Hello to all,

District 4 has decided to change the charity recipient of the Harley Rhoades Memorial Toy Run to the Odessa Baby Grace ministry.
They are affiliated with Odessa First United Methodist Church. They provide diapers and wipes monthly as well as toys, books, dry formulas, etc. as those items are available.
The ages that they provide are 0-5 yrs of age.
So, as you have so generously given in the past, it will continue to be the same ages. They are asking if you donate diapers to, please, donate sizes 3-5 of either diapers or pull-ups. They have a good supply of smaller sizes. We are planning to meet November 1st at VFW Post #1829 as always but additional plans to be decided at next District Meeting. So please check FORR website, Facebook, or District Rep for follow up. Baby Grace

CONT'D

distributes their donations on the second Wednesday of each month. Due to this we will not be able to ride to donation sight. But I believe Wrong-Way Hilburn is working on something so keep your ear to the drum.
I'm sorry to say the heat has fried my brain (no not the other)! I seem to have lost my notes from the last local meeting and as I'm doing this at the last minute it's too late to call anyone for crib notes. If I've missed something I'm sorrrrrry, so sorrrrry! Please accept my apology.
Octoberfest coming up and we need to see you this year. These last few years have proven how much we need to come together as a District Family before we can't.

~Thank you for your time, Rebecca

Hello FORR family. I hope everyone has been staying cool, hydrated and safe with this heat we have been having.
During this past month we have had some sad news.. We lost Dolly Parton. I grew up listening to her music. My grandma would play her records. Her and Miss Loretta Lynn. I was sad to hear of her passing. And then to hear about Tim Curry too. Home Alone, The Muppets, Rocky Horror Picture Show. My 1st introduction to Mr. Curry was Rocky Horror. Me and my mom sitting there watching it when I was younger. It's like my childhood is leaving me.
But enough reminiscing. By the time this comes out, we will have had Labor Day and Bikefest. Local 9 is setting up at the Leprechaun's Corner again this year. I hope this will be a great year for Bikefest and everyone was safe and returned home in one piece.
As always stay safe and sound. When riding watch for others, they will not watch for you.

Submission for Sept issue. My sincere apologies to L12 for missing this one.

Hey Everyone: The July meeting was held at Bud's Cafe with 14 members present. Jessica Phillips' name was drawn for the incentive pot but she was not present to accept. At the meeting Laura Adcock made an announcement that she and President Johnny will step down from their positions as President and Treasurer at the end of the year. They have held these positions for 12 years. Thank you two for your service to Local 12. Be thinking of candidates for these positions for the November meeting. August 1st three Local 12 members participated in Local 35's Memorial Ride, capturing their flag (a huge pair of underwear lol). A great time was had by all. That same afternoon a retirement party was held in Marshall for VP Mike Adcock. Everyone had a great time. Congrats on your retirement Mike, it's well deserved. Some of our Local 12 members will be leaving for Sturgis. Please have a safe trip and bring back some great stories! ***~Jay B***

Upcoming meetings: Sun. Sep.20 1pm at Johnny and Laura's Sun. Oct.18 1pm at Susan's Sun. Nov.15 1pm at Todd and Brenda's Sat. Dec 12 5pm Christmas Party at Bud's Cafe Hey Local 12: The August meeting was held at Johnny and Laura Adcock's with 11 members present. George Turley's name was drawn for the incentive pot and he was present to accept. Several topics were discussed at the meeting, one was the lack of attendance at the Firecracker Classic. A lot of work and money goes into these rallys, and as of now it was decided that the Firecracker will be postponed until further review. Poker runs and/or memorial rides were discussed as possible future fund raisers. Last year Local 12 helped with a poker run for the Marshall food pantry that was successful. It was decided that Local 12 will donate $300 to the food pantry in Marshall as time is running short to organize a poker run this year. Sept. 2, VP Mike Adcock along with Tami and Laura Adcock presented the check to them. It was much appreciated. The FEW Seminar will be sponsored by Local 12 next year. March 20, 2027 is the date and we will need plenty of volunteers to help with this undertaking. The Sho-Me Rally was held Aug. 22, and four local 12 members (Jim,Todd,GeorgeT. And Jay) rode down for the day on Saturday. We were one rider short of capturing a flag but a good time was had by all. The weather should soon be cooling down to make riding more enjoyable, so get out there and be safe. ***~Jay B***

Hello Motorcycle Lovers
I hope all those that attended Sturgis had a great trip and a fun time. One day maybe, I may have a chance to attend one of the larger Rallies around.
Not much is going on except maybe thinking about nominations for the new local Officers, I pray some folks will step up to the plate. I am on my second year as a Life Member and being in the same local the whole time would be absolutely the best feeling I could have.
Tonight's September meeting went well, just attempting to take care of a lot of small things. A couple of members gave me a few items to put into a basket for the next event coming up. We were informed of the final results from the Mid America Freedom Rally. The Halloween event for Shriners and Local 28 will be on October 24th. The local American Legion Post 331 will be putting on a Creepy Carnival Fun House at the Post located on the north access road off Interstate 44. I suspect it will be on Saturday 31 October 2026. Door prizes were won by Mike, Flick x3, and Ann x2. Incentive drawing was awarded to Larry Hudspeth. 50/50 was taken home by Debbie Johnson.

Hello fellow Freedom Riders. I hope you have been able to get some riding in with all of the extra hot days we had this Summer. I know Pat and I have been logging miles in the Let's Ride 365 with Yeager's in Sedalia. Right now I have ridden almost 12,000 miles since the 1st part of March and Pat almost 14,000 miles. Get out there and Ride!!!
Local 33 may have something new next year...we will have to see and will let you know if it comes into fruition. We do not really have anything planned for our Local in October. If someone else is having a Halloween party, we may have some people from our Local show up. Cooler weather will be nice from the blazing days of Summer.
Happy Birthday to all October Local 33 Birthdays!
Before you go riding, check your bike...tires, brakes, shocks, lights, signals and riding partner.
As always, Ride a lot, Be safe and Enjoy the wind in your face.

HAPPY AUTUMN, ROAD RIDERS!!!!
We're coming into one of the **best times of year to ride!** The air is cooler, the scenery is changing, and those beautiful fall sunsets are coming earlier.

Help us congratulate Karen on this awesome accomplishment! Drop a 🏍️🔥 in the comments and show her some love!

#LetsRideChallenge #RideForHeroes #YeagersCycle #10,000Miles **#KeepRiding #HarleyDavidson #ridemoredriveless**

But with the changing season comes a reminder: **SAFETY FIRST!** As you enjoy these last prime riding weeks, keep an eye out for distracted drivers who may be paying more attention to the changing landscape than the road. Watch your surroundings, ride smart, and always make sure safety is your number one priority!

Greetings from the crossroads;

Show me rally 2026 is history. Mother Nature was very nice this year. Our local had five members present. We worked the gate together and enjoyed the great food Local 14 supplied us.

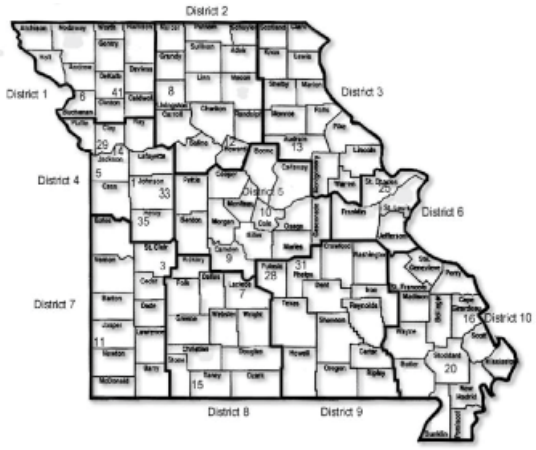

Harvest season will start soon. Remember their loads put food on our tables and gas in our tanks. be patient and share the road. One of those grain trucks could be my husband.

We had our meeting with a nice turn out. We need to come up with some money making ideas. Contact Steve if you come up with something. Our numbers are growing but we need some participation to keep us going.

Hope every one has a great Labor Day spent with family. Fall is a great time to ride and enjoy Mother Natures beauty. Be safe.

We Are The Motorcycle Riders Foundation:

The Motorcycle Riders Foundation (MRF) provides leadership at the federal level for states' motorcyclists' rights organizations as well as motorcycle clubs and individual riders. The MRF is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. The MRF is committed to being a national advocate for the advancement of motorcycling and its associated lifestyle and works in conjunction with its partners to help educate elected officials and policymakers in Washington and beyond.

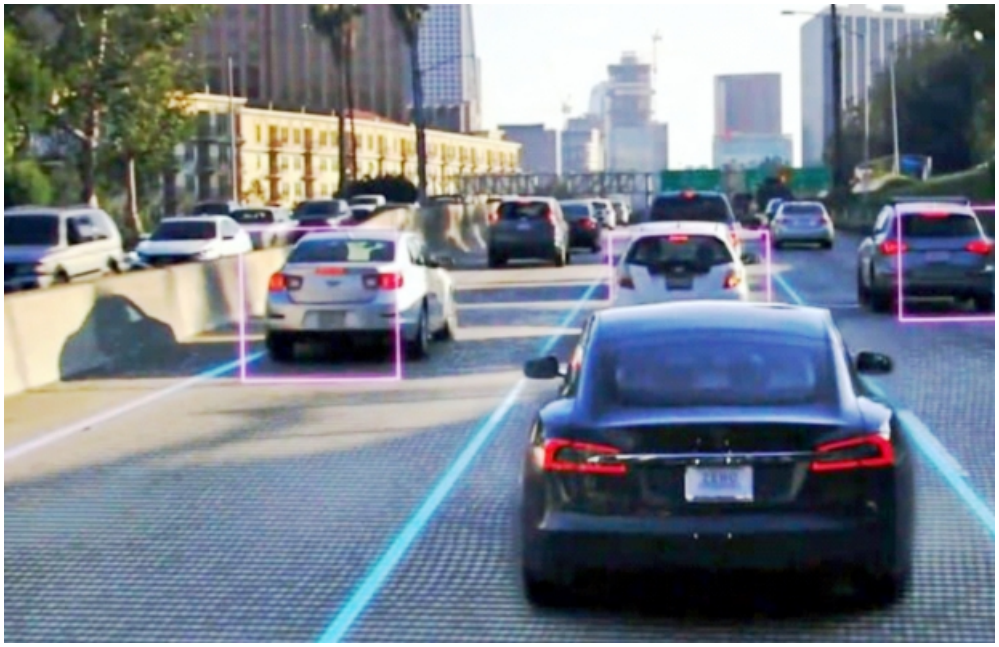

New DOT Rules For Autonomous Vehicles

Last week, the U.S. Department of Transportation (DOT) announced a new national strategy for developing and deploying automated vehicles (AVs), outlining the Trump Administration's approach to safety, regulation, and innovation in this rapidly evolving technology. In a statement, Department of Transportation Secretary Sean Duffy said the strategy "Outlines specific actions that DOT will take over the next few years, while laying the groundwork for the longer-term future."

The Motorcycle Riders Foundation (MRF) will continue to closely monitor the Administration's AV policies and remain committed to ensuring motorcycles are part of the conversation.

Motorcycles present unique challenges for automated driving systems. Their smaller size, maneuverability, and riding characteristics require AVs to accurately read, react to and respond to motorcycles in real-world traffic conditions. As the DOT moves forward with this strategy, the MRF will continue advocating for motorcycle safety to be incorporated into AV testing, research, standards and regulations.

"Motorcycles cannot be an afterthought as automated vehicle technology develops," said MRF President Kirk "Hardtail" Willard. "We will continue to make sure the interests and safety of motorcyclists are represented as the federal government establishes the rules of the road for this emerging technology."

Can you find the motorcycle in this picture? An AV might not either.
