Looks like fall is approaching... and that means 'OCTOBERFEST' will be coming soooooon! Again this year at the I-70 Speedway, it should prove to be another Total Blast! (It always is... see flyer on page 7)

A \$5 reimbursement will be given to members for the assistance of Setting up and, or Tearing down at Octoberfest again this year. (\$5 for each)

The local has been doing well. Our last meeting was at Gary's. As always, a good time was had by all. Our treasury is seeming to be staying full. We have increased our Product Line allowance since prices are going up all over so our Product line manager can pick us up some more goodies....

Any ideas on a state wide Kids Rodeo or wanting to volunteer to help, let Martin know. 573-576-6662 or vchairman@frr.net

Huge discussion of how some members submitted 'bogus' membership applications and what should be done about such things. I won't go over the entire discussion tooooooo lengthy - as I only have a half of a page to report with.

Otherwise, we'll be seeing you later, besides I have a voice over my shoulder saying that I'm running past deadline....

Have a good one, then have another!

Local News

"Heavy" Gordon of Winona, MO- recruited by Mark House
Steven Root of Houston, MO- recruited by Kenny Barnes

Members are encouraged to invite potential members to the meetings. Remember, owning a motorcycle is NOT a requirement for membership.

August began with a benefit ride that several of our local members participated in. This ride benefited one of the fellow bikers in our community who had sustained a spinal injury. Mark House independently rallied the area riders and he and Larry Tune put together a ride with proceeds going to benefit Keith Conner. The benefit ride brought in just shy of \$500 for Keith. Truly bikers have the biggest hearts. Keith and his wife Lori, she owns and rides her own classic cruiser- YEA!!, were told about Freedom of Road Riders and our LOCAL 4 and they decided to join. Good things come out of helping others!

August LOCAL 4 monthly meeting was held at the residence of Mark House, Summersville. Members and guests brought an abundance of food and drink. Mark barbecued for everyone we sure enjoyed everyone's participation.

Minutes were read from the previous meeting and approved by Mark House and seconded by Todd Dorman.

Three patch designs were introduced at the August meeting designed by me. Members selected their favorite by noting on the back of the design as it was passed among the group. Revision of the patch will continue and it will have to be presented to the central committee for approval before we can proceed further.

Debbie Tune gave the treasury report with news that we do have an established checking account at Community Bank, NA at Summersville. David Barnett, bank president, waived the monthly fee normally associated with small balance checking accounts. Everyone please let David know we appreciate this. LOCAL 4 did send a card expressing our appreciation. This bank truly is 'biker friendly' as they also kindly donated trophies for the non FORR affiliated charity "Dogs off the Leash" poker run and rally. Everyone lets give Debbie and the folks at the bank a huge 'hell yeah' for their efforts.

Eminence Chamber of Commerce contacted Mark House regarding his independent assistance in planning and organizing the 2009 motorcycle rally. It seems their prearranged planner is now unavailable to follow through with the rally that is coming up in September. Although we would definitely encourage all to participate and support Eminence efforts, it is not a FORR event and really late to be of much assistance in 2009. An informal proposal was made by the chamber for our LOCAL 4 to plan and organize the JULY 2010 rally. There was much discussion for and against our involvement in this endeavor. After open and somewhat heated discussion, (our president remains as

Larry Tune) the motion was made by Kerry Pruett to table the decision until the September meeting. Todd Dorman seconded. All members are encouraged to think on the possibility of entering into partnership with the Chamber at Eminence and develop ideas to discuss in September. Insight regarding the LOCAL involvement will be reaped at the central committee meeting in September.

Membership goals were set for thirty members by the end of this year. Information and membership forms were circulated at the "Dogs off the Leash" poker run and rally. We did gain several 'interested' parties and one member. Steven Root, local veterinarian and our newest member, also won the loud pipes contest. It was a close competition between two wild HOGS but the crowd ruled Steven had the loudest pipes. LOUD PIPES SAVE LIVES!!

Other LOCAL members noted to have awards at the "Dogs off the Leash" run and rally were Todd Dorman, who won best custom bike and Brandon Bay, son of member Randy Bay, who won best RAT bike.

SALUTE to Mark House and Gwen Black for their independent efforts in organizing and pulling off the second annual "Dogs off the Leash" run and rally. This rally raised over \$3000 for local charities. 127 bikes rode and 193 poker hands were purchased. Estimated that 250 participants were fed a delicious supper of pulled pork or pork ribs and all the fixins for a mere donation. Once again, this just shows the hearts of our biker population- some of the finest people on Earth.

Lori and Keith Conner have volunteered their home for the location of the September meeting. As the 25th is the fourth Friday and should be our meeting date, it is also coincides with the Fayetteville Motorcycle Rally. Our phone tree will be utilized to let all our members know of date and time of the September meeting.

Come join us in LOCAL 4! Get in contact with us if you want to ride to Fayetteville together or to Columbia at Rocktoberfest in October.

L-5 had a very good turn out at our last meeting including guests from local 14. The Labor Day holiday is on us at the time of this report and L-5 members will be traveling throughout the Midwest some to Homecoming, Conesville, and Lake Perry, everybody ride safe, watch out for the idiots. Speaking of that at our last meeting former L-5 President Jake had a lot to say about his growing concern

Local News

that law enforcement does not properly ticket people involved in motorcycle accidents and had some statistics showing a lack of detail concerning the fault of the car drivers. Our own Doug Norris was hurt last week when a teenage driver of an S-10 pick-up, while carrying two teenage girls in the back bed pulled out in front of Doug while turned around flirting with the girls. When he heard Doug lock up his brakes, he turned and saw Doug and froze instead of getting out of his way. Doug was very lucky flying over the truck breaking a rib and tearing up his left hand; his bike took a lot of front end damage and almost totaled the S-10. I want to thank Hoss, Local-14, who came to pick-up Doug's bike and stayed to ensure the police ticketed the boy, he got one for failure to yield and NO insurance, what about the girls in the back? For TOO long, TOO many of our brothers & sisters have died or been seriously injured because American car drivers THINK they have a right to drive STUPID. Driving is a privilege NOT a right and both law enforcement & the Courts need to step up to protect bikers from these texting, book reading, and phone talking, aggressive driving MORONS! It is time for us to stand up and demand that these people LOSE their driving privileges and are held responsible for their actions. You'll hear more from L-5 about this! On a sad note Little Steve Pearce's family lost his stepson recently from heat stroke followed by a heart attack, he was only 27 years old and our hearts go out to his family. Ride Safe! **Angel**

Howdy Folks, we always meet the third Sunday of the month at 12:30 pm. New meeting location is VFW Post 1668, 821 N 4th Street, St. Joseph MO.

We had a nice sunny day for our Rodeo. There was a good turnout and lots of participation. There were 8 events with first, second and third places for each event. Everyone had a good time and several people donated on the Rodeo to help the Local. The volunteers who worked were Dan Harmon, Dana Beveridge, Connie Burks, Jim Cross, Larry Jackson, Mary Jackson, Eric Ferry, and Scott Clark. We couldn't have an event without good volunteers.

Congratulations to Kenny and Connie Burks. They celebrated 31 years of marriage on June 10th.

Dan Harmon is sorry that he didn't get everyone's birthday listed last month for August. He will try to do better later on. He's getting old and just can't remember everything.

Joyce and Ron Canfield had a nice trip to Council Grove KS for a sidecar rally. The weather was nice with clear blue skies. I am sure that Joyce and Ron had a nice time and met a lot of people. There were about 40 bikes and sidecars. There were group rides and sight-seeing while camping the Lake in the Flint Hills.

Happy Trails, til we meet again. Ride safe, **Dan**

Greeting Local #7

Well it's hard to believe its already time for Homecoming. It seems like just yesterday we were celebrating the Freedom Rally. It looks like summer is coming to a close. August provided some great riding weather. Some of the Local 7 members spent some time on the road during the month of August. Watermelon Ron & his better half Anita made the trip out to Sturgis. Only Watermelon Ron would say with a straight face he thought 8hrs of rain coming back from Sturgis made it a more interesting ride. In Missouri, members Stanley, Guy, Beaver, Justine & I made the Juvenile diabetes Run for a cure. Don showed up at the end of the ride to donate \$100 from Local #7. The next week Don, Beaver, Halley, Stanley, Col. Mark, my Queen and I made the Relay for Cancer ride. Besides these charity rides of course several members have been just riding together. Watermelon Ron, Anita, Guy and myself took a ride into Arkansas to Lost Valley Park. We took a hike in search of a cave. After the hike I understood the reason for the signs along the road to the park. The signs had phone numbers for Emergency Air Lift companies. I thought I was going to need a ride out of the park before we arrived back. Local #7 had a homecoming of there own this month with Robert Evans returning safe and sound. We all wish him the best. Well fall is just around the corner so get out there and enjoy the green leaves while you can. I plan to. See ya down the road. **Geezer**

Greetings Local 8 & everyone else in FORR land!!

As I write this, I cannot believe school has already started and is in full swing. WHERE HAS SUMMER GONE?? I know my kids are wondering the same thing!

Local News

Remember as the kids go back to school to be extra cautious!!

First I'd like to start off with an update on Bob. He is still in Columbia; the good news is now he's at a rehab facility slowly coming back from his injuries, he should be released to come home soon. This has and will continue to be a bumpy ride for him, Laura and their families so please continue to pray for them and their strength to overcome this incident!

A big ole WELCOME TO LOCAL 8 to our new members: Laura Andal, Amy Heldenbrand, Amy & Vince Mathews, John Reigonborn, Gina Saunders, Jack Shafer, Bubba Silkwood & Glen Tucker!

Welcome back Aboard to those who were wonderful enough to join local 8 for another wild ride: Gordon & Lisa Becton, Earl Bitzenburg, Al & Cathy Brown, Linda Dysart, Jeff Eads, Donnie Hambrick, Kelly Hanes, Larry Hanes, Brian Heldenbrand, Carol & Jerry Hunter, Justin McCollum, Bryan Meservey, Dan Moss, Russell Moss, Deena Ogle, Albert Sawyer, Joe Spiers, Allen Teeter, Terry Tipton, Darrell Underwood, Richard Vondrack, Georgia Winder, Cary Grant, Scooter, Tony Livingston, Larry Starrett, Janan Arnold, Ralph Boots, Kevin Callihan, Thomas James, Superglide, Richard Long, Pete Menkevich, Bobby Rader & our newest LIFE MEMBER – DEBRA HUFFSTUTTER!! Your support to Freedom of Road Riders and Local 8 is greatly appreciated!!

Mark your calendars for Saturday September 26. We're going to try something new this year and have a family day. It will be at Rafter "C" Arena and we're trying to make it a very FAMILY friendly event. We will open the gates at 11 am, entrance will require a nonperishable food item or New toy. All proceeds will go to our toy run. We are planning kid games, a bicycle show, some kid field events, some adult field events. So bring your families out and have a good time & support a good cause!!!

We have some other important dates coming up. The ladies of the local are hosting their annual garage sale on Saturday October 10 at Rumors parking lot in Chillicothe.

Our annual Appreciation Dinner will be November 7 at Rafter "C" Arena

Our Annual Toy Run & Officer Elections will be November 1, 2009. Watch your newsletter and emails for more information on locations for this.

Misty still has some product line items, remember the state is discontinuing the apparel. So they are marked down to a very decent price. If you didn't get your Spring Fling '09 shirts get with Misty or Scott White, he still has some available!!

Ed did discuss some safety issues and reminders at our July meeting. He reminded us again to talk to everyone about taking the safety course, even if you've taken the ERC, it doesn't hurt to refresh your skills every couple of years. There is always room for improvement. Remember our main goal, as an organization is to promote motorcycle safety & education!!!

Be safe out there, watch for MoDot workers, critters in the road, kids on bicycles and teenagers messing with their "systems" rather than watching the road!! It's a crazy world we ride in!!

Until next time – Keep Smilin~ **Glenda**

Meetings: 3rd Sunday @ 3 p.m. Pizza Hut near Super Gerbes. Hwy 50 E. at Eastland Dr.
Contact: 573-808-3192

We had a really nice ride to the Cahokia Mounds Saturday, August 29th. There were 9 bikes (13 people) that left from the square in Linn. It started out pretty cool, most of us had on chaps, jackets and gloves, but by the time we got to Defiance, we were stripping them off. We rode on to St. Charles where we met up with STAPLES, President, CC & Legislative Rep, FORR, L-24. He then led the way for some of us to the Cahokia Mounds, while the others went on to Alton to Fast Eddies and the Casino Boat. We will be thinking of places to ride for our next summer "fun runs".

For anyone interested, we will be meeting Saturday, October 3rd in Cedar City at the Katy Trail State Park Pavilion for the annual (Dale's) "Birthday Run". The ride will end up at "Blackie's" Birthday Party in Hermann with camping available.

Trailers were donated from DoLittle Trailers in Holts Summit for our Barrel Day - Toys for Tots drive scheduled for Saturday, October 31st. Budweiser is printing up Banners to hang on the Trailers with the slogan "Fill the Trailer Drive". We will have people set up at each location (Hy-Vee, Super Gerbes, Schnucks, Wal-Mart on Stadium, and the new Wal-Mart on 50 East, K-Mart and Family Dollar). The Barrel Day Dance will follow later that evening (Halloween) - at "The Spot" across from Mike's Corner Pocket on High Street. We are working on the possibility of having two bands; (Moniteau Outlaw) and Warren Russell's band (Rock's Alley) formerly Black Jack. This is (Halloween) so we are anticipating a large crowd for the dance. The Toy Run Parade will be Saturday, November 7th at approximately Noon. I will get the exact times later.

If you have any news or events that you would like to share with us, please contact Dale Thomas at (573) 694-0074 or myself at (573) 353-4127 or via e-mail address listed below.

Meetings: Meeting place & day varies - please call for info.

Contact: 660-784-2231, 660-631-7324 or Smokey Strodtman - 39415 280th Road, Gilliam, Mo. 65330 - smokeystrodtman@hotmail.com

Greetings again from your friends in Glasgow. As this is being written, Labor Day weekend is upon us and we should all cross our fingers for good weather for the Homecoming. My work schedule prevents me from going but I hope everyone has a good time. The latest news on the Glasgow bridge is that they have moved the opening back a month, into the middle of October. I hope they're right, I'm tired of riding the ferry.

Many thanks to Rebel for running the Firecracker Classic article and photos last month. We appreciate the publicity it generates. We have another publicity project in the works, Bert has all the paperwork to turn into the DOT so we can adopt a section of 240 highway on the west side of the new bridge.

Our meeting on Aug. 22nd was pretty short as we didn't have a lot of business to do. Mike called it to order at 2:37 with 17 members and 2 guests present. The minutes were read and approved with one correction. The treasury report showed a balance of \$2,581.67. Local 12 is not the primary sponsor of the Sept.. 12th poker run for the Glasgow Lions Club, it is sponsored by the Fish Beak Saloon.

Tim had a good safety tip: watch out for state mowers on the highway at this time of year. I know they are out in force in this area and probably in yours, too. There was no new information on the Rocktoberfest field events but I have since learned that Jeff has set up a meeting on Sept.. 10th at 6pm at the Midway Truck Stop. If we do this event it could generate both funds and publicity for our local.

The Spurs and Sprockets Saloon in Salisbury has decided not to sponsor a rally this year but is keeping the idea open for next year. We have decided not to have a 15th Anniversary party for the local and will instead have a kickstart party at Arrow Rock Park sometime next spring. A motion was passed to donate \$100 to the David Krueger Fund. Jeff and Pam have some great looking FORR brochures. We should all get some and put them in our coat, saddlebag, or tour pack to hand out to potential members.

If you have any news you would like in the newsletter, call me at 660-631-7324 or e-mail me at smokeystrodtman@hotmail.com. You can also catch me at the meeting.

I hope everyone is enjoying this beautiful time of year. Fall color should be really spectacular this year since we have had a wet year. Anyway that is what the old wives say.

A big "Thanks!!" goes out to all the members that participated and helped out with the Bike Show at Buckhorn. What a way to wind down the summer. There was special meal for the recognition of Lifetime Members. We are honored to have two in Local 15 Tracy Davis & "Crank" Randy Thompson. A lifetime membership is not something you can buy – it can only be earned thru 20 years of being a member of FORR.

Another HUGE "Thanks!" goes out to everyone who worked the Local 15 Forsyth Bike Show & Swap Meet at Shadowrock Park. These events couldn't happen if it wasn't for the hard work of many of our members.

Upcoming Events

October 4th Stone County Toy Run Gathering at Wal-Mart Parking Lot in Branson West for a leave time of 1:00 pm for 30 mile ride unless it rains and then there is an inclement weather route to Kimberling City Elks Lodge. So Rain or Shine - bring your toys and show up. All toys and money raised will go to Stone County kids only. Door prizes and great Chili! Rain or Shine!! If the weather is miserable (and I remember once that it was) bring your car. The need doesn't go away because of the weather.

October 6th BS meeting at Sugar's at Reed's Spring Junctions which was the Old Spanky's. They took down the bar and it isn't a strip club any more it is remodeled into a nice Sports Bar.

October 19 is Local 15 Business Meeting in downtown Hollister at the Old Jester's. Be ready to volunteer to hold an office next year. Several positions need officers and we have lots of members and everyone has a talent. Come out and put your name in the hat. Voting will be at the November meeting. In October names are submitted so the ballots can be prepared. If you can't be there – call Tracy and let him know you are willing to serve.

Nov. 1st is the **20th Toy Run**. This year the group will be gathering at Area 57 (where the Branson Rally is held) on Hwy 76 across from Dixie Stampede and leaving at 1:00 headed for the Forsyth VFW. The VFW people always put their hearts into the food and will be giving a 20th year patch to go with their Toy Run patch which they gave out last year. A lot of work goes into the Toy Run to be able to provide Christmas to local kids in need – so once again if the weather is nasty bring your car out and support this cause. Remember the winning ticket for the small bike will be drawn at the Toy Run. A special "Atta' Boy" goes out to Les at the Midnite Rose in Branson West for selling so many of the tickets for the great bike. A budding little biker will be born when the ticket is drawn – if you haven't gotten your tickets yet you can purchase those until the Toy Run.

Until next month...Enjoy this wonderful fall color and cool!! Later...*Rose Atchley*

Hello Freedom Fighters!

Local 18 wants to thank all the members of the Local for being a member and supporting Freedom of Road Riders. The Local has agreed to buy dinner for any member that renews their membership. Just bring your renewed membership card to the meeting in the month of or the month following your renewal date or pay your dues at the meeting and the Local will pick up the tab for your meal (drinks not included). What a deal, be a Freedom Fighter and get a free meal. Between the money you save with your

Local News

membership card when attending rallies and this free meal you will probably save more than the price of membership.

I learned a new phrase the other day its "Freedom Freeloader". These are the people that enjoy the rights that we stand up for and make a sacrifice for without getting involved in the fight for freedom. So the next time you see a motorcyclists with loud pipes, wearing a novelty helmet, proceeding through a red light that doesn't change or enjoying not being discriminated against by the insurance industry ask yourself are they a "Freedom Fighter" or a "Freedom Freeloader". Not everyone has the time to go to Jefferson City and walk the halls of the Capitol or the desire to have a face to face with their Legislators but everyone can be a "Freedom Fighter" just by being a member and paying their dues. Big Jim, LeAnn and myself drove up to Sweet Springs, MO on August 29th to see Roy Hoard. He is still in a nursing home getting physical therapy, as of the 29th he was not allowed to put any weight on his pelvis so he is still confined to bed or a wheel chair. I am happy to report that he is doing well, if he hadn't been in bed in the middle of the day you couldn't tell anything was wrong with him. He will still have a long road to recovery learning how to walk again and getting his strength back but he is doing remarkably well.

Local 18 has purchased a Classic 1979 Marlin 336 with a soft case and has donated it as a raffle item to help Roy and his family. Contact Big Jim or myself to buy raffle tickets or take a few and sell them to help raise funds. Tickets are \$2 each or 3 for \$5. Tickets will be available at the September meeting. The drawing will be October 17th at the Mid South Mile. Speaking of the Mid South Mile. The Local needs to know if anyone else is interested in going. The Local can pay \$100 for a unlimited number of members to attend, but the money has to be in by October 1st. Please let Big Jim know if you are interested.

Wow – where has the summer gone – all the rain and then cold in late August. Just seems like a couple of weeks ago Sandra and Gary made it back from Arizona and now their going back already (Oct 1st ish). September is usually a busy month for us this year was no exception. Homecoming with hopefully more than just 4 of us going down to try to cover 6 work shifts is the first weekend of the month. Then the second weekend had several different things in the area going on. Third weekend was the End of the Summer Rally to be followed by the last weekend being our annual Chicken-Que with real honest to good chicken being cooked this year.

Take a quick breather and then the Toy Run first Sunday in November and last but not least by any means the Auction and Party in Jan of 2010.

Election of local officers is coming soon with nominations at the November meeting and the elections at the December meeting. Running for and holding a local office can be fun and very rewarding experience for anyone that's never done it before. Keep an eye on the websites: www.forr.net and also our own www.forr19.com for coming events and happenings in the area. September meeting will be at 5pm at Chuck and Peggy Parks home on Route J north of Green Top and East a couple of miles and is the first house past the pipeline pump station. After the meeting will be our annual Chicken-Que again with Chicken being served this year. Member Jeff Christman was back in town for a few weeks from Florida on their way to Las Vegas to setup house keeping.

On August 22 we had 15 local 24 members show up to support the local 25/Abate rodeo. A dozen of our members showed up for the Hartbaur/McBride Poker Run. Check the website to see where to hook up for future local events.

By the time you all read this the Local 24 Broadway Bar Run will have been a success! There are so many fun places on Broadway St. in St. Louis. Also, the homecoming will be over but those of you that went and worked a shift received an awesome t-shirt.

FYI: Noid will become a FORR Lifetime member this month. Congratulations!

We covered a lot at the August meeting. It was discussed and voted on to present a motion on the CC floor that before a purchase of land, all locals must meet their monetary obligations to the state. We will also vote against an under 18 FORR sponsored event if that comes up for a vote at CC.

Fall is here already????!! I'm baaackk. Sorry about the dead space last month. I was heading to Sturgis when I realized I forgot to send my submission for the newsletter! With 12 dogs and 20 cats it takes a lot of planning and preparing to go away for a few days so needless to say, the newsletter was forgotten until my mind was in relax mode again and then it was too late.

Sturgis was a great time, inspite of hail, tornados, lightning, rain and blowouts. And don't believe anything Linda tells you about me detouring to a Casino in Omaha. "On my own", took on a whole new meaning. A big thank-you to Sarah for taking some great pictures of the trip for all of us. Also, congratulations go to Sarah for now riding her own!

The next Rally was Across the Border Raid in Bedford, IA. That was another great time and I saw a lot of you there. Good job Rob and Sandy and all the other support people that helped with it. Pat and Jay make awesome security guards.

But I sure did see them a lot at the airbrush tent. Congratulations to Pat Null for all his trophies he won at the bike show!! He's the only one I heard about. I'm sure Rob got one for his custom beauty and I'm probably leaving others out..sorry but did not get an official report on it.

As I'm writing this, Homecoming in Buckhorn has begun. Ed Montgomery, Jay Steeby, Roy Brown and Kathy Rice made the trip (in the rain, I heard) and worked. I was suppose to go but my daughter had her baby (a boy) the 31st so Nana decided to stay home and be a Grandma. Thank you for going guys and helping with the work shifts for our Local.

Hello to all my Brothers and Sisters from other Mistresses and Misses! Hope this finds everyone well and getting in as much riding as possible. L27 has been busy with big hearts; we cosponsored a benefit Poker Run with Vietnam Vet MC (Rebel Dines is a member of both FORR L27 and Vietnam Vet MC, and asked us to help out a friend/co-member of his from the Vietnam Vet MC, Cliff Creach, hell of a guy). Raised quite a bit of money for him and was a pleasure to run the event with Vietnam Vet MC...even got on YouTube (<http://www.youtube.com/watch?v=9hyZkAPYyPY>; if anyone is interested). Later in the month, went to support John Sheu and his cause in Humansville and helped raise \$ for the community's kids for school supplies and whatnot. Hate to toot our own horn, but BEEP-BEEP as we raised over \$6000 between events and organizations. Way to go!! Still managed to attend

Local News

L11's rally July 31- Aug 2 (very nice rally) and a few from L27 took an over-nighter to Eureka Springs, Ark. They stayed at the Iron Horse Hotel and Stables and claim this is a must stay; owners even started a bonfire for the riders to enjoy the evening stars. Great food, great service!

So now on to my soap box...is everyone riding safely out there? Remember, this is an election year coming up, so there will be a lot of Reps running for Senate; get your voice heard out there, folks! This letter will probably be out before the infamous Veto Session and, realistically, I do not think we will win the veto against the Helmet Repeal (SB202). If this is the case, we will not be bringing this up for vote until Gov. Nixon is out the door. L27 will be concentrating on safety and Riders' Education for next year's bills, but I promise you this folks, I will be doing everything in my power to see Gov. Nixon elected out of office come the end of his term....granted, that will not be for another 3 years, but for anything worthwhile, you need a good strategy, and that requires time and effort.

I am very much looking forward to this year's Meeting of the Minds in Minnesota; I have never been to one and I hear there is a lot of knowledge at these seminars. Homecoming will have come and went, and am sure we would have all had a blast! (Again, never been; was hoping to have celebrated victory over SB202, though, and this is VERY important, our victory for Comparative Fault is HUGE, and for that, am a VERY proud member of FORR). Might get this before our Poker Run (Sept. 20th, Osceola to Stockton); hope to see everyone there! Remember, we will be having our local meeting before the ride 10am; sign-in for ride will commence at 11am. Don't forget "Bike Nite" guys! Thursday evening from 6-9pm, located at Scooter's in El Dorado; owner is a big fan of ours and always have something special in store just for us! As usual, anything that members want to share, please do not hesitate to contact via our e-mail (local27@forr.net).

It is with my regret, I announce the loss of Mrs. Dines. Rebel, we are all here for you. It is not our abilities, but our choices, that show who we truly are. With lots of love,

Just a short one this month as I almost forgot it, as I am heading out the door to go to Arizona to check in on my parents during the Labor Day Weekend. The rest of you are getting ready for the Home Coming Rally, which I am sure we will have great stories about for the next newsletter.

Do want to talk to you about something that really concerns me and that is inflation. This country is gone nuts. Did you know that a set of spark plugs cost \$22,000 and a lousy Harley T-Shirt cost the same? It's true! Ask Steve L. or Lee O. All Steve needed was new plugs, and he was forced, almost broke his arm off, to buy a new bike instead of those \$5.95 plugs. And thanks to Retha B. wanting a T-shirt in Iowa, Lee was against his will, with fear in his eye, forced to buy a new bike and trade in a bike with a brand new tire. Something needs to be done. It is so bad at the Hamilton house hold, they are going to have to build a new barn just to house all the toys that poor Kevin is being forced to purchase, when he would have rather just bought lawn furniture for June.

OK, gotta go, bags to pack, things to do. Will make up for the short newsletter next month.

Do not forget, next month is the Halloween bash, we need lots of volunteers for this to happen. That is something we have been seeing a reduction in lately. Used to be 40% of the local chipped in for every event, now we only get maybe the same 10% doing everything. Please help out and support all our Local FORR events, otherwise what is the point of having a local or belonging to an organization.

To all those who do show up and work at our events, I thank you for your unending support. To the rest of you, if the shoe fits....get it out of your butt and get out here and help your local out.

We may be the biggest local with numbers, but that don't mean squat if the majority never helps out. Even if you belong to another organization or group, you joined FORR for a purpose, make sure you don't forget why you joined.

Be proud to be a FORR member and show how proud you are of Local 28 by supporting it again.

Later all, heading south, **Taz**

Hello Fellows Members Happy September.

The meeting was called to order by our president, Curtiss Moore. We welcomed guest from local's 15 and 18. There were 20 members in attendance. No new members for this month. The new phone lists were passed out.

We discussed two new laws that passed.

1. The comparative law passed. This mean's we will no longer automatically be found at fault when involved in an accident by the insurance companies.
2. The dead red law passed. This is where when motorcycles come to a signal light and the light is red and then the light won't change because our bikes are not heavy enough to trip the trigger for a light change we can now, when all ways are cleared of traffic preceded with caution.

It was also mentioned not to do this with the law just passed through, when the long arm of the law is around, as you might get a ticket and you may have to go to court before being found innocent.

We were informed that we have a new web site for our local and to get to this new site. Please enter WWW.FORRlocal30.com. Everyone must then sign up with a users name and password. We are asking each of our members to go to the new site as soon as possible so we can get all our e-mail address' back.

We were sorry to hear the Hardcore has had to step down as Vice President because of Family obligation's and we will surely miss him, but family does come first! We wish him and his family great times. On a good note, Dave Lave stepped up to take his place; Renee Fox second the motion and the rest of the attending members happily agreed. Good luck to you Dave we love and wish you well.

August 15th BACA held their Annual Bikes and Babes at the beach, at Rock Away Beach Mo. And also held a bike show which we are all proud to say some of our fellow members walked away with some great placings. Gail Lave took 1st place in Street Metric's. Robert Fox took 1st in touring and also Mayors choice for best paint. We congratulate them both on all their hard work. Our hats off to you Gail and Robert!

September 24th- 26th Bikes Blues and BBQ in Fayetteville, Arkansas and it's always a great time and a fun ride. We will be leaving around 9:30 a.m Friday the 4th from the McDonalds in Republic Mo. We would like all who wish to go with us to be there by 9:00 a.m We will be camping out at the Washington Fair Grounds only 15 min from Dickson street where all the action is so if you are interested in going please call Ben or PJ Lane at 417-888-2313.

September 12th Larry Dotson will lead us on a ride to Dauet Mill near Gainsville Mo. we will met at 9:00a.m. and leave sharp at 10:30 a.m from the Wal-mart in Ozark. Please give Larry a call if you wish to ride along as he needs to make arrangements for our lunch and wants heads a head count. He would like to have a weeks notice. Well that's about all for September fellow member's so until next month Live Well... Ride safe... and Enj

Hi All, I just returned from a dinner ride with some friends. We had a real nice time as usual. It's getting dark earlier & the deer are on the move more so, be careful!

We had our 1st annual swap meet in August & we had a really good turnout. We are planning to make a few changes next year. Live & learn. Next years will possibly be a 1 day event. Thanks to all who helped to make this a success.

I would like to welcome Local #4 to our organization. I've had the opportunity to meet some of these fine people & they are a real nice bunch. In fact Dave, Sharon, Whiskey & myself along with some other friends spent last Saturday in Summersville with these guys & about 200 riders on the Dogs Off a Leash Poker Run. This is a very successful event & a very scenic ride. We'll be back next year.

October 10th is the 7th Annual Toy Run in Licking, MO. If you have ever rode on this you know what a great turnout

they have. I think last year we had 75 area riders. This event starts at 1:00p.m. in the Town & Country Supermarket parking lot. Admission is a new unwrapped toy. These are to be given out to the area children at the Christmas parade. After an approximately 100 mile ride (remember this is in the fall when all the leaves are changing colors) you are treated to a bar-b-que by the chamber of commerce. Hope to see you there.

Don't forget the Halloween Bash on October 31 at Buckhorn. We can use all of your help. Come out that afternoon & help us decorate the pavilion. Also we need some of you to dress up for the little kids. I know some of you have some old costumes. This can be a lot of fun so, please come on out & help make this a great evening for all.

At our Sep. & Oct. meetings we will be nominating new officers for '10. November meeting we will vote.

If any of you are planning on attending the FEW Seminar, you had better be making those reservations. This is coming up November 7th. This is always a great event.

A suggestion to adopt a family for Christmas was made. We will decide this later.

Additional submission - 1/2 boy 1/2 man

The average age of the military man is 19 years. He is a short haired, tight-muscled kid who, under normal circumstances is considered by society as half man, half boy. Not yet dry behind the ears, not old enough to buy a beer, but old enough to die for his country. He never really cared much for work and he would rather wax his own car than wash his father's, but he has never collected unemployment either. He's a recent High School graduate; he was probably an average student, pursued some form of sport activities, drives a ten year old jalopy, and has a steady girlfriend that either broke up with him when he left, or swears to be waiting when he returns from half a world away. He listens to rock and roll or hip-hop or rap

or jazz or swing and a 155mm howitzer. He is 10 or 15 pounds lighter now than when he was at home because he is working or fighting from before dawn to well after dusk. He has trouble spelling, thus letter writing is a pain for him, but he can field strip a rifle in 30 seconds and reassemble it in less time in the dark. He can recite to you the nomenclature of a machine gun or grenade launcher and use either one effectively if he must. He digs foxholes and latrines and can apply first aid like a professional. He can march until he is told to stop, or stop until he is told to march. He obeys orders instantly and without hesitation, but he is not without spirit or individual dignity. He is self-sufficient. He has two sets of fatigues: he washes one and wears the other. He keeps his canteens full and his feet dry. He sometimes forgets to brush his teeth, but never to clean his rifle. He can cook his own meals, mend his own clothes, and fix his own hurts. If you're thirsty, he'll share his water with you; if you are hungry, his food. He'll even split his ammunition with you in the midst of battle when you run low. He has learned to use his hands like weapons and weapons like they were his hands.

He can save your life - or take it, because that is his job. He will often do twice the work of a civilian, draw half the pay, and still find ironic humor in it all. He has seen more suffering and death than he should have in his short lifetime. He has wept in public and in private, for friends who have fallen in combat and is unashamed. He feels every note of the National Anthem vibrate through his body while at rigid attention, while tempering the burning desire to 'square-away' those around him who haven't bothered to stand, remove their hat, or even stop talking. In an odd twist, day in and day out, far from home, he defends their right to be disrespectful. Just as did his Father, Grandfather, and Great-grandfather, he is paying the price for our freedom... Beardless or not, he is not a boy. He is the American Fighting Man that has kept this country free for over 200 years. He has asked nothing in return, except our friendship and understanding. Remember him, always, for he has earned our respect and admiration with his blood.. And now we even have women over there in danger, doing their part in this tradition of going to War when our nation calls us to do so. As you go to bed tonight, remember this shot. . . A short lull, a little shade and a picture of loved ones in their helmets. Take a moment to say a prayer for all of these Men!

Hello everyone, hope all had a good summer. As I set writing this on Labor day, I wonder where did the summer go!? It went by way to quickly!! I hope all got to do some riding!

We are now having our meetings at Bredeaux pizza. The meetings are the first Thursday 7pm at Bredeaux Pizza in Cameron. We do appreciate them letting us have them there! They also have our awards up on their walls. When

your in there look around they are there. We are also starting to plan the state wide toy run. we have elected to have it on Saturday Oct 31, yes on Halloween!! It is the first weekend in Nov. We will start out at Casey's again and go to the bank. Meeting up at 11am. This is all tentative, we have not checked with the head of the toy drive yet. This is what we are wanting to do. They usually work real well with us.

Thanks to Elaine for bringing Birthday cake to our meeting! It was very good! Phil has a birthday this month and they shared with us! Thanks again! We all enjoyed it very much! Sorry to those who were not there, you just missed out on some good grub!

I also want to apologize to Mike Knab, last newsletter I had him in 3rd place at the bike show, should have been 2nd! I am sorry! The district is not meeting again until November or December so we have no news there.

We did lose a member of Local # 41 to cancer, Anita Swartz, our prayers and sympathies goes out to her family! She will be missed!

Sorry this is so short, but that is all the news I have for now.

Until next time, Remember Freedom is not free!

Ride safe, **Angie**

MRF Report

By supporting Motorcycle Riders Foundation (MRF) you will be part of the current legislation, some of the things that are being worked on for all of you:

Progress on the HIPPA Loophole

Your help has enabled the MRF to continue its vital work of closing the HIPPA Loophole. Currently, this loophole allows insurers to conceal the exclusion of benefits from the insured until a claim has been filed. On March 31, 2009, the U.S. House of Representatives passed HR1253, the Health Insurance Restrictions and Clarifications Act of 2009.

The current legislation will require insurance providers to fully disclose, prior to the sale of the plan and prior to participant's enrollment in the plan, all of the limitations and restrictions of the plan. This bill is now awaiting action by the Senate Committee of Health, Education, Labor and Pensions. Please contact your U.S. Senators to encourage them to pass HR1253.

First Annual Bikers Inside the Beltway

The Michael "Boz" Kerr Bikers Inside the Beltway national motorcycle awareness day event took place this past May

on the grounds of the U.S. Capitol. The event attracted more than 75 attendees from 16 states and gave MRF members and members of Congress an opportunity to meet to discuss motorcycle awareness. Given the success of this event, the MRF wishes to hold this event every May to continue our efforts to educate members of Congress about motorcycling and encourage MRF members to participate in our national lobbying efforts.

Right to Repair Act

Currently, manufactures have been allowed to withhold repair data from anyone other than their own facilities and dealers effectively making it possible for owners or small repair shops to service some vehicles and bikes. Now manufacturers are required to make tools and diagnostic information available to independent repair shops on the same basis they are available to dealer operated shops, since HR2057 passed. Please contact your U.S. Representative and ask they co-sponsor this important piece of legislation.

AMA Report

AMA Expresses Concerns Over Health Care Debate The AMA Expresses Concern with Health Care Debate Take Action!

Contact your Senators and Representative today!

Millions of on-highway and off-highway motorcyclists -- as well as all-terrain vehicle (ATV) riders -- may be adversely impacted by the various health care bills currently under consideration in Congress. The AMA opposes any legislation that may restrict the freedoms of millions of riders enjoying an active lifestyle.

Motorcyclists and ATV riders cherish personal freedom and responsibility when it comes to enjoying their passion for riding. As Congress continues to deliberate on health care reform, the AMA needs your help in urging your elected officials not to abdicate the rights of the insured to an unelected commission or board, which will render final decisions regarding appropriate medical coverage for individuals who ride as a mode of transportation or for recreation (e.g., denial of a procedure). We must remain vigilant, thereby helping to ensure that motorcyclists and ATV riders will continue to be able to pursue their chosen recreational pursuit without the addition of unneeded prohibitions, limitations or mandates stemming from the health care legislation under consideration.

There is precedent for us to be concerned with regarding any health care legislation coming from Washington. For example in 1996, Congress passed the Health Insurance Portability and Accountability Act (HIPAA) that was intended to ensure non-discrimination in health coverage in the group market. However, when it came to implementing the law, the Department of Labor, the Internal Revenue Service and the Health Care Financing Administration - now the Centers for Medicare and Medicaid Services - issued a rule allowing insurers to deny health benefits for an otherwise covered injury that results from certain types of recreational activities, such as skiing, horseback riding, snowmobiling or motorcycling. Even though the AMA has fought this discriminatory rule with legislation, this indicates what could happen if a new health care bill is implemented by bureaucrats in Washington using biased data.

To voice your concern regarding the various health care bills, it is imperative that you contact your elected officials. The fastest way to reach your members of Congress is to call them. You can find contact information for your elected officials on AmericanMotorcyclist.com, click on "Rights," then "Issues & Legislation," and enter your zip code in the "Find your Officials" box. Additionally, a prewritten e-mail is available for you to send to your officials by following the "Take Action" option and entering your information.

All AMA members and anyone else who enjoys an active lifestyle is urged to contact their elected officials and to tell them to protect the freedoms that riders cherish from being dictated by Washington bureaucrats.

Freedom of Road Riders®, (FORR®) is a not-for-profit organization dedicated to promoting safety, rider education, brotherhood, and freedom for all motorcyclists. FORR® membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles and with all sorts of interests. Whether your interests center around legislative activities, motorcycle shows, or motorcycle rallies, FORR® has something to offer to you. You could belong to one of the largest motorcycle related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
