Bar & Grill @ 671 NW US 50 Hwy., in Centerview, MO. It's just off 50 Hwy on the North side between Pittsville and Warrensburg. Hope to see some of you there!

Ok, enough for now. So, as I always say... Have a good one, then have another!!!

Happy New Year!!

2022 is just around the corner and if the weather cooperates, we were hoping for a short ride on 1/1/22 but the forecast for some snow that day we are now planning on the 31st! Just a few of us riding just for fun and to start the New Year on 2 Wheels, look for an update in the next issue.

December was a bit quieter as far as Local activity, but it still flew by!! The Holidays have that effect!! On 12/4/21 a few of us traveled to Lexington to attend Local 14's Christmas Party! Captured a flag and enjoyed visiting with everyone!! In return several members from Local 14 joined us in Macon at the Elks on 12/11 for our Christmas Party! We all enjoyed a terrific time! Our silent auction was a success, and we want to thank everyone who contributed in any way!

On 12/19 was our meeting, elections were held, and awards were presented. The kickstart Award going to Shane Olson, the Ape Banger Award going to Jammie Tipton, congratulations to both!! The cupcake ☐ in the face award went to our Treasurer, Belenda Bailey for her 50th Birthday!!! We all appreciate her very much!

We had a special guest, Angela Reed with the Macon Elk Club. Angela is the coordinator for the Luau event on 2/26/22 in the evening. This is a fundraiser to benefit the USO of Missouri. Local 2 was asked if we would lend a hand and we accepted,

helping each other is how we accomplish great things!! So, mark your calendars, come and join us for some fun time for a great cause! Nothing like a little Hawaii atmosphere in February!! So, party hardy tomorrow night but remember to stay safe!

Wishing everyone
a fabulous 2022!!!

Cathy

Local 3 - Truman Lake (March 2013)

Meetings: 3rd Sunday @ 1:30 p.m. Chopper Stopper Grill & Bar, Roscoe, MO

Contact: President: Dave Singleton 816-799-1009

Facebook: FORR® Local 3

Sixteen members were present at our December meeting. Our election of officers was held with Dave Singleton being elected as President and the rest of the cabinet will remain the same. Vice President Slick Rogers, Secretary Marsha Rogers and Treasurer Debbie Wessell. Thank you to all who stepped up to fill the positions.

Chris Stokes name was drawn for the incentive pot. Dean talked a little about the history of Truman Lake Local 3. It began with 14 members and the first meeting was held in January 2013. Officers were; President Dean Singleton, VP Myron Duskin, Sec. Cheryl Singleton and Treasurer Steve Burrow. Those four officers are still members of Local 3.

The last few weeks of 2021 were awesome, although a bit windy if you wanted to ride, but we did anyway. The forecast was looking good for a New Year's Day Ride, weather dude said will be in the 50's, alright-alright, wait then he said heavy rain, crap. As it turned out here in Local 3 land, 50 was the temp at midnight & it plunged the rest of the day and a little icy skiff on the roads. Didn't hear of any of our group trying it, except for one, I saw a video of Jim Clarke heading out down his snow-covered driveway. Maybe he rode to the end of the driveway & back? That's ok it's a long driveway, that counts!

Sorry to hear of the passing of Steve Burrow's father. Funeral was January 12th at Lowry City Church of God with a bike escort following.

Happy Valentine's Day to everyone, do you know the difference between a \$20 steak and a \$50 steak? ---- February 14th

Until next time,

Our meeting on January 22, 2022. Can you believe 2022 well it's here get used to it. Any way we had a good turn out and a good meeting. We had our newest member there born on December 21st to Buck and Shelly Corn / Sophia is her name I probably spelt that wrong but there it is.

Ok our Valentine dance February 5th. Where you ask? American Legion Post 43 at 2538 Evergreen Pkwy. Lebanon Mo. I think starting time will be 6:00 pm. For those members who are to help set up 1:00 pm is the time for that. We did decide to have paid D.J. this year with karioki I know that is spelled wrong, but you get the drift.

We also talked about our adopt a Hwy project not yet settled.

We also talked about helping the elderly at the south Hwy. 5 nursing home with personal items such as toothpaste and shampoo and ect.

We talked about trying to get a bike night together for this summer you know 2022. These two subjects were tabled until more info can be gathered.

On March 6th we will have our freeze your buns run. I'll try to get time at next meeting even though I think it will be at 1:00 pm at parking lot behind Captain D's

You know I almost forgot to mention that our new in charge members done a good job conducting our meeting.

Good work Gal's and Guy's. Was that politically correct HA HA.

Ok I am done know. So, ride safe.

Sir Robert

Greetings local 12 We had a great time at the Christmas party at the Kbar, in Emma. It was great to see everyone.

Local 12 participated in the Marshall Christmas parade. We had excellent weather and a great turn out of decorated bikes! We got a lot of compliments from parade goers.

We are looking forward to next riding season with more organized rides.

Our thoughts and prayers go out to the Adcock family at the loss of Mike and Socko's Dad. He was well known in the community and will be missed by many.

Jim and Jay spent the last day of 2021 riding. They had a nice lunch at Sherry's Place in Keytesville. They discussed the poker run to take place during next year's Firecracker Classic. Sherry is eager to be a checkpoint on the poker run

DISTRICT 4 - KC Area Salvation Army Kids Christmas Party

Thanks to all involved.

*A bitter sweet end to our
party's at the Childrens
Shelter as this will be our
last time due to changes at
the shelter.*

*Good Luck to all
of the Kids.*

*And thank you sooo much
Santa and Mrs. Claus for
being a BIG part of it for
so many years!*

(Continued from page 9) will survive. I see a lot of members not practicing what they preach. I see members who are supposed to be leaders not leading. For 40 years, we fought the battle over the Helmet modification, that was our focus, or goal our cause that drew every member of FORR to join to fight for our right to choose and to stick it to the man. That was our life, that was our destination at the end of every meeting and event that was held to make this happen. We stumbled and we fell many times over that 40 years, but we keep fighting, we grew friendships, we grew family's while doing it. But now that it has been accomplished what do we have? We must have a FOCAL point, a goal to aim towards or we will fall into the obis and be gone forever. But what should our Focus be until our next battle presents itself? That is the question, should it be on membership? Yes, we need to focus on building our army of freedom fighters. But it seems a lot are focused on just numbers not true members. We have a lot of 1 and done, why? mainly because of clicks with in many locals. People get friends to join just to help them push their personal agenda, not for the greater good. Should we focus on Unity? Yes, which kind of goes hand in hand with membership. But the fastest way to break down unity is to not acknowledge that each local is different, not every Local is near or in a big city to draw off of. And the shaming of those who cannot or do not want to attend things needs to stop. It seems people forget we are a volunteer organization. And to quote Bunny Love, "Do not ever forget your priorities it's FAMILY-WORK-THEN FORR." Should it be on Leadership? Yes, though not everyone in a leadership role is a good leader. Some grow into the role, and some disgrace the role. FORR needs to take advantage of our down time between battles and regroup and restructure whether we start at the bottom and work our way up, or we start at the top and work our way down so we can be a force to be reckoned with once again. The new members need to speak up, and old members need to listen. And new members need to listen and learn from the success and failures of the last 40 years. **Stampede**

I want to start by welcoming our new members and say thanks for stickin around to the rest of our members.

It's 3 degrees and snowing today, so no New Years' ride for me this year.

Last month I accidentally left out our 2022 District 4 Representative from Local 14, Art Gentry, Sorry brother.

Several Local 14 members celebrated New Year's Eve at the Mule Skinner Bar & Grill. He had live music performed by PRYMER, who have played several FORR events the past few years and are booked for more events. Mule Skinner is owned by Local 33 member Wayne Dilday and is a corporate sponsor of FORR. His place located on 50 highway, West of Warrensburg, stop by when you are in the area and show him how we support those who support us. I included some pics of the fun taken by members.

Don't forget our meetings are held on the 3rd Sunday of the month at VFW Post 4052, 3100 Franklin Ave. Lexington, Missouri. Meetings are the place to air your grievances or appreciation for what your local is doing. It is the place to learn what events our local and other locals have going on. Our organization is a great one to

belong to with all kinds of events, rallies and poker runs that you can be a part of. The VFW is a great venue and has a full bar if you're

thirsty after the meeting.

Heinz "Preacherman" Maurer is still performing his online worship service every Sunday morning at 9:00am on Facebook, be sure to catch his message. If you miss the service, you can find it on YouTube at Preacherman Heinz to be viewed at any time you like.

Our "Crash" memorial poker run will be coming up this spring so stay tuned for flyers and come to meetings and help plan and participate in the event.

The FEW Seminar will be held on March 12, 2022 at American Legion Post #5 in Jefferson City, Mo. Pre-registration ends February 19, 2022. Be sure to get your forms filled out and sent in. There is a copy of the form on FORR Local 14 facebook page or contact Prez HBIC for a copy.

Dang! Time to write the newsletter again already!
We had a pretty good turnout at the annual Christmas Dance. There was a bit of an overlapping schedule with another event at the VFW, but I can't say if that helped or hindered the attendance, or the "bottom line". Regardless, thanks to the Perryville VFW for having us.

Either which way, looking at the bottom line it was a very good night for all involved. Thanks to Sarah, Denise & George for "minding the store" all evening, thanks to Whitey & Sarah for getting the giveaway items, thanks to Bri for the wreath & thanks to Brian for making the "Southern Pride" wooden flag.

As we have not had a meeting since the last newsletter edition there is nothing new to report. The topics of discussion for the upcoming meeting(s) will most likely

Hello Motorcycle Lovers,

Christmas went well for all, I hope. We didn't have a Toy run or our usual Wal-Mart Toy collection, so we donated to the Good Samaritan and Dixon Care Center.

Hope you all had a great beginning to the new year. Deb and I watched a ball drop, a note fall and a cork explored. I watched a lot of flowers roll down the road and a little football. Weather was terrible for a Polar Run so I couldn't tell you if anyone braved the elements or not. Here is hoping that 2022 gets a better start and continues a pleasant run.

Our meeting is this Friday January 7th, after this letter must go into the editor for February's press release so there isn't going to be much here. Thanks to the local cabinet for stepping in for another year. Congratulations to all that have something to celebrate in February or have great plans.

Hey Debbie and I were blessed with our 4th Great Grandchild in January!

You didn't think you were getting away without a little History did you.

February 3, 1870 - The 15th Amendment to the U.S. Constitution was ratified, guaranteeing the right of citizens to vote, regardless of race, color, or previous condition of servitude. February 10, 1942 - The first Medal of Honor during World War II was awarded to 2nd Lt. Alexander Nininger (posthumously) for heroism during the Battle of Bataan. Birthday - Legendary baseball player George Herman “Babe” Ruth (1895-1948) was born in Baltimore, Maryland. Ruth held or shared 60 Major League records, including pitching 29 consecutive scoreless innings and hitting 714 home runs. February 21, 1965 - Former Black Muslim leader Malcolm X (1925-1965) was shot and killed while delivering a speech in a ballroom in New York City. February 28, 1994 - NATO conducted its first combat action in its 45-year history as four Bosnian Serb jets were shot down by American fighters in a no-fly zone. Birthday 12/22 February – Presidents Abraham Lincoln and George Washington.

Ya' at' eeh to all my Home Skillets in FORR land. Winter is still (probably) holding on (it's midDecember as of this writing) but be patient my little minions as Spring is coming. Speaking of Spring for those who don't ride most all year 'roud please make sure to check your scoot, i e do a good once-over. Especially important are the tire pressures. Make double sure they are up to snuff before getting on and taking off. Low pressure(s) cause uneven wear and make it hard to corner. Also check for weather cracking which is an indicator the tire needs to be replaced and is far less expensive to change than crash. I want all my Dudes and Dudettes to make it there and back safely.

On to Local 33 "stuff". As I said last month February has our "Moose Chili Crockpot Cookoff" in conjunction with our meeting. It's informal but tasty. Can you beat me and my pre-traumatic, stress-inducing goodness? Show up with your best offering and let's find out.

Looking to March, it brings in our (also informal) "Crockpot Cookoff". Same thing except it's not chili. Once again let's see if you can take on the King of All That I Survey (me, ha ha).

April is a different story as we start our events calendar with our annual April Fool's Poker Run. The exact date is yet to be determined but keep it in mind as we would love to host all ya'll. Of particular note, for the first in many years we have a new Road Captain, Mr. Rob Kasmercheck. That's right, Patman the Magnificent finally needed to step back and take a breath. Don't let that stop ya from attending as Rob will be doing a grand job of keeping the L33 ride traditions alive and well!

Speaking of a new person in a new position here is a list of our 2022 positions: President: Roy "Sassy Cowboy" Hoard. VP: Matt "Princess Toots" Graham. Treasurer/Freedom Press: Patman the Magnificent. Secretary/Historian: Robyn "Teacup Nugget" Emmett Road Captain: Rob "Hoosier Daddy" Kasmercheck.

With that I leave ya'll with this tidbit of sweet and sassy goodness.

Joe Biden and Mike Parsons were walking around Jefferson City one day when they spotted a bottle. Joe picked it up and out popped a genie. "I will grant each of you one wish so please choose wisely." Joe got a gleam in his eye, puffed his girly chest out, and stammered "I would like for my fellow Liberals and I to live and in a place where the form of government we believe in exists for all". The genie snapped his fingers and a moment later, POOF, they were all whisked away to China. The genie then looks to Mike and asks "What is your wish sir?" to which Mike asks "You mean to tell me all of Democrats are now gone from America?". "That's correct" said the genie. Mike replies "Well then I'll have a case each of Maker's Mark and Budweiser to celebrate."

Have fun and be safe,

Patman the Magnificent

HELLO Fellow Bikers!

What do you do when it is zero outside and the wind is blowing the snow into every nook and cranny it can find? You can try to remember what you were doing on that Saturday when it was over a hundred degrees, and you were thinking about taking a ride on the old bike. But you didn't do it because you thought it was TOO HOT! Well, it may have been hot but as long as you are moving it was a little cooler. When it is cold all of you want to do is slow down or stop, because you just can't put enough protection on. If you do, all that I can think of is that kid in that movie "Christmas Story". Yeah, I know somebody is going say what about these heated suits' heated seats and heated grips, yep but when I started this story, I said the OLD BIKE.! All that I can say right now is Damn it is cold outside! Not much happening with the Local and this has to be in before we have our January meeting.

So, as I have signed off before RIDE SAFE AND RIDE FREE
