Howdy all,

Here to give you all the latest and greatest scoops on Local 1....

NOTICE: All Local 1 meetings, until further notice, will be held at the Odessa VFW at 1:00 PM. (Please note the TIME change)

It's been a busy summer for all - thankfully not to hot to bare! Things seem to be cooling down a bit, well this week at least. Hoping by Octoberfest time the weather will be PERFECT!!! Regardless it will be a BLAST as usual. Ahhhh and remember the "Dirt Drags!!!" Be there Oct. 6-8 at the Thunder Valley Sand Drags in Grain Valley, Missouri. (check The Freedom Press for the flyer)

Local members please remember that our local nominations for new officers for 2018 will be in November. If you have a few hours a month - come pitch in! It would be great to see some of you there.

Also, the State Cabinet will be having elections as well, think about who you would like to see in those positions....

If you have been reading your Freedom Press recently you have seen the demographics on memberships. Ya know Local 1 is almost 1/2 Life Members? Pretty cool huh?

There is always so much to say, but so little time. So as I always say... have a good one, then have another!

See Ya,
Michelle 'Rebel' O'Connor #7157

Welcome Fall!!

I wasn't at our last meeting so this will be short and sweet.
 If we have new members WELCOME.. Expired members need to renew..
 It sounds like Homecoming weekend went alright.

Let's not forget about Meeting of the Minds and Mid-South Mile. Good people, good fun and good food. Great education also.

You know, Christmas isn't too far away. Need to start thinking about the less fortunate.

Monday nights remember Chopper Stoppers for tacos.

That's all I can think of at this time!!

Wedding Bells and Straight Pipes.

It has been a great September, and we had a good group show for our ride and meeting on September 3rd, thanks to all that came out. October looks to be a busy month and we hope to see all of you to help out.

October 1st is our Local 7 member fun day at the Buckhorn Shriners club. We are going to have a BBQ, games, and just spend time together with our FORR family. Bring a side dish and some can food to jump start our food drive that I will get to in a minuet. Start time is 10:00 am.

October 7th, I am proud to announce, will be the wedding of two of our very own, Tammy Pickett and Bryan Young will be tying the knot. This is an open wedding invitation to all of our FORR family and would love to see as many come as possible. This is a Halloween Themed event and not only are costumes welcome, costumes are encouraged. It will be at the Buckhorn Shriners club starting at 3:00 pm, everyone is welcome to come.

October 14th will be our Local 7 can food drive. We will be at Walmart in Lebanon on south Jefferson Ave. all day collecting can food donations for local food pantry's, stop by and show your support. It would be great to fill the front of the parking lot with bikes to show our support to our community.

November 5th is our Local 7 Toy Run. Starting point is at Fort Awesome Powersports and ending at the VFW here in Lebanon Mo. Bring a New Toy and can food for the ride. Starts at 12:00 pm with kick stands up at 1:00 pm. There will be a chili dinner at the VFW following the ride. We had a large number show up last year and collected a lot for our less fortunate local families, hope to see everyone there.

Ride safe, ride often.

Welcome to our new member, Crystal Farrington!! A big thank you to Kari Bales for renewing. We will put you girls to work!

Our August meeting had 18 members present with Smokey as a part of Local 12, great to have you on board. We put together our Christmas Party plans at Beckett's in Glasgow on December 2, 2017. Happy hour will begin at 6:00 p.m, with dinner at 7. Call to make your reservations! David Kateman won the incentive pot (remember you can only win this money if you are at the meeting) Congrats David.

Butch took his posse to Local 13's Wonder Run and brought home the trophy for the local with the most members PLUS they stole the flag. Way to go Butch, Kari, Pinky, James Harris and Jim Welch. This is a fun time and the food is always fantastic.

September and October are the best months to ride because it is not hot and it's not cold. Could be raining but the rain hasn't killed me yet! Get out your MOTORCYCLE not your RV and hit some Local events. Speak when you are angry and you will make the best speech you will ever regret.

Greetings from Local 13,

Our annual Wonder Run was held on August 19th. I would like to thank everyone who came out to support our local by participating in the run and/or volunteering to work any of the stops. Without you all, it wouldn't be possible to hold this great event every year. I believe we raised a good amount of money toward the toy run. The weather held out until everyone was under the shelter, and the crazy rain didn't last long.

We look forward to seeing everyone at our second annual Monster Bash on October 21st in Mexico, MO. The dance will be held at Knights of Columbus Hall at 9584 Hwy 15, Mexico, MO. Doors open at 5 with auction starting at 6 p.m. and MezMer starting at 8 p.m. This is an all ages event. Ages 16 and up will be \$10.00 each, ages 6 to 15 will be \$5.00 each, and ages 0 to 5 are free. Couples are \$15.00. We will have costume contests for all ages, so use your creativity!

In addition to the dance, we will have our annual toy run on November 5th. We hope to have as many veterans join us as possible for the ride and the dinner afterward. The dinner will be held at Mexico VFW hall as it was last year. The run will begin at Missouri Veterans Home as always. We love this event as we get to honor our veterans and give back to the community at the same time. Come out and join us!

We will have one more meeting at Plunkett Park before switching locations back to the Brick City Buffet and Grill. Get out and enjoy the nice weather while it lasts.

Greetings Local 14 family and everyone out there in FORR land!

We are now saying goodbye to Summer and hello Autumn, cool nights, bonfires, and hoodies. My most favorite time of year. Speaking of bonfires, all of our local's assigned shifts have been filled for Octoberfest which will probably be done by this issue. Thanks to everyone who stepped up to cover them. Hoping everyone had a great time and that there were no mishaps. Our August meeting was kind of short and we had some members absent due to the chasing of the flags but it was a good meeting with a good turnout of 20 members signed in and 3 guests. Thanks everyone for coming! As of the date of that meeting we had 16 new members: Jennifer Hillsman, Gene Burgess, Callie Lowrie, Mike Strickland, Beau Holland, Robin Holland, April Collins, Paula Wyatt, Stephen Bolling, Thomas Landwehr, Larry Griffey, Sarah Griffey, Curtis Rosenbaugh, Stephanae Foulks, Mike Basso, and Jessica Basso, bringing our total membership to 97! Woo Hoo! Welcome, Welcome, Welcome new members! As many may know, Local 14 always helps the VFW in Sugar Creek with their annual Hog Roast and Bike Show which was held on August 26th and the turnout of participating bikes was great and many more people came afterwards for the Hog Roast dinner. The showing of local 14 members was just awesome! On that note: Doug and Donna Hilburn would like to extend their sincere and heartfelt thanks to all of our members that came to help out, brought sides, had a bike in the show, or were just there in support. They would also like to thank everyone for their participation in capturing the flags. Lots of fun has already been had and more to come. Well I guess that wraps it up for this month. Remember, if anyone has anything you would like to add to the newsletter please let Donna or myself know by the first of the month for approval and to give me plenty of advance notice. Thank You.

Everyone please Ride Safe, Drive Safe, Be Safe.

Hey everyone,

Right now it's almost time for our Fall Swap Meet and Bike Show on Sept. 17th. I'll let you know how everything goes in next month's news letter.

Hard to believe, but it's almost "Toy Run Season"! Yep! Time to start gathering toys, coats, mittens and digging into our pockets to help children and their families in all our Freedom of Road Rider Local areas. Plus most of us support other groups as well. The season of kindness and giving is my favorite season of all.

The Local 15, Stone County Toy Run is October 1st. It's still at the Branson West Wal-Mart at 1 pm.

Next is the Local 15 Branson Toy Run, November 5th, at the Hwy 76 Branson. Wal-Mart. It also starts at 1 pm. Please come out and support both if you can!

We had a great time at our BS meeting last at Double Oh Cafe and grill. Yes, I had their amazing onion rings, I heard their potato salad was also yummy. Was so happy to see a couple of members that had moved away or haven't been around lately.

Our October BS will be at Beverly's Steak House & Saloon in Kirbyville just East of Branson at 1482 East Hwy 76. That date is Oct.

3rd. Sadly, a couple of weeks ago, Beverly passed away. Many of us came to celebrate her life with her family and lots of other friends that loved her as much as we do. If you are ever passing by or in need of a cold beer or delicious food, please stop by Beverly's!

Have a wonder start to Autumn. Hope to see you soon,
Lou

Labor Day weekend has passed and summer is now officially over. 2017 is 2/3rds gone and the cooler weather will be here soon. I hope that everyone enjoyed the summer and had a safe riding season. Along with the cooler evenings and nights come the dangers of more deer and critters crossing the highways. Slow down a bit so that you can see them in time to react.

Our last meeting was held at The Bayou, We discussed some of the upcoming events and such, but missed out on several of the key parts of our meeting due to a few of our officers taking a ride to Kansas. Glad that they had a safe ride and also to the our local members that made the trip to Sturgis.

I forgot to write anything about this in last months newsletter. On Sept. 16th the Wall to Wall Ride will be on its final leg of a ride from the Washington DC Vietnam Memorial Wall to Perryville, MO. On Sept. 12th an American flag and a POW/MIA flag that have flow over the wall in DC will start the journey in a motorcycle parade to Perryville. It will travel to the site where a new full size granite Vietnam Wall will be built. A flag raising ceremony will be held at 11 am on the 16th.

Hello There

It has been a little while since I have written I have kicked myself in the butt for not paying attention to the date. Happy birthday and Anniversary to all that will be having or has had one in the time I have been absent I hope they were wonderful.

Due to all of the events going on around us we decided at our last meeting it may be a good idea to bump our meeting time up so everyone can attend some of the events after the meeting or just go for a ride as long as the nice weather holds up.

Last week we had to bid farewell to another friend and member of our Local. Nina Ott passed our thoughts and prayers are with Tom and his family she will be greatly missed by many.

Local 11 made a trip to see us and capture our flag it was great to meet them and I must say they sure livened up our meeting in a good way we look forward to making it to their part of the country.

We thank them for the generous gift to our Sierra Osage event.

A storm is moving in so before I loose my internet until next time as always

Dear Brothers, Sisters and Friends of South Central Local 22,

We are busy making to final plans on this years Ozark Mystery Tour, that will be taking place October 7th. We hope to have a few of our Sister Locals join us. Everyone is welcomed. The beginning of this years Ozark Mystery Tour will begin at Triple C Motorcycle Repair, 4961 Hwy 160 just on the out skirts on West Plains. Sign in from 10:00- 11:30, we will be serving a meal at your final destination as well as drinks. Menu has not been set at this time, so it will be surprise. We will also be having a silent auction with some pretty cool items. We will close bidding when awards are handed out and announce winners at that time. We have 13 awards to be handled out in different categories, so everyone has a chance to win.

We would like to thank all who have helped in getting this event together. It is not an easy task to put together but with so many helping hands we can make it look effortless. Your efforts do not go unnoticed and are very much appreciated. Bear Ingalsbe and Jerry Stutzman have once again planned our Ozark Mystery Tour route. With the floods earlier this year in our area a few stops had to be rerouted. They guys have ran the route many times to ensure it is a ride to remember. With Mother Natures help, fingers crossed the colors should be breath taking. In the Ozarks every day is beautiful and we invite you to share this day with us.

October is a busy month for our Local. Not only will we will hosting the Ozark Mystery Tour. South Central Local 22 was invited to do two public outreaches spreading awareness and safety tips to our children

of this area. We had a great response last year, it was so much fun. Our reasoning for doing these type of events are by talking to the kids we feel or hope that we are opening doors. Our overall hope is that our community is more conscious and aware of Motorcycles. With any luck these type of outreaches will at very least open the floor to further conversations at home. If we can save one life, it is well worth the time and effort. Motorcycles are such a big part of our community we would like to think our efforts are putting a new light on safety. The children are the future. We must do our best to make an good impression on them as well as their parents. Not only the dangers but, also the pleasure of riding. By planting a seeds through these type of events, we are hopeful that stereo typing and or misconceptions of the American Biker can be put to rest. We are all someone's child, parents, grand parents, bothers, sisters, aunts, uncles, cousins, we are Americans. Ours lives reflect the world around us, maybe it's time to slow down. You know put our best effort into making the world a better place. Taking steps to care about one another and break down the walls of ignorance. We may have chance.

Hope that you all have a wonderful Halloween
Until next time Live life to the fullest

Hi everyone!

Thank you to everyone who came out for our Redneck Biker Golf. It was a beautiful day and we had a great turnout!!! A special thanks to Locals 11, 14, and 25 who came out and captured their very special flags! A great time was had by all!

The amount of motorcycle accidents has grown astronomically it seems. Please be especially careful of your surroundings and follow at a safe distance behind vehicles in front of you. We tend to think that since our motorcycles are lighter that we are able to stop faster but that is really not the case so be extra careful!!!

Hope that we were able to see some of you at Bikefest at the Lake if the Ozarks!! Have to love riding in the Ozarks. It is beautiful!

Hugs to all...

Hello to all.

As summer comes to an end, we move into fall with its shorter days and crisp cooler weather. Fall is one of the most beautiful times of the year to ride in Missouri. We have such a ride on October 15th, the Leaves in the Breeze run. This run is about 110 miles of beautiful tree-lined back roads. We will have games at each stop and prizes at the end. We would love to see you there. We will meet at Mattingly's in St. Charles MO.

The Leaves in the Breeze run also signals the end of the 55" TV give-a-way. We will draw the winning

ticket at the last stop. We still have tickets available for \$5. Wouldn't this be a fantastic Christmas gift? If you would like tickets, contact Jay or Ken at the phone numbers listed above.

Fall is also the season when we see more deer on the roads. The days are shorter and you may find your selves riding at dusk more frequently. We all know what happens when a deer and a motorcycle collide...not pretty for anyone. Please keep this in mind as you ride this fall.

We are currently planning a Toy Ride on November 5 and will provide more information to follow. All proceeds from this ride are donated to Shriners Hospital. This is truly one of the most uplifting rides of the year.

Hope to see you at one of our upcoming events. Ride safe.

Greetings Riders,

Fall is upon us and with it a lot of cooler weather, or at least I assume so. There is a bit of a time lag between when I send this in and when it appears in your mailbox. I know that The end of August and beginning of September were unseasonably cool. We had lows in the 50's. Of course cooler weather means that you can wear your leathers or other gear without getting too hot.

The downside to autumn is that we will have harvest and wildlife to contend with a bit more frequently than other times of the year. The deer will be moving a bit more and the days will be getting increasingly shorter. Sundown is pretty to look at but a hazardous time to travel.

By the time you read this, Keosauqua, the End of Summer Rally, will be over and was hopefully a success. Attendance has been dropping the last few years and it doesn't bode well for our primary fund raiser. We've have light turnouts for our Eat & Rides as well. This was surprising considering you could not have asked for better weather in August. I know summers can get busy, but our membership is decreasing and we need to get more people to attend to be an effective MRO.

Hey People

Beautiful Missouri weather to be on the road but remember that there are a lot of animal movement and a lot of people do not hear or see us coming.

Nothing much going on right now we have the Halloween benefit at the shrine club and then there are nominations for the new cabinet, it would be AMAZING if more than 20 people showed up at the meeting!

Please stop by and give your input...Remember we are getting into the fall season and wet leaves can be hazardous.

On August 5th, Sarge, Shelly Kertz, Karen Ryan and Pate Green went Local 7 in Lebanon to capture the Flag. August 20th Pat Green, Karen Ryan and Jay Haas went to Local 29 in Kearney to capture their flag.

Sarge would like to thank everyone who worked the FORR State Fair Booth this year. We had a great location next to Yeager's Cycle. I would also like to thank Sarge for stepping up and managing the booth. We had Local 35 and Local 14 help pull 3 shifts and our local pulled the rest. I would like to see more locals take an interest next year since this is a FORR project not a Local 33 project. This is to get the word out about Freedom of the Road Riders and what we stand for.

We lost one of members in August to Cancer. David Tuttle Sr died August 15th. As requested from David Tuttle Sr himself, we did a "Last Ride" with him in the motorcycle hearse. Joining in the ride was the Patriot Guard, Local 33 members, family and friends.

Mark Baty was the lucky winner at our August meeting to attend the Basic Motorcycle Class for the month of September. So if you want a chance at this you will need to come to the meetings.

10 members from the Local went on a Total Eclipse Ride on August 21st. We rode to Concordia and had breakfast at Tipsey Restaurant. Then we continue on to Waggin Wheel in Malta Bend to watch the ellipse but the clouds hung around so we decide to ride south where the skies were clear. We ended up parking on a gravel road surrounded by corn fields. It was a beautiful view of the eclipse from there and a memorable day for us all. Thanks Doug Weiss for planning a wonderful day.

Reminder: Local 33 Halloween Party is October 28, 6 PM at AmVets in Knob Noster. Live Band and Costume Contest. \$5.00 at the door.

Don't forget October 15th is our monthly meeting at 1:00 pm at AmVets. We will be taking nominations for next year's Local 33 Officers. We have 106 members but only around a 4th attends the meetings. It's important that more members attend the meetings and take an active role in our local to make it the best local out there.

That's all I have folks.

As I'm writing this I realized there are only 17 days of summer left. It seems like only last week was the first day of summer and now it's gone. Recapping August for local 35 was a very good one. About 40% of our Local went to Homecoming down at Caplinger Mills. Saturday night was a great time as we all had a great dinner together. Want to thank Alex Hopkins for bringing his smoker and the meat for all of us to eat. Can't forget all the ladies that whipped up some great side dishes to go along with it.

There were several of us that worked the FORR® awareness booth at the State fair in Sedalia.

The last weekend in August a group left Clinton heading for Joplin, where we captured Local 11's unique flag and looked at the motorcycles, in their show. From there we headed on south to Arkansas and stopped at Pig Trail Harley Davidson to see the new 2018 bikes and do some shopping. Then we headed on over to Eureka Springs for the rest of the evening. Had a great meal at a German Restaurant. Then of course we went downtown where we had to patronize the famed Cat House Bar and Grill. Then back to the motel for some camaraderie and some serious beer drinking. There was one little mishap on our ride that delayed us in getting back to Clinton in time for our monthly meeting.

There isn't a whole lot going on in September except for Local 3's almost rally at the end of the month in Roscoe. Then the last Rally of

the year, District 4's Octoberfest. This may be a small rally but a great one. It is one rally that has motorcycle drags as in the old days. It is an official race track with light tree and time.

Ride safe and hope someday free.

HELLO out there Local 41 and all the other Locals! Another try at sending this NEWSLETTER! Didn't have much to say but now that something happened in this computer I will have a little more to talk about, that's it. Like I just said not much to talk about, meeting is Thursday the 7th so it hasn't happened yet, at the writing of this letter. Angie just celebrate her birthday, no one else has sent me anything. This weather has been great up here in northwest MO, I have even gotten to get on the scoot a little bit. Have ridden down to the local Drag strip to have some fun with the race car. The son takes it down early for a parking spot then I can show up later by getting to ride the Bike. Sometimes it is late when I go home but you ride what your lights will let you, but you sometimes see stuff that isn't there, no beer involved! Enjoyed the Labor Day Holiday hope that everyone had a good one also. Was up in Maryville to eat supper with Roy Brown and his wife, he took us by the Freedom Rock in town. If you haven't been to one or seen one you should make a trip to see one. There are several in Iowa if you like no helmet riding. Like I said not much going on, so Ride Safe And Free, later Steve G.

Greetings Freedom Fighters! Well here it is October and I for one am looking forward to the cooler weather and riding through the fall colors. If you have never done it before, the ride through Mark Twain National Forest between Steelville and Elephant Rocks State Park is fantastic motorcycling and the colors are SPECTACULAR. Coming up this October on Sunday the 8th we will be having our poker run to benefit the Hartbaur/McBride charity. This groups motto is "Bikers Helping Bikers". They can help out a brother or sister in emergency situations with donations to help stave off bills if they are down on their luck at the moment. 100% of the money is given back out to the community. The board is all volunteer and no one receives a salary. Look them up online. Howdy Ya'll, where did the summer go? It's flown by and Russell and I have probably not put 100 miles on the bike all summer. Oh well, life happens sometimes. Local 47 is staying busy. Some of our members have been supporting other Locals events, Homecoming and a couple of charity rides (Jimmies Miles for Medals and the Special Olympic Run) to help raise money for good causes. We are also planning a Local 47 camp out that will be held on September 16th at the Pony Express Campground out by Maysville, Mo. I hear we are going to have a good turn out, so I'll let you know what kind of shenanigans were had in the next newsletter. We had some flag stealers pop in at our last meeting from Local 11. After our meeting ended Russell helped them find local 29's meeting so they could steal their flag too. Octoberfest is right around the corner on Oct. 6th - 8th at Thunder Valley Sand drags in Grain Valley, Mo. Bring your mittens and your bug juice and join us for a weekend of fun.

Until next month, keep the shiny side up!

You could belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
