Howdy all! We all made it through Homecoming another time – and our very own President Bob ‘Bootstrap’ Turner won a fantastic clock, hand made by Local 14’s Doug Hilburn (Very Nice).

It’s getting to be my favorite time of the year.... It’s Octoberfest Time!” Can’t wait. Always good company and good music, and The Dirt Drags yeah. Soooo much fun! Hope to see many of you there this year. Check out the flyer in the September issue of The Freedom Press.

Things are going well with Local 1. We had made it out to many other local’s events this summer of this year and had a great time doing it.

We had our August meeting at the Lumberyard in Ulrich between tearing down stuff at the Homecoming site. WONDERFUL CHICKEN. If you have never been there, it is soooo worth the trip. The service is great too.

Our September meeting will be on FRIDAY, September 16th at 5pm at Andele Amigo’s in Holden, MO. (1080 E. 10th Street Holden, MO.) Come before 5pm if you want ‘happy hour’ prices... Ahh YES, the margaritas!) A new friend of ours ‘Dean Arnold’ is playing that night. He will also be playing on Friday at Octoberfest. Come on out and sit at the FUN table with the rest of us.

Our October meeting will be on Sunday the 16th at 1pm. It will be held at ‘Muleskinner Bar & Grill’ (671 NW US Hwy. 50 in Centerview, MO.)

Our November meeting will be on Sunday the 20th at 1pm. Discussing a few different places in the Oak Grove/Odessa area. We will let you know next month.

Hope we can get a good turnout at these meetings!

Well, I have a newsletter to get into print, and not too much time to go. So. as I always say... Have a good one, then have another!

See ya, **Michelle ‘Rebel’ O’Connor #7157**

Hey, hello everyone!! By now I know we all wish that we could slow time down!! Fall is around the corner, kids are back in school!!

As well as some adults, like our Pres!!! Congrats Chris on continuing your education!! Good luck!!

8/6/22 several of us attended and lended a hand at the Chariton River Rally!! In Novinger Mo. It was a great turn out and such a fun time!!

8/12/22 a few of us rode down to Kingdom City to participate in the Honor Flight Escort as we had done several times in the past ... unfortunately, as much as I hate to report this...and I know some of you out there must have heard about the terrible, bad crash during the escort. Just about the time that we were gonna go around the busses to get in front of them to escort into Columbia things went extremely wrong, several motorcycles went down, we were part of the crash, my worst nightmare! My husband, Richard, “Biscuit” to some of you sustained some serious injuries, time and patience is what it will take to fully recover! We are just lucky to be alive to talk about it!!

We want to say a special thank you to Local 13, Terra Hanon and Will Davis for checking on us in the ER!! Thanks to all who visited, called, texted, messaged and reached out to us during this rough time!

Our August meeting was held on 8/20/22 at the Macon Fairgrounds, a fish fry was enjoyed by all! VP. Mike Tipton was the chef, like last year! Everyone contributed with a side dish!

Thank you, Chris and Jacine for delivering a care package to our home!

Our next meeting will be a week early on 9/10/22 due to BikeFest, on a Saturday to give a chance to some members to join in! Same location, Sloppy Joes are on the menu!! Everyone will bring a side dish!

Mid-September is Bike Fest and Heather Peterson, Local 2, will be setting up the Safety and Awareness booth again this year, we welcome all the help available, we ourselves are planning to be there to lend a hand.

I have heard talk about getting involved with the Macon Homecoming on 9/30/22!!

Saving the good news for last!! Our treasurer, Belenda Bailey!! Congratulations on becoming our newest Granny!! Her 1st Grandchild, Miss Jovie Jean was born on 8/24/22!! She’s beyond (Continued on next page)

(Continued from previous page) excitement and happiness!! So please, please be safe and enjoy the fall weather!! Happy Labor Day weekend!!

### **Local 3 - Truman Lake** (March 2013)

**Meetings: 3rd Sunday @ 1:30 p.m. Chopper Stopper Grill & Bar, Roscoe, MO**

**Contact: John Bowen 417-321-4090**

**Facebook: FORR® Local 3**

Another great time in South Dakota this year. L-3 and others from FORR have been staying at Chris' Camp in Spearfish for many years. You get to hear some good stories from the past. It's about 20 miles west of Sturgis and right at the beginning of Spearfish Canyon, a fantastic, 22 mile ride on its own, which we rode nearly every day. Most days the temp was right around 100, one real nice day under 90, but we had a great time every day, camped with friends from the St. Louis area & put about 800 miles on our bikes while we were there.

August 6th funeral services were held for our dear friend and brother, Dave Singleton. It was so touching to see the amount of friends who were there to show love & respect. Inside the chapel was filled and people & bikes lined the street outside. Afterwards a nice gathering was held at Chopper Stopper.

There were about 15 or more at our last local meeting with two new members. Welcome to Noah Pierce and Lonnie Matthews. We talked mostly about our upcoming Not Rally which will be Sept. 23-25th at Chopper Stopper. The pre-rally cleanup day is/was Sept 17 at 1pm, with any additional work to be done after our meeting on the 18th. Free rally dinner will be served inside the bar, buffet style with your entry ticket or food can be ordered with prices from the menu. A big thank you to Rooster for stepping up and filling the president position until the next election of officers at the end of the year, and also, another thank you, to Roxie for being our CC Rep. You are doing a great job, we appreciate both of you.

August 19-20 was FORR'S homecoming rally at Urich. Lots of time & effort has to be put in to make a great rally of this size happen. Thanks to all who make this happen every year. The location is well kept and beautiful, couldn't be better. And a plus-no storms or strong winds this year. Just a little rain at one time, nobody melted. Several represented our local, maybe around 15 members from L-3 were there at one time or another. Good to meet Jason Nichols, he joined last year, but has been working in Arizona (or did he say N.M.?! ) and has now returned to our area. We saw Bobby & Twila from a distance, sorry didn't get to say "Hi". Charles & Carl worked the whole time, but it wouldn't be a rally without them & their crew. We need you, you do a great job every year. Bill Piepmeier rode in Saturday afternoon, good to visit a while with him. His yearly ride (his 11th annual) to Chicken Mary's near Pittsburg, Ks. is always scheduled for early Sept. It's a big ride & party after. More on that next month. At the rally, we setup camp at our usual spot next to friends from L-25, but where was Marty?

Until next time, **Piglet #33946**

### **Local 5 - South Kansas City** (June 1981)

Hello to all,

Homecoming just over and it was good to see everyone. Sorry to have missed those that couldn't make it. Weather was great!! Bonus was the powerful showers w real hot water and shout out to Kerri for providing complimentary soaps. What an awesome touch! Bootstrap of Local 1 won Doug Hilburn's beautiful hand-made clock.

On to Local 5 business: we have permanently set our meeting start time at 3:00 pm.

This is to accommodate coming winter hours at VFW.

We will continue to meet on 3rd Saturday so day not (Continued on next page)

(Continued from previous page) changing just start time. Thanks for accommodating us and the VFW staff.

A vote was taken to have an incentive drawing each meeting and proceeds will be designated to pay state dues. So come to the meeting and win some money. See you there!

Reminder Octoberfest right around corner October 7-9th at Grain Valley Thunder Valley Drag Strip. Hope to see everyone there and please consider signing up for a work shift.

The money earned this weekend helps to pay our state dues so bring your friends neighbors.

Just a reminder I'm not money hungry but our yearly suggested state due donation is \$15 per member. It adds up quick.

Duchess Warner has recently taken on the onerous task of the website FORR.NET she's doing an awesome job so check it out and give her a high five. She's a busy, busy lady as also state treasurer.

Lake of Ozark Bikefest is September 14-18th please contact Heather Peterson Awareness Coordinator if available, as she could use some help at Awareness Booth.

On a bittersweet note: Deanna Widmer announced her transfer to Local 14. It is certainly understandable as she now lives east of Kansas City with her new groom of just a year. Deanna has worked many years for Local 5. With our thanks we wish you the best.

We were saddened to hear about a FORR family from Local 14. Chaser's house burnt recently, and they have 8 children. Unfortunately, they lost everything so please if you have any kid's clothes of any size contact Donna Hilburn or Deanna and they will know how to forward donations. Our prayers for this family.

Thank you for your time, **Rebecca**

Hey Local 12 How bout that ride to the meeting! We had 8 bikes and 10 riders. We met at Maggies in Booneville for refreshments and then headed to the meeting at Socko and Laura's in Marshall. President Johnny had a bit of trouble with his shifter shaft but made it there in time to grill hot dogs for us. At the meeting we decided to be event sponsors for October Fest...hope to see you there. We also decided to change the dates for the annual Firecracker Classic to sometime in September due to the heat and other extenuating circumstances. Check for updates on facebook.

I also want to mention that Tami won the incentive pot. Members Jim Fitzsimmonds, Jim Sheffer and a few other Local 12 members travelled to Sturgis for the rally. It was Jim Sheffer's first time so we're glad he had the seasoned vets with him. LOL

Till Next Time...Ride safe Patti B

Happy Fall, Y'all!

We here at Local 15 are all geared up for our Annual Fall Bike Show and Swap Meet. It's at our new and hopefully permanent site, 235 Corner Stone Lane, Forsyth, Mo. The date is Sunday, September 25. Gate opens at 9am (Vender gate opens at 7am). Bike judging is from 11-1, winners will be announced after all votes are counted. There are trophies for all winners. Remember the \$5 admission fee, gets you in the gate, allows you to show your bike and sell any old parts you don't want anymore. It's \$10 for all professional venders.

Set up for the Swap Meet and Bike Show is Saturday, Sept. 24th. We'll meet at 4pm. The more people we have to help, the quicker it will go.

Our Local 15, Stone County Toy Run, will be Oct. 2nd at the Walmart Supercenter in Branson West. KSU at 1pm. Come early and sign up. We will ride to the Stone County Elks Lodge. All donations raised benefit Stone County Families.

Our Local 25, Branson Toy Run, will be Nov. 6th at the Walmart on Hwy 76. KSU at 1pm. We will ride to the Elks Club of Forsyth. All donations raised benefit the children of Taney County. Please join us for one or preferably both Toy Runs. This is a wonderful, way to help the families in our communities have a better Christmas.

Our next BS meeting will be on Oct.4 that the Ozark Mountain Pizza it's at 5378, State Hwy 265 in Branson. I heard they have amazing pizza, and they help our local out whenever they can. If you get the chance, look up their menu. They have some great choices.

Our monthly business meetings are always on the 3rd Monday of the month at the Amvets in Rockaway. The meetings start at 7pm. We have a Monthly Meeting Drawing, every member of our local has their name in the bucket. If your name is drawn and IF YOU'RE THERE, the money is yours. Last month Les Morris was the lucky member that won the pot. The more members that come the larger the pot becomes. If the pot isn't won this month, it rolls over to the following month.

The last big event many of our members went to was the FORR Homecoming in Urich, Mo. We had 14 of our members go. They had a blast. They really enjoyed the band on Saturday night and look forward to going next year. Hope you enjoy the pictures from the rally.

Have a wonderful month and I hope to see you soon.

By the time you receive this, the Annual DAV Run will have been run. On that topic of discussion, at the last meeting there were six members and a lot of crickets in a very dark room. Which is to say, with all of the questions that we wanted to ask in order for us to do our part of the event, there was no one representing the DAV Run present to ask. But never fear, we will have had a local meeting a week before the run and all of our concerns will have been put to rest. The six did however, select a worthy recipient for the presentation flag that was flown over the Missouri Veterans Memorial in their honor. We hope to have the recipient at the event and present it to them there.

George, Denise & I rode down to Bloomfield the next day to pay a visit to Local 20 and sit in on their meeting. It was good to see some of the members I haven't seen for a while. However, it felt if something was missing, not having Mona there. Thanks to all of the Local 20 members for the warm, sincere welcome & hospitality. (And thanks for the Flag!) Our thoughts and best wishes go out to our friend and member Ray & his wife Rosie in Kansas. Ray was in a serious accident a week ago coming back from Wichita and at this time is still in ICU. He and Rosie have a long hard trek in front of them on the road to recovery.

While doing various projects around the house tonight, I had the TV on the so called "news" channel. Catching bits & pieces of the current president's address it is obvious that we are getting closer & closer to the mid-term elections. So, now is time to make sure you are in tune with what is going on in the USA in order to cast a competent vote. I would suggest that you start by reading the Constitution and ask yourself, is it being adhered to? Is it being ignored? Is it being disregarded? Is it being manipulated? If it is, how? By whom? Why? What's their intention? I would also suggest you ask yourself, "Is my quality of life better, worse, or the same than it was at the time of the last election?" (Just a mere two years ago). Then ask yourself, who is responsible for that? Most of the seats that are up for grabs are currently occupied by career politicians. So, by looking at their track record it is easy to see if their campaign words for the future equal their actions of the past.

"The world is run by those who show up." So, get out and vote!

Local 16 meetings are scheduled for 7pm at the West End Tavern in Frohna on the 4th Friday but are subject to change. It would probably be a good idea to make sure of that before you head to it.

With respect to all,

**Martin King of Pocahontas**

Greetings! We all had a fine time during the annual running of Redneck Biker Golf! Those of you that did not attend missed a great time. Good friends and a great course of putt putt holes! Terra and I could not do the ride. (Bike and health issues) But we did make the first and last holes. The places that hosted this ride did a fine job of building the holes for the course this year! First place winner was awarded to The St. Charles Music House for their outstanding construction of a very challenging hole. Tom Spoon won the competition, winning the coveted gold-plated Redneck Trophy. The competition was fierce. The holes were challenging. We all had a great time!

Hello Motorcycle Lovers.

Well we finally got some needed rain although a few folks don't think so. Seems some areas got a hell of a lot more than they wanted, prayers for all of those families and individuals. (Continued on next page)

(Continued from previous page) Local had its September meeting on the 2nd, it was a little sobering. Our VP Yeti was back after heart surgery, a little smaller than I remembered him. My wife made a comment on how well he looked, that got a few people talking and joking. We are going on a lunch ride to the Tator Patch in Rolla on the 8th of October from the Shriners Club at 11:00 AM. If you want to go to lunch come on by. We held nominations again, only nomination excepted was CC Rep and Newsletter reporter. I'll give you 2 guesses as to who. Still praying and hoping.

Another History Lesson, no, yes OK no problem here it comes: October

October 1, 1908 - Henry Ford's Model T, a "universal car" designed for the masses, went on sale for the first time. October 3, 1974 - Frank Robinson was hired by the Cleveland Indians as baseball's first African American major league manager. October 6, 1927 - The first "talkie" opened in New York. The Jazz Singer starring Al Jolson was the first full-length feature film using spoken dialogue. October 12, 1960 - During a debate over colonialism in the United Nations, Soviet leader Nikita Khrushchev took off his shoe and pounded his desk repeatedly. October 19, 1960 - The U.S. embargo of Cuba began as the State Department prohibited shipment of all goods except medicine and food. October 21, 1915 - The first transatlantic radio voice message was made by the American Telephone and Telegraph Company from Virginia to Paris. October 21, 1812 - Carrying word of the fate of the Tonquin to Saint Louis, seven men of the Pacific Fur Company, led by Robert Stuart, become the first European Americans to cross the Continental Divide at South Pass, in present-day Wyoming. Later the pass will be used by half a million westward migrants. October 24, 1945 - The United Nations was founded. October 31, 1968 - During the Vietnam War, President Lyndon Johnson ordered a halt of American bombing of North Vietnam. August – October 1998 At least 500 members of 35 different American Indian tribes attend the Indian Congress in Omaha, Nebraska, the largest gathering of its kind to date. Some old news from L 33 Thank you to all of the corporate sponsors for all you do for F.O.R.R.

We did not have interest in this year. In state get lost ride so we did not do it. I caught my son chewing on electrical cords, so I had to ground him. He's doing better currently and conducting himself properly.

Check your motorcycle every time you ride to be safe on the road with your fellow rides and ride it like you stole it but be careful and no stunt riding on the road.

Hello people of the motorcycle life, lets ride. This day is the birthday of my late wife, Angie, Sept 5. It was some 20 years ago on this Labor Day holiday that we were partying at the Dam Homecoming. Just enjoying the Rally and her birthday, what a weekend. Damn I miss her!

Made it down to the Homecoming this year, missed her again! Carl from Local 26 rode there with me, we worked a shift and enjoyed the party. Like always we had to endure a little rain, Like I have said before not a lot happening up here in northwest Mo.

There are a lot of other things going on, ride to one. I'm going to set up a group text so that the Local will get a notice before the meeting date. Which is the first Thursday of the month, eat at 6 pm meet at 7pm at Dino's Diner in Cameron.

That being said,

Local 24 had Redneck Hillbilly Golf and unfortunately I was unable to attend but I do know that local 42 did make an appearance and said they had a great time as always. Thank you for having us.

Local 42 wants to say Thank everyone that came out to our bike show. The support really means a lot. Also a big shout out to all of our vendors. We look forward to this event each year and remembering our dear friend Keifer York.

### LETTER TO THE EDITOR Challenge to FORR

We once were a mighty force to be reckoned with, our army was strong and many. When we walked into a room, we were given respect. We had a purpose, one that many could get behind and support to get it changed. But now, that it has been conquered what do we have?

We have an Army with no leaders, we have an Army with no purpose, we have an Army that has tossed the rules to the side and are making our own up as we go along. We have Locals struggling and asking for help, and non is given.

Our priorities have changed and not for the good of the organization. The unity is falling apart, and the respect is all but gone. FORR is fading into the sunset except for some non-flattering photo's floating around the web attached to our name which will live on for years.

Since the helmet modification passed, FORR has had no focus, we have wasted precious time that we could have been still putting the word out on things. We do not have to have a bill floating around Jeff City to put out PSA's, or is our Awareness fund only attached to Bill's? Membership has fallen since the passing because we are not in the public eye saying or doing anything to get their attention. We have a membership account, that is not being used to help Locals with materials to hand out to hopeful new members. Or use it to put out a PSA about membership. All we have preached is, each local must support the State, what about the State supporting the Locals? Because without the Locals, there would be no need for the State.

There are several things that could be done but are not, why? Either those that control all of this with a vote, have been sitting in that seat for so long they just go through the motions and do not pay attention and do not want to change, or they speak up and are ignored. Or they are new and have no clue what is going on because they do not relay what is being said or ignore what the elders are trying to teach them, and they just go with the majority.

Things need to change and change soon or FORR will be just a memory.

**Concerned 10 Yr. Members Bubba & Stampede**

*Editors Note: There will be no rebuttals to this letter printed in future issues. Response to this letter should be discussed at Local meetings or brought before the Central Committee. Thanks*

## Are you afraid of the dark?

With road fatalities increasing by 10.5% from 2020 to 2021, safety advocates are looking for causes. The Insurance Institute for Highway Safety (IIHS) has begun a nighttime test of vehicles that use automatic emergency braking (AEB) systems to address the high percentage of pedestrian crashes that occur on dark roads.

“As we expected, most of these pedestrian AEB systems don't work very well in the dark,” says IIHS President David Harkey. You heard that right, out of the 23 brands of mid-sized cars and trucks, only 4 scored the highest rating of “superior” by the IIHS. When the same testing was done in daylight, 19 of the 23 vehicles received the highest score.

While pedestrians are the focus of this study, motorcyclists are rightly concerned. All too often, motorists assume the technology in their cars is perfect and rely too heavily on it. This study shows that this new technology is far from flawless!

Motorcyclists are operating at higher rates of speed, with a different profile, and in closer proximity to other vehicles than pedestrians or other roadway users. If a car, with this new technology, can't see a pedestrian walking across the street at night directly in front of them, can it see a biker in the lane next to them?

This is one of the many topics we will discuss at the MRF's upcoming Meeting of the Minds in Des Moines, Iowa, September 21-25.

Read about the IIHS study and see which vehicles were not up to the IIHS standards.

Freedom of Road Riders®, (FORR®) is a not-for-profit organization dedicated to promoting safety, rider education, brotherhood, and freedom for all motorcyclists. FORR® membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles and with all sorts of interests. Whether your interests center around legislative activities, motorcycle shows, or motorcycle rallies, FORR® has something to offer to you. You could belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
