

The main purpose of this organization is to guard the rights of all motorcyclists; to keep them informed of laws that will help or hinder them as motorcyclists; to promote safety, rider education, brotherhood, and freedom for all motorcyclists.

Howdy!

Just a few things to recap on for the closing of February and going into March...we have been working on a few amendments on some House Bills, all to the positive, and will let members know when these are "set in stone". It was most encouraging, though, when the Representatives were approached about their bill, they were most receptive to our suggestions and moved swiftly to amend them.

I will give the CC Board and Reps a summary of how Lincoln Days & Demo Days went and what occurred during March's Officer Meeting and Central Committee Meeting, in addition to an update on March's Capitol Crusader Days.

Other than that, filing closes for Aug. 3rd Primary election on March 30th, so bear with me as candidates crawl out the woodworks to announce their intentions of running for whatever selected Office. I will not to bombard you with e-mails, as this seems to be a complaint, but what I will do is take the extra time to divide the membership by the candidate(s) district, and will send announcements to just those members that Mr or Mrs So n so will be running for whatever.

April Capitol Crusader Days will be Thurs, Apr. 1st at 10 am and Wed, Apr. 7th at 9 am; the Legislators do not reconvene until Tues, Apr. 6th after 2 pm (Easter Break). Take care, and as always, please feel free to share your thoughts/questions/concerns with me.

Respectfully submitted,
Katherine C.

BIKERS UNITED FOR RIGHTS RUN

DEDICATED TO FREEDOM OF THE ROAD

(BUFR RUN)

Save the Date!!

May 2, 2010

2:00pm

Jefferson City - Capitol

Mission / Purpose:

To raise awareness of Bikers on the political front; to make a public statement, that Bikers will no longer dwell only within their respective organizations and watch our constitutional rights being eroded away.

We, as Missouri Bikers [and The People] are uniting to make a statement, and that statement is that we [The People] have united in our fight for freedoms and equality and will no longer tolerate being discriminated against legislatively.

We [The People] will implode on the Missouri Capitol building as a unified section of society, ratifying our constitutional rights and denouncing those who seek to infringe upon those rights. We [The People] will provide the media the opportunity to expose those attempted infringements further. We [The People] will recognize and applaud those Legislators who have fought for our Rights, and will expose those who have utilized their politically appointed [by The People] position in an attempt to erode those rights. We [The People] will RIDE in honor of those who have, and continue to protect our Freedoms.

On May 2, 2010 all motorcyclists, motorcycle organizations and groups are invited to attend the 2nd annual BUFR Run. We will be gathering at the Capitol Building in Jefferson City, MO at 2:00PM for a short ceremony followed by a parade.

There will be multiple rendezvous points throughout Missouri to meet and ride as a group to the Capitol.

Hello one and all!

Well, just 15 more days until the official first day of Spring..... *waiting is such a drag!*

On a sad note... Local 1 lost a very good friend, and lifetime member to FORR on February 24. **Clifford Gary "OX" Holley** passed away at the home of his daughter. He got Dragon and I to join FORR some 18 years ago! What a great guy, and he will be sorely missed. Local 1 will have memorial patches available, just let Mark know if you didn't get one and you need one.

Had to postpone February's meeting out at our place. Good thing too, after hearing the traffic reports on the news later that day. *"VERY Icy"*

I have seen the 2010 BWAM flyer all over! The date is Sunday, May 2, 2010. Check in is at (9 am to Noon). It begins at the City Union Mission at 1108 E 10th Street in KCMO and ends at the same place! Pretty Easy and a real good time for a good cause. Was proud to see a couple of FORR locals listed as chrome sponsors this year. The new BUFR Run is also May 2nd. The Mid South Mile will be held in Denton Texas this year.

Rumor has it that a 'NEW' location being looked at for Octoberfest 2010 - it may prove to be a real weekend paradise! (pardon the pun...)

Our March meeting will be held at the Chapman's again in Bates City at 2 pm - be there or be square!. If you need directions you can call 816-690-4200.

Well, it is time for me to get on to another page - so have a good one, then have another!

See ya, Michelle 'Rebel' O'Connor #7157

Come on spring - Enough of this crappy snow and cold weather. Local 4 is ready for spring and warmer weather to ride.

Larry "Dad" Tune is currently in the hospital at the time of this writing. We sure miss you! All of us are praying that you are getting stronger and come back home to all of us soon.

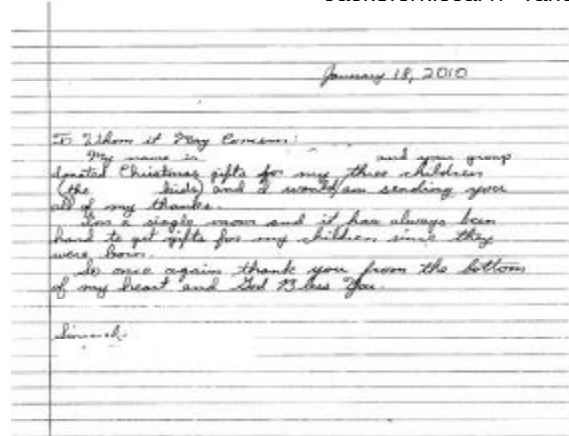

Jay opened our meeting at what will soon be "The Haunted Hut." A letter was read from a mother thanking us for the Christmas gifts for her children. There are always people that are not looking for a hand out but just a helping hand. Just

imagine what it must have been like for that Mom. We should all be thankful for what we have every day. The March 14th CC Meeting was discussed with some of us planning to attend. We might make a stop at Rolla for some of the St. Patrick's Day fun first.... With no other business and not much going on Randy brought the meeting to a close with Brian seconding it.

The next meeting will be on Saturday, March 20th at 7:00 with no location at this time.

Ride hard or stay home!

Our Leather & Lace Dance was a HUGE success! The band was awesome and we had a BIG turnout!

Mark your calendars for Tuesday, April 27th for the "**Mike Sloan Run**" – meet at the Katy Trail State Park Pavilion in Cedar City before noon, we will plan to depart by 12:30 p.m. for the Capitol. Donuts and coffee will be available from 10:30 a.m. – 12:00 p.m. Also, mark your calendars for Saturday, May 2nd for the "**BUFR Run**" - meet at the Capitol by 2:00 p.m. for a short ceremony followed by a parade. On May

15th there will be a **Ride for Research** at Lake Ozark, Missouri. For information, visit www.Ride4Research.com or call 573/673-6616. This information is also posted on Local 10s webpage at www.forrlocal10.net under the Forum.

Blessing of the Bikes/Poker Run is scheduled for May 22nd more information to follow. As soon as everything is finalized, I will get a flyer out to everyone. The next big event is "**The Freedom Rally**" at Buckhorn. Hope to see everyone there!

The date is set for the first "**Fun Run**". This will take place Saturday, June 19th with a rain date of Saturday, June 26th. We will be riding to St. Joseph. There are a lot of sites to see in St. Joseph, a little bit for everyone (The Pony Express Museum, Native American Museum, Pioneer Museum, Harley Davidson, and a Casino for those who like to gamble!) More information will come out later on this event. Since it is quite a long ride, we will plan on spending the night in St. Joseph. You decide if you would like to camp out or if you prefer to stay in a motel or hotel. I will be checking on cabins if anyone is interested.

Local 10's webpage has been revamped and has quite a bit of information posted on it. Greetings again to all our FORR brothers and sisters from Glasgow, home of the Firecracker Classic. Just a few days ago I saw some red-winged blackbirds around our feeders and a little bit of green in the lawn. Better yet, I saw a few motorcycles on the road. I think Spring is just around the corner and I, for one, am ready. As soon as our gravel road dries out a little, the old Drifter will be in the wind again.

We had a smaller than average turnout at our last meeting, with 13 members and no guests present. I'm wondering if our members have gotten used to the 7:00 pm starting time yet. We're doing this so our members that have to be up early for work can get home a little sooner. If anyone has any opinions on this, contact me or one of the local officers. We would like to get attendance up, especially as the Firecracker Classic (July 9th-11th) draws near.

Local News

Mike called the meeting to order at 7:08. The minutes were read and approved with no corrections. Courtney's treasury report showed a balance of \$4,515.00 in the checking account. John reported that the helmet law modification bill had been pre-filed in the House but not in the Senate. Mike presented the four awards that Local 12 had received from the state for 2009: editor's award- Smokey, financial reports- Courtney, C.C. attendance- Dave, and contributions to the state- all of Local 12. We have award pins from the state for this last one. You can pick yours up by showing up at the meeting. Congratulations to all the award winners from everyone in Local 12.

Jeff gave the event coordinator's report and stated that things were coming along well for the Firecracker Classic. He is working with Leo Himmelberg to split the camping costs, using the fire dep't. stage along with an addition (which we will also split the costs on), and also splitting the costs on the big tent and port-a-potties. Leo helps sponsor the barbecue contest, which follows a week after the Firecracker Classic and they will be using many of the same items we will. Splitting the costs 50/50 will help both organizations make more money. We will be putting up \$735 for the tent deposit.

Budweiser has agreed to supply some door prizes and may make a cash donation. The flyer designs have been started and were presented at the meeting. We all agreed that they looked very good. Cost for the color flyers will be \$85 again this year. No sponsors will be listed on the flyers. We may be able to save some money on the insurance this year. There was a discussion on t-shirt vendors, no decision has been made yet. Again please remember that all sponsor forms must be in no later than May 1st. Jeff has forms available.

Our D.J. will be Mo. River Music again this year. We are having three bands: Friday night the Full Moon Band will be featured. On Saturday, from 5-9 Blues Deville will play, followed from 9-1 am by Split Decision. These are all great bands and should really be a benefit to our event. The Full Moon Band has our event listed on their website. We already have one food vendor signed up. We will be using the state trailer again this year. The limit on day passes will be 8 pm, holders of these passes must show up at the gate no later than that to receive their \$10 rebate. Our fireworks display will be on Saturday night.

The safety tip of the month was to check your bike out before riding it this Spring and make any needed adjustments or repairs. One item that often gets overlooked is brake fluid. If yours is cloudy looking or is two years old, it needs to be changed. If you have a hydraulic clutch, it should be changed yearly. Always check your tire pressure before that first ride, too.

There was no old business. Under new business, a vote was passed to recommend to District Two that we split up the district money evenly among the three locals. Smokey will be working on a magazine article on Local 12 and the Firecracker Classic that will be in some of the midwestern biker magazines. Local 12's 16th anniversary will be in April and we would like to have a big attendance at that meeting.

The meeting was adjourned at 7:50. Doug Widel's name was drawn for the pot but he was not present so it was rolled

over until next month.

Another event that is coming up is the presentation of The Sonny Barker Memorial Scholarship to another area student that will be going to further their education in the auto or motorcycle mechanics trade or the auto body trade. This will be the third year for the scholarship, with two given away last year. Please call Scott at 573-473-8017 for information on how to donate to this worthy cause in memory of a great friend.

So, how did everyone like the March Newsletter? I know, you are all thinking "Man that was packed full of information"! Just about the time you get this joke is about the same time I will start hearing about how the State Newsletter guy needs to get it in gear. Thank our local's President for the addition of the flyer or you would even less to read about!

Alright, grab your boots and get ready to run through the gears. We have a few events coming up that you will not want to miss.

March 28th is our Adopt A Highway Trash & Treasure pickup. This is the time for Local 15 to have some fun and show the community that we care about our keeping our highway's looking great for all travelers.

April 3rd we will have a group ride for the 13 Rebels Poker Run. We will meet at the Ridgedale gas station at Hwy 65 & 86 at 11:00 am. Anyone interested in having breakfast before we meet for the ride can meet up with our officers at Table Rock Inn on Hwy 165 across from Table Rock State Park. Who knows you might even get Tracy to buy you breakfast if your lucky!

April 6th is our BS Meeting at the Rowdy Beaver.

April 12th is our regular Business Meeting at Lonestar Steakhouse.

April 18th is the Spring Forsyth Motorcycle Swap Meet. We would like to see one of the largest turnouts we have ever had so spread the word and bring your buddies! Shadow Rock Park is looking good and this year we will dodge the dust ball from last year. Camp sites are available right on the lake at the city park.

We will have a group ride for the Springfield Spring Fling Motorcycle Show coming up. We will meet at Hwy 65 & 160 at 11:30 am. Stay tuned for more details as time gets closer. Keep an eye on your email for more information on this and all our upcoming events.

I would like each member of Local 15 to take the time to send a quick email to webmaster@forrlocal15.com with your full name and email address that you would like to have used to receive news and reminders of our upcoming meetings and events. I have a few members that need to clean up their inbox as well. If your email inbox is full you will not get the information that I send out.

Spring is here so the words for you to remember are: **"Ride it like you stole it, unless you stole it from me"**

Hello Local 18 Freedom Fighters!!

I want to thank everyone for helping put together a very, very successful Leather & Lace. All the hard work paid off, we had 207 people sign-in. That's a new record. A special thanks to Big Rumor, they put on one hell of a show.

Speaking of Big Rumor, they will be playing at Hooten Town in July.

Capitol Crusader Week in April will be Thursday the 1st at 1000 hrs. and Wednesday the 7th at 0900 hrs. I will be going on Thursday leaving the Wal-Mart parking lot at Glenstone & Kearney next to Applebee's at 0700 hrs, hopefully the weather will be nice enough to ride, come out and ride or drive up to Jefferson City with me. We only have two more Capitol Crusader Weeks left so try to make one if not both. Walking the halls of the Capitol is the only way to let our legislators know that we are not going to roll over and play dead just because we got the shaft last year, we need to make sure that they know we will not give up and we will keep coming back until we get our freedom to exist as FREE men and women and we will not be discriminated against just because we ride motorcycles.

We have two very important rides to Jefferson City coming up. First up is the 10th Annual Mike Sloan Memorial Motorcycle Awareness and You Rally on April 27th. This is a statewide Awareness Ride that meets at the Capitol. The second ride is the Bikers United For Rights Run (BUFR RUN) on May 2nd. This ride is to show that "We, as Bikers (and People) are uniting to make a statement, and that statement is that we (the people) have united in our fight for freedoms and equality and will no longer tolerate being discriminated against legislatively". Please try to make these rides, we need to show that all bikers are united in this fight. If other states can get 5,000 riders to come to their state capitols surely we can do the same.

Upcoming Events:

March 27th, 104.7 Bike Show.

April 1st & 7th, Capitol Crusader Days.

April 18th, 3rd Annual Motorcycle Awareness Ride.

April 18th, Local 15's Motorcycle Swap Meet in Forsyth.

April 18th, Local 15's Poker Run in Forsyth.

April 20th, Local 30's monthly meeting at Bumsteads.

April 21st, Local 18's monthly meeting at Los Portales.

April 24th, Hillbilly Posse Motorcycle Run from Ozark to Branson.

April 27th, The 10th Annual Mike Sloan Memorial Awareness Rally

Well, I get to congratulate another life member of FORR. Joni James is now added to the list! Congratulations, Joni.

I want to welcome our new member Nicole Merritt to Local 19. I hope to see you at the meetings soon!

After consideration, Local 19 decided to vote against buying the names for mailings. The return wasn't enough to warrant the expense for this.

We considered changing the meetings back to Saturday nights, but the majority likes Sundays. In my opinion it doesn't seem to bring out any more members for the meetings. I'm not sure what will, but it's something we need to discuss further.

Kay Sanders won the \$100.00 drawing for working the auction. See what happens when you work an event?

Also, Kevin Nute won the attendance drawing. He very generously donated it back to Local 19. Thank you Kevin!!

Our safety courses have been set up. They are listed in the state newsletter and I'm sure Steve has added them to our web site already.

Also, Larry Olson has scheduled several rides for this summer. A list was mailed with the newsletter, and it is on the web site also. Be sure to watch the web site for any changes.

Our next meeting will be March 28 at 4:30 pm at Opies Pool Hall. I hope to see you there.

Holy Cow!

Is it April yet! Hope everyone thawed out okay. Anyways during the last meetings we discussed and decided on keeping our meetings at what used to be Buzzer McGees but now is known as Murdocks. (Let's try not to run these people off).

In hopes of encouraging attendance we've moved the meeting as well to the 3rd Saturday at 3:00 p.m. (Hopefully everyone will be over their Friday night hangovers by 3 o'clock).

The 16th of May will be one of those meetings where we hope everyone can ride to and as always we appreciate

everyone's support.

Remember, if you've done all you can, after it fakes to the left and then to the right and then to the left again... ride through the squirrel!

Howdy Boys and Girls,

The winter months are coming to an end soon, which has kept us down but not out! We're starting to see more bikes out not just the lifers or hard-core riders. Looks like those that can get their bike out of the garage, around the mud!

We continue to support Patriot Guard Riders and have participated in one Marine unit homecoming and one National Guard unit deployment. Both missions were televised and several members seen in the flag lines.

L-30 Leather and Lace Valentines Bash was a good time, 5 Locals including reps from L-27 were there. We sat by the dance floor where the Ol' Man enjoyed the scenery!

We started our yearly calendar and it's filling up fast. Some events are conflicting but I list both on event postcards to give members all choices. Fundraising opportunities are "coming out of the woodwork". I'm proud L-27 is called upon, making it apparent we're good at bringing awareness to their cause AND ours. L-27 has rules set in place to help determine which events we can sponsor. This keeps us from being overwhelmed and encourages us to keep our hearts and cash close to members needs.

In our February MM we had 29 members and two guests (Madd Dawg's daughter and new grandbaby) The Sgt of Arms spoke about renewals and stated if your unsure of when your membership expires it's typed on the membership card we all carry in our wallets AND on the address label of your Freedom

Press. The reminder phone calls are a courtesy. We all should be encouraging our expiring memberships to renew as we are for one common cause of "rights for motorcyclists everywhere". VP- Dave S. discussed our first area ride (I call it the "Freedom Ride" don't know if that will stick!) in Osceola on March 13 starting at the Burns residence. "OUR" Legislative Cord, -Katherine Cashell spoke of the Proclamation Run and we discussed having two members, Sgt of Arms- Dean S. and PR Rep- Madd Dawg, get together with area Mayors to make this a reality. Several members were heading to Lincoln Days and we're hoping members go to Demo Days as well. PR Rep- Madd Dawg stated we're now in 11 newspapers, with MM times and/or the MM minutes being posted. Steve Burrow was in attendance and presented with the JAM patch to a huge round of applause. Member Delmar "Dutch" McLinn with his wife, gave a big Thank-You to the members who helped finish his house Veterans Day weekend as he was injured, hitting a deer. Glad to see you up and out Dutch.

We will be participating in the Collins 1st Easter Parade on March 27th. April's "Freedom Ride" will be hosted by Skull, starting in Collins and ending at the Stockton AMVETS.

I have a personal note to add. I was supposed to get a card for all to sign but I failed so I'm using my office position as "newsletter chica" to say Thank-You and best of health from Local 27 to Darla Burns' Mom, Jean, for all she's done with embroidering our Local patches and personal patches for individual members.

And in closing Thanks to FORR for the reason we gather.

Sincerely, Cher

Meetings: 1st Friday @ 7 p.m. Pulaski Shriners Club.
Contact: President 573-308-7228 - Vice President 573-528-6029 - Shrine Club 573-774-5454.

Last month I erroneously reported we chose a date for the adopt-a-highway clean up. This is due to the newsletter needing to be submitted prior to many of our monthly meetings and I have to report under the assumptions we have completed some of the tasks on our agenda. Unfortunately we had a snowstorm last month and we cancelled our

meeting therefore our clean up date was discussed during the March 5 meeting.

Since we didn't have a meeting, I don't have much to report. That being said, I would like to reiterate bike safety with the coming of spring and more two-wheelers will be out on the roads. The awful winter weather has created problems with potholes and pea gravel on the roadways. Both pose a threat to motorcyclists. Be on the lookout for those dangers as well as the turtles that will soon be crossing the roads.

Don't forget bike maintenance as well, check oil, air pressure, tire tread, batteries and all lights.

Hope to see you at the meetings.

Until next month - Connie

Steve's Memoirs

You know how one day you get a call and a good friend had passed away. Well that happened to me yesterday. A young guy/ 47 years old and thought to be healthy. He liked to drink and party some and he was as strong as an ox. He died in his sleep of a heart attack. So I think a lesson we can all learn from this is to live life and enjoy it while you can. Never take the ones you love and your friends for granted. Tomorrow they may be gone..... This is one person's outlook and also his freedom of speech!

Local 30 - Nixa

Meetings: 3rd Tuesday @ 7 p.m. Bumstead's in Nixa
Contact: Pops at 417-830-6900

Hello fellow members! I am really hoping spring is just around the corner, but the forecast I heard this morning isn't really convincing me. I hope you have been putting that leather on and getting out there anyway, I know me and the hubby have, and our "lil piglet" has been loving it.

Now on to some local business, at our February meeting Curtiss called the meeting to order, Gail gave the minutes from January's meeting, Donna gave the treasury report and Renee reported the membership renewals, Richard Banks, Paul Kin, Randy Owens, and Matt Payton. Welcome back!

Curtiss presented little old me with an award "The Editors Award" I was surprised and very excited and will try my best to get it for our local this yr.

We talked about and agreed on, that we will try Face book out for a place to list rides, short run downs of the monthly meetings, and post pictures. Missy Watkins and myself worked on this a whole day and we have it up but not sure of how others can post things on it as of yet, so if you have more experience using face book we would love to have your input. Please either call Missy 417-224-7757 or myself 417-888-2313.

Renee started a new phone list so if you missed the meeting please call Renee 417-872-8230, so she can continue to get this list updated, we would also like to have your E-Mail address if you have one. These will be used only to notify members of rides and other events, so if you would

like to be kept informed get your numbers to Renee.

It was voted on that we would keep Bumsteads as our meeting place for now, so as always the meetings are at 7 P.M. every third Tuesday of the month. We also voted on and agreed that the gas money needed for the CC rep to use to attend the meetings will come out of the money made from Leather and Lace event. It was also agreed on that the money needed for our donation to the "Can You See Me Now? Ride will also come from Leather and Lace fund.

Dave volunteered for the July Hootin Town Rally committee, and will keep us informed as he attends the meetings.

Our first members ride will be led Randy Watkins on Saturday April 3rd, it will start at Sams parking lot on East Sunshine. Leave time will be 12:00 sharp so plan to be there a little before that. We will be riding to the "Horseshoe" farm in Marshfield then on to The Mill and the grand opening of Packer Lounge. This will be a nice scenic ride between 80-100 mile round trip, so don't let the weather detour you. In the event of rain out make up date to be announced. Grab those leathers and Lets ride!!

Local events:

Meetings: Last Tuesday @ 7 p.m. - Alex's Pizza, W 8th St, Rolla

Contacts: Brian Swift 573-263-1216 or Mike Adams 573-578-4239

Hi all,

We have had a really good turnout for our meetings lately & this is a wonderful sight. We must be doing some thing right. We also have a new meeting place. We will be meeting in the back room of Alex's Pizza (W. 8th St. Rolla) each month. They seem very pleased to have us. They also have a large selection on their menu for those of you who decide to eat there before or during the meeting. What better way to show our appreciation.

The Freedom Rally plans are off & running in full force. We have had a good response from our members in volunteering for the work force but, there are still a few jobs available so, if you can help please let us know. Maybe you can attend our next meeting & see what's needed. It's a whole lot easier for several of us to do 1 or 2 jobs than 1 or 2 of us to do several jobs.

It will be warm by the time this comes out. Right? I can't believe that it is March and I haven't been to the Capitol. I guess I'm still pissed about the outcome of last year and being lied to by somebody again. The problem is I'm not positive who did the lying. I guess only time will tell. But with the weather warming, I will take a day or to and ride to the Capitol. We can't let whoever, think they have us beat.

Ok, now I have on my happy face and spring is here. I'm positive, because I went for a ride today and I have BUGS on my windshield. Never thought I would be happy to see bugs smashing on the windshield. The old wives tell is "cold winters kill the bugs" we shall see.

It is time to ride and by the time you read this Local 35 will already have a fun run behind us and looking for the second one. We also will be having our Spring poker run on April 24th. then on the 27th will head to Jeff for M.A.Y. ride. We will also make Local 33's April Fools day ride on the 11th.

Hello everyone, I hope this newsletter article finds everyone in good health and high spirits. My last newsletter was a little short so I will try to make up for it. I didn't want to hawg up too much room in the Freedom Press incase someone else had a burning desire to write. It's funny when you have a two and a half hour meeting and you don't write squat but then again you have to remember that a couple of politicians showed up and well you know it's like staying awake in church. I listened to Brian Nieves on the a.m. radio. 1350 to be exact. It's all good but after a while you don't know what to believe.. My vote is going to him mainly for the fact that he took time out to visit our local meeting and to bring someone, Steve Hinson, with him to discuss what is going on in his future. He appears to be a very confident individual and touched on issues concerning us as a whole. His future could have a positive reaction to our future and ersa versa. Hopefully after the guy on the hill moves on we can get someone a little more responsive to our needs as motor-cycle rights pursuers....But then again I am new at this politikin thing so maybe I should just sit back and see how things go....NOT... I am learning as much and as fast as I can so I can educate and make aware of the threats that can

happen by not being informed. I came up with this great idea...not about bikers for babies' mommas....not about doing a ride for the homeless,...But I have been going out and handpicking new members and blessing them with their first year member's dues to get em interested in joining and standing with us all as one. I have been eating pancakes every night for a month but that just goes to show how much I believe in what I am fighting for. If something negative does happen I can at least say I voted for it....nuff said...am waiting for the meeting this Sunday so I can get more view points. Talk later, Tex

I attended our meeting yesterday and totally enjoyed seeing everyone. We had 21 members present with 7 visitors. Why these visitors aren't members is beyond me... We talked about the usual stuff you talk about at meetings. Local 42 has a full plate when it comes to events. Our Leather and Lace is coming up later on this month but when you read this it will be last month. I managed to bring up our thoughts on Brian Nieves and his run for the Senator race and the story I got is we always have backed him up and will continue after all he's a member of Local 42 and we take good care of our own. Steve Hinson is running for his spot and I do believe we will also back him too. Most of the feed back I got from local members were a series of grunts and snorts so I take that as they are enthusiastic too. Am looking forward to going to the next C.C. and Legislative meeting this month...will let you know what that was like. Only went to one after the F.E.W. Seminar in Nov. To all the members that didn't make it to our last meeting...well you're missing out on some really good meetings and fellowship afterwards. Congrats to Alma our treasurer for doing such a great job and getting awards for it even...Georgia does a good job of keeping us informed...Not to Forget Cindy who is always on top of stuff...Talk later, Tex

Lincoln Days

I attended Lincoln Days and it was a Blast !

I also got to see our State Legislative Officer in action and must say I was quiet impressed.

Katherine is very passionate, straightforward, energetic, and above all *Believes* in what we stand for.

She has found her niche and I believe will do an excellent job for us.

Those of you that know me know that I'm by no means an easy sale but , I'm Sold! So for those that have had questions about the newbee do yourself a favor, get to know her. I'm sure you'll see what I see : "She's a Natural" at this and is quite an asset to this organization .

DISTRICT 4

Hey all you freedom lovers. Is it spring yet??? I am soooooo ready. As I sit here and write this on March 3rd, yesterday was the first day since Christmas that we haven't had snow on the ground at our house. There was one day last week that it rained and melted what snow was on the ground but that night it started snowing again. As I said in my last submission, love that Midwest weather!!!

It is with great sadness that I pass on to you all the loss of a true brother and life member of FORR. Clifford Gary "OX" Holly left this life for a better one on the afternoon of February 24 2010. Many of you knew him and most had heard of him. It seems that OX knew just about everybody. OX had some medical issues the last couple years and it all finally caught up with him. At least he was able to leave the hospital and go home to leave this world in peace with his son and daughter by his side. I first met OX at my company's Christmas party in December of 1990. He was the roadie for the band that was playing, Albert Flasher. We used to have some kick ass Christmas parties before everybody became "politically correct". They would give us free drink tickets and if you had a room at whatever hotel we were at you got more tickets. Plus it helped to be good friends with the ticket giver. I was wearing my very first black leather vest, not one pin or patch on it, and Rebel was in one of her "out to please" outfits. OX picked us out of everyone at the party and gave me the bands drink tickets because most of the band didn't drink. We fast became good friends, and in October of 1991 Albert Flasher was scheduled to play at this Freedom party. OX wanted us to come out and become members of this biker's right's group he was with. Well we hadn't missed too many of the bands gigs all year so we figured we would go. OX told us that if we joined we could get into the party for free. He always knew just what to say. So we joined the local that OX was in, Local 1, as he would say "the only 1". Within the next year we both had been elected to a local office and haven't stopped since. So thank you brother OX for introducing Rebel and I to a fantastic organization and the best people in the state of Missouri. You were one of a kind and are missed by many.

The kids Easter party was a success I'm sure. It hasn't actually happened yet but it's always a good time. Next on the calendar is the District 4 Capital Day and we are looking at either 4-7 or 4-8 so stay in touch with your district rep. The MSM M.A.Y. Rally is on 4-27. May 1st is the District 4 Legislative Fundraiser, are your local's King and Queen nominees collecting \$votes\$ yet? May 2nd is BWAM with a Kansas route this year. I'm told that you can register and pay your pledge on-line now. It looks like the Run for the Wall is on 5-24, can't miss this humbling experience. We are planning on 6-19 for the District 4 Picnic and Poker Run ending again at Gary H. house for an overnighter.

Well as of this writing we still have not made a decision on where to hold Octoberfest. We have checked out some really cool sites with great possibilities. We will decide next Tuesday at our district meeting and the flyers will be out by Memorial Day weekend. It's not too early to be thinking about who your local will nominate for this years Misfit Award.

Watch out for yourself and your loved ones and keep pushin on

WASHINGTON UPDATE

The U.S. Senate continues to work on what has become known as the "Jobs Bill," although it's not all business as usual. The core of the Jobs Bill is a package of tax cuts, hiring incentives, unemployment extensions, programs to help retain employees, offsets, and tax credit bond programs. The original draft was an \$85 billion package crafted over 4 months of bipartisan work in conjunction with the White House. So it was surprising when Senate Majority Leader Harry Reid (D-NV) pulled that version at the last minute and introduced a stripped down \$15 billion version. Rumors swirl around his rationale for this, but only the Senator knows for sure why he did what he did.

One of the only similarities between the Senate draft and what Reid introduced last Thursday is a seemingly benign group of extensions to a handful of transportation-related measures. The Motorcycle Riders Foundation (MRF) worked with the Senate to include the motorcycle safety program set up under SAFETEA-LU (PL 109-59) on the list of extended programs. The program sends cash back to the states to be used only for motorcycle rider education and public awareness campaigns aimed at motorists. Reid's bill would continue the full funding of \$7 million a year for the next two years. For those who feel that federal funds come with strings attached, it's important to remember that this started as state money. It was sent to DC to collect in a trust fund and then it is sent back to the states for specific programs.

"With the likelihood that the next highway bill will be stalled for the foreseeable future, it's important that we keep funding these effective safety programs in the meantime," said Jeff Hennie, Vice President of Government Relations and Public Affairs for the MRF. "Considering that most states are using their current state funds dedicated to running motorcycle safety programs on everything except motorcycle safety, it becomes apparent just how badly this money is needed," he added.

The House passed similar motorcycle safety program legislation, but only extended the funding for one year. The reasoning by the House was that we cannot wait for two years to pass a full highway bill.

As always, the MRF will keep you updated on this and all other issues affecting motorcyclists.

12 Tips On Getting Motorcycle Parking

1. If motorcycles are banned from a parking garage or lot, contact the facility manager to find out why. If the issue is liability, suggest some of the following: Set aside parking areas near the entrances/exits so that motorcycles don't have to pass under the gate's control arm, shorten the control gate arm so the operator can pass around it, even when it's closed, make curb cuts in the concrete/asphalt to allow motorcycles to bypass the gates altogether, allow riders to sign liability waiver, absolving the parking facility of any responsibility for the control gates operation.

If the issue is noise, suggest one or more of the following options: Post signs that motorcycles are permitted, but local noise ordinances will be strictly enforced, promptly report violators to security or local police.

2. Point out that dedicated motorcycle parking spaces mean more regular parking spaces for four-wheeled vehicles. More vehicles mean more revenue.

3. Suggest a trial period (say, six months) during which motorcycle parking will be permitted in the facility, and then deal with problems as they surface, perhaps through regular meetings with facility manager. At the end of the trial period, review issues from riders and facility staff with managers, and work constructively to evaluate the results and assist in taking corrective action on any deficiencies identified by parking facility staff and management.

4. Create a coalition of motorcyclists and bicyclists to lobby for the change in parking policy. Bicycle parking may be included in the plan, if there is sufficient interest. After all, there is strength in numbers.

5. Identify areas within the garage or surface lot where four-wheeled vehicles can't park. Suggest these areas be striped and designated as motorcycle/scooter only parking areas. These added spaces mean more revenue.

6. Provide examples of what other parking facilities, particularly those in the same area, have done to accommodate motorcycles and scooters. This shows that nearby facilities have successfully addressed the issues associated with motorcycle and scooter parking.

7. At work, enlist the help of your work management team and your Human Resources Department to push for motorcycle and scooter parking.

8. If you work in the public or government sector, consider contacting your state senator or representative to lobby for dedicated motorcycle parking in public facilities.

9. Download and print articles and documents on motorcycle parking, including those from overseas, to pass along to parking facility managers. A simple Google search using "motorcycle parking" will yield a treasure trove of materials, primarily from the public section, including recommendations on size, surface materials, security, and other issues related to motorcycle parking.

10. Look to progressive cities for guidance on how they addressed motorcycle parking.

11. Don't ignore on-street parking. Identifying areas where four-wheeled vehicles won't fit is a good starting point. Consider designated motorcycle parking (together with a pre-paid permit system, using a sticker on the front fork) to relieve commuters from having to use a metered system.

12. Contact local government officials (mayor's office, city council members, traffic and parking office, city engineer, etc.) to lobby for motorcycle parking areas on public property. Many elected and appointed officials don't know there's a motorcycle parking problem because they don't ride.
