Treasurer General Fund $19,762.92, PAC Fund $32,541.29, Riders Education $28,758.61, and the Homecoming Fund $12,495.72. Freedom of Road Riders, Inc. received a letter from the IRS, the letter stated.... Dear Sir or Madam, This is in response to your request of June 26, 2007 regarding your organization's tax-exempt status. In February 1992 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501©(4) of the Internal Revenue Code. Because your organization is not an organization described in section 170© of the Code, donors may not deduct contributions made to your organization. Thank you, Accounts Management Operations 1
When you hold a charity/fund raiser you must put on the flyers and such "Donations are not tax deductible" if checks/donations are being written out to Freedom of Road Riders, Inc., for IRS purposes if this is not on your flyer it will not be approved. If you are holding a charity/fund raiser and the checks/donations are being written out to the (example: March of Dimes) that doesn't have to be on your flyer.

Local 15 donated $500.00 to the Riders Education Fund and $500.00 to the PAC Fund.

Membership Secretary Our membership total is 3056, which is an increase of 11 from the last report. You can now join and or renew your memberships on-line or change your address! Just go to www.forr.net and click on member services, and click on the button that fits your needs. Exceptions are made for our service members that are going out of country. IMPORTANT with the event season in full swing, please make sure that applications you receive at your events are legible. If you can't read them, neither can Dallas. Also, please ask the potential member what local they want to belong to. Don't automatically put them in your Local. We want our members to be close to a Local that they can support. Please remember to send applications, or reminder cards, in with 101 forms, even if renewals. Please make sure 101 forms are filled out completely i.e. name, address, phone, email, and recruited by. Also, please make checks out to FORR, Inc. and that they have TWO signatures as per bylaws. If you have any questions about memberships, you may contact Dallas Chapman at membership@forr.net or 816-690-4200.

Vice-Chairman Engineer of Freedom Award went to Sandy Bates from Local 5, with 16 signatures on it. If you or a group of people have a person in mind for the Engineer of Freedom Award, please submit them to the corporate secretary.

Legislative We need to show our support for the rider/drivers education to be put back into schools; we will be getting with Representative Judy Baker and Representative Krause, and see if we can pre-file this year. It was announced that Missouri has the worst 16 and 17 year old drivers, with the most accidents and the most deaths.

We will also pre-file a helmet modification bill, including no cell phone use while riding your motorcycle. Representative Sally Faith will file a bill that states that new & renew motorcycle renewals have the safety course each time. The safety centers have stated that they can't handle everyone who wants to take a class now. Halfbreed stated that we should work with her on this issue.

Comparative Fault we have the wording right with everyone, we are ready to pre-file this bill, Senator Stouffer is ready to take this bill and run with it.

A question was sent to Halfbreed (to ask Governor to suspend the helmet law in Missouri, for the month of August for the people going to Sturgis, SD.) Louise stated that she has a letter from the legal council that states that the Governor can not do that. Katherine Hanaway is coming back. We all know what this means.

NHTSA is looking at Missouri they are in Kansas City, they were asked here by law enforcement because of the "café racers" enticing the police to chase them into the next state.

The time has come for Freedom of Road Riders, Inc. to make a stand on safety equipment. If by chance we pass some laws that we support Freedom of Road Riders, Inc. need to make a stand and have a statement ready, the best wording that the legislative committee came up with is "Freedom of Road Riders, Inc. recommends the voluntary use of all rider safety equipment". Local 29, Ann Dodson made the motion to accept this wording Local 34, Willy Cooper, seconded the motion, and passed with 1 abstention. Local 2, Kathy Garver, made the motion that we include it in the Policy and Procedures, Local 1, Tim O'Connor seconded the motion, passed.

It was asked if we wanted to include on the Helmet Bill this year include "as long as you are operating a vehicle within the limits of the law that you can not be denied medical benefits" it was decided upon the Central Committee floor that this would not be a wise choice for us to take.

Riders Education Beginners Rider Course (BRC) 11 courses 10 completed, 108 taking the class and 100 passing. Experienced Riders Course (ERC) 2 courses 1 completed, 5 taking the class and 5 passing. BRC: August 18 &19, September 22 & 23, October 13 & 14. ERC: August 25 and August 26.

Bikes for sale: 2000 KE100 $950.00, 2 1998 DR200 $1500.00 one has a title and one doesn't.

Construction crew was working on Doug's house and they ran into his house and damaged the Freedom of Road Riders, Inc. trailer, Doug will take care of this with the construction crew.

Event Insurance: Louise Reasoner came to the Central Committee meeting and explained our insurance, and handed out a report. Please submit required information at least 30 days prior to events, many property owners require insurance documentation 30 days prior to event, you may need to use 60 days, it takes time to get the certificates and if the property owners have questions or need something else that takes more time! If Louise needs to send certificates somewhere then Louise needs the Fax # and contact person. To sanction an event there are three requirements prior to the event. 1. An event sanction form, use the newest one that includes starting and ending points, etc. Be sure there are contacts listed with email addresses if possible; be sure you include the complete address of the start and end points. 2. A 101 form with a check for required insurance premium, Basic Insurance $85 per event, Additional insured $60 per event, Raise to million dollar coverage $90 per event. 3. A copy of the event flyer, it cannot be published until event insurance is complete, property owner waiver or documentation for additional insured. Someone will receive either and email response or a card in the mail after Louise receives the required information to send to the insurance company. If you don't hear from Louise, start asking questions, Louise will send the event information to Michelle and Max but it is the Local's responsibility to send them the flyers for publication, they will not be printed until Louise lets Michelle and Max know its ok to publish. Event Requirements following event within 30 days, send original release forms, Locals need to keep a copy! Send Injury and Incident forms, be specific, and no matter how small fill out the form (example: fight, removing trouble makers, refusing entry, etc.) Forms available on line at www.forr.net Event sanction form, Property owner waiver, Release forms - adult and minor, and Injury/ Incident form.

Chairman Proposed revisions to our by-laws were passed out to each local and will be mailed to locals that were not present at this meeting. If you see corrections or revisions that need to be made, contact Mark by August 15, 2007. As revisions come in Mark he will try and get them out to all the locals. Mark would like to have a vote to get them published at the September CC Meeting. PLEASE TAKE THIS BACK TO YOUR LOCALS AND DISCUSS THEM.

Homecoming food and leather vendors are good, if you have a unique vender that you would like to see at Homecoming let Mark know the contact name and number and or email address. If work shifts are not filled today the lottery will come into play, if you local gets drawn out of the lottery your local will be notified. Homecoming flyers will be on line.

The contract for Homecoming will be for 2 years; $4000.00 up front and $5.00 a head over 1000 guest and a $25.00 vendor fee; this will be $50.00 per vendor next year. The Shrine will take care of the trash and shuttle services. A T-Shirt sponsorship cost $30.00, a Trophy sponsorship will cost $25.00 if a Local has a business card it can be used for an ad on the back of this t-shirt.

Product They are looking for a special product, October 6 Bill and Terri will be getting married.

Motorcycle Giveaway When sending bike tickets back to Darrel and Susan PLEASE use a ground service carrier! If you need the bike at one of your events please call Darrel and Susan 816-228-0958

Old Business Doug Weiss and crew came up with the idea for a pilot program: 1000 packets to put out at select dealerships for one year each bike sold at said dealerships would get FORR information and one year free membership. Local 5, Jim Enloe, made a motion to take back to the locals and be ready to vote at the next Central Committee meeting, Local 28, Steve Lincoln, seconded the motion. Locals that voted yes, 5, 12, 16, 26, 28, 29, 30 and 35 Locals that voted no 1, 2, 3, 7, 8, 10, 11, 18, 21, 27, 33, 34, 40, 41, and 42 passed.

$1,300 was spent to purchase 5000 window clings, one to be sent with membership renewal. Local 3, Carol Stamper, made the motion that we continue to get the window clings, but go back to the old method, Local 29, Ann Dodson, seconded the motion, Local 1, Tim O'Connor, made a amendment to give out 2 year and every 5, 10, 15, and 20 years, Local 33, Gunny Lee, seconded the amendment, motion with amendment passed.

Local 28's Darrel Wray retracted his announcement of putting together a cabinet for Central Committee.

Instead of the Awards Banquet Freedom of Road Riders, Inc. will have a beneficial seminar! Howdy everyone! Sorry, but this newsletter will be short.

We don't have anything planned for the rest of the year so if anyone has any suggestions please contact John or Doug. We are getting limited on riding time. John and Doug would like to say thank you to everyone that helped support our annual Diabetes Run. We had another good turn out. They would like to thank the Eagles Lodge # 3917 for allowing us to end there. At our July meeting we had several people absent. Congratulations to Phil Cullimore for winning the monthly member incentive. He was at the meeting so he won $70.00. The incentive starts back over. If you would like to win please attend the meetings.

Sad news comes to local 5 and to F.O.R.R. Our good friend Sandy Bates passed on July 30th 2007. All of our prayers go out to Mel and the family. Sandy was a long time member in this organization and contributed greatly. She held several offices and was always there to lend a hand or a voice. Sandy will be missed greatly.

Several members missed the July meeting do to Little Sturgis. I heard that they had a good time. Gee, maybe next time I will get to go!! Apparently it did not hurt our showing. We still had a good turnout. Jim ran the meeting and did a great job, of course. Some of us got together and went to the A.B.A.T.E. Rally over Labor Day weekend. Thats a fun Rally. Good music and lots of room to strut your stuff down the main drag. The Breeze played again this year and always seem to blow us away with good old southern rock!

The Memory patches for Rusty and Norton should be coming in soon. Also our Local 5 patches. So I will try to keep you posted on that. Come to the monthly meetings and check also. We miss you when your not there. Our 2008 Bike Show is in the planning. Stay for the short meetings after and get involved in the planning. It takes everyone and it's a good time.

Again, Keep Mel in your prayers and ride safe. ***Kim***

Hi from Hannibal-- home of Local #9. It's been a while since we had some-

Local News

thing in the newsletter, so we wanted to catch you up on our activities & projects. We're having a great year in 2007 and formed an Events Committee that has activities planned each quarter.

Local #9 won First Place in the 25th Annual Budweiser/Golden Eagle Distributing Chili Cook Off. We also received 2nd Place in the costume contest with our "Uncle Sam" & "Freedom" themes.

Our Spring Poker Run had a fantastic turn out, the ride was enjoyed by all, and we had beautiful weather. Local #9 has supported their brothers & sisters in the tri-state area by taking part in their events/runs this spring & summer. Everyone loves a parade, and Local #9 has been in several in 2007.

Local #9 adopted a section of highway on Hwy. 61 south of Hannibal through MODOT, and will be responsible for collecting trash 4 times per year along this stretch of highway. Volunteers are needed for this task and anyone wishing to help out, please contact an officer to get information on dates and times.

Our Mid-Summer Poker Run for Multiple Sclerosis was a huge success with money raised for the Gateway Chapter of St. Louis MS. We had an exceptional turn out, wonderful community support, and excellent weather for this event—a big thank you to all that came out and helped contribute to this cause!

We're helping the Shiloh Christian Children's Ranch Christmas fund. A fish fry was held August 18th to raise funds for this organization. We're also taking donations and several members are collecting aluminum cans to help boost the fund. These children are so appreciative and are so in need. We always enjoy involving ourselves in such a worthy cause.

We will be having an upcoming Fall Poker Run, possibly on Sept. 22nd, so please contact Pres. Tony Galluzzio 573-822-2210 for more info. We would like to welcome everyone to our new meeting place at the Elks Club, 411 Main St, Hannibal. Our meetings are held the first Tuesday of the month at 7 PM. Please come and join us and bring any guests who are interested in our organization. Thanks to all that continue to support Local #9!

Hope to see you soon. ***Karla K. Jefferson, Local 9***

Hello from the Capitol City, well it sure has been hot here in the Capitol. There has been a group getting together on Thursday nights for rides to various locations, with some fine meals at the midway point of the ride. I hear that great fun is being had by those in attendance. Anyone in the Capitol City on Thursday nights is welcome. We will soon be gearing up for a new Legislative session so I hope everyone has been able to let their Senators and Representatives know what they would like to see in this year's session.

I hope everyone has been able to take time to enjoy the summer it sure has gone fast. Here's wishing everyone stays safe and has time to ride.

Good turn out for our run, Les got high hand and Moon ended up with low hand, Oh I guess I forgot to mention we made a poker run out of it, we carried the cards and when ever we stopped we drew a card, we had no route, no return time, everything was on us. AWESOME time, see what you miss when you don't come to the meetings? Ok Maple leaf is coming up,

March of Dimes is getting together, won't be long for toy runs.. Carthage and Joplin... hoping to see everyone at least once at one of the events to show support...

Local 12 - Glasgow

Meetings: 4th Thursday @ 7:30 p.m. Fishbeak Saloon on Main in Glasgow, Mo. Contact: 660-784-2231 or Smokey Strodtman - Rt. 1, Box 52, Gilliam, Mo. 65330 - smokeystrodtman@hotmail.com

Greetings again to all our friends in FORR land from your brothers and sisters in Glasgow. It's Sturgis time again and I've been seeing a lot of bikes on the road lately. Most of them are being ridden and not hauled in trailers and trucks so hopefully that trend will continue.

We still have a couple of bills to be paid on the Firecracker Classic. Susan had financial reports at the last meeting and it looks like we're going to show a loss this year, although considering the weather it could have been a lot worse.

We had a great meeting on July 26th, with 36 members and 2 guests present. Local 12 always has good turnouts, I think Bert deserves a lot of the credit for running good tight meetings that don't last too long. The meeting was called to order at 7:43 by Bert and the minutes were read by Smokey, since Gloria just had rotator cuff surgery on her shoulder. Everyone in local 12 wishes our favorite secretary a speedy and complete recovery. Susan gave the treasury report, which showed a balance of $5,313.54. Dave had a pretty long C.C. report. Local 12 now has 88 members (way to go, folks!). Sen. Stouffer and Sen. Ridgeway received awards for their great support of our helmet law modification legislation. FORR now has 3,056 members statewide, an increase of 11 since the last report.Members are asked not to renew until 3 months prior to their expiration date. Sandy Bates received the Engineer of Freedom award. FORR has decided to support mandatory statewide driver's education. The comparative fault bill, which would have pro-rated awards in accident settlements according to perceived risk (in other words, motorcyclists would receive a smaller settlement because they ride a vehicle that offers less protection) was defeated. FORR now supports VOLUNTARY use of all safety equipment. The FORR rider education program trained 102 beginning riders this year, with 100 passing the course. The Homecoming needs workers, if you can help out get in contact with your local CC rep. The FORR window stickers mentioned last month will be given out to 2, 5, 10, 15, and 20 year members.

A legislative seminar will replace the regular state Christmas party, to be held at the Elk's Lodge in Jefferson City. A party will be held that night after the seminar, with preregistration costing $10. The state is asking for donations to the Mid-South Mile. This year's Meeting of the Minds legislative seminar will be held in Cedar Rapids, Iowa on Sept. 20th-23rd. Randy thanked all the Firecracker Classic workers. John reminded us that everyone with motorcycle giveaway tickets is responsible for them and all money, ticket stubs, and unsold tickets are due in by August 16th. Bert also thanked everyone who worked at the Firecracker Classic.

Under old business, Susan told us the DJ we used at the Firecracker had sent her a bill for $850. A lively discussion ensued, with everyone agreeing that this amount is ridiculously high. A motion was passed to send him a check for $250 and a letter explaining our position. Our local was thanked for our participation in the Darryck Kruger benefit, which will become an annual event.

Under new business, Smokey presented fliers for the Bikers for Babies ride, to be held on Saturday, Sept. 22nd. There will be three starting points, in Sedalia, Jefferson City, and Lake Ozark. All will end at Mid-America Harley-Davidson in Columbia. For more info, call 573-635-5350 or 573-449-0573.

Gary Schaefer mentioned that other locals were having local rides and asked if we could do this also. Bert asked Gary to investigate some possible dates and destinations for such a ride. Harley Depue said that his sister-in-law was seriously injured in the auto accident that tragically took the life of his brother. She has no insurance and we voted to donate $500 to her. I later got a phone call at my house from her and she was very thankful to us for the donation.

Richie Cooper is having a party at his place on Aug. 4th and invited everyone to attend. Smokey mentioned that Gloria and he were going to celebrate their 25th wedding anniversary party in May, 2008 and were going to hold a big party at their farm on May 31st and all local members are invited, as well as many others. The meeting was adjourned at 8:15. Tanya Lampton's name was drawn for the incentive drawing and she won $63.

After the meeting, Harley Depue mentioned to me that Blue, our official mascot, is highly perturbed because no pets are being allowed at the Homecoming, even if they are on a leash. Blue is a well traveled dog, with many thousands of miles ridden on Harley's Gold Wing.

How do other pet owners feel about this? If you have anything you would like to be put in the newsletter, contact me at 660-784-2231 or at smokeystrodtman@hotmail.com.

Until next month.....

Be free, ***Smokey***

Hey Local 13 what's up. We just pulled in from Sonny Barker's memorial run. It was an awesome site to see all of his friends come out and show their support and respect to his family. It was hot and at times a gust of wind may have caught you off guard but it seemed like we had the road to ourselves for one day to honor "The Ol'Man". From the awesome burn-outs, to Bruce taking pictures from the top (THE VERY TOP) of Quincy Soybean, the day and everything within the day turned out to be an awesome tribute to a man that I hold close to my heart and others alike. Love you Winnie, nice to see that smile. I would like to give a big thank you and thank you again to Ted and Shelly Wieberg for organizing this memorial event. Hey cuz' nice memorial stickers.

Local News

I cannot speak for the other officers, but they might still be interested in running for an office for 2008. If they do not want to run for an office for 2008, we will need all new officers. {Officers include: Chairman, Vice-Chairman, Secretary, Treasurer, Central Committee Representative, Safety, Legislative, Newsletter Editor, Mid-America Freedom Rally Committee Members.}

Local #13 was one of the first Locals who started the Mid-America Freedom Rally {19 years ago}. Local #13 has not had the support in keeping its responsibilities for the past few years & Local #13 may have to back out of the Freedom Rally. I hate to see that happen, but a hand full of members cannot keep this Local's commitments for the Freedom Rally.
I would like to, personally, thank those who have helped for the past 19 years. It has been a great money-maker for this Local & has been a great event to be involved in. We need volunteers for the Freedom Rally Committee for this year {2008}. Meetings start in July 2007 & go through May 2008. We are also in need of members to volunteer to go to the Freedom Rally and work shifts for the event. You have the opportunity to meet so many people & make new friends from all over Missouri.

Local #13 has "over" 125 members & the officers realize that there are a number of members that are living out of state or out of town & cannot work the events & cannot give the support that is needed. But there are several members, that if they could volunteer & help with one event; Blessing of the Bikes, Mid-America Freedom Rally, Wonder Run, Toy Run, Poker Runs, Fallen Members & Friends Bike Show & Run, Christmas Party, help set up the awning, take down the awning, set up a route for a run, work a run, work an event or do other duties; this would help those that are the ones that do every event or activity that needs to be done.

A number of members had asked to have something every month; but this has been hard to do when we do not have the volunteers to help with these events. Plus we have meetings every month & we have had only one meeting this year that has had 20 people {not all were members of Local #13} at the meeting. I believe it is best that we stick to a "few" events each year & do them to the best of our ability. Other things come up & other places have events, people go on vacation, people have their personal lives to take care of & doing too much can cause us to slack off on our duties as officers.

I have enjoyed helping our Local raise money for the Toy Run every year. This is the event that has touched my heart, every year. There have been times in my life that if it were not for my family & friends, my children would not have gotten much for Christmas. This is an event where some of these children only receive what we provide for the Toy Run. It also provides some of these families with the only food they have for that time of the year.

The Toy Run is what we raise money for all year, every year. There have been years in the past that we have spent over $3,000 a year on the toys & food for the Toy Run. I do not want to see the needy children of our community be disappointed. We buy toys & food for the Toy Run & we have been starting at the Missouri Veterans Home & ending at the Help Center for many years; the Veterans really enjoy watching what we do for our community & the children that are less fortunate. The Help Center has called & wanted to know "What day are you coming?" "We look forward to having you help us again this year!" "Your Local has always been there to help us & we hope you continue doing this every year!" They are so excited to have us come & support them, in this time of need. Do we really want to disappoint all of those needy children?

I have been a member of Local #13 for 17 years & I have enjoyed being the Secretary, Treasurer, Newsletter Editor & being on the Freedom Rally Committee for the Local through those years. Local #13 has been in existence for over 20 years, & I do not want to see it close, but I cannot continue my duties as needed to be an officer. I will be a supportive member, as much as possible. Local #13 members have been my second family & I will always cherish you all. I just believe it is time for me to step down & give someone else the opportunity to help keep Local #13 going for another 20 years.

There are a lot of things happening in Local 16, so be patient and pay attention.

First and foremost we would like to send our condolences to Mike (Flathead) Hellman and family for the loss of his mother.

We had a pretty good meeting Saturday night and signed up 6 new members. Most have been threatening to join for some time now. Welcome to Marshall Streen, Richard Leimer, Keith Balsmann, Bill Wooten, Gary Arnzen and Steve Word. Steve moved here from Illinois where he was and is still involved with Abate of Illinois. We look forward to the knowledge, experience, fresh ideas and input that all the new members bring.

The August meeting has been moved to the 25th after the Poker Chip Run and Bike Show at Micheal's in Bonne Terre. Anyone that has Bike Giveaway tickets needs to have them returned by then.

Anyone planning to attend Homecoming at Buckhorn on Labor Day weekend and needs to know who, what, where and when is happening contact Doug, Whitey or Martin.

The Louie Run is shaping up pretty good for Saturday Oct. 6th. Starting at Pete's, about 1 mile south of Perryville on Hwy. 61 and ends at the Bayou Bar and Grill in Pocahontas. As of this time we plan to have the band 'The Shindig' play after the run. So come enjoy and make a night of it.

We've been tossing around ideas for a fall giveaway to be presented at the Christmas Dance, Dec. 1st. I know that it is early but we want to have the barrels out before Thanksgiving.

I have already had people outside Local 16 ask about them.

and enjoy the brotherhood of FORR. All guest are welcome to join in the fun.

We had a guest at our July meeting from the Grant Beach Neighborhood Association. Anita Kuhas invited Local 18 to attend The National Night Out Event at Grant Beach Park on Friday, August 17th, beginning at 6:00 pm. Big Jim and myself will be there handing out information about FORR. It should be a great opportunity to network with some of the local politicians.

Don't forget Homecoming 2007 is 8-31 thru 9-03, see you at Buckhorn.

Upcoming events.

Lake Of The Ozarks is going to have a bike week this year Sept. 13th thru the 17th. Looks like they have a lot of sponsors and Budweiser is going to run a special edition can to promote the event. Can a Helmet state have a major biker event? I'll vote with my pocket book and spend my money in a FREE State.

Dogpatch 2007 Biker Bash, Sept. 7th thru the 9th. Highway 7 Spur, Dogpatch (Free State) AR.

Kruzin' 4 Kids, Sept. 15th , to benefit the Children's Miracle Network.

Meetings: 1st Saturday @ 6:30p.m. Days Inn
Contact: President, Ron 660-627-5221 or Secy./Treas., Sally 660-665-2083

I apologize for not having a submission for last months newsletter, there is no excuse but I will do better in the future.

With that out of the way, here is the big news. The 2008 Sally Rally will be held in Kirksville at the Fairgrounds. This was decided at the August 4th meeting with a vote of 25 to 10. This will be a big change for Local 19. The fairgrounds offer better facilities and more space. We will now have access to showers, the bands will have the proper electricity needed and we will have access to buildings. All in all we hope this will improve the attendance at the Rally since the local voted in the July meeting that we wanted the Sally Rally to become larger. The Sally Rally committee is already having meeting but it is never too late to join the committee. New members are always welcome.

Keep an eye on the website for upcoming rides with Road captain Susie. She has proven that nothing can keep her down.

Also, Fred has advanced tickets for the State Line Rally in September. He will be selling them until he leaves for the Rally on September 12th, however, do not wait until the last minute to get your reduced tickets. When you buy your advanced tickets ask Fred about the gate shift that Local 19 is working. He would love to give you all the details so you can volunteer.

Please make a note about our September meeting. It will be held AUGUST 25th at 5:30pm at the Locker Room in Kirksville. Please attend and be heard. Till next month, *Carleen*

What's up, largest local in the Freedom of Road Riders. That's correct, we are the largest local, as of 4 August, with 348 official members, and more that have not made it to the CC roster yet. But we have to keep it up. All those that have expired, we need to get them renewed quickly. And we can not let up. Keep pushing for new members. Our goal we are still trying to achieve is for every member to go out and find one new member every year. Real easy, and fun too, you meet all kinds of new people, and make all kinds of friends.

Well, sorry I missed out on the last news letter, apparently my health warranty just expired, and all those old people stuff has been creeping up on me. But I am taking it easy now, have lost a lot of weight and am starting to feel much better. Hopefully soon I will be up and around more often.

Well, with or without me the local has been and will continue to be real busy. The USO ride in June was a great success, and we donated over $1700 to the Fort Leonard Wood USO. Great job all.

The Buckhorn Blast got a little wet, but the hard core 28 party folks, along with several other locals stayed and enjoyed the companionship, and in the end it was a great turn out.

As I write this, we are preparing for our local memorial ride. This is an important ride, as we pay tribute and honor all our members who have moved on to a better world. We don't do this to mourn them, but to honor their lives and memories that they left us with.

Well, over half the year has come and gone, but we still have a ton of stuff to do yet this year. The end of August, Labor Day weekend bring the yearly Home Coming Rally which of course is held in Buckhorn, Sept 22, we will be conducting our Local 28 Fall Poker Run which we use as a motorcycle awareness opportunity in the county and surrounding areas. Oct 27th, my favorite event of the year, is our Halloween Bash, where we turn all of the Buckhorn Chief Shrine Park into a haunted village, and all the proceeds go to the Shrine Children's Hospital. It is a great time for all no matter the age. Dee and I are going back to taking over a pavilion, and we are already working on what we plan on doing. I am already stoked!

Nov 3rd with be the Locals area toy run, and on Nov 24, we will

be once again in front of Wal-Mart collecting toys and food items for our Christmas drive. And lastly, we will be in the Waynesville Christmas Parade on Dec 2nd. So, as you can see, we are still plenty busy, and in all of this we will have some more fun rides thrown in for good measure.

Local 28 will soon have a new web page, local28forr.com, which will make it easier to access, a lot easier to remember, and give us more capabilities. I hope to have it up and running some time in Sept, so I will let you know when it is all done. Well, gotta go get the bike cleaned up for the next ride, the Geezer Glide is looking kinda rough!

Until next month "Keep it Vertical", and remember, have you signed up your new Local 28 member this year? ***Taz***

GREETINGS TO ALL!

PAST: Local 29 has a current membership roster of 104. There were 25 members and 7 guests (Tim Hutsell, LeRoy Coe, Justin & Rhonda Felts, Alex DeFord, and Jackie Smith), present at the July Business Meeting. Thank you all for attending! MEETING HIGHLIGHTS: Brent DeFord presented Ed DeMoss with a plaque in appreciation of the aerial photography done during the 2007 Kearney Bike Show (aerial pictures are on the website). The 10th Annual Kearney Bike Show will be on Sunday, March 30, 2008. There will be a new patch designed for this event. Submit your ideas. We are also working on a "Tuff-E-Nuff" patch for that weekend (a great idea presented by Sam & Ben DeFord at the June meeting). L29 voted to be a Trophy Sponsor for District 4's big event, Octoberfest. Bob Neal is L29's nomination for the Misfit Award presented during Octoberfest. The award is given in honor of Missy "Misfit" Widmer, and is awarded to a dedicated District 4 member who has attended at least two D4 events. Nov 3rd is the designated day for District 4's Annual Toy Run. We need L29 T-shirt ideas. Let's get on this so we can get our name out there to the public. A committee has been formed (Randy Adkison, Cindy Crozier, Ann Dodson, Jim Duyck, & Nancy Martin) to review the proposed changes to FORR's Organizational Handbook. They will present their ideas to members during the August meeting. Russell Felts and NeQuelle Wolfgeher were the two L29 members selected to attend MRF's 23rd Annual Meeting of the Minds Seminar in Cedar Rapids, Iowa. L29 will pay their gas, hotel, and seminar expenses. A membership incentive of $20 WOULD have gone to Gary "Animal" Paterson had he been present at the meeting (September's incentive will be $30). Brent DeFord won the attendance incentive of $22. Check out the website for more in-depth Meeting Highlights, as well as pictures of the Holt Hill Climb, in which there were several L29 members in attendance.

PRESENT: September Membership Expiration Reminders go out to Larry Baker, Dawn Luce, Lisa Raber, Gary Reeves, Daryl Rogers, Paul Stephenson, and Jim Testerman...If you have already renewed Super...If not, Step on It! I'd like to acknowledge all the September Birthday bikers and bikerettes, too, including (but not limited to) John Newberry, Sheila "Queen B" Neal, and Don "#66" Jackson...Happy Birthday!

FUTURE: The month begins with FORR Homecoming Aug 31st thru Sept 3rd. Saturday & Sunday, the 8th & 9th, will see several L29 Members in Kearney for the 13th Annual Mule Run. FORR's CC Meeting is on the 9th, and District 4 is having their meetings on the 11th this month. Local 29's Business Meeting is on Sunday, the 16th. Our Dinner Run is on Wednesday, Sept 12th. We are leaving Don Jackson's house @ 6:30 for Wabash BBQ (Excelsior Springs). Friday, Sept 21st thru Sunday, Sept 23rd is the 23rd Annual Meeting of the Minds in Cedar Rapids, Iowa... make your reservations today! We will end our month with L29s Plum Run on Saturday, Sept 29th. The Route is planned, and includes a stop at St Joe Harley Davidson's Smokin' Saturday Tunes, and ends with a post Plum Run Party at Ann Dodson's house in Holt.

being killed and or severely injured. Remember, you are the only one looking out for yourself; cager's do not look for us or see us. Ride safe, Ride smart and Ride defensive so you can ride another day. In an attempt to have more members attend the monthly meeting, meeting time has been moved up to Noon – 2PM during riding season (April – September) extension of meeting time if needed must be voted on by members present with May still being at 10AM and June on the 2nd Sunday. October – March will be 1PM – 3PM. District 4 needs individuals to step up and fill the secretary & Legislative positions.

The July "Evening Poker Run" had several bikes and riders/passengers both members & nonmembers. The route was excellent, other than a slight aroma therapy from what Bob calls "the smell of money", I differ with him on that. It smelled more like livestock passing gas to me. A minor mishap towards the end of the route left one rider with a cut to his hand and some minor damage to his ride, yet he finished the ride all the same. Randy & Cindy Langewisch served their usual excellent food and drink at the end stop, "Cindy's Kitchen" in LaMonte. Hope to see all of you on the September Poker Run and bring a friend, the more the merrier. Local 33 has been tasked this year at "Homecoming" to work the Product Line booth. Still need people to sign-up for shifts, the people who work will get a t-shirt for working. Local 33 has been tasked this year at "Octoberfest" to sponsor the "Best of Show" and has volunteered to run the "Bike Show".

than we did. Between restarting our business, working rallies and Fish's heart attack, we haven't had time for much of anything !

We've gone through some major changes in the local too. Donna was relieved of duties, by mutual consent. We need her desperately, but right now she needs to focus her attention on her own world. We miss you Donna, please don't be a stranger?!!

We have re instituted the phone tree. So expect a call prior to the next meeting. Remember, we changed the location, day, and time. We now meet at the W Club on hwy. W, in Poplar Bluff, third Sunday of the month at 2pm. Last month we had a poor attendance. We expected that as we hadn't gotten word to everyone about the new location, etc. However, those that did attend actually went for a RIDE after the meeting!!!! Imagine that! A riding organization that actually gets together to ride!!! We also appointed a permanent road captain. No more confusion about who is doing what!!

Our next big event is our St. Jude run, scheduled for Sept. 22, 2007, rain date 9/29/07. This is followed by the ride to Memphis first Saturday in Oct. Start getting your donations and sponsors together gang. We want this to be the best ever!!! Till next time- ride safe and often! ***Duck-K***

Ok I missed a month. Hell I even missed a CC meeting, the first in about 14 years. It was a well needed vacation. Now down to local events. The next big thing, on our agenda, is Homecoming. Be sure to put this on your list as a great time. Any one that works a shift gets a tee shirt and the local receives $25.00 toward our donation. Local 35 only has 6 shifts to pull and the rest of the time is ours. The local has discussed a trip down to Sauk Mountain and Elephant Rock. We won't find a better time than a ride from Buckhorn.

In the past 2 months, Local 35 has had several events. 1. The Sizzler. 2. Benefit Poker Run and Hog Roast, for one of our members that is fighting CANCER. We did raise a Thousand dollars for Wayne. It should have been several times larger, if we would have received support from other close locals and organizations. I do want to THANK CMA of Clinton for their support and Donations. Thank You. We also want to Thank Big Jim's in Windsor for hosting the Hog Roast location. And of course the ones that worked to pull it off. Don't forget our 12th Annual Fall Poker Run. Mark your calendar for Sunday, September 23rd, and ride that motorcycle. Ride safe, ***Bob Hawkins***

Mart and Jeremy stayed home and cleaned his WHITEWALLS. I don't know what everyone else done this summer but I'm sure everyone had a good time doing whatever.

Be sure and sign up for a shift for the gate or security for HOGFEST October 12, 13, and 14. Hope to have a big turnout so lets keep it safe and fun for everyone, but it's going to take everyone from Local 40 and 41 to make it happen. Big Boys is sponsoring the Bike Show and Runting Robert and Howling Angie are going to DJ Friday night.

The CMA is trying to put together a Bug Run sometime in September. Dwight will have more about this later. Sounds like a fun bug time.

Also keep in mind that It's getting close to electing new officers. Due to health reasons I will not be running for President or District Rep. I have ANAL GLAUCOMA and I can't see my ass holding these positions any longer. Two Years is enough. I would like to continue with the newsletter and C.C. Rep. But thats all. So have a safe Labor Day Weekend and REMEMBER THE BEST PLACE TO FIND A HELPING HAND IS AT THE END OF YOUR OWN ARM. ***STEMS***

Hello to Local 42! We had our July meeting on July 25, 2007. The meeting was called to order at 6:40 p.m. Special guest in attendance was "Wildman" Steve Howard from Hartbauer McBride Memorial Foundation. Instead of drawing for an attendance prize, everyone decided Wildman needed a FORR 42 shirt. The Hartbauer McBride dance was a huge success. FORR Local 42 was presented with a commemorative plaque honoring 42 for this years donation and hard work. Pacific Cruise Night held July 7, 2007 was an excellent PR opportunity. Donations collected from bike parking covered our costs for the evening. We held our annual School Supply Poker Run, July 15. The total school supply amount is $2388.50. The check was delivered to the Jefferson-Franklin County Community Action with their many, many thanks. Thanks to everyone for attending the School Supply Poker Run. It was a great time and an outstanding success. , although the member turnout was very low, we collected $1081.36. This collection will benefit the Jefferson/Franklin County school children with the necessary school supplies. Distribution of the school supplies was held at East Central College on July 27.

Patch designs in memory of Sandra "Grandma Sam" Sneed at still needed. Any design ideas, please bring to next meeting.

On a personal note: George and I could not attend the July meeting, we were welcoming our newest family member into this world. Hannah Rose arrived at 4:54 p.m. on July 25th, weighing in at 8 lbs. 1 oz., 21 inches long. Everyone is doing well.

Anyone that missed the NATIONAL BIKERS ROUNDUP at KCIR in KC,MO missed a great time. There were 214 different clubs and 20-30 thousand people. Although the traffic was heavy the entertainment was great.

MOTORCYCLISTS
IMPROVING

EFFECTIVENESS

OCTOBER 26-28, 2007

ANY STATE OR INDIVIDUAL IS INVITED TO JOIN US AT THE SIXTEENTH ANNUAL MID-SOUTH M.I.L.E.

IN THE BEGINNING ...

THE MID-SOUTH M.I.L.E. was first conceived in the winter of 1992 when over 100 dedicated individuals from the four-state area (Arkansas, Kansas, Missouri and Oklahoma) met in Joplin, MO at a small community center. The goal was to share ideas, techniques, strategies and enthusiasm, and that goal was accomplished. At the same time, the need for more time and structure was seen and so a seminar was proposed: an opportunity for motorcyclists rights group members to meet and benefit from each other's experiences, and to begin working together toward a common goal - the preservation of our freedom as motorcyclists. The time had come to unite as brothers and sisters or perish as fools.

From these beginnings, Operation M.A.K.O. was conceived. A four state bus trip to Washington D.C. to confront our individual legislators to take action on Tenth Amendment States Rights concerning mandates from the federal government. In 1995 this event achieved a position in motorcycle rights history. A second trip occurred in 1996, with Arkansas and Kansas carrying on the M.A.K.O. tradition. A third trip in March, 2003 - M.A.K.O.T. - was composed of the five states that make up the Mid-South M.I.L.E.

Anybody *Can...*

This is a story about Four *(FORR)* people named Everybody, Somebody, Anybody and Nobody.

There was an important job to be down and Everybody was sure that Somebody would do it.

Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job.

Everybody thought that Anybody could do it, but Nobody realized that Everybody wouldn't do it.

It ended up that Everybody blamed somebody when Nobody did what Anybody could have done.
