Howdy all you Freedom Lovers!

Looks like the weather has taken a turn for the best, at least for now – we sure can use a break from the heat.

Local 1 has been getting out there and doing awareness booths as much as we can to get the word out and hopefully gain a few good members.

The Show-Me Rally went off well. Not a real big turnout, but all seemed to have a GREAT time! (See the Centerfold somewhere in this issue) Thanks to Julie, Greg and Bootstrap, and all others involved for feeding us during the event. YUM!

These upcoming months there is a lot happening...

Oct 4-6 District 4 Oktoberfest. Can't Wait!

Oct 17-19 Mid-South Mile in Oklahoma

Oct 25 - L14 Memorial Pool Tournament at the Hideaway in Warrensburg

Nov 2 – District 4 Memorial Toy Run

Dec 6 – L14 Christmas Party & Auction in Lexington

Jan 17 – District 4 Crockpot Cookoff in Wellington

I think I have covered a few just to start with... heh, heh, heh.

Oh, and just a reminder that ALL US Representatives are up for election in November for 2026.

Ok, I should shut this thing down before I get back up on the box.

So, as I always say, have a good one then have another!

See ya,

Michelle 'Rebel' O'Connor #7156

Just a mention to make sure all of your local information is correct at the heading of your submissions. This is very important so that those members and others that might want to be members know how and where to go for a 'Meet & Greet' if ya get my meaning.

Also, get out there and get an awareness booth set up. What better way to get our name and our reason of being out there for ALL to see. Not to mention it's a great time and you can meet some really great people and maybe expand our membership! The awareness 'stuff' is all free from MODOT. Get a hold to Tricia Ruby and she can tell you where and who to contact for that.

We all have a reason for doing what we do.... make a difference for the cause.

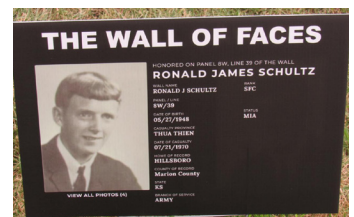

Thanks for all you do, **Rebel**

Hello FORR family. I hope everyone has been enjoying the lovely weather and all the rallies and events that have been going on around you. Local 9 has been. Several of our local members went to the state rally- The Show-Me Rally. They had a blast and even participated in some of the games. We had enough there to collect the flag but was having so much fun we forgot about it.

Looking forward to Bikefest this year. We will have another tent set up on The Strip and hope to meet a lot of people just like last year.

Yep, I did it. Guilty as charged. I broke one of my very own cardinal rules. I neglected to turn in last month's newsletter submission. I was struggling with what I would write, and the next thing I knew the deadline had passed me by by a couple of days or so. However, as bad as that was on my part, no one has mentioned that there wasn't one. I will presume (I quit assuming because I do not need any more reasons to be made an ass) that it is because all of the members are very forgiving and understand that sometimes shit happens, or in this case, doesn't happen.

We had a very light meeting last time with a lower than usual attendance. The main topic of conversation was of course George's CC & Legislative reports. And the annual Christmas Dance. We are **(Continued)**

on track with all of the aspects that have been previously reported, so there is no need at this time to go over it again. Look for a full report of the events date, time, activities, etc. in next month's newsletter.

We are pretty sure that The West End Tavern will no longer be an option to hold a meeting. We are still welcome to do so, but the venue has completely changed, and unfortunately it is no longer suitable for our needs. We are in search of new more permanent location, but for now we are taking it month by month. So needless to say, call ahead to make sure of where you are headed before you head out.

Hello all you wild and crazy kids! Not much going on here at Local 24. I will say that we have 34 members currently and only see maybe 2-3 members outside of our cabinet. I know some of you are living out of state or have moved to a different city or town, but that doesn't mean the others cannot participate in our local. Did you know that Local 24 has slowly been shrinking to the point that Kerri and I are burning out. Two people or even 5 people cannot carry a local. If you want your right to choose whether you want to wear a helmet or not overturned, or any number of things that are taken from us, then you NEED to be active in your local. If you cannot make it to the meetings, then make sure you are responding to any emails or Facebook posts that are sent out. WE NEED our members more than ever.

Unfortunately, Redneck Biker Golf was cancelled due to a couple locations backing out at the last minute. The last 2 years we have only had the Blessing of the Bikes, which has decreased in attendance.

Local 24 if you are reading this, then get in touch with myself or Kerri, even if it's just to say that you are alive and ok. When you come to the meetings, bring a friend that isn't a part of FORR® yet. I hope to see more members at our next few meetings. Just because we don't have anything planned, doesn't mean you aren't needed and welcome.

Now that we are preparing for October and the end of the riding season, we'll look back at our accomplishments. Dodging rain and extreme heat, we didn't have as many Eat N Rides on Tuesday night as we would have liked. We tried several new restaurants in our area and of course hit our favorites.

A group rode the Dragon this July, I sent photos. Several went to Sturgis, but I have no photos.

As we finish off the season, the last two rides of September are the 23rd, Gambinos Pizza, Stanberry, and the 30th, Junction Cafe with their world-famous Strawberry Shortcake in Bedford, IA.

The October rides will be Riders' Choice. So, whoever shows up picks the destination. So as usual we leave Break Time at Hwy 71 and 136, Maryville, at 6 pm. Hope to see you there.

Saturday and Sunday rides have been mainly breakfast rides, but it is fun to do rides in daylight in both directions.

Here's hoping we have some riding days in November.

Hey there people! First off, we moved again. We now meet at The Hiway House at 4071 N. Prather Rd. Kansas City MO 64116. It's a nice little place with a large meeting room away from the bar sounds.

We had 11 members and 1 guest attend the meeting in August. That's pretty good since we have 45 members and growing. We would like to welcome long-time member Charlie Quackenbush, who attended his first ever meeting.

As of the time that I submitted this the Show Me Rally was going on. I'm sure everyone had a great time. My car won't permit me to travel far away from home, so I never get to go so I rely on reports from those who attended.

Octoberfest is the 3rd through the 5th. Donna Duyck, Don Grubb, and I will be working the sign in Friday and Saturday day shift (Donna), evening shift (Don and I). Stop by and say hi.

That's all for now. Remember, if there is anything anyone wants me to put in the newsletter just let me know and upon approval, I will get it in.

See ya when I see ya

We want to send congratulations to 2 of our members Randy and Kellie McWhorter for tying the knot at Sturgis on 8/7/25. Several of our local joined them for their momentous occasion.

We also had several members attend the Hootontown Rally where they captured the (panty) flag! We were assured that the panties were washed before being handed over!

What would the end of summer be without some of the 31 local members enjoying the festivities at Lake of the Ozarks for Bikefest.

On Sept 20th, some of the local members assisted with a Passport Run benefit for Angel Blevins to help raise money for medical issues.

Our very own Firecracker on 2 wheels will lead a Cancer Ride in Springfield, MO on October 4th.

Thank you

Greetings from the Crossroads:

Homecoming is in the books, and Mother Nature was at her best. We had the best weather possible. Home coming is just that. A chance to see old friends and make new ones. I would like to see more young ones as us oldies have had all the fun, made all the great memories and fought the battles. We set and talked about our aches and meds but there is always lots of "Do you remember that time".

We had our meeting with a low turnout. We discussed doing a fund raiser and also a recruitment booth to promote FORR and get new members. We need input from members.

We still have some Rallies to attend. Local 12 Firecracker Classic along the river in Glassgow. Dont forget Octoberfest.

Harvest is starting. Watch for oversize and wide loads. Add in the four-legged critters. Slow down and be aware.

Enjoy the beautiful weather. You can wear leathers now for comfort and not just protection.

Until next time, **Foxy Gma**

MRF Report

The Right To Decide

As riders, we know that freedom is more than just a word; it's a way of life. It's also something we must constantly defend. One of the most important, and often misunderstood, freedoms we've fought for in the motorcyclists' rights movement is the freedom of choice when it comes to wearing a helmet.

Many riders today may not realize that our movement was born out of resistance to helmet mandates. In the 1970s, the federal government attempted to coerce states into enacting mandatory helmet laws by threatening to withhold highway funding. That sparked outrage and mobilized riders across the country. Grassroots organizations emerged, fueled by passion and a deep commitment to personal liberty. Through years of lobbying, protests, and legislative action, riders reclaimed the freedom of choice state by state.

But victories are never permanent. As President Ronald Reagan so wisely warned, "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same."

We are now seeing the truth of that warning. A new generation of riders, many of whom have never known a time without the option of helmet choice, may not feel the urgency that once united us. This year, a bill was introduced in Pennsylvania to establish a new helmet mandate. Last year, bikers in Illinois fought back against a similar proposal and likely will continue to face comparable legislation.

The question now is, will we act to defend our freedom of choice? And if we don't do it, who will?

At the Motorcycle Riders Foundation (MRF), we continue to closely monitor state and federal legislation, but we cannot do it alone. We need every biker, young and old, to understand what's at stake and to get involved. Talk to your fellow riders. Educate new motorcyclists about our history. Support your state motorcyclists' rights organizations (SMROs). And above all, stay alert to legislative threats that seek to erode the freedoms we've fought so hard to preserve. Let's not be the generation that lets our freedom slip away.
