Hey all, yea it's still me!

All is well with local 1 - VERY WELL! Huge Congratulations to John McCloud of Local 1 for being the BIG Winner at Homecoming this year. John now is the proud owner of a New Harley Davidson. Yes John won the bike Give-Away, also the $500 ticket that he sold himself! Lucky Guy! Now you'll just have to figure out how to get those taxes taken care of.

Some District members all rallied together at the VFW in KCMO to celebrate Sandy 'MAMA' Bates. Good times were had, and some "Excellent Dancing" girls. (See photos somewhere in this issue...) We all shared stories from the past, and laughed a bit. Thanks to Local 5 and their VFW for making it all possible.

Elections are coming up all over the state. Locals, Corporate, it should be a busy fall. Keep your eyes open for anyone wanting to volunteer locally.

OCTOBERFEST is coming up! My favorite event of the year! Things are going to be a BLAST!!! Big thanks to the 5 guys for showing up at my house and removing a LARGE quantity of timber for the bonfires. Great to have it to give - and Great to have it gone! I owe ya one... or maybe two! Heard the 'bug juice' is already in the works.....mmmmmmmm.

Halloween is also coming up - As usual were having our annual get together in Holden. You know where to go - if not 'who ya gonna call?'

Have a good one, then have another.... See ya, ***Michelle 'Rebel' O'Connor #7157***

We also will be deciding to change our local name to Eastern Jack. Please plan on attending the next meeting.

Hello Local 5, I hope everyone is well. I need to start by saying that the part in the last newsletter about the A.B.A.T.E. Rally on labor Day weekend was a bit early. I didn't realize how soon we would be getting them. But now I can comment on how much fun everyone had. We had around 25 folks in our camp and partied like rock stars!! It was a huge rally this year. Looking forward to next Labor Day!

Our meeting had a great turnout. 34 showed up and gathered after for Sandy's wake. It was good to see Mel and let him know we are all here for him.

The VFW is asking us to sign in at the front door before meetings and anytime we happen to be there. They would like to keep it on record.

The KC police Department is offering to come out and give Defense Training for Women. We need at least 10 to sign up. The list is growing. Get with Jim or look on the board at the VFW. This will be a great time for Local 5 ladies to get together not only to socialize but to learn some moves to help prepare us for any unseen problems that are happening everyday in our society. This is a free class!!!!

Our aluminum run brought in around $200.00. Several stopped by the house for breakfast and a quick Bike Show Meeting. Thank you Indy for pullin this flyer together. Remember to start on getting our sponsors now. $25.00 Trophy and $100.00 corporate. The date is set for May 17th.

Octoberfest is around the corner. Hope to see a good turnout for this year.

See you all soon and take care of you and yours!! ***Kim***

Well its august in Missouri so what can you expect. It's hotter than hell so that's when local 7's secretary treasury for life Don says its time to ride. Don and I rode on the Hazlegreen fire departments poker run. The temp was about 105 degrees but when you ride with Don you know everything will be cool.

Next Local 7 helped with the Roy Cox benefit Ride. There was a good turn out. With the money raised it was given to the family of Roy Cox. The next day Jerry, Eric and Chris and I road on a poker run. The day looked like rain, so not many showed up, that just increased the odds that one of us would win. Well Eric was the winner.

Next Don, Eric, Jerry, Queen and I rode on the Relay for life Cancer Benefit ride. OK now comes the homecoming... the weather was perfect making up for the weather at the freedom rally.

Local News

The attendance was up this year for the homecoming and like usual Robert Y and Charlie handled sercurty, so Dave, Tamra, Tammy, Jerry, Karen, Eric, Anita, and the Queen and Myself (fool for short) could enjoy a perfect weekend and we sure did.

Now next weekend the local is meeting at the pavilion at Buckhorn to do some repairs to the building, not bad for a 7 year old building erected by local 7 with scrap wood and tin from an old barn. Well September looks like there could be even more rides. So lets ride. Later, ***the Fool***

Local 8 - Chillicothe

Meetings: 1st Sunday @ Noon. Carry-in Diner, 1 p.m. ***(call for info - location varies)***
Contact: 660-646-7296

Greetings Local 8!! I hope you all are getting some riding in during these wonderfully HOT days!! This time of the year is CRAZY in our house with school starting and such!

Sorry for not getting the newsletter in last month, I didn't get it in until after the 9pm deadline.

I'm going to attempt to welcome all our new members – if I miss you please forgive me. Welcome to our new members: Rhonda Tedrick, Ted Tedrick, Janell Kruger, and Bruce Perry. Thanks to our renewals: Lee Boyles, Terry Tipton, Russell Moss, John "Superglide" Lisby, Pam Johnston, and Larry Heisey.

I have "memory" patches and window clings ordered for Les and Daphne Yardley. If you are interested in them please contact me, gely603@hotmail.com and I will get them to you. Kim, who volunteered to take over product line, is going to look into getting 2007 rockers for Spring Fling, contact her if you're interested.

Carl has scheduled some additional BRC and 2 ERC courses coming up. The dates for the BRC are September 22-23 and October 13-14. If you are interested in any of these courses you can contact Carl at 660-359-3349 or email him at ckhanes@sbcglobal.net.

Don't forget you can now renew your membership on-line with a debit/credit card. Just go to the state website at www.forr.net and click the membership tab. Of course, you can still send them in to me or send them straight to Dallas.

I want to thank our road captains for their hard work planning rides for us every other weekend! They put a lot of time into planning theses rides and everyone seems to be enjoying them. Our next ride date is Sept 23. We meet at Chillicothe Hy Vee for breakfast at 8am and leave the lot at 10am. Anyone and everyone are welcome to join us for these rides, whether they are members or not. I am not sure about any rides after this, I am sure they are weather dependent.

Our annual Toy Run will be on November 4th this year. Please keep this date open on your calendars, this is a big event for our local and a good cause. There are tons of children in our area that count on us.

Please be sure to check your email for upcoming events and announcements. If you are not receiving email messages from me then I do not have a current email address for you. Please email me with the correct information at gely603@hotmail.com. Until Next Time ~ Keep Smilin' ~ ***Glenda***

Hello from the Capitol City, well summer is officially over and I am sure we are glad to have the kids settled back into classes. We hope the weather stays good for riding, just keep your eyes open for the 4-legged critters running across the road. They look much better from a distance than up close and personal.

We will soon be gearing up for a new Legislative session so I hope everyone has been able to let their Senators and Representatives know what they would like to see in this years session.

I hope everyone has been able to take time to enjoy the summer it sure has gone fast. The Homecoming was as usual a great success and fun for all who attended. Here's wishing everyone stays safe and has time to ride. Fall is such a beautiful time to ride. ***Denise***

Greetings Y'all from Southwest MO..

Yeah here we are down in this little corner of the state, but it has some advantages being all the way down here. Kansas, Oklahoma, and Arkansas. Just to name 3 of them, Kansas and Oklahoma offer riding with the freedom of choice over the age of 18, Arkansas age 21. For most of us down here not but a 10 min ride and we are in the state of our choice. Great roads in Arkansas. Got the lake in Oklahoma, Kansas well if you like the countryside there is plenty of that. But consider yourself lucky for some of our fellow Missourians those riding conditions are not that easily accessible. Seems our fun runs (which we have been having a lot of those here of late) tend to head toward those states. We usually ride, find someplace to eat. Let the wind fly thru our hair some more, and have a great time. Too bad we are not staying in Missouri I know there a lot of nice roads and great landscapes to see here in our own state but freedom of choice tends to win over. Point being is so many motorcyclists our there are not seeing what a beautiful state Missouri is.

The reason being the mandatory helmet law, even down here in this corner where 3 states that offer freedom of choice is so easy to get to, this is a big issue. We have been close to getting this bill passed in the past. Close... Close only counts in horseshoes and hand grenades. Cause seems we are back to doing the same thing we do every year back to introducing this bill again and chasing it thru the house and senate hoping it will land on the governors desk. I

Local News

am not sayin to give up on it, I am sayin we need to get it done. Missouri is losing so much revenue from tourism and I dunno about you but yeah this is a beautiful state wouldn't mind showing people there is more to this state then what they know about. Right here in the Ozarks there are roads covered by trees like a tunnel and this time of year you couldn't ask for a more beautiful ride. Wouldn't you like to share that with a fellow rider.

I know when I come across a ride like that its not something I keep to myself.

Ok here is a few dates for stuff coming up.. Fun Runs October 14th, October 28th Meeting at the Moose Lodge in Joplin, Leaving at 1:00pm we have no idea where we might end up.. That's the fun part in fun run.

LOCAL 12 - GLASGOW

Meetings: 4th Thursday @ 7:30 p.m. Fishbeak Saloon on Main in Glasgow, Mo.
Contact: 660-784-2231 or Smokey Strodtman - Rt. 1, Box 52, Gilliam, Mo. 65330 - smokeystrodtman@hotmail.com

Hello to all our FORR friends from Glasgow. Hope everyone had a great Labor Day weekend. I was unable to go anywhere due to Gloria's recent surgery, but got some great reports back from those who were in the wind that weekend.

We had our August meeting in the Fishbeak on the 23rd with 28 members and 3 guests present. Bert called the meeting to order at 7:28 and the minutes were read and approved. Susan reported a balance of $4,959.42 in the treasury. Dave had no C.C. report since there hadn't been a meeting since our last one, but thanked everyone for attending.

John reported that there would be a legislative conference in Jefferson City at the Elks Lodge on Sep't. 8th and highly encouraged anyone with ideas on how to pass the helmet law modification to come forward. He also thanked all those who had sold motorcycle giveaway tickets.

Under old business, Bert announced that Susan was stepping down as treasurer and Jessica would be taking over. We all owe a HUGE thank you to Susan for the wonderful job she has done for this local during all her years of membership. No matter what we do, Susan is always there and working hard for our success. Here's a BIG LOCAL 12 SALUTE for you!

We still haven't heard back from the D.J. from the Firecracker Classic regarding his bill. Bert will try to meet with him and iron this out.

Under new business, Susan passed around a card for all of us to sign to Brenda Noll, Tony's wife. She has had some serious health problems lately and we all wish her a speedy and complete recovery. We voted to donate $100 to the St. Jude's charity drive being sponsored by one of the Casey's stores in Marshall.

Gilliam will once again be sponsoring a bike show on Sep't . 15th in the City Park. Richie announced that Jeremy Bentley was going to have a bachelor party at Richie's place and rumor has it there would be some bodacious ta-tas in attendance.

We had a discussion on finding alternating meeting spots for the time when the bridge will be closed next year and members were asked to bring their findings to the next meeting. We voted to donate $200 to Richard Bartholomew, a local biker who is down on his luck right now and could really use the support.

The meeting was adjourned shortly after 8 p.m. James

We want to make sure to let everyone know that the September 23rd Shadow Rock Park Bike Show and Swap Meet should prove to be very fun and interesting. It is in a beautiful location. Everyone should see it. There will be lots of booths, classes for bikes to enter for the judging, there is a park for camping and RVs too. I just got back from Homecoming and Lake Perry where a good time was had by all. Hats off to the people that make Homecoming happen. They put a lot into the accommodations and really do try to make every one happy. Its the only motorcycle event I've ever seen to that has baskets with soap, shampoo, combs, tooth brushes, tooth paste & razors in the bathrooms.

Ray, Al, Jimbo & Mumps came down from Kansas to enjoy the good roads & good times and were really impressed and inked it in for next year. Me and Whitey and Dudley rode back to Kansas with them to enjoy the good times at the National Abate Rally at Lake Perry.

On behalf of Local 16 we would like to welcome Shane Sellor & Mike (Chico) LeGrand to the organization.

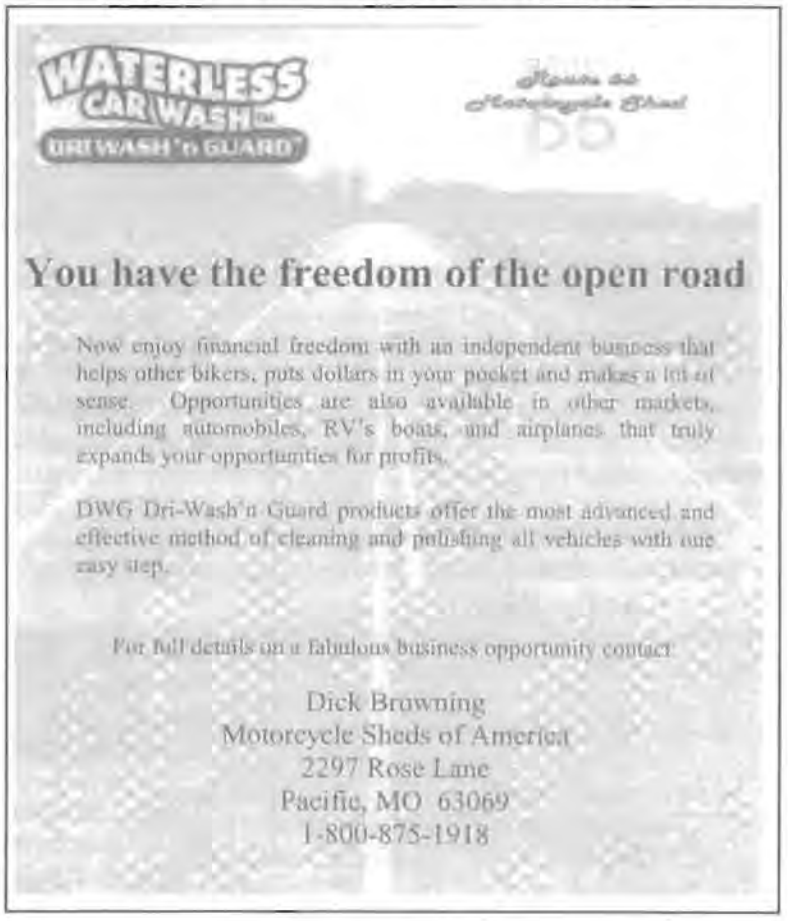

Our next meeting will be at Bill & Jeans house in Atlenburg at 2:00 on Sat. Sept. the 22nd. This coincides with East Perry Co. fair (Atlenburg Picnic) so if you are like most everybody else in the area you'll be there already so stop by and we'll take care of a little #16 business.

The Louie Oswald Memorial Poker Run starts at Pete's on Hwy 61, 1 mile south of Perryville across from Peace Lutheran Cemetery. Sign up at 11 am to 12 noon. Last bike back in at the Bayou Bar & Grill in Pocahontas around 6 pm. Live music & lots of festivities to follow.

The Annual Toy Run will be on Nov. 4 at the Cape Eagles. Ride leaves at 1 pm. Donations of toys & food items are greatly appreciated there will be a local meeting and elections of new officers shortly after the ride. The Christmas Dance will be on Dec. 1 details are in the works.

Thats all the news for now. I've got to get this in the mail box so Lisa can come by and get it tomorrow and blast it off into outer space before the deadline.

Martin, King of Pocahontas.

Are we having fun yet? The summer is slipping away, how many miles did you put on your bike this year?

The August ride to Eureka Springs was fantastic, we had six riders ride down to the Free State to take in some of the most beautiful scenery in the world.

The September meet and ride will be going to Local #15's Swap Meet in Forsyth, leaving Cedars Restaurant at 10:00am.

In November we will ride to the Branson Toy Run, also leaving Cedars at 10:00am.

Well, Summer is over, and what a hot one it has been. During the month of August, we had a couple of good rides, including our memorial ride. It was nice to see so many local members come out and pay their respects to all our fallen members. The ride was great also. Pulaski County still has some of the nicest riding roads around.

Homecoming was a great success, with numbers up almost 200 over last year, no major problems. Some of the finest moments were held at the Green Dragon again, except Ana, who was found hanging out at Martha's vineyard!

Darrel did an excellent job in giving us some really good bands, and Jesus gave us all heartburn with his killer burritos. I would have to say, Home Coming is on the way back to being a big rally here again. I would like to apologize to all those (the few) that came out Sunday morning to play in the field events. I apparently threw away the sign-up sheets, so I could not turn them in to get your names in the newsletter, but I really do appreciate you coming out and having a good time with me, and for being such good sports.

Well, it is now Fall, soon the leaves will be turning, which is a good time to take a few rides to enjoy the scenery. We have ride on 22 Sept, (if you get this before then) where we will give all our donations from everyone to Dan Woodin, a local member who went down on T-highway, and will be out of work for a long time, so this little ride will help him out until he is able to get back on his feet.

With fall, comes my favorite event of the year, the Halloween Bash. That is where we turn the entire Buckhorn bike rally site into a haunted village, with haunted houses in each pavilion, and the main stage, a hay ride, and more. We need a lot of people working hard to put this on, so please make sure you support us on this one. We will probably start having committee meeting first part of October.

Also with the Fall, comes the time we start giving back to our community, with the Toy run on Nov 3rd, and our annual Santa comes to Wal-Mart on Nov 23rd, where we all sit in front of Wal-Mart, collecting Toys and food items. This is a very good way to reach out to the community.

On December 2nd, we are scheduled to ride in the Waynesville Parade, so we still have a lot of things to keep us all busy yet for this year. Also, come out October meeting we will start asking for nominations for Local 28 officers, so if you are interested, or thinking about it, now is the time to step up to the plate.

On another note, we are currently designing the new local website, which will be www.local28forr.com . We will also all have new email addresses for all the officers in the local.

Also, if you would like to receive AMA, MRF or other legislative news, or receive all local 28 emails as they come out, then send an email to postmaster@local28forr.com if you have not already done so, and we will get you on the roster.

Well, until next month, HAVE YOU SIGNED UP A NEW MEMBER THIS YEAR? All it take is every current member to sign up just one person per year. Keep it vertical, ***Taz***

Hello Brothers and Sisters of Local 32, We had another well attended meeting at our new location, Lannie's place at the old Tin Cup golf course site on South Bypass in Kennett (where we had the Boogaloo). It's a good site and we are very thankful to Lannie for making it available. There are going to be various events (not necessarily motorcycle related) at this site throughout the year. We should all promote and attend these events if possible. Lannie's success is our success.

We have sent money to the Central Committee again this year, as we have every year since our foundation. FORR does a lot of good for motorcycle riders, and we are glad to continue to give our support with funds and effort.

Another fine organization in the Patriot Guard Riders, a group of primarily motorcycle riders throughout the nation that provides support at the funerals of our fallen soldiers. A young man from our area recently died in Iraq, and there were more than fifty of the PGR at the funeral on their bikes. It was a proud moment to be a biker, and even more so since one of our L32 members was in their ranks.

Remember our Local 32 Toy Run is Oct. 6, we will start from our regular meeting site. See you all there! ***ACE***

Summer is almost gone for this year. By the time you receive your Freedom Press; Homecoming will have past, our Fall Poker Run will either be upon us or have past and Octoberfest will be right around the corner. Seems the time just rushes past us. Yet a day does not pass that we do not hear of another fellow rider being killed and or severely injured. Remember, you are the only one looking out for yourself; cager's do not look for us or see us. Ride safe, Ride smart and Ride defensive so you can ride another day.

The September 16th meeting will begin at Noon with October 21st meeting beginning at 1PM.

Do to Family matters; Ronnie (Gunny) Lee has stepped down from the positions of Local CC rep & State Legislative rep. JR (Moose) has agreed to fill in till the election of new officers occurs.

A Garage Sale will be forth coming to Support the Adopt-A-Family Fund, more info at the September meeting.

District 4 still needs individuals to step up and fill the secretary & Legislative positions.

The Benefit Run was outstanding, our Head Road Captain setup a Great route. Wish to thank all of you who endured the heat, worked the stops and rode with us and Thanks to FCMA for their support and donations.

Local 34 - Poplar Bluff

Meetings: 3rd Sunday @ 2 p.m. W Club on Hwy W in Poplar Bluff
Contact: 573-785-5701 *(Day)* or 573-998-2237 *(Night)*

Greetings all ! Hope your summer was more fun than ours! Local 34 is going through another bad spell. So what else is new? We cycle more than a crazy woman with PMS !!!!

We have a new core group, as usual there are only about 6 of us in it. Sure would like to get a few more of you involved ? ! By the time this comes out we will have had our St. Jude run. At least the initial part of it. Those that wish to go down to Memphis for the delivery, and spend the night, please contact me ASAP. I want to try to get us a block of rooms at a reduced rate. If two couples will share a double room, it cuts the cost in half. Even if you are going down only for the day, St. Jude wants to know how many of us to expect. Please guys, let's make this, our last run of the year, a really good one. Unlike the other runs this year that have all but been a total bust. The second half of the run is scheduled for Oct. 6th. See the flyer on our web site forr34.org.

Gang I'm tired and a bit discouraged. Think I'll just sign off for now, before I get all cranky and start yelling at you all again.

By the by, Local 32, hope your Pres is doing alright? We heard Sunday morning that he was taken ill at the K Hwy Rally. Let us know how he's doing!

Till next time, ride safe and often!!

Local 35 - Golden Valley

Meetings: 3rd Sunday @ 3 p.m. Tebo Lodge & Bar on PP Hwy in Leesville, Mo.
Contact: Bob 660-694-3589 or Travis 660-492-0910

Dam, by the time you read this, summer will be over for 2007.

If you didn't make it to Homecoming, you missed a great time. As mentioned last month, we did have a ride Sunday, down to Elephant Rock Park. Eight bikes and 11 people made the ride, then went to dinner when we returned. Local 35's first president led us down and back. I lost track of how many CLS awards he won. Hehe. Our next rally will be District 4's Octoberfest. Last great party of the year where you can most likely ride and camp.

Mark your calendar for November 10th and 11th. NO, I'm not talking about the 1st day of Deer season. This date is for the people that want to learn more about this organization and motorcycle rights. This will be replacing the annual awards banquet. We need every member to attend. Come to September meeting and see what Local 35 may offer to our members that want to go.

Thank You...

I would like to thank Ted & Shelley Wieberg, from Teddy Joe's Bar & Grill in Martinsburg, for sponsoring the Memorial Bike Run for Sonny Barker. This was an event that honored the life & loss of our dear friend, Sonny Barker. Sonny touched so many people and will be greatly missed by all of them. This man may be gone but he is not forgotten. He will be in our thoughts & hearts forever. It is hard to put into words how much he means to all of us. Kent Henry wrote a poem that describes so many of our feelings. Thanks, Kent.

Those in attendance were the family {Winnie, Trisha, Travis, Tanner and others} and friends of Sonny {over 300 in attendance}. The ride started with Sonny's son, Travis leading the group {stopping traffic}, at Richard's Cycles in Mexico going to the Perry Junction in Perry, then to the Hub in St. Clements, then to Teddy Joe's in Martinsburg. There were over 150 motorcycles in attendance. Riders came from all over the state of Missouri, which included, St. Louis, Jefferson City, Columbia, Centralia, Moberly, Mexico, Vandalia, Faber, Martinsburg, Benton City, too many to mention.

Ted & Shelly sponsored a Bar-B-Q for all who went on the run, it was a great meal. I would like to thank those who donated their time cooking and doing such a great job. Thank you also goes out to Randy Fennewald for the donation of fireworks, for the fireworks display. Thanks also go out to Pro Auto for the donation of helmet stickers for those who went on the ride. Thanks to Blue for making the photo album/guest book. Also, thanks to Tommy Swon for helping me do the arm bands for those that went on the ride.

This is an event that will be remembered by all who attended and for those who saw, the tribute to a friend, going down the road. Ted & Shelly, you did great job. Ted has said this will be an annual event the first weekend of August, each year to come.

Sonny, we all miss you and will see you on the road in the sky.

Diana Swon, Benton City

Start thinking about who you would like to see lead Local 35 for the next year, as election time is November.

Watch for Deer and farm equipment as they both will be on the rise. We just had a bike go down just a couple of miles from my house. A tractor and bailer pulled out in front of him. No ticket was given to the driver of the tractor.

I will find out why there was no ticket given.

Meetings: 1st Sunday @ 3 p.m. (*Location varies*)
Contact: 660-425-8340 Mike or Mary Sims

Hell-oh Local 40.

Local 40 sends their condolences to one of our newest members John Meek on the loss of his wife Virginia. Our thoughts and prayers are with you and your family.

You can now Renew your membership on line. Please renew your membership, because we need you all to make this local work.

Our next meeting will be Sept.22nd at the City Park in Bethany. For those who want to go the CMA is having a Bug Run starting at 4:00 leaving from the park. They will meet back at the park at 6:00 .They will be serving hamburgers and hotdogs. Local 40 and 41 will have their meeting at this time. Fellowship, food and bikes three of my favorite. Know where Dave was when the lights went out on his bike. Not only was he in the dark, he was in a ditch. Glad you didn't get hurt except for some sissy stitches.

Some of us went up to Winterset Iowa to Hawgstock. It must have rained 12 inches. That's how deep the mud was anyway and turned it into Mudstock. Seen something no one has seen before, Robert Russell's bike dirty. We got pictures. Helmet Laws Suck especially at 2:00 in the morning when you don't have one on going home from the Bethany Fair.

For September I have a CC meeting in Jefferson City on the 9th. Mayor's poker run in Gallatin on the 15th. Local meeting on the 22nd at Bethany Memorial Park.

And HOGFEST on October 12th,13th & 14th. Hogfest is pretty much ready to go so PLEASE show up and work a shift.

I had a Global warming meeting to go to in August, but it got cancelled because it was to hot. See you all at HOGFEST and keep the gas cap towards the sky. ***STEMS***

Well the days are getting shorter! Oh no! The days are still 24 hours long. There is just not as much DAYLITE as a couple of months ago. There is not much to tell, have not been to a CC meeting , haven't had a LOCAL meeting. The Local meeting will have been held in Bethany with LOCAL 40. We will be discussing OUR next JOINT EFFORT which will be" HOGFEST "at the Northwest Missouri State Fairgrounds. There will be GATE Duty, SECURITY, Poker Run, Bike Games and Bike Show sign-up list that we will need help with. If we work together FUN will be had by all! If you don't know when " HOGFEST " is going to be held, mark your calender for OCTOBER 12th, 13th, 14th at the NWMO State Fairgrounds in Bethany Mo. I do think there is a flyer in the FREEDOM PRESS. If not this month, it is in last months edition? This is probably the last outside event to be held this year? So come on out and let's put the year away with a good party. If more info is needed you can call STEVE at 816-449 5037 shop 816 449 2707 house or MIKE at 660 425 8340.

The local has several different things that we would like to do, but we need some insight as how we should handle this. Also it is gettin close to election time for new officers. I know that we have a toy run in the works, possible parade, a local get together and a couple FUN RUNS before the snow flies. But I know a few of us never put the bikes away. So if you want to ride, come on out.

KEEP IT VERTICAL and WATCH OUT FOR THE OTHER GUY!

Hello to Local 42!

We had our August meeting on August 29, 2007. The meeting was called to order at 6:40 p.m. There were 15 members and 2 guests present at the meeting. The attendance prize was won by Cindy York.

For those who attended FORR Homecoming, hope everyone had a great time. I heard there was a big turnout.

A patch design in memory of Sandra "Grandma Sam" Sneed was turned in at the meeting. The design consists of a purple rose with feathers. We are looking for someone to make the patches.

Toy Collection will be held on Saturday & Sunday, October 6 & 7 at the Washington Wal-Mart. We are in need of volunteers. Georgia Haley and I would greatly appreciate it, if everyone could volunteer at least 1 hour of their time. Sign-up sheets will be available at the next meeting – or you can email me at halberta@peoplepc.com. We are holding the collection early so that we have the matching funds from Wal-Mart in time for the Toy Run in November.

Mark these events on your calendars:
Saturday & Sunday – October 6 & 7 – Toy Run Collection – Washington Wal-Mart
Sunday, November 4 – Toy Run
Saturday, December 9 – Local 42 Christmas Party

Greetings Fellow FORR Members!

I will thank all the participating locals in the All KC MC SC Annual Picnic Bike show in advance. I will provide details of who won each category and overall most participation trophies in November's newsletter.

Everyone please keep Dennis "Big D" Stevenson in your thoughts and prayers on October 5, 2007 and after as he undergoes major surgery. Hang in there Dennis, life is going to get much better.

Thank you to everyone that showed up and/or donated to the Dice Run for Deb. We had a small but nice turnout, considering the heat and being Sturgis weekend. The ride was actually pretty decent as we rode through the countryside of Kansas and Missouri.

As we stated in the last newsletter, if you missed the National Bikers Roundup in August, you missed a great time. The Club count was in excess of 215 clubs from New Hampshire to California, Florida to Washington. Many of the clubs departed before the vote for next year's site which is where the club count comes from.

The Roundup will be held next year in or around the Philadelphia, PA area.

Hope all is well with everyone, and all are staying safe on the roads.

Hope to see everyone at Octoberfest!!

AMA Report

Traffic deaths in the United States dropped to a record low last year, according to figures released by the Department of Transportation (DOT).

In 2006, 42,642 people were killed in traffic accidents, a drop of 868, or roughly 2 percent, from 2005. That amounts to 1.42 people per 100 million vehicle miles traveled, the lowest rate ever recorded, according to the DOT. Those figures include 30,251 fatalities in passenger vehicles - a category that includes cars, trucks, SUVs, vans and pickups - which is the lowest annual total since 1993, according to the DOT.

Compared to 2005, injuries in passenger vehicle crashes declined 6.2 percent.
Alcohol-related deaths rose slightly compared to 2005, however, going from 15,102 to 15,121.
Unfortunately, motorcycle fatalities increased by 5.1 percent, marking the ninth consecutive increase for motorcycle deaths which corresponds with an increase in sales every year for the last decade.

The California Highway Patrol (CHP) continued its crackdown on riders attending local motorcycle gatherings this summer, seizing a dozen bikes and issuing 40 citations. Most of the motorcycles were impounded because the riders did not have a motorcycle license.
CHP officers targeted participants at bike nights at

Connections

Zorba's Restaurant in Highgrove, an unincorporated Riverside County community north of Riverside, and Backwoods BBQ in Corona. The crackdown started after sport-bike riders jammed Inland freeways while performing stunts in traffic on July 16. Those incidents remain under investigation, the CHP said.

The CHP has also received numerous complaints from the public about the weekly bike nights.

The Federal Highway Administration (FHWA) and the National Highway Traffic Safety Administration (NHTSA) will be hosting a Motorcycle Travel Symposium on October 10 – 12, 2007, at the NTSB Conference Facility in L'Enfant Plaza, Washington, DC. The purpose of this symposium is to: continue the discussion on the topic of vehicle miles traveled (VMT) initiated by NTSB at their Motorcycle Forum held September 2006; share state best practices in the collection of these data; explore ways to merge the data from the various groups represented at the Symposium; and propose future research in the area that would ultimately lead to better state and national estimates of motorcycle travel.

The Motorcycle Travel Symposium will bring together groups interested in measuring or using motorcycle travel data along with the groups currently collecting some form of motorcycle travel data. The target audience is federal, state, and local agencies that collect travel data, vehicle registration data, and vehicle inspection data.

Private industry representatives which include groups that develop equipment for measuring travel, motorcycle manufacturers, motorcycle riders groups, toll facility operators, and any other individual or organization that as a course of business may record motorcycle odometer readings such as service stations and vehicle maintenance businesses.

Other sources of motorcycle travel data will also be explored, such as active theft deterrent/recovery systems, aerial and satellite imagery, vehicle mounted digital short-range communication (DSRC) equipment, civilian adaptations of military technology, GPS, and cell phones.

Additional details and an agenda for this symposium will be announced at a later date. However, you are welcome to register online at www.fhwa.dot.gov/motorcycles/2007registration if you wish to attend this event.

Should you have any questions about the Motorcycle Travel Symposium, please contact Mr. David Winter, FHWA's Office of Highway Policy Information, by e-mail at David.Winter@dot.gov or by telephone at (202) 366-4631.
