**FORR® – To promote safety, rider education, brotherhood, and freedom
for all motorcyclists.**

FORR®

Freedom of Road Riders®, Inc.

To promote safety, rider education, brotherhood
and freedom for all motorcyclists.

Freedom of Road Riders® (FORR) is a not-for-profit organization dedicated to guarding the rights of all motorcyclists, to keep them informed of laws that will help or hinder them as motorcyclists, to promote safety, brotherhood and freedom for all motorcyclists. Our membership, which is made up of individuals from all walks of life, own and/or ride almost every make & model, old & new, throughout the state of Missouri. We all have one thing in common... we all love motorcycles, and desire to protect our rights to own, build and enjoy them. We're not just about helmet laws! We work in all areas of motorcyclist rights and freedoms; to pursue such rights as Equal Access to Riders, Anti-Health/Insurance Discrimination, Pro-Rider & Driver Safety Training, just to name a few. We are currently requesting information from candidates who are seeking to represent our membership in the Missouri Legislature, and would appreciate a response regarding your position on the following issues:

1. Would you support our efforts to change the mandatory helmet law in the State of Missouri and give adults over the age of 21 the right to choose whether or not to wear a helmet? This bill in the 2009 legislative session was reported as having no negative fiscal impact on the State. Statistics in states that have modified or repealed their helmet laws have shown a substantial increase in the number of registered motorcycles resulting in increased tax revenues as well as increased tourism dollars from motorcyclists visiting or traveling through the state who would avoid coming to Missouri with a mandatory helmet requirement.
2. We strongly believe that safety comes from preventing the accident through driver/rider education programs rather than just mandating the use of safety equipment. Would you support legislation which brings back Driver's Education, encompassed with Rider's Awareness, back into our schools? While we realize funding for educational programs is stretched to say the least, we strongly feel the lack of proper driver educational instruction is why Missouri ranks 7th nationwide in teenage fatalities.
3. Missouri currently has a Motorcycle Safety Trust Fund established to provide funding for motorcycle rider education programs. Would you help protect the funding for the Motorcycle Safety Trust Fund by voting against legislation that attempted to reduce or remove monies from this fund for other state usage?
4. The US Congress is currently considering legislation which would require vehicle manufacturers to make specialty diagnostic testing software, tools and equipment available to small businesses/"mom and pop shops" and/or to individuals who wish to work on their own vehicles. This legislation is commonly known as the "Right to Repair Act" (HR 2057, as introduced last April). The legislation would provide car owners with the right to decide where and how they have their vehicle serviced, whether it is a new car dealer or independent service facility. Under the bill, the Federal Trade Commission (FTC) would develop regulations requiring car companies to share the same information and tools that they make available to their franchised dealers, with the independent service industry and car owners. Would you support this type of legislation?
5. Would you sign on as a Sponsor/Co-sponsor for the above mentioned bills once they are prepared?
6. Would you actively support and push for passage of the above mentioned bills?

Thank you for your time and effort to answer our questions; please do not hesitate to contact me with any additional questions/concerns/comments/clarification...

Respectfully submitted,
Katherine Cashell—Legislative Coordinator

Hey all,

Hopefully your Summer is going well & you had a good & safe independence day.

Our last meeting location was changed due to a death of one of our Local members - Larry Barker. It was a sad thing to hear of his passing, he will be missed by many. Memory patches are being ordered - contact Mark for more info 816-690-4200.

Our local has decided to be t-shirt & trophy sponsors for Homecoming this year. You might check out the July Freedom Press I was told that the work schedule should be in there.

As of this writing the Lime Run is just a few weeks away! This should be a good time had by all - especially the end! We're planning a good route for this years run. Again, bring your appetite you won't be sorry.

Our July meeting will be held at our house in Holden, and the August meeting will be held at Della Conwell's house. Need directions for either - call me 816-850-4511.

Just a few months until Octoberfest..... I can't wait. It's always nice to get together with everyone and catch up. Hope to see you ALL there.

Well I need to put this one to an end so - as always, have a good one then have another!

See Ya, Michelle 'Rebel' O'Connor #7156

Hello from Local #4,

Some of our members that regularly go to the monthly meeting attended "The 1st Annual Grand River Rally" in Urich, Mo. There was no June meeting.

Local #4 has been very busy riding to help raise money for different charities and individuals who need help in our community. Several participated in The 3rd Annual Ride for Remembrance. We rode from Willow Springs to Jefferson City on June 12th to raise money for the fallen worker memorial. Then there was the Grand River Rally the weekend of June 18th. Some got out early on June 26th to beat the heat to ride for a local boy whose was hurt in an accident early this spring. There is a weekly "Thursday Cruise In - Bike Night" at The Haunted Hut in Summersville where there are drawings for t-shirts, coozie cups and food specials. Ice-cream there is heaven on earth.

Please note that Local #4 is scheduled to work at FORR's 20th Annual Homecoming at Buckhorn. There will need to be two volunteers on Friday, September 3rd from 10 PM to 2 AM - security. Then two volunteers on Saturday, September 4th from 6 PM to 10 PM - Product Line and Information.

I think that I can speak for all that attended Sunday, June 13th "Escorting the 1138th Military Police" from Willow Springs home to West Plains. Tears streamed down the faces of most of the 150/175 riders that day. I was never so proud to be an American citizen in my life. We all did a very small part to welcome those that fought without a thought of their own life for our freedoms that we take for granted every minute of everyday. So please, next time you see a Vet, thank them for all they did or continue to do. I was taught by my Dad that you show respect to every soldier and the flag. Let's teach our children to respect the flag and those who fight to keep it flying.

Howdy Folks: On June 13, 2010 we met at village dr. for the annual Camp Quality Bus, took off to Stewartsville Camp Quality site. There were 100 kids and Companions, They were having a good time and after all over we had food and beverage. Everybody was happy so we all headed back to St. Joseph.

Jimbo's Dice Run on 6-19-10 started out with the sun shining. But it clouded over and started to rain there were 20 bikes at the bike shop wend it start to rain. Dan Harmon's helmet fell off the bike and was floating down the street.

The bike shop lost all power. Everyone was having a good time even with the rain. Several riders thought they could beat the rain, so they left and got in the hardest part of the rain.

Big John Eidenshin took his bike to car wash and washed it right before the run. He really got a good rinse jobs.

Kevin Trump was on his way to the dice ran and as he was crossing Mo. River the rain came all at once, he got his early morning shower. He was trying to find a dry place to hang his clothes to dry.

Trophies Winner are 1st. Tom Eiherton, 2nd Denise Wheat, and 3rd Jacob Clark.

June 28, 2010 Jackson Cycles had a get together at the shop for a bike wash and lots of foods and beverage all day.

Once again we like to thank Galen Jackson for the fun time and before we forget Chaps, Jimbo, Jessie also got there baths too.

Keep it between lines and have safe ride until we meet again.

The Five Best Motorcycle Songs

Written by Dan Evon

www.allaboutbikes.com

There is a certain feeling that comes over all riders when they hit an empty stretch of two lane highway. No matter where they are coming from and no matter where they are going, they all experience the same indescribable feeling. These artists did their best to put that feeling down into music. Here are the five best lyrics, from the five best songs, written about motorcycles

5. "The Other Kind" by Steve Earle

The hardcore troubadour captures the feeling of losing yourself on a bike so perfectly in this song

*"Nowadays I go me two good wheels
And I seek refuge in aluminum and steel
It takes me out there for just a little while
And the years fall away with every mile"*

4. "Ghost Rider" by Rush

Neil Peart, drummer and lyricist for the rock band Rush had a long affair with motorcycles. After a family tragedy he found a healing place on the highway, and wrote Ghost Rider: Travels on the Healing Road

*"Just an escape artist, racing against the night
A wandering hermit, racing toward the light"*

3. "Motorcycle Cowboy" by Merle Haggard

It doesn't matter how much money you have, or how big your house is. As long as you have your bike and your woman.

*"I ain't got no driveway, Park my hog out on the lawn
I ain't got no driveway, Park my mean old hot out on the*

lawn

Well I ain't got me much money, But I got me a long tall

blonde"

2. "Born to be Wild" by Steppenwolf

The theme song from the greatest motorcycle movie ever made.

*"Get your motor running
Head out on the highway
Looking for adventure
And whatever comes our way"*

1. "The Motorcycle Song" by Arlo Guthrie

It's just that simple

*"I don't want a pickle
I just want to ride my motorcycle
I don't want to die
I just want to ride my motorcy-...cle"*

LOCAL 7 - LEBANON

Meetings: 1st Sunday @ 4 p.m. Shoney's
Contact: 417-286-3845

Greetings Local #7

The weather this June has been great & Local #7 members have been finding lots of great reasons to ride. Richard, Guy, Charlie, Beaver, Robert and myself rode to Bolivar for the Angels for Autism ride. Next Stanley, Guy, Beaver, Richard and yours truly met at CA Trikes in Lebanon for the Relay for Life ride. To our surprise the Springfield T.V. news crews were filming and later that night Stanley & Carol was on the 9 PM news. The USO ride was next with Watermelon Ron, Guy, Beaver, Richard & myself along with members of Local #28 riding to the Fort with close to 200 other riders. Watermelon Ron, Anita and I rode the next weekend to the Grand River Rally in Ulrich. Like usual when riding with Ron you never know what you'll see along the road. If you think an old ivy covered building is cool. Outside of Holden is Miller's Mausoleum, got some great pics of this mausoleum and the thunderstorm that chased us back to Clinton. The last weekend of June, Beaver, Don, Charlie & I road to Rolla for Local #31 memorial ride for Don John. It was clear to see Don had a lot of friends in FORR and local #7 enjoyed the chance to ride to show our respect for Don and his family. Next month is Sturgis and I've heard talk that Local 7's John Pigley and Don plan on making the rally. Hopefully we will have some great Sturgis stories coming soon.

P.S. I almost forgot the most important thing.... I want to wish my Queen a very Happy Birthday.

Until next time
Ride on
Geezer

WHOOO HOOO we survived Spring Fling with NO incidents!! Maybe few tents blown over, or canopies destroyed, but everyone stayed safe! Despite the fact we had stop our band early Friday night and we couldn't do field events Saturday afternoon, the rumor is, everyone had a wonderful time! I'm not sure on the exact count, but I heard it was over 700 through the gate. Not a bad turnout for a weekend with such unstable weather. Thanks to everyone who came out and supported us and I hope you enjoyed yourself, made a few new friends and left with fabulous memories!

Now that we're through Spring Fling, we need to think of some ways to get motorcycle awareness and education out in our communities. We don't need to just focus on the non-riders, but also our brothers and sisters who ride. Remember, if you know someone that you think needs a refresher course, you could suggest doing a safety course together. We decided at our last meeting to reimburse the graduates of the BRC the full amount the state does not cover, and the ERC was already covered. Other than just time, it doesn't cost them anything.

Mark your calendars for September 2-6 for Homecoming & September 17-19 for the State Line Rally in Keosauqua. Keep

September 17-19 for the State Line Rally in Keosauqua. Keep your eyes on the Press for other area events. Remember to support other locals at their events. We're all in this fight to protect our freedom together.

With that I will end this, short & sweet.
Until next time ~ Keep Smilin ~ Glenda

Not much to elaborate on for right now except that the weather has been great, been doing a lot of riding and I hope that everyone else out there has been doing the same! Remember watch out for others on our roadways who may not be watching out for you and ride safe!!

We are anticipating a Bike Show possibly at Woody's Sports Bar and Grill in Ashland with a tentative date sometime in September. More information as it becomes available to me. Keep checking the webpage for any and all upcoming events at www.forrlocal10.net.

support for Missouri Motorcycle Rights.

And I want to send a personal thanks to all the members who really put forth the effort to make this rally a success. The rally takes the members working together to pull it off, this is the least we could do to support our efforts on the state level, and promote brotherhood within our own area and between our locals. Thinking outside the box and reaching out to other riders in our state and neighboring state is true brotherhood, offering support on their events as much as we like them to support us at ours, Thanks L11 for making this rally a success.. The next newsletter should have a rundown on how the event went, pros and cons.. or even better.. come see for yourself.

Come Party With L11.. I promise it will be a weekend to remember...

LOCAL 12 - GLASGOW

Meetings: 4th Thursday @ 7:00 p.m. Fishbeak Saloon, Main St in Glasgow

Contact: Smokey Strodtman - 39415 280th Road, Gilliam, Mo. 65330 - smokeystrodtman@hotmail.com

Greetings again to everyone out in FORR-land. We have been experiencing some wet weather since last month and river seep water even got over portions of 240 Hwy. west of Glasgow. Right now as this is written we are hoping it will be clear for the Firecracker Classic. Speaking of which, there will be a complete report on the FCC next month.

We had a good meeting on June 24th with 15 members and two guests present. Mike called the meeting to order at 7:06 and the April minutes were read with one correction. The May minutes were approved as read. Courtney's treasury report showed a balance of \$7,350.39. Since there had been no CC meeting, Dave had no report.

Jeff and Pam reported that several vendors were coming to the Firecracker. For food we have Jesus Ayala, Big River Fish, and Maxine's. Other vendors include What Ya Say, Ozark Tattoo, Thunderbolt Polish, Dale's Cycle Gear, Photos By Shelly, My Place Sales, Wide Open magazine, and Ray Herro. The Full Moon Band will play Friday night. Saturday from 5 to 9 will be Blues De Ville and Split Decision will perform from 9 to 1 am. Our DJ all weekend will be Mo River Music, who has done an outstanding job for us in the past several years.

There will be a park cleanup day on July 1st at 6 pm to remove debris from the river flooding. Thursday the 8th will be setup day. Attendees who arrive at 8 pm Saturday night to hear the band will pay \$10. Pork Chop is getting the state trailer. Possible alternate sites in case of flooding include Kuemmel Park or American Recreation. We will be putting up soundproofing in the Fish Beak on the first Saturday of the month.

Under old business, there was no word on the Local 12 Hwy. signs on 240 west of Glasgow. In new business, Josh Knox will be head of security at the Firecracker and he has done an excellent job in the past. We voted to renew our sustaining membership in the Motorcycle Riders Foundation at a cost of \$100. The meeting was adjourned at 7:45. Randy Elmore's name was drawn for the 50/50 pot but he was not present so it was rolled over until next month.

Upcoming events:

July 22nd- local 12 meeting, 7 pm, Fish Beak Saloon, Glasgow

August 26th- local 12 meeting, 7 pm, Fish Beak Saloon, Glasgow

September 3rd-6th 20th annual Homecoming Party, Buckhorn

If you have news you would like to put in the newsletter, contact me at 660-631-7324 or e-mail me at smokeystrodtman@hotmail.com or see me at the meeting.

Until next month....be free, Smokey

Contact: 573-473-8017 or 573-642-2345

Fellow enthusiasts of all shapes, sizes, ages, origins and/or planets, we come in peace.

Well another month has come and gone, WOW how time flies in the summertime when riding, it seems it is always on our minds and the open road is in our hearts.

We all hope thus far this year, your time on and off the road has been safe and fulfilling. We don't have a lot to report this month but here it is. We had our annual Fallen Members run and had a very good turn out thanks to the weather and those that helped put it on. The bike show was, as usual, a great success.

The winners are as follows:

In the stock class 1st place goes to Tommy Cummings, 2nd was Randy Munsen, 3rd Sue Gaston.

Tommy C. also took Best of show.

In Custom class 1st AGAIN was Tommy C. nice showing dude. 2nd was our own Scott Fennenwald on the "Old Man" Good job guy, 3rd was Todd Teak.

Jennifer Wilburn had the winning Poker hand and donated her winning back to the Local, thank you Jennifer. Congratulations to all that participated and won, those that didn't win, well all I can say is better luck next year.

Our boy's base ball team did place this year in 3rd. A Big congrats is due. Being this is our 1st year in this sponsorship we did well. Thank you Scott for your all your efforts and a great job as coach, hope you will continue next year.

The only other business I have to bring up is the Homecoming. In last months news letter was the work list of assignments for this year. If you plan on attending, please look it over and if you can fill a shift it would be very grateful.

By the way Dan (Slider "D") did this news letter due to Linda being unable to sit at the computer for any length of time due to having 3 broken ribs, please wish her well soon, thanks.

As Linda would tell you all...

Go in Peace not in Pieces, have a save month.

Hey All! Not a lot to report but want to touch base and let everyone know what it coming up. We would love to see everyone come to some of the upcoming events. It appears that we are losing a lot of members recently. We were up to 111 members and are now down to 96. It is important to our Local that we keep all of you with us. If we need to send more reminders or if your address or email address has changed please let any one of us know so we can update your information to make sure you are receiving everything you need to be in touch with when the meetings and upcoming events are.

July 31st – Local meeting at Martin Kings house in Pocahontas, MO.

August 7th – Bayou Run- flyers available at the Bayou and from any of the officers. This run will begin and end at the Bayou Bar and Grill. Sign up will be from 10 am –noon. Last bike out at noon and last bike in at 4 pm. The Jimmy Lee Band will be playing at the end and we will have door prizes all evening. I will be a great time and hope to see everyone there. Please be sure to invite anyone else you know that might be interested in getting out for a day of fun in the sun.

We have a lot of new things in the Product Line and they will be available at the next meeting and the Bayou Run. There is something for everyone....even the kids!

We are going to be having a lot coming up from Fun Runs to Christmas Parties! I know a Christmas Party? It will be here before we know it. We all need to get together and decide what we would like to do as our community project over the holiday season. Like I said it will be here before we know it and we need to get a game plan and committee together before then.

The American Red Cross awarded FORR Local 16 and the other organizations that participated in the Meet and Greet Run last September with a recognition award for "Hero's of the American Red Cross" for our participation and donations to the American Red Cross with the 1st Annual Meet and Greet Run! We are hoping to do this again this year if there are enough people interested in participating.

Better run and get this off.....everyone be safe. There have been a lot of motorcycle accidents on the news lately. Everyone drive safe and take care. This is the time of year for everyone to enjoy themselves and get out there to put some miles on those bikes! Until next month.....Bene

Hey Ya'll,

How come winter don't go by as fast as summer? Can you believe it's August already! Hopefully everyone's making plans to attend the "Homecoming Rally". We plan to setup in the same general vicinity as the last few times. So, will be looking to see you there.

On a sad note I thought we should let you know if you don't already, that Barb Shauck also known a "Barb Wire" (for apparently good reason) and her famous blue (sporty trike) got into a scuffle with a pick-up truck right before the 4th of July. They both took a pretty good beating but true to her form she'll make a full recovery, not sure about the bike though.... and as for the pickup, well you can definitely tell it tangled with "Barb Wire".

We all wish you a speedy recovery Barb.

Be careful everyone!

Hello Everyone,

Hope everyone is enjoying this awesome riding weather.

We are embarking on a very pivotal election year, so please get the info from the Freedom Press on the candidates and get out and vote.

Do Not only listen to what a candidate says he or she will do, look at how they have voted on our past legislation. We all know how they love to lie to us, but they cannot hide from their voting record.

We had the privilege to have a candidate from St. Louis' 1st district at one of our meetings recently who is running against Lacy Clay. Her name is Robyn Hamlin. We grilled her on every issue that we could think of, and she is 100% for our causes. Robin is clearly one of us.

This district has been controlled by the Clay family for years, and they have been less than honest in their dealings with us in the biking community. Robin was contacted by the Freedom press and returned the questioner with a 100% approval. As of July Lacy Clay had not even bothered to return the Questioner. Well we all know where he stands, and it's not with us. So this election period in August, and then again in November, are very, very important. And if we are going to make some substantial changes, this is the year it is going to happen. People everywhere are ticked off.

OK.. Enough about politics, lets get to the fun stuff.....

Our Big **3rd Annual Rodeo** is This month on Saturday the 21st. It will be at:

Hope everyone had a safe 4th of July.

We've had some great riding weather and enjoyed several eat n' rides with a respective number of participants. Our last meeting was at Poppa's in Albany, June 15 with 22 members and 8 guests present. Linda gave a report on the CC meeting with important laws affecting motorcycles being passed in Europe and warning that we could be next.

Local 26 got recognized for the most proclamations collected for the Proclamation Run. Kathy asked group if they wanted to ride as a formal group in the Nodaway County Fair Parade or just as individuals. It was decided that we would ride as individuals, not as a formal group. Kathy asked for a vote on the Dist. 1 Black Top Rally be changed to Memorial Day week-end. The vote was No, conflicts with other events.

Linda reported on the Camp Quality Memorial Ride, 34 attended and \$400 was raised.

Ed reported on Memorial Rally in Buckhorn. He said there were approx. 2500 in attendance and the Rally was well done with lots of activities and events.

Upcoming events were announced and Happy Birthday was sung to Mike Pitzenberger.

Roy won the door prize and he donated it to Camp Quality Thank-You's

Thanks to: Ed Montgomery for attending the CC meeting in July. Ed M., Jay Steeby, and Roy Brown for working the gate at the Blk Top Rally. Kathy for getting our ride schedule written and sent to members and collecting \$ from the Camp Quality Ride. And.....Roy Brown for keeping us on top of things.

Happy Birthday to: Jeanine Montgomery, Rod Shain, Gay Frampton, Gary Maxwell and Lewis Rice

Get well wishes to Gary and Janice Maxwell. We miss you!

Howdy Boys & Girls,

I don't recall any years previous having seen so many bikes on the road. This is an awesome sight and makes me believe the more of us on the road the more visible we'll be to others and help in our safety.

We had a great MM on June 20th starting at 1:10 pm, with 27 members attending. Treasurer Burns and Secretary Ross reports were approved and Membership Sec. Brooks has us at a steady 66 members again this month. V.P. Singleton talked about Steve Edwards's Freedom Ride in Sept. and Steve is asking for an RSVP from members 2 weeks before the event. A reminder will go out for that as well as a reminder of July and August events. It was mentioned about 30 members from L-27 attended then Freedom Rally where Big John took 1st in the "board ride". A few stories were told but I'm sworn to secrecy on names and incidents.

We had a CC vote and we voted yes (12/10) on the DOT helmet in our FORR product line and in the "Give-away program" we voted unanimously for a certificate to a dealer of your choice as opposed to a Harley motorcycle.

PR Rep Thornhill talked about David's Ride Poker Run, on July 17; starting at Stockton High School, sign in starts at 9 am. Also mentioned, a bike night in Bolivar at the Ozark Mountain BBQ at 6 pm on Tuesdays. Big Johns 8th Annual Humansville/

Weaubleau School Benefit Poker Run is scheduled for Sat. August 21, at the Weaubleau City Park sign in at 10.

In other news, a story about the little Smith girl who won the bike at the Roscoe Fun Run and her dad built her a stationary treadmill like thing so she could ride her bike because it was too big for her!

Member Olin Meadors and his wife Colette along with friends and family had a huge turn out for the Angels for Autism Ride with 250 people and about 175 bikes. They put a lot of effort into this event and it paid off. Olin looks forward to making this an outstanding yearly event.

There was a good turn out from L-27 for member Rebels Dines 'Vietnam Vets Unmet Needs Poker Run'. A beautiful day until it was time to ride home, then the Heavens opened up and rained like Hell on us! We took a break north of Springfield for the worse of it to pass and then the guys took off like rockets, when they hit dry pavement, before we got another dose of the wet stuff.

July memberships expiring are: Greg and Monica Barnes, Walt Burk, Katherine and Ty Cashell, Gary Castle, Doug Darnell, Steve Edwards, Wayne Kozma, Cheryl Ross, Dean Singleton, Donna Stone, Mark Thomson and Tony Van Dyk. For August: Steve Burrow, Myron Duskin, Cindy and John Wilson, and Julie Witt. My apologies if you've taken care of it but are listed anyway and thanks for your support!

That's all for this month, enjoy "motorcycle season" and Thank-You to FORR for the reason we gather.

Sincerely, Cher.

Welcome back.

Hope every one is having a great summer and getting in a lot of ride time.

I was cleaning on my bike the other day and noticed a bolt that had come loose. Now a loose bolt on the exhaust mount is not a big deal but it did make me think that maybe I should check the bike out and make sure that nothing else was falling apart. After a couple hours of looking and checking I felt comfortable that all was well. So when I threw my leg over the saddle that afternoon I had a little extra confidence that I was safe.

Anyway that got me to thinking about how many times I had gotten on my scooter and the only thing I was concerned about was whether or not the thing was gonna start. so this month I would like to encourage everyone to take a few minutes before each ride to check a few of the basic things that could make the difference between a nice relaxing ride through the country and a mechanical failure that could end up leaving you sitting beside the road, in the best case scenario, and the worst case is something we don't even want to think about. So here is a short list of thing to check regularly.

1. Tire condition and pressure
2. Brakes should be checked for leaks, pad thickness, secure caliper mounting, cracks in the rotors, brake hoses, and mounting hardware. Also check fluid level.
3. Handle bars should be checked at the mounts and risers

and that the controls are all tightly mounted and functioning properly.

4. Foot pegs and controls. Don't forget your highway and passenger pegs.

5. Lights; headlight, blinkers, tail and brake lights, also if you have running lights check those for function and adjustment.

We are hard enough to see as it is with out having a nonfunctioning light.

These things should be checked at least once a week, preferably every time you get on.

The June 5th dinner ride was great, good weather and good food. I think that maybe I should have walked home to burn off those calories.

On June 26th we had a farewell dinner for Bob Thompson who was president of our local for 5 years we wish him well in Wisconsin and thank him for being there for us for so long.

The 27th was the Don John memorial ride. We had a wonderful ride and some great BBQ thanks to Marty & Christy, it was also our June meeting

Our July meeting has been changed from August 1st to July 30th and will be at Marty and Christy's house in Rolla.

Don't forget the Motorcycle Swap Meet on August 1st, invite everyone you know and if you have something to sell or trade you can contact Brian for details on getting a booth or a spot in the "Bike Coral". It will be held at the St. Roberts Community Center. MapQuest can fix you up with detailed directions.

See ya next month and remember, "Never drive faster than you are willing to crash"

What is going on in August? The big ones are Sturgis and Primary Elections. It's time to start setting this country on a different path. Ask that politician what their occupation is and remember. How does an Attorney and a Doctor know how the rest of us live? Vote for the common people that are running for election.

Its kind of a slow month it's HOT and dry. So as August goes, so will this newsletter. Dam it's to hot to do anything, lets wait till September when it cools off.

Hello everyone. With so much going on now it is so hard to keep up. Local 42 members along with guests met at the Roadhouse 100 last Sunday for our Poker Run for H.M. Memorial Foundation. Bill Lynn did a really nice job picking out the route. Bill is good at picking. This poker run was a little different for me cause of three stops I had not been to before...Our second card was in Rosebud Mo. at a place Called Kline's Rest. The aroma that hit me at the front door caused my taste buds to go crazy. Excellent Margarita's and very good prices. Third card was in Byron Mo. near Belle. It was called Sharon's bar and grill. A really nice homely atmosphere. Fourth card was a nice little trip up to New Haven...I know, I ran out of gas and people at this stop were extra good to me and sent me a gallon of gas back. It's called Stony Hill Hall and it is a really nice place to hang out at. Last stop was back to the Pacific Eagles where we landed and gathered for the show of hands. I gave up at the last stop after witnessing a young lady nail her fourth Ace!!! We enjoyed hotdogs and burgers and a lot of fellowship. So many people to thank....Reps from Hartbauer McBride were there with their trailer for the big drawing. Thanks everyone for their participation and all of your efforts. I don't have an exact count on the bikes that were present. Less than 100, more than 50....More to follow....Talk later, Tex

School supply collection at Washington Mo. Walmart...6-26-10 What can a person say...At least 20 members showed up Sat. morning to help with collecting money from the good hearted people who were shopping at Wally World. It was really hot out and people were doing so much. Same thing Sunday. They collected till noon and then we had a meeting before the CMA bike show at the Union park. There were so many things going on this past weekend it was amazing how things just fell into place. I haven't gotten the final figures from the events but I think they were around the 1500.00 range. I love it when people pull together for a great cause. Quite a few members also attended cruise night where we had our information booth. Its hard to describe everything that goes on when we gather for our events. There is so much fellowship and great attitudes no matter the weather...Hope everyone has a safe 4th of July Talk later, Tex

Salutations Folks,

It is almost time for school again, I'd rather extend the summer a few years. The leaves are going to be falling before we know it. I hope you've thoroughly enjoyed your summer.

Local 46 had a large celebration in Caplinger with the Roll in the Hay at Caplinger Dam poker run. Thank you to all the locals that joined us for an evening of fun and getting to know each other! I'll have more info on the poker run next month.

We are planning on getting out more so look forward to seeing us at your events.

DISTRICT 1

Hey D1

Our May Rally was a little wet. Rained out the drags and bike games but not the fun we all had. The band STAGGERSTRAYT was wonderful. If you ever get to come to this rally you will enjoy it. At last count I counted 500 people partying and dancing and having the best time. The four boys that rode down from Knoxville Iowa were a riot. They made sure everyone was entertained. They said when they left SEE YOU NEXT YEAR. Don't forget local 41 bike show July 24th in Cameron. My wifey just read this and said I was counting people to late in the evening something about me having triple vision so I don't know how many was there but a great time was had by all.

DISTRICT 4

Hey all you Freedom Lovers

I can't believe how fast this year is going by. Here it is already time to start advertising for this year's Octoberfest which will be here very soon. We are all very excited about the new location, Lake Paradise Resort. If you would like to join us for a preview of what the resort has to offer and an opportunity to help in the final layout of the event, than come out on July 30 and 31. We are planning an overnigher at the resort. The cost to tent camp is \$19 a night, or you can try out one of the cabins they have, or bring your RV. Please call the resort at 816-690-4113 or go to www.lakeparadiseresort.com to make your reservation. Ask for a spot in the Spring Valley Campground and tell them you are with FORR. We will have a beer garden this year, something we have not had in a long time. So leave your beer at home and you'll have more room to pack other things you'll need.

District 4 needs your help. We need to get sponsors to help

cover the costs of putting on Octoberfest. Talk to your local's rep and get a sponsor form from them and take it to your favorite bike shop, bar or anywhere you can get sponsors. We offer Trophy sponsors for \$25, T-shirt sponsor for \$40, Event sponsor for \$100, or Chrome sponsor for over \$200. Please do not leave it up to your rep to do all the work, it takes everybody to get involved and help to make things happen. We need ideas from the membership for fund raisers to generate money for the other district events also. The kid's parties, just like everything else, cost more to put on than what we are collecting from the locals donations. So think about giving more when your rep asks for these donations. The first Bus Trip to the Capital was a success that we want to build on for next year and following years. We did not make enough money at this year's Legislative Fundraiser to cover the cost of the bus for 2011, so we again will be asking the locals to help support this by making a donation or coming up with ideas to raise the money. Remember District 4 is only as strong as the locals that are in the district and we count on you to keep it going.

This year is an election year for the District Activities Chairman (hint, hint). If you or someone you know would like to step up and take on this responsibility, than come to a district meeting and see what it is all about. Talk to your rep or call me at 816-850-4511 and I'll answer any questions you have. Keep pushin on

A Note From Your Motorcycle Awareness Coordinator

Hi there, I hope this finds everyone doing great. Out there riding, wind in your hair, bugs in your teeth, and enjoying the nature's beauty God gave us to enjoy. I'm Deanna Norris Freedom of Road Riders Motorcycle Awareness Coordinator (MAC). I wanted to give you a quick update on what all I have been up to lately, in our mission to spread the word of "Motorcycle Awareness".

MODOT sent us "Watch for Motorcycles" window clings for car windows, stickers for helmets bikes etc. , Share the road pamphlets on how to driver around Motorcycle's. These are a great way to Get the word out to ALL Driver's and that is our goal. It's great that MODOT is working with us with support and supplies, not to mention the events they are putting on to get the word of Awareness out. I am working on getting additional information to hand out. I have handed out a couple thousand of these, stickers etc and left some for Local 8 to hand out in their area. (Thanks again Local 8 for the response at Spring Fling-Great Rally). If I can do this many alone though, just think what a group of people can do. Let me tell you, I have met some really neat people talking about Awareness and this gets some good conversations started. I have handed out a lot of FORR trifies with these, and hopefully we get quite a few new members from it. I am telling them about all the work were putting into getting drivers education back into schools, with a portion on how to drive around motorcycle's. We are working with MODOT and other entities to spread the word of Awareness. We are changing the Missouri Operators manual, so that people getting their license will have to study and be tested on how to drive around motorcycles, as part of their regular driving test. (Which by the by the way last I heard they should come out in the August). We are also working on legislation to put driver's Education back into schools and we are the 5th in the nation on teenage deaths and something has to be done about it. These are our current and future driver's, these are our kids! Everyone can see the need and they are interested in how they can help. They get fired up too, we're all tired of being a target and losing friends. Something has to be done about it, and We are doing it!

I also had the pleasure of speaking to two drivers Education classes In Raytown, in June. Thanks to Local 5's , Steve Pfeiffer for setting that up for me. It went great, I started out by telling them I had one hour of one day to instill in them how to drive around motorcycles. I had the list of questions I turned into to DOR for the operator's manual, that I asked random questions from. Made it interactive, included who rides in their family and how they want them to come home. That's like us we are someone's family and they want us to come home too. I played one MSF film and some gory ones off the internet, with cool music to keep them in tuned. The teacher was a great help with all of this. I passed out stickers to the kids for them and their parents. This also gave me an opportunity to speak to the kids who are thinking about riding. I was surprised how many there were. I had BRC and MSF info to give them as well. We ended the class with going out to look at my trike. I asked for feedback and it was great. I had a lot of fun that day and I think the kids learned a lot. My report from the teacher was outstanding. LOL. That was Awesome too.

I have been to many motorcycle events this year and hope to make many more, but I (We) need your help! Please help spread the word of Awareness any chance you get. A smile and a handshake can go along way in changing the minds of people out there. So they can see us as people, not just leather jackets, it becomes more personal to them.

Since you are already a member of FORR., you know we can make a difference. We work hard to protect the rights, freedom and safety for all Motorcyclists out there. We are all family, no matter where we are if there is FORR ,there is family, that's the way it should be, and we should all work together to keep our family alive. It takes all of us, we are the largest Motorcycle rights organization in Missouri and this is our opportunity to protect each other. With this said, I would like to challenge all the locals, across this great state, to do a safety event in your Area on Motorcycle Awareness. Check with your grocery stores, see if your school offers drivers education and if there is anyway you might be able to speak in their classes about driving around motorcycles. It's a lot of fun and you could be saving a life, you never know it might even be yours.

If you would like information for your events please contact me .I have had computer problems for a while, if you need an immediate answer, please call. Thanks again for all of your support and anything you can do to help spread the word.

Ride Safe and Stay Free!

*ANY STATE OR INDIVIDUAL
IS INVITED TO JOIN US AT THE:
NINETEENTH ANNUAL Mid-South M.I.L.E.*

IN THE BEGINNING ...

THE MID-SOUTH M.I.L.E. was first conceived in the winter of 1992 when over 100 dedicated individuals from the four-state area (Arkansas, Kansas, Missouri and Oklahoma) met in Joplin, MO at a small community center. The goal was to share ideas, techniques, strategies and enthusiasm, and that goal was accomplished. At the same time, the need for more time and structure was seen and so a seminar was proposed: an opportunity for motorcyclists rights group members to meet and benefit from each other's experiences, and to begin working together toward a common goal - the preservation of our freedom as motorcyclists. The time had come to unite as brothers and sisters or perish as fools.

From these beginnings, Operation M.A.K.O. was conceived. A four state bus trip to Washington D.C. to confront our individual legislators to take action on Tenth Amendment States Rights concerning mandates from the federal government. In 1995 this event achieved a position in motorcycle rights history. A second trip occurred in 1996, with Arkansas and Kansas carrying on the M.A.K.O. tradition. A third trip In March, 2003 - M.A.K.O.T. - was composed of the five states that make up the Mid-South M.I.L.E.

Urge Congress to consider resolution regarding National Monument designations

Support resolution directed at Interior Department to force disclosure of documents relating to National Monument plan
Contact Speaker Nancy Pelosi and your Representative today!

The Chairman of the U.S. House Committee on Natural Resources had a markup (votes were taken) on June 16, 2010 to consider H. Res. 1406, introduced by Representatives Doc Hastings (R-Wash.) and Rob Bishop (R-Utah). This resolution of inquiry is aimed at requiring the Secretary of the Department of the Interior (DOI) to turn over to the U.S. House of Representatives all documents related to the potential National Monument designations.

H. Res. 1406 passed the U.S. House Committee on Natural Resources with a favorable recommendation by voice vote. The House Leadership and Chairman Rahall must now schedule H. Res. 1406 for consideration on the House floor.

The American Motorcyclist Association (AMA) sent a letter to Speaker Nancy Pelosi urging the U.S. House of Representatives to consider H. Res. 1406 as soon as possible. In addition to the letter to Speaker Pelosi, the AMA also sent a letter on June 29 to every Member of Congress urging them to support H. Res. 1406. This resolution needs the support of the U.S. House of Representatives so the American people will know exactly what plans are being discussed regarding responsible motorized recreation on millions of acres of land. For this reason, the AMA is urging all Members of Congress to cosponsor and vote yes on H. Res. 1406. The AMA will be scoring resolution cosponsors and this vote for the 111th Congress. To see if your Representative is a cosponsor, [click here](#). To see the AMA's scorecard for the U.S. House, [click here](#).

Prior to the markup on June 16, the U.S. House Committee on Natural Resources considered H. Res. 1254 on May 5, introduced by Representatives Doc Hastings (R-Wash.) and Rob Bishop (R-Utah). This resolution was similar to H. Res. 1406. H. Res. 1254 was in response to the letter Hastings, Bishop and 14 members of Congress sent to DOI Secretary Ken Salazar in February requesting further information related to an internal document that revealed the Administration is considering designating 13 million acres of land as National Monuments using the Antiquities Act without any public debate. This unilateral action by the Administration could potentially prohibit responsible off-highway riding in the affected areas.

In response to the markup on May 5 and the congressional letter, the DOI provided a limited release of only 383 pages out of more than 2,000 pages of internal documentation related to the consideration of National Monument designations. This is not sufficient disclosure of information. The AMA urges the DOI to release all documentation pertaining to the congressional request.

Despite bi-partisan support at the May 5 markup on H. Res. 1254, a motion to favorably report the measure was not agreed to by a vote of 20 yeas to 22 nays. In a separate motion, a voice vote agreed to report H. Res. 1254 without recommendation. That means the decision to bring the resolution to the House floor rests with Committee Chairman Nick J. Rahall II (D-W.Va.) and House leadership.

As a result of the failure to report H. Res. 1254 favorably and the failure by Sec. Salazar to bring these documents in question to a recent hearing, Reps. Hastings and Bishop introduced another resolution of inquiry (H. Res. 1406) to force the DOI to release all documentation pertaining to the congressional request.

In addition to the congressional letter, the AMA sent a letter to Salazar addressing the responsible riding community's concerns of its members and other user groups, stating its opposition to recommend the designation of 13 million acres of National Monument areas without any public debate. The DOI responded to the AMA's letter, claiming the internal document was merely a "brainstorming session." To view DOI's response, [click here](#).

The AMA supports H. Res. 1406 and urges its members and, all motorcycle and ATV (all-terrain vehicle) riders, to contact Speaker Pelosi and their Representatives to voice their support for this resolution.

You can find contact information for your elected officials at AmericanMotorcyclist.com > Rights > Issues & Legislation, then enter your zip code in the "Find Your Officials" box. A prewritten e-mail is available for you to send Speaker Pelosi by [clicking here](#). You can send a prewritten e-mail to your Representative immediately by following the "Take Action" option and entering your information. The AMA encourages riders to personalize their message by drawing on their own personal riding experiences.

Please write or call Speaker Pelosi and your Representative today and urge them to cosponsor and vote yes for H. Res. 1406.

EPA Updating Noise Emission Standards

The Motorcycle Riders Foundation (MRF) has learned that the US Environmental Protection Agency (EPA) is updating the regulation that governs all motorcycle noise emissions. The EPA has sent a letter to various private companies located in the USA, that import or build motorcycle exhausts intended for use in the USA, asking the companies to disclose sensitive financial and business plan information, as well as trade secrets.

The EPA claims that it must update the regulation because of "technical changes that have occurred since the last update of the rule". Current law has decibels capped at 83 for motorcycles built since 1983. It is not clear from the letter which direction they will pursue, but in the past, any time the EPA "updated" anything it meant that the regulations got stricter. Reading between the lines shows that the EPA will likely lower the decibel limit for motorcycles, not increase it.

The 5 page questionnaire asks for some very sensitive information such as; overall value of the company, part numbers of items built and or sold, testing techniques, will the company pass on the costs of more testing to the customer and so on.

The MRF is arranging a meeting with the EPA to clarify exactly what is going on here.

If you or anyone you know has received this letter, please put them in touch with the MRF so that they can join the coalition to ensure that this does not put in place any hardships for the American rider.

Contents of the letter to manufacturers follows.

Lobby Ban Supported

Today, 5 Members of the House of Representatives introduced a resolution that "supports efforts to retain the ban on the National Highway Traffic Safety Administration's ability to lobby state legislatures using federal tax dollars and urging NHTSA to focus on crash prevention and rider education".

The ban is current Federal law, the resolution simply supports the lobby ban and puts the Obama Administration on notice that this is an important law and should remain in place. There is recent activity to support the fact that the current Administration would like the ability back to lobby state legislatures. At a hearing, Obama's NHTSA chief, Mr. Strickland, has said the motorcycle helmet use will be the core of NHTSA's approach to motorcycle safety. He went on to say that "anything the Congress does that would support the movement of riders into helmets would produce the desired effect of safety."

So, we are pleased that Representatives Sensenbrenner (WI), Ryan (WI), Rehberg (MT), Lanborn (CO), and Petri (WI) have all sponsored H Res 1498 today, and the Motorcycle Riders Foundation (MRF) hopes more of their colleagues will follow suit. The bill is a direct result of the MRF's spring ride to the capitol known as Bikers Inside the Beltway. A group from ABATE of Wisconsin brought this issue up with Congressman Sensenbrenner and he agreed to do the resolution.

Prior to 1996, NHTSA could and did send paid staff to State legislatures, uninvited, to testify in favor of State helmet laws. This irked the constituents and Members of Congress, who felt that it was a waste of tax payer money. They felt that the feds should not be able to use taxpayer moneys against the will of the taxpayers. So, Congress passed a law that forbids NHTSA staff from entering state assemblies uninvited. Sensenbrenner led the charge back in '96.

He had this to say about the issue "It is the job of Congress to defend the freedom and individual responsibilities that motorcycle riders across the nation enjoy as they travel the open roads of America," Congressman Sensenbrenner said. "Mr. Strickland's plan greatly concerns me as it is not the job of the federal government to create one-size-fits-all helmet laws. Mr. Strickland appears to be intent on pursuing all means possible to enact mandatory helmet laws, either at the federal level or by violating the principles of the 10th Amendment and bullying the States into enacting mandatory helmet laws."

Down the Road

It's with a heavy heart that we have to report this next bit, as many of you know, Sputnik Strain passed away last week. For those of you who aren't familiar with Sputnik's life work. I'll try to sum it up. Sputnik organized the State of Texas motorcyclists and convinced a bulk of them to run for elected office. He was so effective, that by 1996, the entire State House and Senate were run by biker majorities. It didn't matter to Sput if you were a Republican or a Democrat, just that you were a biker. They held the majority until just few years ago. It is, without question, a feat that has gone unrivaled in the motorcyclists' political world. Services for Sputnik Strain are going to be held July 10th, in Austin, Texas.
