Motion to approve the minutes as written was made by L 11 and 2nd by L 10. Motion passed by unanimous voice vote.

Chairman – Ken “Squirrel” Lewis

Made some minor changes/updates to bylaws, mostly just correcting policy and Dragon was to read over for clarity and fine tuning. Dragon is not here this weekend. Did everyone enjoy the FEW Seminar yesterday?

Jammie did bang up job for first time out, Thanks. Final report will be made in May. Last count was 96 attendees.

Vice Chairman – Joe “DC” Karr

Lots of new faces attended the FEW sure like to see that. We have EOF winners but did not bring necessary supplies to complete. We will take care of it next meeting. Sorry.

Questions from Locals being answered here for transparency’s sake: Was the motorcycle original purchase made by DC with personal funds or FORR funds? Purchased with FORR funds. Opportunity came to purchase a clean Harley Davidson with low miles and with in the budget we had. The last two bikes earned us over \$7,500. The money was from the Homecoming fund, the cabinet discussed the purchase and decided to jump on it so we didn’t loose it. Next question: if personal funds through what committee or method was approval gained before the purchase and reimbursement was made? The purchase was made with FORR funds. Cabinet discussed and decided it was better to ask for forgiveness than permission so that we didn’t loose out on this bike. If with FORR funds when was this approved and by what committee? Homecoming Committee. It’s done, it wasn’t off the cuff and it was discussed by the cabinet.

Both ARC and BRC 2 are a one-day class and costs \$130. Members receive a \$30 rebate when class completed. After a conversation with Indian in Columbia, found that Royal Enfield has new bikes for training that are café style and tall. Request was submitted to MMSP that if the dealership lowered the bikes would we be able to use for training? Still waiting. We can purchase new training bikes for about \$3,500 each and would like to install engine guards but we can’t get 14 bikes in the trailer with the guards. Next year, looking at a 3-wheel course Can-Am will provide loaner bikes just looking at storage options. Needs info on interest for the classes. Local 10 and others are assisting in repainting the range this weekend. Looking for others interested in coaching send email to Beth at safety@forr.net. Hey! Hello everyone!!

It's here!! Spring has officially arrived!! Although this morning my flowers were under a blanket of snow ...

The FEW seminar proved to be very informative and fun as well!! We all are very proud of Jammie Tipton on a job well done!! It was her first time as the organizer, and she was the force behind the Yellow Brick Road 2022!!

It was a fun and meaningful theme, all the Locals responded very well!! So many cool and creative table decorations!!

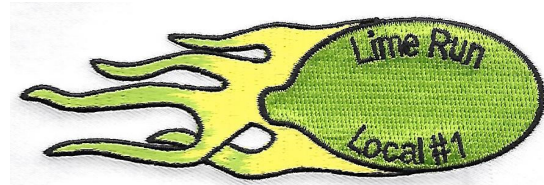

The day was filled with very educational topics. The Medical / Awareness by Terry Cobb, Local 15 and the Security Protocols / Situational Awareness at events by Joe Karr, Local 11, brought forth a lot of useful information for all of us! The silent and live auctions were once again very beneficial to our organization!! Thanks to all who donated time, effort and participation!!!

Our Local is very proud of our members who received special awards: Heather Dunham! Congrats on the Full throttle award! Mike Tipton, congrats on the Powerhouse award!

A big surprise awaited all of us ... It was a very sweet moment when our President, Chris McCurley got down on his knees to officially propose to his Lady, Jacine Hearn!! The crowd went wild!! Congratulations to the happy couple, our best wishes to your future together!!

I also want to mention that our treasurer, Belenda Bailey deserves our applause on her achievements!! She quit smoking and has enrolled in Strength training... better watch out before you give her a hard time LOL!! We are very proud of you as you strive to improve yourself all the time!! Way to go Local 2!! (Continued on page 9)

How about the new look of the Freedom Press! A nice improvement. Pictures have some contrast & sharpness, you can actually define things in the background & identify people. That pic of the "Easy Riders" on the front cover got a big smile out of me. I might have to put it next to my pic of the easy riders, Peter Fonda & Dennis Hoppers! Local 3 had a great time at the FEW seminar, there were seven of our members there and captured the state flag, they were Slick, Debbie, Jim and Rooster, Roxie, Lana & Jessie Bowen. Congrats to Rooster & Roxie for receiving the Power House Award and by the way, thank you to Roxie for stepping up to take our CC Rep. position.

Dave, Dean, Cheryl, Walt & I went to L-25's pool tournament on March 27th, also Mike Singleton from Danville was there, but couldn't stay very long and didn't get in our Capture the Flag pic. Lynne Atkins from the St. Charles area was also there. It was announced at the Feb. meeting and also the March meeting that we would be going to this event. It was also posted on our L-3 Facebook page.

Montrose VFW had their annual poker run on April 2nd, it was a real nice day for a ride, finally! Charles Meredith and Karl Monard, two of the coolest dudes around, are a huge part of the VFW and also Local 3 members. Others who were there; Walt, Dave, Rebel, Brad Sadoris, Mike Dawes, Mike Muller and Cindy Thelen.

Randy Lewis's new "Bike Worx" shop is now up & running. Its north of Urbana on Hwy 65, north of his old shop.

I want to send out a big thank you to Phyllis for taking notes at the March meeting in my absence. I really appreciate your help, thank you so much.

Remember, our April meeting will be held one week later than usual because of Easter, April 24th. Until next time, **Piglet #33946**

Hello everyone! I hope all is well and y'all are staying well. Spring is officially here but I hope the cold weather would be gone and stay warmer.

We had several birthdays in March: Happy Birthday to Nolan (Bubba) Bottorff turned 11 on March 27th. Riley Bottorff turned 10 on March 28th. Emma Smith turned 16 on March 11th. Justin, Shanna & Emma Smith went to Daytona Beach for Bike Week in early March. While there Emma took a Birthday ride on Daytona Beach.

On Saturday March 26th Local 6 had a Social Gathering at the American Tavern. Everyone seemed to have fun and enjoyed their day. In all there was 33 people, 9 bikes, 1 trike & a Scooter & numerous cars/trucks.

On April 3rd we had our April fools run 10 bikes turned out. We had a good ride. Josh led us around the countryside and the weather was just right. After that we had our meeting. We talked about the Freedom Rally. It's almost here, how time does fly. We need all local 7 members, that can, show up and work shifts too. Come on down and join the fun. You know the midnight to 8:00 am shifts are the best.

Oh yea, one of our members, whom we will call Bob, hit some gravel on a corner and ended up in the ditch with his bike on top of him. He ended up with a few broken ribs, but is ok, except when he sneezes and laughs. So, watch out for the winter gravel that shows up on the black top in the spring.

That's all I got to say for now ride safe. **Sir Robert**

Hello Local 11,

First we would like to congratulate Russ Argall on receiving the Power House award at the FEW. Well earned for his contributions to the local since becoming a member of Local 11. Also a big congrats to Keaton Kapus for earning the Young Engineer of Freedom. He is well on his way to becoming the next generation of Freedom Fighters. With the reminder from a wise member. Telling him that he was not given the award. He earned it. Thank you to both of you for all you do representing Local 11.

It's the time of year that things really start to kick off and lots of events and get-togethers are being scheduled. Be sure that you are watching facebook for these events. If you are not a facebook user. Please reach out to one of the local officers and we will make sure that we get a better way to communicate with you.

As you are reading this we have had our April events such as the birthday party and the Easter family event. Big thank you to Sam & Jake for hosting this month's birthday get together.

Happy Birthday to all the May birthdays as well. I apologize I do not have the list to name everyone. Here is an updated plan of events for the next couple of months. Please take note that our May & June meeting schedule is different from the normal schedule. I know there are going to be other events added to the calendar as we go. Such as flag grab events. Thank you to those who attend.

Hello everyone, 13 is very happy to announce that one of our very own won THE POWERHOUSE AWARD at this year’s FEW. We want to say congratulations to our Treasurer Vickie Riley she is very deserving of this award. This year we had 6 members attend the FEW and it was the first time for 5 of them. They all said that they walked away with learning something new from it and plan to attend again next year. 13 held on the 9th of April, our first community Easter Egg hunt for the kids here in Mexico, everyone seemed to have had a good time, there was a good turnout for it. Not sure who had more fun the kids or the adults. I do not have much to pass on at this time as events are still being plotted and planned. Just keep an eye to our Facebook page for our flyers to be posted when they are ready. Till next time, Ride Safe and Often. **Stampede**

Congratulations to those members who received awards at the FEW Seminar. Your hard work is appreciated and necessary for the local to exist.

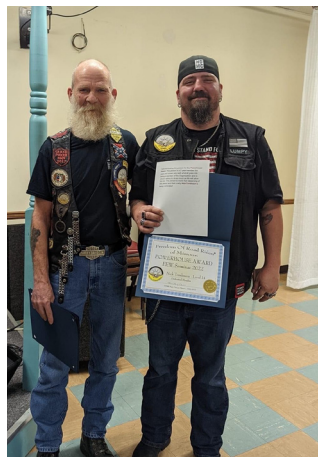

Local 14 received the trophy for first place in the Capture The Flag competition. We were second in 2020 and 1st in 2021. Thanks to all the members who participated by going to other locals, Districts and State events in order to win this coveted trophy, which was made by Local 14’s VP, Doug “Roundabout” Hilburn. I hope there is lots of participation by our members to keep the trophy at Local 14 again next year. Check out our local 14 members only facebook page, come to meetings or contact Doug Hilburn or myself to find out what events we are going to next.

Guidelines for capturing another local’s flag are as follows.

1. Must have 3 or more members of your local present.
2. Flags can only be captured from a single Locals meeting or event.
3. No flag can be captured from a combined Locals event {2 or more Locals having an event together that is not a District event}.
4. This game runs from Jan.! through Dec. 31 of each year.

The FORR state flag can be captured following these guidelines: 1. Must have at least 5 or more members from your local present. 2. The state flag counts as two flags. 3 State flags can only be captured at the annual FEW seminar & state rally {Missouri Bikers Homecoming}.

You may capture the flag of an established district at its own event by following these guidelines: 1. Must have five or more members of your own local at the event. 2. Cannot combine members from different locals from your district. Tie breaker will be as follows: 1. The local who has the most different members capturing flags will be the winner of the tie breaker. 2. In the event there is still a tie, there will be a coin toss to determine the winner. (Continued on page 15)

(Continued from page 14)

Local 14's "Crash" Memorial Poker Run is scheduled for June 4th leaving the VFW Post 4052 located at 3109 Franklin Ave. Lexington, Mo. 64067. Sign in is from 10:30 am to 11:45 am Kickstands up at noon. Side dishes are welcome for the meal following the ride.

Dang! Time to write the newsletter, again!

The results of the Broomstick Pool Tournament at the 505 Club are in. It's been a while, but finally familiar faces took the top three places. Steve Britt had the top honors, James Steegal came in second, and Marcus Buttaneli brought home third. Thanks to all who showed up and made it happen.

There was a good turnout at the last meeting with more than a third of the membership in attendance. We discussed the giveaways at this year's Christmas Dance. There will be 600 tickets available for "Blackout 300" AR style rifle at \$5 each or 5 tickets for \$20. We are looking into another hand-made quilt giveaway also, with possibly 200 tickets available at \$5 each. Along with those, there will be a Ruger Wrangler .22 revolver with tickets available the night of the dance.

We had our final meeting at The Bayou Bar & Grill. We would like to thank Linda, Jennifer & Bill for all their support and hospitality they have given over the years. The new owners will be remodeling, and it will not have an indoor meeting space that will suit our needs.

Our meetings will now be held at 7pm on the fourth Friday of the month, downstairs at the West End Tavern in Frohna.

Hi Rob & Terra from local 24. Here's our newsletter for our local. Thanks!

We hope this little note finds everyone that reads it in good health, and we hope that you have taken the steps to TCLOCK your bike before riding it this season. (Some of us don't really recognize a riding season.) We are new to writing this local's monthly installment in the Freedom Press and are happy to do so. We promise to do our best to make this local's newsletter contribution informative and mildly entertaining at times.

By the time you read this, you hopefully attended the BLESSING OF THE BIKES and had a wonderful time with all of us here at local 24. It's one of our favorite yearly events along with the MYSTERY RIDE and of course REDNECK BIKER GOLF.

Please be safe while riding. And STAY VIGILANT!

Hello brothers and sisters.

At our last meeting we had 17 members present (fantastic).

We had our approved local 25 iron on design. I provided the first shirt. I'll probably see it next meeting. Our March 27 pool tournament had a huge turnout. A good time by all. Now like I said our 3/20/22 meeting we had 17 members. Each member donates 1 dollar to our incentives jar. At the end of meeting, we draw a name from the jar. If they are present, they win, if not, it rolls to next meeting. Attend to win.

Everyone, stay save, Keep the shiny side up.

Desperation finally hit! I took off on my bike headed to work. I left the house at 7:30 am and the temperature was around 40. I put on my leathers, covered my face, and doubled up on gloves. I had a 30-minute ride ahead of me. Not bad right?

I mean anyone can handle 30 minutes of cold weather. I was about 10 minutes from home and the tips of my fingers were getting very cold, very fast. I had no choice but to continue. My fingers were so painful that I kept trying to readjust to give my hands some comfort! I made it to work, and my fingertips felt as if I wasn't careful the tips would possibly break off if I touched them wrong. But I received my reward as I headed home. Sun in my face! No jacket! I took the long way home and didn't stop there. I pulled in the drive and picked up the husband and we rode to supper. It was beautiful!! Comfortable riding season is upon us, and it will be great seeing more of us on the roads. Our Local meets every Tuesday night at Breaktime in Maryville. All are welcome. Kickstands up at 6.

Happy Spring! I hope everyone is getting the most out of the warm days popping up here and there.

We've got a few things coming up for May. The Can You See Me Now Awareness ride is May 1st at the American Legion 639 in Springfield. Registration begins at 11:30, KSU at 1. Free tee shirts and live music after!

We're also making plans to ride to the MAY Rally in Jefferson City May 4th. We will be leaving the Kum and Go at 65 and Kearney at 8 am, then meeting up with other locals in Mack's Creek to ride to Jeff City as a group. Please make plans to join us for one or both if you can!

We've been having BS meetings on the 4th Sunday of the month to give those who can't attend our Thursday night meetings an opportunity to get involved and stay up to date with what's going on in our Local. As the weather improves, we'll be planning rides for afterward.

We're also trying real hard to keep everyone informed when we plan to ride or hit another Local's event. We had a group of 8 attend Local 15's Spaghetti Supper. The food was delish, the hospitality warm and welcoming, and the shenanigans were quite entertaining! Next time you see our Prez, Tyler, ask him how the movie was, LOL!

Stay safe out there and come hang out with us soon!

Hello all! Sorry it's been a minute but let's jump right in.

On February 26th Local 31 hosted our 1st Chili & Soup Cook-off Benefit to assist two of our local riders who were involved in accidents this year. Both Donnie Miller, and Rigel Capen suffered serious injuries from their respective incidents, but were lucky enough to be able to join us at the event in person that day. The event, co-chaired by Charlie Dowell and Brian Wagner, invited guests and members to participate in a chili/soup cook-off, silent auction, incentive drawings, and other activities, raising almost \$4,000 overall which was split between the two riders to assist with medical and living expenses, it was an amazing outpouring of love from our local 31 biker family and the surrounding community for our riders, who were both extremely grateful. We appreciate everyone who came out to participate, help, or attend the event, we truly could not have done it without you! Congrats to Randy McWhorter and Cassie Sharp for winning 1st in their division (Randy in chili, Cassie in Soup)

Happy Late Anniversary to our very own Jake and Steffanee Allison! Congrats on another year!!

On 7/30 is a poker run. Put on by our local in conjunction with the benefit for Aiden (a local child that has some serious medical issues and we think his family would appreciate our help) Location is at the Moose Lodge where there will be a dyno Trailer there throughout the duration of the benefit, along with a silent auction. Mark your calendars so you can make it there!

Thanks to Heather for the help with the Newsletter!

Until next time, Ride on and ride Safe,

Tristen

Little Johnny was doing his math homework. He says out loud, "one plus six, that son of a bitch is seven Four plus four, "that son of a bitch is eight." His mum overhears this and is shocked! She says to him, "what are you doing Johnny?" Johnny replies, "I am just doing my math homework." "And is this is how your teacher taught you to do it?" the mother asks. "Yes," Johnny replies. The mother is now angry and immediately phones Johnny's teacher, "What on earth are you teaching my son in class?" She asks. The teacher replies, "Right now, we are learning mathematical addition." The mother asks, "And are you teaching them to say one plus six, that son of a bitch is seven?" After the teacher stopped Laughing hysterically, she answers, "What I taught them to say was, one plus six, the sum of which is seven."

Hello Fellow Bikers.

Another month has gone by and we are still here, so good for us. The bike is still in the garage, been working on a lawn mower, got to get it out of the way so I can get the bike out. But the weather has not been that great to want to get out on the road again. I talked to Local 8 about helping with Spring Fling and we are in. So, get ready to do our duty, should be fun. Didn't get to the FEW but heard that it was a good success. Already planning the Homecoming so we need to plan on attending this year. We have a couple of things happening at the capital that we need to watch. Sitting here typing this letter can't think of anything else so RIDE FREE and RIDE SAFE.

Hello my Friends, hopefully you all have been enjoying the beginning of spring. April Showers bring May Flowers is what they say. Here's to hoping. I took a road trip all throughout Arkansas, Eureka Springs, Hot Springs, and Little Rock. It was beyond beautiful. If you haven't been I recommend you give it a go.

As we all know May is Motorcycle Awareness Month. So in honor of motorcycle awareness month for the last few years local 42 went out and placed the yellow "Watch for Motorcycles" yard signs all over Franklin Co. So, this year we thought it would be fun to Challenge all of the other locals to see which local could put out more signs. Something fun to get your members out and about and an easy way to remind drivers to be aware. We hope each local takes us up on this fun challenge.

Mark your calendars!!!! Saturday May 14th, Local 42 is hosting an event called Rollin' Corn Holin'. This event should be a great time! Event starts at Roadhouse 100 in Gray Summit only \$10 per hand for each additional hand only \$5. Come check it out, who knows you just might have a good time. You can find the flyer on our Facebook page, or in this issue as well, for more details. Hope everyone can make it out.

One final thing before I go...

District 4 – KC Area

Hello everyone,

District 4 is still looking for a "no longer needed" motorcycle that you would be willing to donate to us, if you have one or know someone that may have one that you would be willing to donate to D4 we would so appreciate it.

Don't forget that our Horseshoe golf tournament is July 23rd, see flyer for all info, it will be here before you know it and last year was a blast, if you missed it you missed a great time.

Octoberfest is in the works as well, more soon. The weather is finally warming up and there have been a lot of bikes out, please be safe and keep your head on a swivel and don't trust anyone, always scan for possible problems. Have fun adventures riding but safe ones.

That's about it for now!

MID-SESSION LEGISLATIVE UPDATE 2022

“If you do not take an interest in the affairs of your government, then you are doomed to live under the rule of fools.”
Plato

ONGOING LEGISLATION

BILL #	SPONSOR	SUBJECT	ACTION
HB 2123	Rep. Taylor	Auxiliary Lighting	House Informal Cal.
HB 1487	Rep. Porter	Distracted Driving	Hearing completed
SB 1113	Sen. O’Laughlin	Driver’s Education	Hearing completed
SB 713	Sen. Razer	Texting/Driving	Formal Calendar

This is a list of legislation that is moving that we are following, everything is moving slowly this year due to the Congressional Map legislation that is clogging up the flow this year. I had hoped that HB 2123 would have been agreed to and finally passed out of the House and moved to the Senate, however that is not the case yet. The other legislation is just floundering and going through the motions, and I look for many amendments to be added to legislation that is moving. By that I mean I look for several omnibus bills to be loaded up soon.

I would like to thank everyone that has sent in testimony this year for legislation we are following or just for legislation you are following, at least you are part of the process. If you have not, then ask yourself why you have not. I also apologize for not sending out legislative updates via email, because I have never been able to master the mass email and I do try to keep everyone informed on Facebook, if you still follow on that app. Elections will be coming up soon and hope that everyone is involved in this process, if not then you ought to be if you wish to see change anytime soon. Get out and meet the candidates and see if they support issues important to you and motorcycling. There is five (5) weeks left to session and a lot can happen, or not, so I will keep you updated periodically on social media.

Hello All, been a really busy month. Got the range painted for the BRC and signing people up. Classes are filling so if you're wanting a class, call fast.

Really need some more 3-wheel students so we don't lose money on that course, so if you know someone, get ahold of me. No one has signed up for the ARC or BRC2, so please think about those classes. It's hard to get the coaches for an ARC so it may be years before we offer it again.
