Homecoming went very well this year, Rocky Evans, Robert Young, JR DeGraffenreid and Charlie Pilcher were the heads of security at Homecoming and they did an AWESOME job! Locals did a good job of filling work shifts. Darrel Wray received kudos on the bands hired at this Homecoming. There were very few incidents this year. Local 7, 28, 33 and 35 went above and beyond the call of duty for covering missed shifts. Thanks so much. Local 19's member Tanker, made a very special effort to fill a work shift, he left his sick wife worked shifts and then returned home to his wife, thank you Tanker.

The next Homecoming meeting will be held in January and NOT November.

Legislative The next Legislative meeting will be held at 10:00 a.m. November 10, 2007.

NHTSA is saying that deaths are up 5.1%. KC has been deemed the stunt riding and sport bike capital of the world. Some of these riders are doing what they call the "Clover Leaf Run". What this is they have a start point it is a timed event, the point is to run that entire clover leaf as fast as they can and get the best time, speeding and splitting traffic and if they get caught they will run to the next state. They are doing this at all times of the day and night.

Halfbreed let us know that the Missouri Highway Patrol has had classes to inform them on how to tell if your helmet is DOT or not.

In North Carolina they are putting on Riders Skills days this is put on with the area motorcyclist groups and highway patrol. It would be neat to do this here.

The tiered drivers license is working its way through the states, as its going now at age 16 you can only ride 90 CC, age 18 you can ride 250 CC so far this is as far as they have gotten, rumors are they would like to progress this some more. They would like to have it if you are under age 14 you can not ride an ATV.

Denver has passed the noise ordinance of 82 decibels per 25 feet, they have not got the penalty part fine tuned just yet, but they are working on it. The AMA has sent out a noise policy, so people can understand the law.

If your Local members attend a fund raiser for a candidate for the 2008 election let Halfbreed know, it could be counted as an in kind donation, Halfbreed may be able to use this in the Legislative session that is coming up. The odd numbered senators are up for election in 2008 it's the time to help or hurt ourselves.

Some of the past senators and representatives are coming back, the term limit was not in effect at that time, so keep your eyes and ears open. In the senate we have the votes, until election, to pass the helmet modification bill we have to have 21 votes, Chuck Graham, 19th senatorial district is a killer of bills.

Halfbreed made everyone aware that there is no Legislative Coordinator for the next term. If no one steps up we are without!

This is what we are all about this will put us dead in the water.

Local 19, Linda Grgurich, made a motion that we not renew Sharon Williams contract as the Governmental Relations Person and asked for Freedom of Road Riders, Inc. to accept new resumes to fill this position, Local 9, Karla Jefferson, seconded the motion. Discussion held. December 31st is the end of Sharon's contract; she receives $1350.00 per month, which is $16,200.00 per year. Local 10, Bill Kempker, made an amendment to the motion to state that Sharon Williams would have to apply to be reinstated, Local 6, Nick Swope seconded the motion, roll call vote taken, yes votes, Local 1, 2, 3, 6, 7, 9, 10, 11, 12, 13, 15, 16, 19, 25, 29, 35, 40, 41 and 42 no votes, Local 19, abstentions Locals 2, 9, 28, 33 and 34. Amendment passes with 22 yes votes.

Vote on the original motion, roll call vote, yes votes, Locals 1, 2, 3, 6, 7, 9, 10, 11, 12, 13, 15, 16, 19, 25, 28, 29, 33, 34, 40, 41 and 42, no votes, Locals 5, 18 and 35, passes with 33 yes votes.

Everyone should walk away from this saying wow look at all the information that is out there, and for those who are not able to make it, we want them to hear people talking about this and entice them to attend next year! If you have suggestions or ideas contact JR DeGraffenreid, Kathy Garver, Mark or Dallas Chapman.

Every local should have received a copy of the By-Law revision, there is one change, on page 8 will now say a Local or Locals of a district will loose it. The definitions of quorum and not-for profit will be added, the last thing is on page 7, the definitions of election procedures/qualifications for the Central Committee Cabinet, Local 29, Ann Dodson made a motion to have these items defined, Local 3, Kathy Garver, seconded the motion, passed by voice vote . Hello all! We had a good meeting this past month at the Lake House. Have been kicking around a few ideas to see if we can increase the population at the meetings - ***"Got any ideas Local 1?"*** Just give me a call, and we can get all of the ideas together and see what will work for the majority!

We are currently looking for nominations for Local officers. Keep it in mind and bring them to the next local meeting. We all have busy schedule, but it's just and hour or so a month to volunteer your time - and it's really appreciated!

As I sit and write this we are preparing for Octoberfest - "My Favorite Time OF The Year!" It's been a while since I was in it knee deep and had forgotten what a 'chore' it can be, but a FUN 'chore' at that. It's so great to get together with folks you don't get to see on a regular basis. Brings back a lot of stories from past Octoberfest events.....ahhhhhh, ooooh, ehhhhh. Does anyone remember at the old site when the 18 wheeler tryed to make a new road in??? Anyway, it looks like good weather will prevail.

The FEW Seminar will be coming up soon. Check out the flyer in this months issue! It sounds like it should be a good time. We also still have FORR Flags available along with other Local 1 product line, so contact Mark if your interested. 816-690-4200.

Well this is all that I can come up with on this end so.....
Have a good one, then have another.... See ya, ***Michelle 'Rebel' O'Connor #7157***

Hello Local 5, hope everyone is well and enjoying this weather! Now that fall is here it's time to pull out those leathers and chaps. I actually had to wear my face mask the other evening! The chilly nights snuck up on me! I have some chaps that I will pass on to anyone needing them. They were given to me and now it is time to pass them on. They are cut to my 5' 8" height and they are 1x-2x. In great shape. Just give me a yell and I'll get them to you.

We had 21 present at our meeting. Jim ran the show and of coarse did a great job. Angel and Spitfire had a previous engagement. Jim asked if anyone else would be interested in running the meeting, saying what a good opportunity it would be for anyone wanting future offices. No one offered! After the meeting Doug and Deanna had a great party!! Everyone had a blast. Thanks you guys for opening up your house for a cool Luau!!

Don't forget to look on the back cover for upcoming rides. The Toy Run Is one of them. November 3rd we will meet at the

GREETINGS LOCAL 8!!!

I hope this finds you all doing well and enjoying the wonderful weather we've had. Happy Halloween!!!

We're gearing up for our annual Toy Run that will be held this year on November 4th, leaving Longshots parking lot around 2:30 and heading to the Salvation Army. As I've said in the past this is my favorite event of the year (and this year I'm going to miss it – I'm going to watch the Packers/Chiefs game). Also on this date we will have our officer nominations for our 2008 officers. I have heard rumor that a couple of our key officers are stepping down, so this will be an important meeting to attend. If you can't attend and want to hold an office or know someone that does please let me know and I'll be sure they get nominated that day!

I do not have the list of new members with me, but watch the website www.forr8.net and I will get them posted on there.

Since our meeting isn't until Sunday I do not have a lot of information to pass on to you. Remember to keep an eye on who is running for what legislative offices this year and let Gordon know if you hear of who is running and what for. As always it helps if you can find out there stand on Motorcyclist's rights!

Congratulations to the winners from the Brookfield car/bike show. Thank you for your time and participation. I know the car show club really enjoyed us being there.

Watch your email for more things to come for the local. The ladies from the Local will be hosting a garage sale and donating the monies to the toy run, we will be having our member appreciation dinner soon. I will post the information and dates on our website as soon as I get it.

IF YOU ARE NOT GETTING REGULAR EMAILS FROM ME PLEASE SEND ME YOUR EMAIL ADDRESS AT gely603@hotmail.com. This is the easiest/best way to stay informed on what's new with the local. If you do not have access

Greetings again from Glasgow. How about this fall weather? As I write this, Octoberfest is only a few days off and the weather forecast is good. Here's hoping FORR's longest running fund-raising party is a big success again!

I must start off this month with a big apology to all the members of local 12 for my absence at the meeting in September. I have no excuses, I just flat forgot about it. I was entering sales leads into the computer that night and it completely slipped my mind. Gloria is in the middle of rehab for her rotator cuff surgery and was in a great deal of pain and was taking a nap. I'll tie a string around my finger from now on!

Many thanks to Melanie Schaefer for taking over writing the minutes and thanks also to Bert for getting them to me in time for this newsletter report.

Bert called the September 27th meeting to order and there were no minutes read due to Smokey and Gloria's absence. Jessica's treasury report showed a balance of $4,153.70

Dave gave the CC report. Both the Blue Springs and Joplin locals have asked to change their names. Local 26 is having funding issues. Local 46 might be closing due to no attendance at meetings.

1262 people went through the gate at Homecoming, a nice increase of 262 over the year before. A new laptop was

FUN FACTS AND INFORMATION

FORR, Inc. was incorporated on April 5, 1981.

Tax Status In February 1982 the IRS issued a determination letter that recognized FORR, Inc as exempt from federal income tax under section 501(c)(4) of the Internal Revenue Code. Because FORR, Inc. is not a organization described in section 170(c) of the Code, donors may not deduct contributions made to FORR, Inc.

The United States flag presented to FORR, Inc., was flown over the Capitol in Washington, D.C., on April 5, 1994.

Homecoming is the only Central Committee event where FORR raises the funds to support its legislative endeavors and all Locals should be involved.

The State of Missouri Department of Transportation District map was used to divide FORR, Inc., into ten (10) districts. This method was chosen to eliminate the necessity to change districts with redistricting by census numbers.

Local 17 will have no membership list. It is intended to be a symbolic resting-place for lost brothers and sisters, past and present, who were supporters of personal freedoms.

Local 36 was closed for acts prejudicial and detrimental to the organization, and the Local 36 designation is permanently retired.

The meaning of the chevrons

1st year – round winged wheel
2nd year – red chevron
3rd year – white chevron
4th year – blue chevron
5th year – gold chevron
6th year thru Life – Says on the chevron

FORR, Inc. endorses and supports these ideas:

Eleven Principles of Strong Locals

1. Become a part of a family as a member of FORR, Inc.
2. All new members get 5 membership cards. If they sign up 5 new members their next membership is paid by the Local. All members carry cards.
3. The Secretary sends two monthly reminder letters. This updates Local business and sends a renewal card at the appropriate time.
4. Officers of the Local review submissions to the newsletter. They make sure nothing is left out and all upcoming events are included.
5. Stress personal connections between members. Don't let problems develop.
6. Support Locals in your area as you would expect them to support your Local.
7. All mailings to members have the membership expiration dates on the labels. It's just one more reminder.
8. The Local keeps expired members on the mailing list for three months. This gives members time to work on renewal.
9. Officers conduct relaxed yet meaningful meetings.
10. Twice each year the Local pays the expenses for members at an event. It expresses appreciation to members for a job well done.
11. The January meeting each year is used to establish a Local budget. All events are assigned dates, and each event has a budget amount stated. No one wonders where the money will come from. It's allocated.

Local News

approved for the legislative dept.. There was a 123 person drop in membership since last meeting.

Local 45 will be closing due to lack of members. Local 19 made the motion not to rehire Sharon as our lobbyist next year. Profits were down on the motorcycle giveaway from last year, not as many tickets were sold.

The FEW seminar will be held Nov. 10th. This will take the place of the Christmas party. Yearly awards will be given out at the January CC meeting.

John gave the legislative report. Local 12 gets back $300 for sales on the motorcycle giveaway. John asked if anyone had any suggestions for Senator Chuck Graham, who always blocks our helmet law modification bill.

Bert gave the president's report and read a nice thank you letter from the St. Jude's hospital for our donation. Brenda Noll is back in the hospital and is not doing well. Local 12 voted to donate $200 towards her medical bills. We wish Brenda a speedy and complete recovery and also give our best to her husband Tony, who has been one of the most active members of this local for many years.

Under old business, DJ Stacey Hanes was at the meeting to discuss his bill for the Firecracker Classic. After a lengthy discussion, a compromise was reached between what he was asking and what we had originally offered. Next year there WILL be a written contract.

There was more discussion of the bridge closing and possible meeting places for that time. A few members are looking into possible locations and the issue was tabled until the next meeting.

There was a discussion about our November Christmas meeting at Arrow Rock Restaurant. Susan will put a menu together for the next meeting.

Under new business, John said the city of Slater contacted him in regards to local 12 running the bike show at next year's Steve McQueen Days in March. A motion was passed to do this and Jim Taylor volunteered to chair the event.

The meeting was adjourned at 8:25. If you have any news you would like to see here, call me at 660-784-2231 or e-mail at smokeystrodtman@hotmail.com. Until next month... Be free, ***Smokey***

Howdy Local 14,

Sorry I haven't written in a while, but things happen. I just wanted to remind everyone that our Local Christmas party will be here very quickly and we will need all the help we can get and a whole lot of donations. If you don't have a flyer call me and I will be happy to get one to you. I am hoping that a flyer is in this month's newsletter, but in case it isn't here are some details: December 8th at 6:00pm, VFW Post 3976 Sugar Creek. Try and make it and everyone should have a great time. Also there will be some great food, drink and fun.

I could go on and on about lack of participation, but I'm not. If we don't get our membership to show up for meetings basically we may longer

have a local. I hate to bring this up but that is what may happen. I just want everyone to think about this for a while, because elections should be this month and I would personally like to see this local continue. That is all I am going to say on this matter for now.

If we continue at our January meeting I would like to know what kind of events to plan for next year. Last year we had a pretty successful dance with the VFW and maybe we could do that again and as you know our bike show was cancelled. What I would like to see is us having a few fun runs or just getting together as a local, we used to do that a lot. Think about all this and give me a call, please. Thanks everyone that has been there.Down the road and movin' on, ***Smokin' Joe Widmer 816-252-7322***

Local 16 - Cape Girardeau

Meetings: (Call for meeting info)
Contact: Whitey 573-768-2524 or Doug 573-547-1265

I'm back again this month with more Local 16 news. It has been a busy summer this year and there still lots yet this year. I want to welcome our new members to our local and if you have any ideas or questions be sure to ask.

The Louie Oswald Memorial Run is tomorrow so can't tell you much about it. The weather channel is calling for possible high temps for the day, around 90 degrees and very slight chance of showers.

On Sunday, Nov. 4th is our Annual Toy Run at the Cape Girardeau Eagles. The parade begins at 1 pm. We are asking everyone to bring a toy and can good that wants to ride. Following the parade the Eagles will have some eats for all that participate. After that we will have our Local Meeting to discuss upcoming issues and events. Also held during the meeting is the election of officers for the year of 2008.

Highlight this on your calendars and let everyone you know about the 2nd Annual Community Toy Drive and Christmas Party held on the evening of Dec. 1st. We will be having the band Gypsy Orphan playing the tunes for us. Tell everyone you know that this dance is open to the public. We plan on decorating barrels and having them out around the beginning of November to start collecting toys, food items, monetary donations, etc. Next month we will know more info on the dance and drive.

Has anyone started doing the A to Z Run yet? All you have to do is ride to towns beginning with all the letters of the ABC's and taking a picture of your bike by the town sign. There is no time limit to complete it. After finishing you will receive a plaque for your accomplishment. I have made it to 18 out of 26 so far (still needing a Q and Z for the tougher letters). Get out and ride this fall season. It is hard to beat this time of year with the cooler weather and the changing leaves. While out riding tell others about FORR.

Ride Safe and see you round the bendys. ***Dudely***

Contact: 573-293-4754

Here we are again, updates by newsletter from Local 20. The September meeting was a good one, even with only a few members present. There were some good discussions on how to increase participation with our existing members, and we would love to hear some input from all of you on this. First, for those of our members who still like to ride, plan on a putt after the meeting, as this is part of who we are. Also, October is nomination month, it would be great to have more people there to nominate with. Following is November, when we get to vote on the nominations. This is called... put your mouth where your money is!

Thanks to our most recent renewals, Orin Lindman (22 years), Justin Brown, Randy Flowers, Karen Fieser, and Mindy Reif, we appreciate all of you. Don't forget the statewide Toy Run, November 3, starting at Leather's by Fish in Doniphan. If you need more info, go to www.forr34.org. We're joining in with Local 34, bring your toys and let's ride! Hope to see you at the October 28th meeting, don't forget it's the first day of daylight savings time, so see you at 1 pm or 12 pm, both times will work. Signing off until next month, ***Scary Sherri*** (and that's nothing to do with Halloween, lol.)

Legislative *News* .... From Breed

We have all heard numerous times about what a strong grass roots organization FORR is. But what does this really mean to you and me.

A grassroots political movement is defined as one driven by the constituents of a community. While Grassroots organizing is defined as a political practice to create social change. Grassroots organizing is based on the power of the people to take collective action on their own behalf. Its power is not about money, issue expertise, or relationships to decision-makers. Its about ordinary people like you and me getting involved in the democratic process. Grassroots organizing creates democracy, which is the founding principal of our system of government. By engaging ordinary people in its campaigns, it works from the bottom up to make its decisions. It does this by working with its constituency to determine issues, strategies, and tactics, and finding its volunteer leadership from the folks it is organizing.

Ok, so now that you know what it means to be a grass roots organization, what are you, the ordinary citizen, who just happens to be a motorcyclist, going to do to take collective action on your own behalf. Well first off, you have to make the decision to commit to letting your voice be heard and then carry through with that commitment. In all honesty as a citizen of this country you have an obligation to take an active part in making our democratic process work. You can do this by actively voting and by getting to know your elective officials and keeping in contact with them on issues that affect you.

2008 is an election year in Missouri. This means we will be going to the polls to elect individuals who will best represent the needs and desires of their constituents. One of the first steps to becoming an elected official is to put together a campaign to get your name out to the voters who will be representing you. This requires fund-raising. Campaigns raise money through several avenues. One of these is to hold a campaign dinner (yep that's right, rubber chicken and all) and invite individuals who wish to support the election of that individual. FORR has made great inroads with individuals running for office at these types of fund-raisers. This forum provides us with a one on one opportunity to speak with the individual running for office (or re-election) about issues affecting motorcyclists in this state.

These events pop up in local newspapers, through the grapevine, through local political clubs and in some of the most obscure areas. It is not possible for your state legislative coordinator to know about the little local fund-raisers going on to help our friends get elected or re-elected. Therefore it is important for you as a member of Missouri's largest motorcyclist rights movement to keep your eyes and ears open for these types of activities and to make sure that FORR has representation at the event. Plus, Locals who pay to send a representative to a fund-raiser can submit this cost to the state treasurer and receive credit towards their yearly central committee donation. As an added bonus, by attending a candidate fund-raiser, you're taking an active part in the creation and support of our democratic society.

If you run across information about a political fund-raiser in your area please let your locals legislative coordinator and Halfbreed, our state legislative coordinator know so we can make sure FORR is represented at the event.

Freedom is the right to question and change the established way of doing things. It is the continuous revolution of the marketplace. It is the understanding that allows us to recognize shortcomings and seek solutions. Ronald Reagan

Well, September was a busy month. The Local had a good fun run up to Tipton, and many stayed for the Freedom Rally meeting there. Then we held our Fall Motorcycle awareness ride with all proceeds going to help out Danny Woodin until he is able to get back on his feet while recovering from his terrible bike wreck. We were able to bring in over $1300 which will go a long ways in helping Danny out. By the way, he is home, but it will be awhile before he can work or get around, but he should recover fine. We thank all those that came out and supported him on this ride.

We also had two new heroes from this local save a young mans life. Tim and Sandy Larrington were in Kansas recently when Larry saw a vehicle in another lane careen off the highway, and land in a deep hole off the exit ramp. The vehicle caught fire, but not before Tim had pulled him to safety. The young man had a broken leg, but otherwise is fine, but would have

Local News

surely died if not for the quick reaction from Tim and Sandy. And why was he in Kansas? To get away and spend some quality time with the Mrs. before he deployed off to Iraq serving our country. My hat goes off to him. Thanks Tim, and all you other folks over there serving this great country.

Speaking of heroes, a sober ceremony was held here at Fort Leonard Wood also for Will Sabalu who received his Purple Heart award posthumously for his actions in Afghanistan. He also received the highest award for the Military Police Regiment, and a brick was made with his name on it for the post memorial, and one for his family.

Well, the trees have started turning, weather is a bit cooler and the kiddies are all back in school, so what can that mean? The Halloween Bash is upon us. Yes sir, I have already cleaned out the attic, got all the ghost and goblins ready. The event will be on the 27th of October. I will tell you all about all the scared kids next month! Our next event will be the Pulaski County toy drive. It will lead off with a Toy Run on the 3rd of November which will start at 10 am at the Pulaski County Shrine club, and ride all through the county. Make sure you bring at least one toy. The more the better. We need everyone to start getting your collection boxes out. Simply take a cardboard box, wrap it up in Christmas wrapping paper, leaving the top open, and place a nice flyer on it telling everyone what it is for, and leave at your favorite local grocery, family, or toy store or even where you work for your fellow workers to help out.. The more we get out the more we collect. And if every member was to put out just one box, then nobody has to do much work. Remember, if everyone helps a little, nobody should ever have to do a lot. Our other toy drive event on November 24th in front of Wal-Mart is a big thing. We bring Santa and the Grinch (we will need volunteers for this) out for a day, and fill up Santa's sleigh in front of the store. This by far is our biggest collection point. On the first weekend of December is the Waynesville Parade, where in the past, the local has won an award for it's float, and everyone is always happy to see the bikes. After the parade, we have a chilly cook-off, where Retha and I fight over the trophies! I have a special batch of peppers for this year. Or as Retha likes to call them, string beans. (Inside joke) So that about wraps up the year. Don't forget, we also have fun runs popping up, so to keep informed about those, you need to be on the locals email list. If you are not, just send an email asking to postmaster@local28forr.com

Until next month, Keep it Vertical.

Remember, the year is almost over, have you signed up a new member yet this year. All it takes is for every member to sign up just one. ***Taz postmaster@local28forr.com - www.local28forr.com - www.midamericafreedomrally.com***

Today was our final sponsored run of the year. As we have for the past four years, we went to a near by church that provides much needed help for poor children in Appalachia. We had a very successful toy run, with more than 80 bikes, including our friends from nearby patch holder clubs. We appreciate their support.

FORR gives us a banner under which to gather. But we the local, do good for both the brotherhood of bikers and the brotherhood of man. I'm proud to be part of Local 32. Having a motorcycle, and belonging to Local 32 allows me to have good friends, good times, and help do good things. I think that is why being a biker can truly be a life style, rather than just a hobby. ***ACE***

Summer is gone for this year. By the time you receive your Freedom Press; Octoberfest will have past and our Adopt – A – Family Poker Run will either be upon us or have past.

At the September meeting, a motion from the floor was made, a vote was cast and the decision to keep the monthly local meeting start time at Noon all year round was passed. So forgive me on last month's article stating a 1pm start time for the October 21st meeting.

Greetings all !

Hope you are all enjoying this extended riding season. I have a feeling, when it finally breaks, we'll be in for a rough winter.

We are as usual having growing(?) pains in our local. Attendance is down so low at the meetings it's almost a joke to even call the gatherings meetings. Our 'governing' board has had to cancel a few events and re-arrange others, just to insure participation, and to save

embarrassment. I don't know how it is in other areas, but FORR is a joke over here.

This breaks my heart. Mark(Fish) and I have been active members for going on 10 years now. We've watched our friends come and go, some just riding off into the sunset in disgust, some going on to the big bike store in the sky. We both love FORR and all we stand for.

We are at a total loss as to what to do to get this thing going in the right direction again. People, we need your participation and input. Please come to the meetings. Log on to our web site find out what's going on, leave your comments. We want to hear from you. What do you want from FORR, what do/did you think we were about? What can we do to make this group more fun/desirable to other riders? We need your input !!! Call, write, send up a flare ! Or just attend a meeting! Hoping to hear from some one out there! ***Duck-K***

I hope you made plans to attend the first F.E.W. Seminar in Jefferson City. The local voted to pay for the Seminar, Banquet and Motel. To repay, all you have to do is attend the CC meeting the next day. That is all of the meeting, from 10:00 am till 3:00 pm.

Our Fall Poker Run went great, with the best attendance we've had in years. The winners were 1st Billy Frizzell, 2nd Jim Price, 3rd Kenny King, 4th Neil Harms and 5th Tommy Greenstreet. The drawing winner was Billy Frizzell. He picked up several George Washington's. Talk about beginners luck, this was Billy's first ever poker run.

Need to start thinking about officers for next year, as elections are in November. We need some new blood to step up and let some of us ole timers take a break.

We have several people with October renewals. They are: Dan Burgess, Jeff Davis, David Gamet, Sheila Morlan & George Turley. November renewal is Bill Kronke. People, you need to get your money to Linda and keep the Freedom Train rolling.

Please, set aside some time this next year to go to Jefferson City, to help further our goals. It would be great if every member made two trips. One during session and one trip for the M.A.Y. RUN. Watch for Deer and Farmers. They are both running wild this time of year. One is Horny and the other is working. Ride Safe, ***Bob***

Howdy everyone, Local 40 and 41 had their meeting in the park. Several showed up. Before the meeting the CMA had a Bug Run and several of us went on the ride. How come bugs won't hit you when you want them to? After the run they served up some hamburgers and hot dogs. Thanks Dwight for inviting us. Local 40 and the CMA is lucky to have a member like you. We all had a great time. Thanks to Bob Anthony and Kali Forbach (our youngest member) for renewing and to Connie Snow and Lori Landis for their new memberships.

We are so glad to have you in our local.

By the time you read this we will all be trying to recover from Hogfest. More on all the results next month. Our next meeting is on October 20th at Big Boys Bar-B-Que at 2:00. We will have special guests.

So with nothing else to report I was sitting here and I just got lost in thought and you all know that is unfamiliar territory for me and I thought If my body were a motorcycle, this is the time I would be thinking about trading it in for a newer model. I've got bumps and dents and scratches in my finish and my paint job is getting a little dull, but that's not the worst of it. My headlight is out of focus and it's especially hard to see things up close. My traction is not as graceful as it once was. It takes me hours to reach my maximum speed. My fuel rate burns inefficiently. But here's the worst of it. Almost every time I sneeze, cough or sputter, either my hose leaks or my exhaust backfires.

So until next time think about what happens if you get scared half to death twice.

I use to be indecisive, now I'm not sure.

Hello everyone, hope everyone has been able to get out and enjoy what is left of the riding season. It will be over before we know it. I also do know we have some diehards who ride all year. My hat goes off to you. I know I can't do it. I am a big ole wuss!! I do like my title of Queen Wuss!

Steve has wrote the last few newsletters for me, Thank you!! I do appreciate it, I have had a lot of family things going on and been unable to get much else done. But for now things are stable! I can't say normal cause that is a setting on a washing machine! Anyway Thank you Steve for getting that done for me.

Congratulations To John Guerra on being a 3rd place winner on the bike drawing!! If you need to spend the money on something just call us we will all meet for drinks!! Haha Congrats again!!

We have several things coming up, by the time you read this Hogfest will be another memory! It is always a good time! Thanks to everyone who helped work it! If you missed it I'll bet you missed a good time!

We also have nominations for officers coming up, so if you know of someone who would make a good officer or are interested in doing so your self please let us know!

I know Steve does not plan on being chairman again, I am giving up my office. I am really unsure of anyone else so try to come to the meeting to see who, what, where and when!! Oh by the way you need not be present to win!

We have had several new members and renewals. I am sorry if I have missed you, it has been several months since I have listed these members.

Welcome to Local # 41 to Chuck & Cheryl Steiner, John Hogan, Jeff Noland Welome back to Joe Spires, and Ed & Jennifer Dawson.

Hello to Local 42! We had our September meeting on September 26, 2007. The meeting was called to order at 6:45 p.m. The attendance prize was won by Dan Elbert. Meeting date for October has been re-scheduled for October 24 at 6:30 p.m. – due to the last Wednesday being Halloween.

A patch design in memory of Sandra "Grandma Sam" Sneed was presented at the meeting. The design consists of a purple rose with blue feathers. Examples were presented with 6 different background colors. It was decided to let Perry Sneed make the final decision.

We are looking for someone to make the patches.

We had a very good turnout for our Annual Bike Show at the Pacific Eagles on September 16.
We were very fortunate – we have a great crowd and great weather. Thanks to all who attended. The incentive drawing proceeds were donated to the Dan Donnelly Back to School Bash.

It was voted and passed to make our donation to the state. Our donation is to be divided between these funds: Marketing, General, and Safety. We also voted on becoming a sustaining member of the MRF.

Toy Collection was held on Saturday & Sunday, October 4 & 5 at the Washington Wal-Mart. Collection results not available yet.

Toy Run is set for November 4th. Sign-in will be from 11:00 am till 12:30 p.m. at Roadhouse 100.

Hey all you Freedom Lovers,

did you know that more people vote for the "Next American Idol" than the President of this great nation of ours? There is something wrong with this picture!!! A toast to all our good health and safe travels. It's starting to be the "Holiday Season". Of course at our house it starts with Halloween and goes through St. Patrick's Day with a couple birthdays in between.

Want to give a big THANK YOU to Ann Dotson for continuing to organize our "kids" parties. For more details contact your local's District Rep.

One thing we want to make very clear is that ***District 4 has too much grass***. Please **DO NOT buy any more grass for District 4**. We even have it in different colors. Hey, I'm talking Easter Basket grass here!! Why, what did you think???

Want to thank ***ALL*** of you that helped set up Octoberfest 2007. I'm writing this on Tuesday 10-2-07 because tomorrow we start getting everything to the site and setting it up. I think some started as early as last Sunday. Ahh, the excitement of putting together an outdoor event. Look for pictures in this issue and next month I'll let you know who won what.

This years Toy Run is on Saturday Nov. 3. Meeting at Blue Valley Park again. Look for flyer in this issue.

We are still looking for some members to step up and help us out by filling the District 4 Legislative Chairman and District 4 Secretary positions.
