Howdy all!

This has been an interesting year to say the least, but I'm glad it is soon to be over and hopefully a beginning to a better year to come.

Our meetings have been very well attended lately. It was very good to see our President Rick Long and his wife Nancy at Octoberfest and then to see him at the October meeting. Our nominations will be held after the deadline for this issue so I will have to report those to you in the next submission. We can also give you a list of new officers for the 2021 year!

We have found a new place in Lone Jack, MO. El Paisa restaurant. Great place for meetings and just to get something to eat. (Margaritas are pretty good too!) December 20th meeting will be held there at 1:00pm. Hope to see you there.

Hope you and yours have a very Happy and Healthy holiday season!

Well as I always say... Have a good one, then have another!

See ya, **Michelle "Rebel" O'Connor #7157**

Congratulations to Local 3 members Scott & Nicole Mallett who were married on October 10th. It was a perfect day for an outdoor wedding, shared by family and friends at their home. Lots of love, friendship, food & booze! Best wishes for a long and happy life together.

We want to send out a big welcome to new members, Michael & Kenneth Morton, Jackie Scott, Judy Williamson and Bob Jones. Glad to have you with us.

Saw on Facebook that our former member, Donald "Douche" Graham, who was at the Inklogics tattoo shop in Warsaw is now at the Altered Visions tattoo shop in Warrensburg. Give him a shout if you need some new ink. I'm thinking I need to give him a call. Maybe "Lizzy" of L-11 will too. Heard she had the dreaded "tattoo removal by way of asphalt"! Lizzy and bike down. Glad you are ok, hope your bike is too.

There were lots of great pics in last months' Freedom Press. Thanks to whomever submitted them, we love pics of crazy bikers having fun. Octoberfest is getting bigger and better every year. Thanks to all who put in the hard work to make it happen.

As I'm sitting out on my screened-in deck on a nice warm November day writing this, I think I'll put my umbrella up outside, just to get the dust & beetles off it. Big mistake--wind gust! Just as I run for it to take it down, it got air-born and went through my screen! What the...crap. Now I have to patch the screen. Ok, enough of that, I'll just have another brewed in the USA beverage & think about it.

By the time this newsletter is delivered, our regular meeting day has probably past, but just want to mention that our meeting this month will be on the 4th Sunday.

(Happy B-day, Cheryl) and we'll be having nominations for officers. Hope you wear a mask and keep safe distance. God Bless America

Until next time

I hope this newsletter finds everyone doing great. By the time you get this the District 4 toy run will be over. I'm sure we had a good turn out as always despite the Covid crap. Bikers are some of the most generous people in the world. Local 5, District 4 and CMA prove this every yr. We support the sunshine center in Independence every yr. With diapers formula and toys along with other supplies that will help them out for many months to come. Thank you to all who participated.

Our local is working on an awesome t-shirt that pretty much says it all. Watch our FB page for details or better yet come to a mtg see your family and order one if we're at that point by then. We have a spectacular artist amongst us. Ms. Grace Copowycz did an outstanding job. I love seeing our young members get involved and put their hearts into it. Thank you, Duane for bringing your daughter in. We are also blessed to have John Steelman join our local. Johnny has been around local 5 since he was little. He is Dawg and Shirley Steelmans son. Old members from back in the day. Welcome to all new members and welcome back to all of our old members. We love to have you in our family.

We have Thanksgiving and Christmas coming up. Don't forget the local 14 Christmas party Dec 7th new location check out the flyer. All of us on the cabinet have decided to stay another year to keep this train moving. With the blessing of the local of course. We need you though, we need our members to help us get down the tracks. I for one miss seeing your faces.

Since this is the December issue, I would like to wish you all a very Merry Christmas and a very happy New Year! May 2021 be the complete opposite of 2020.

God bless you all and God bless America!

So welcome to November. And as of the writing we are looking at 70's for the first week. Yahoo! We can still ride.

We held a great social gathering at Hammer Heads on October 24th. We even had 7 brave souls brave the cold weather and rode their bikers in. As normal Kelly and the gang put on a great feast for all 28 people that showed up for the gathering.

Happy Birthday 's this month to my wife Sonja Ruhnke, and also Kelly Robreau.

On the 1st of October our Local joined in with other MRO's, such as F.O.R.R. Local 6, ABATE of Missouri, ABATE of Kansas, Sons of Juhda, Combat Veterans Motorcycle Association, that rode the 33rd Annual Noyse Home Toy Run. An annual ride that take's Christmas

to children. This year we had 11 children to bring Christmas to. We had 23 bike and 1 awesome scooter making the ride. With a total of 71 people to show up for the great event. I sign (See photo). Also, would love to thank the Noyse Home for allowing our Local to put this on for so many years. And we greatly appreciate the certificate we received on this great day. With a new twist to

the ride this year, we continued the ride out to Meadow View Senior Community. And giving the residents a chance to come outside and interact with people at a distance and look and a great group of bikers to do a ride in bike show for them while in isolation. Would also like to put out a huge thanks to the St. Joseph Police Department for the awesome escort from the Noyse Home to the Meadow View Community Center.

I hope everyone has a great Thanksgiving surrounded by family and friend.

Remember Nov. 11 is Veterans Day.

Until next month, YAHOO be safe

Well we had our toy run not the best. It's the year that has gone wrong. Even though we did not have a good turnout of bikes for our tour around town, we did collect a fair amount of toys and food for Share your Christmas. We had some people stop by and drop things off but did not stay. I think we had 25 bikes go on the toy run. We had lots of chili left. Nita's chocolate chip cookies did not get ate up that's a first. But the ones that were there had a good visit and stuffed our bellies. Santa's reindeer laid down just as we started our ride. They decided to get up and join us about halfway through the ride. So, Santa did get to make his deliveries after all. After the toy run was done Local 7 had their monthly meeting. We had passed the helmet during the toy run and gather up a little more money for Donald and April. April has been in the hospital for over a month with stomach problems. We hope this helps. April Local 7 say's get well soon our prayers are with you.

Shelly is going to see about a permit for local 7 to ride in Lebanon's Christmas parade. Anyone wanting to ride, meet at Bosswell park at 8:30 am on Saturday Nov.21st.

If wish to ride to Buffalo toy run meet at King cash savers in Lebanon on Sunday Nov. 22nd 12 noon.

If you would like to ride to Springfield toy run meet at King cash saver's 12 noon Sunday Dec. 6th.

Also, Local 7 leather & Lace or known as Valentine dance will be Sat. Feb. 6th from 6:00pm till 12 midnight at the American Legion in Lebanon Mo.

I have said all I have to say. So, ride safe.

Who hoo greetings Local 8!!!

Yes, you are seeing things right, we do have a newsletter this month! My deepest apologies for missing the last however many

months. Old age and busy life cause stuff like that to happen. I'll try to do better. Of course, if you miss our newsletter you can always call/message me or check our Facebook page for updates.

Not a lot has gone on, thanks to COVID we cancelled everything this year. Since most of our stuff is earlier in the year and that was during the heart of the scare, we weren't sure, and we chose safe over sorry. I really hope the COVID shit has settled down for next year, I miss my people!!! First thing we'll be looking forward to in 2021 is our Cabin Fever party. No date or location is set yet, it's usually in Feb/March. Hopefully I'll know more by next month. We do have some ideas in the works for more rides and local 8 family events in 2021 and we are always open to new ideas, come and share yours.

Our December meeting and officer elections will be held Saturday December 5 at Mike and Cathy Kannianen's starting at 5. This will also be our Christmas party. Everyone is welcome please bring a side dish and a gift to exchange. It can be a gag gift or a regular gift. That's the fun of the gift exchange. Hope to see y'all there.

Until next time ~ keep smilin'

Merry Christmas from Local 10:

As I write this, our country is experiencing the horrors of this year's election. It is with this that I ask everyone to look inside his or her hearts, especially during this coming Christmas season, and make peace with the world around us. May we return to the old days when there was no Internet (or social media programs), a time when bag phones were so expensive only business CEO had them in their cars. May we return to a time when you have to wait for the neighbor to finish their phone call before you telephoned family or friends. When the New Year comes around let's all seek to focus on maintaining our freedoms and our rights as motorcycle enthusiasts. To all members; now is a time to stand up for our rights as motorcyclists. We need to make sure no one introduces legislature to undo our helmet bill that we finally won after 30 years. Now is the time to join or renew your membership to Freedom of Road Riders. We need to keep fighting for our rights and make sure this country remains the best country in the World. May the good Lord bless you and your family this holiday season and please pray with me that 2021 is better than 2020. Stay Healthy Everyone. Merry Christmas!

Hello Local 11 family,

I hope that all is well, and everyone is ready to wrap up 2020. I know that as I am writing this submission. We are all on pins and needles being election day. Let us just all hope that 2021 comes with blessings to all of us. As well as getting our yearly Food/Toy drive together for Souls Harbor Mission. Thank you to all the membership that contributes to this event.

Something is starting to come back to normal. How we say now. We are back out at the Eagles lodge for our monthly meetings. Of course, things are a little different with the holidays fast approaching. Our November meeting will be held on the 29th this month at 1pm. Just a reminder that this is an important meeting.

Which one of you is Zoomer?

At this time per vote of the local we have suspended the positions of Local Product line and Awareness. Reasoning being that Mark & I are already doing state products, so the position is not needed. As for the Awareness position. The local has voted that we are not going to rest the weight on one person. We are going to go forward with making sure that Awareness is done as a group effort. At the November meeting we will also have our annual Local Thanksgiving dinner. Everyone brings a side dish. But please remember to buy your drinks from the Eagles. This was the agreement long ago. They allow us to use their meeting room for FREE. Only request was that our membership not bring outside drinks in the building and purchase from them.

Our December meeting will be on Dec 20th at 1pm at the Eagles Lodge. This will be our wrap up the year meeting. Along with celebrating the holidays together. We will have our annual Christmas potluck meal of snack food and finger food type dishes. After the meeting we will host the Dirty Santa gift exchange. This is NOT kid friendly. Just as a reminder. Lol. Anyone who wants to participate is welcome. Anything goes from funny to dirty.

One reminder due to recent events. Please remember to dress for the slide and not the ride. As well as always keep the shiny side up. That pavement hurts. Lol

Much love to each of you. Till I see your face.

Hello Everyone, Lordy these last few days have been crazy busy here in Mexico. 13 has been busy; we sponsored the Trunk or Treat here in town this year as the regular sponsors did not feel comfortable doing it. It was a fun night; we had a great turn out about 600 kids came thru. We tried to count but well you know how that goes when you have a bunch of kids running around. Then the following week we had our Toy Run, our shopping was a bit different this year than normal, instead of shopping we just donated the money to the Center to let them do the shopping due to the virus stuff, then at the last minute we were invited to come along and help do the shopping and deliver the toy's like we normally do. They said they knew how much we enjoyed doing the shopping and the delivery that they did not want us to miss it. So, we still got to shop but with a twist this year. WE had a good turn out and the weather was so nice.

Well 13 is getting ready like everyone else to elect our 2021 officers, but you will have to check out our Facebook page to see who will be the keepers of the Local as our elections will come too late to submit for the January issue.

Till next time, we hope everyone had a good Thanksgiving, and you have a Merry Christmas and A Happy and Safe New Year.

Congratulations to all the new officers of local 14. Take your elected positions seriously

Local 2 had their first meeting last month and I was impressed with the amount of FORR members who came from all over the state to support the new local. Good luck Local 2, I know you will do well.

Local 14 Chaplain, Heinz "Preacherman" Maurer, has a weekly church service on Facebook on Sunday morning for those interested. He also puts it on his YouTube channel to be viewed anytime.

An organization is only as strong as the members who support it, so get involved with your local and other locals in their events. The more involved you become, the more great FORR members you will meet.

Take it easy, **Kelly Easy Street**.

Merry Christmas from Local 15! We finally made it to the last month of the year. YAY!

I want to thank everyone that helped accomplish all that we were able to. I don't want to make a list of names, because I will leave off someone. So, to those of you that helped set up, put away, run around and gather needed supplies, make phone calls, sign people in or up, etc....

THANK YOU!!!!!!

I do want to shout out to one person, Tracee Brevell. She voluntarily, has help print all waivers and anything else that we needed! Thank you!

We just had our last BS of the year at Double Oh Grill. It was so much fun to get together and laugh!!! We don't have the January and February BS meetings lined out yet, but we will after our next business meeting. We will make sure to put that information on Facebook page.

Speaking of our business meeting. We are enjoying our new meeting place. The Amvets in Rockaway. At our next meeting we will finalize our 2021 Officers. Next month, I will have that list on here.

Our Christmas party will be held on Dec. 5th at The Honeysuckle Inn in Branson. We have the information on our Facebook page, but if you need more information, please call me, Lou Jungbauer or Cyndi Barker.

You guys stay safe, enjoy the holidays and I hope to see you soon! **Lou**

Well my friends, it is December and we have somehow all made it through a year that most folks will look back on in total disbelief! What a year it has been, between the entire world on lock down due to the Corona-virus, the political upheaval, the civic unrest over terrible injustices, lost jobs, unemployment, etc. But, if you look back through the smoke and ashes, you will discover that NONE of this could beat us down due to outstanding characteristics of the American people such courage, strength, diligence, and determination! Where did we all get that strength? Its foundation is based in deep faith, belief, pride, and the blessings of love and support from our families and dear friends. Pat yourselves on the back, because YOU truly are amazing!

So, as we wind down our year, we keep in mind the outward community support that we are known to share, whether that be through our help and aide with the West Plains Senior Center through meal distribution, or our involvement with the Toys For Tots drive sponsored by the Marine Corp. When push comes to shove, it is indeed all about reaching out to others, extending a hand to neighbors, and helping each other when it counts the most. The selfless acts that we perform, not to gain anything from them for ourselves, but in total consideration of the person in need is what builds character, respect, understanding, and deep understanding of why we are here. I happen to think those are pretty amazing attributes to possess.

And so, we wish all of our members and their beautiful families a very "Merry Christmas" and may the meaning and love of the season touch all of your hearts. Peace be with you ~ **"Coop"**

Well, as of this writing, the presidential election still hasn't been decided yet.

Hey! Christmas is this month, and our local Christmas party (meeting beforehand) is Dec. 9th at 7pm. Should know who the new officers for the local are by then. I'd like to personally thank everyone that stepped up to the plate as the 2020 crew! You guys did a great job, don't think your efforts weren't appreciated! Don't forget to winterize your bikes or dig out your cold weather gear and ride on.

Whichever you're into, I'm finding that the older I get the warmer the temperature needs to be. Hope you all have a Merry Christmas and may the new year be a much better one than 2020 has been! **Ken Lewis**

Our Leaves in the Breeze poker run was a success. We had a small turnout but a large amount of fun!!! First place went to Crockett (David Layton) of the Iron Aces, with three 7's. He then donated his winnings back to the local. Second place was won by Jonsz with a pair of 10's and a queen high, he donated \$20.00 of his prize back to the local. Low hand went to Archie from Local 24, and he also donated \$20.00 back to the local. Thanks to all who showed up and helped to make this a great day for riding!!! The incentive drawing was won by a couple from the bar and they donated it all back to the local as well. All in all it was a great day for F.O.R.R.

I want to welcome our new members Patricia Price and Dave Smith, Welcome to Local 25!! We are happy to have you!!! Also, I want to welcome Timothy "Midget" Crowson for transferring to our Local! Welcome!! We are very glad to have you too!!!

We had 7 members and 4 guests at our last meeting. It was very nice to see more different faces. We nominated some people for offices so please make the November meeting and vote for your choices!! Our next meeting will be at Millwoods Tap Room in Wentzville on November 22 at 1pm. Hope to see you there. We are going to start an incentive drawing to try to get more people to the meetings, every name in the local will be put in the bowl, but you can't win if you aren't there.

We are also going to be at the swap meet in Hannibal on Nov 14th and I will have to let you know how that works out!!

We have decided as a local to postpone the drawing for our bike give away- with the way things have played out this year we have not sold all of the tickets. With that being said we will draw the winner after we have sold all 600 tickets. Sorry for any misunderstandings, for everyone who has bought a ticket, you will still have a one in 600 chance at the bike.

I wish everyone a Happy Thanksgiving!! May your turkey be juicy and enjoy the time spent with family and friends!! Until next month, stay safe and enjoy the ride!!!

Later, Emily

This year's Halloween Bash was unfortunately cancelled due to lack of participation, support and Covid-19. Instead we will have had an awareness booth associated with Bow and Barrel's Annual Trunk or Treat event 31 Oct from 3:00 to 8:00.

Due to this Covid Poop, we will be unable to collect toys at Wal-Mart this year so if approved we will have a Toy Run, 28 November. Bikers meet at Shriner Club at 10:00, kickstands up at 10:30. Please bring a Toy. Let us help a child enjoy Christmas this year.

We need to stay safe and keep our family's health protected. Just like our new Helmet modification Bill you have a choice. Let us keep the Wind to our back, Sun to our side, the Road to the front clear and God as our guide.

'Tis the end of the year now and while Summer has faded into memory, I am reminded of the immortal words of Elwood Blues who said "So what do ya want for nothin', a rubber biscuit?"

Our Annual Adopt-A-Family Christmas Party is happening this month right here in the center of the known Universe, good ole' K-nob K-noster. (Let's be honest, the real center is Medicine Lodge, KS but to make the joke work I need to change the geographical location, ha ha). As with every year we offer a hand-up to a few in need and even coerce Santa Hogg into making a special appearance. Good food and good times are had by all. Check out our flyer &/or website (www.FORRLocal33.com) for further details.

Congratulations on the new/returning Officers of the Altruistic Order of All Stars otherwise known as Local 33. As of this writing I don't know who is doing what due to the submittal requirements for the FP report. I do know we have a good bunch of folks and I'm sure we're going to be just fine, possibly dandy, maybe even borderline OK, no matter who's doing what. Thanks again to everyone for helping out with positions as well as all our events throughout each year. Without the volunteering it would never happen.

Speaking of events we're starting our next giveaway! This time around we're giving COLD, HARD, CASH!! That's right my little FORR minions, mo-nay in yo hand-ay. We're paying out (3) places: \$300, \$200, and \$99. Tickets are \$5 each and winners will be announced at our annual \$1,000 Poker Run in July. Give us a holler and we'll get you in the running. Remember you got to be in it to win it!

And now for something a bit risqué (Granny, please stop reading).

Two tall trees, a Beech and a Birch, are growing in the woods next to one another. One day a small tree begins to grow between them and the Beech says to the Birch, "Is that a son of a Beech or a son of a Birch?" The Birch says "Ya know, I not sure.". Just then a woodpecker lands on the sapling and the Birch says "Mr. Woodpecker the Wise and AllKnowing, as you are a tree expert can you tell if that is a son of a Beech or the son of a Birch?". The Woodpecker takes a taste of the small tree and replies "It is neither a son of a Beech nor a son of a Birch. It is, however, the best piece of Ash I have ever put my pecker in.". Lord I apologize

HI !

Well just got back from local meeting, we had 50% of the members show up. Which isn't hard when we are as low in members as we are. We did get a new member to join us so I might be able to vote at the upcoming CC Meeting. Now to thank new member Alan Petty for joining the local. Hey Guys,

Thank goodness this year is just about over. Can you believe that we have finally made it to the last month of 2020?!? Now all we have to do is hope that 2021 is better. As for me and mine we've had a great couple months! We are blessed.

Thank you to everyone that showed up and supported our Halloween party and bikesgiving. I wish we would have had a better turn out for the Halloween party, but maybe next time. I know that I for one love when we all come together just to hang out and enjoy ourselves. We have a great local with some great members. I believe that if we keep working hard and most importantly working together this local will only grow and improve. Also, before I forget to mention I would like to welcome our new members, we are so happy to have you! I believe we will be moving the December meeting up, but I don't have that handy so keep updated with our Facebook page. I think that's all I have for now even though I feel like I am forgetting something.

Until next time, **Jess**

MESSAGE FROM THE EDITOR....

REMINDER TO ALL LIFE MEMBERS or those of you that will soon be life members...

You have the choice of either getting your Freedom Press digitally at no charge or having it printed and mailed out to you for the Life-maintenance charge of \$15 per year. That cost only covers the printing and mailing of the Freedom Press. Please let our State Membership Secretary with your choice.

IMPORTANT... make sure if your information changes let your Local secretary or the membership secretary know about these changes. (mailing address, phone number, e-mail address, etc.)

I have had a few calls lately and it seems that there are some delivery issues in the St. Louis and surrounding area. If any members are experiencing problems getting their newsletter on time or at all, no matter where you live, please let me know.

Thanks, Rebel

Legislative Update

With the election over and still no clear winner of the presidential race, as of this writing, we need to discuss the state election. Slot of our friends will be back again next year, although some have termed out and others have moved to the senate, one actually went from the senate to the house. I do hope everyone got out and voted, no matter how you did it.

Now I don't know all the 163 representatives nor do I know the new ones. If any of you have any questions about their representative or senator just drop me an email, text or call and I will try and get you some information about them. You will need to at least know your district number or if you know their name that would be great.

Legislation we are planning to work on this next year is; distracted driving, failure to yield and a motorcycle rider profiling resolution. I also think there will be a grass clippings bill but we'll see.

Any questions come to a CC meeting or email, text or call.

The first of December starts prefilng so I should have a better list in January.

Thank you all and I hope your staying safe if you're out enjoying the freedom of choice or still wearing a lid.

Down the road and movin' on,

Smokin' Joe Widmer
Legislative Coordinator

"Can you say accessorize???"

District 4 – KC Area

Hello District 4,

I need to start off by giving a huge shout out to Doug Hilburn (roundabout) and everyone that helped him with the Octoberfest games and participated in the games, because I knew I would forget something or someone in the last issue and let's hope I didn't or haven't forgotten anyone or anything else, thank you all!!!!

By the time this issue comes out the Toy Run will have come and gone and I'm sure as always we had a great turnout for this event, thank you all for the show of support for the Sunshine Center and kids that attend their.

We are still working on details for the Crock-Pot cook-off.....more on this soon!

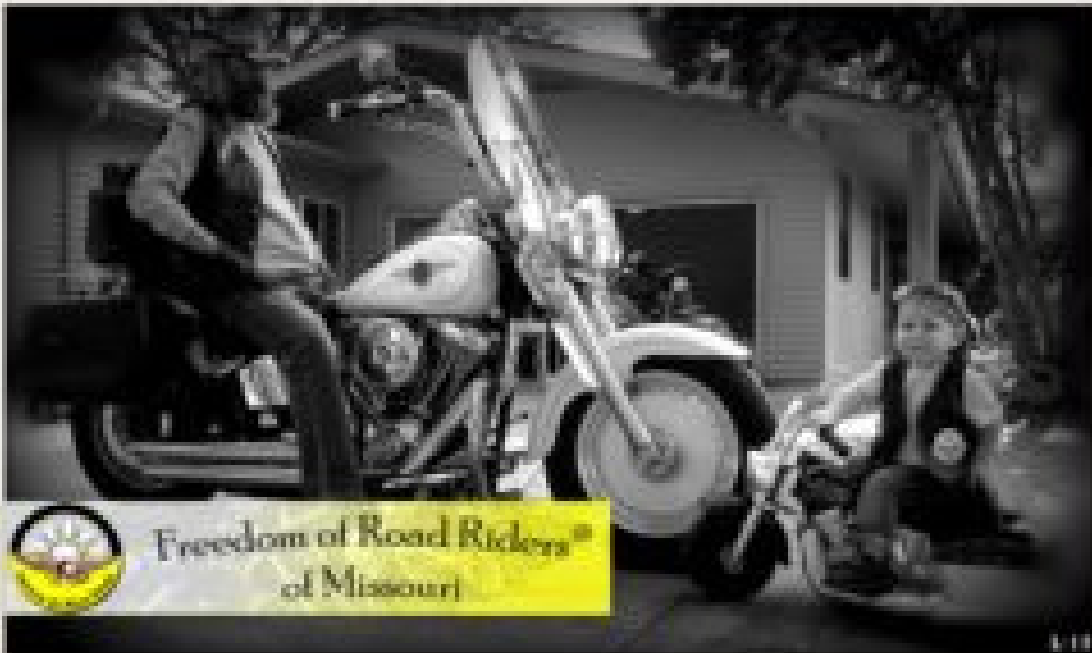

Well that is about all I have for now....see ya soon!
