Well another month is gone... On to the next one!
 Missed the June meeting as we were in Branson -
 "HAVING A BLAST!" Thank you Dallas.

On with the news.... On the forefront our Governor vetoed SB202. Hmmm we've been down that road before. (Same 'stuff' different day!) Looks like we'll have to work on electing a new governor starting now!

If a mans word is his bond - Looks like Missouri's Governor could use a lotta 'Gorilla Glue'.

The last meeting was at the Chapmans in Bates City -
 It was HOT! Nuf said.

The next meeting is at the O'Connors in Holden -
 Be there for a BBQ!

By the time you read this our Lime Run will be history, I will fill you in next month on the happenings.

All members need to check and make sure all of their info is correct with your local secretary. (Address, Phone #'s Etc.) We need to be able to get a hold of you fast - Just in case we want to do a quick run to the capitol... Ok, I'll quit for a while - but not for long!

Hope all are well and fairing the heat. See ya later -
 Have a good one, then have another!

Howdy Folks, our meeting location is American Legion Post 359, 4826 Frederick in St. Joseph MO. We always meet the third Sunday of the month at 12:30 pm.

Bikers Sunday on June 7th started out a little cloudy but we had a great turnout. The weather turned off sunny and clear during the service. There were 500 seats in the church and all seats were taken. The church served us a nice meal. We had people working the parking lot, Nick Swope Sr, Dan Harmon, Gary Townsend, Rhonda Trillo, and Nick Swope Jr. There were 78 motorcycles there. There was a people's choice bike show with First, Second and Third place winners.

Camp Quality Run was also on June 7th. We had 80 motorcycles from St. Joseph, 5 bikes and 6 people from Local 19 in Kirksville, Mo and a large group from Local 26 in Maryville attended. There were also a couple from Montana and another couple from South Dakota came to participate. Camp Quality is a special camp for kids with cancer who get to have the experience of camping. It is a very good cause. This year there were 100 kids registered and there is an adult companion for each child. There were 40 staff members working in addition to the volunteers. There were over 30 Security personnel working 24/7 to make this camp happen.

think this is right.

Casey Spear and his family went to Branson MO for a vacation and had a great time. They spent a little over a week. Casey had to sell his new motorcycle already because of his work schedule.

Doc Ludeke was involved in a motorcycle accident. He has some road rash but no major injuries. The bike was damaged badly but Doc is ok now.

June 20th we had a dice run. It was about an 80 mile ride, a little cloudy but a good ride until the end. After the group got to Belt Highway and Beck Road to the last stop it was very wet. 1st Place winner was Mary Jackson, 2nd Place was Bud Rials, 3rd place was Casey Angstia. Everyone had a good time with black and gold trophies given to the winners. Thanks to our workers, Dan Harmon, Scott and Julie Clark, Jim Cross, Kevin and Kori McGuinnis, Mike and Okie Daniels. Jim Cross was giving a lady a ride while on the dice run and Jim almost fell over because he was trying to watch.

On Father's Day a group from Local 6 rode to Arbor View Rest Home. Several of the residents were allowed to come outside and visit with the riders on Father's Day, especially those who had a military background.

Local Meeting was moved back one week because of Father's Day with 48 members in attendance.

Joyce Canfield attended the National Sidecar Rally in South Lake Tahoe CA.

Larry and Mary Jackson have started their vacation. They couldn't make the Alaska trip this year but are going out through Colorado and thru Sturgis for a nice riding vacation.

Happy Trails, til we meet again. Ride safe, **Dan**

Contact: 417-286-3845

Greetings Local 7.

Well the Freedom Rally has come and gone. I want to thank all Local 7 members that graciously set aside time to work the rally. Without volunteers the Rally would cease to exist. Forgive me if I fail to mention your name. Those Local 7 members working the rally in no particular order are as follows, Tammy, Mark, Billy, Jimmy, Rocky, Nita, Pam, Guy, Roxie (Queen), and myself (Geezer). Three of our members, Don, Charlie & Robert seem to be working all of the time. Thank you all for a great weekend. Moving right along, there was a couple of rides Local 7 participated in. 1st ride was for the Special Olympics held by the Lebanon Police Department. Beaver & Justine, Guy and Myself attend this ride. Sunday we rode to Springfield to support

the Vietnam Vets. Those in attendance are as follows: Watermelon Ron & Anita, Beaver & Justine, Guy, and the Queen & I. That same day Richland held a Relay for Life Ride. Stanley participated in that ride. It is nice to see our members out enjoying the sunshine at the same time helping others. A couple of dates to remember...the July meeting date has been changed to Saturday July 11th so we can have a Lost Brothers ride starting at C.A.s Custom Trike and Trailer at 18959 HWY 64, Lebanon at 10am. Our August meeting date will be held on August 9. This will enable us to all welcome home Robert Evans. Lets all try and come out to welcome Robert back. Looks like the weather has finally turned around. Lets get out and ride as much as we can. *Enjoy life.*

Until next time... **Geezer & the Queen**

Hello Local 8!!!

I hope everyone had a safe & fun 4th of July, as you celebrated the FREEDOM of our country! Too bad our Governor doesn't feel the same about freedom as we do, and vetoed our helmet modification bill. As we've done in years past, we'll pick ourselves up, dust ourselves off and be back again next year fighting the good fight! Think about this for a minute, I know you all either have your own or have been around others' kids who want something really really bad. They just keep hounding and pestering and asking and the more they do and the longer you put them off they get louder and Louder and LOUDer and LOUDER. Until they finally generally get their way, that's what we have to do and the only way to do this is in numbers. We have to have larger groups roaming the halls of the capital - not just on capital crusaders dates - EVERYDAY. Now I know we all have to work and no one can be there everyday, but if I go today, you go tomorrow, your friend down the road is off on Wednesday, then cousin Tom is off Thursday. They need to see us everyday. If nothing else they may finally give in.... Just my opinion!!

A big welcome to our new members: Thomas Burson, Mike Lair, Annabell Thomas, Scott White, Honi Brown, John Reigonborn, Glen Tucker, George Pease, & Beverly & Robert Alden. I hope to see you all at our upcoming local meetings and events.

Thanks to all those who've renewed for another year: Bob Dimett, Kenny King, David Critten, Daniel Critten, Cheryl Chaffee, Mitch Chaffee, Don Collins, Monty Dodge, Mike

Now on to business – our 23rd Annual Spring Fling was a great success, we had 666 people sign in through the gate. I have heard a ton of positive feedback regarding the change in location, and many people hope we host it there again next year.

I know tons of questions are flowing about the accident on the poker run and how they are doing. Wade & Lisa were fortunate, they were shook up but had no injuries, George had some pretty nasty road rash and his healing well and back to work, Laura had to have a rod in her leg and is healing and Bob at this time is still slowly recuperating in ICU. Please remember Bob & Laura in your prayers daily as they heal and move forward in their recovery. If you would like to send cards, please send them to Bob & Laura Ely 9652 LIV 511 Chillicothe MO 64601. You can also send Bob an email at www.muhealth.org under the patient tab, email a patient and choose university hospital.

Congratulations all our winners at Spring Fling. Due to limited amount of space allotted in the newsletter, I will not list them all here. A list is posted on our local website www.forr8.net. If you have pictures from the event (or any other event) you would like to share with us, please email them to me at gely603@hotmail.com and I will put them on the website.

Be watching your emails and the website for information on some future rides. Kevin & Pete have been trying to get some interesting things planned for the next couple of months. Remember while you're out there to BE SAFE!!

Until Next Time ~ Keep Smilin ~ **Glenda**

P.S. Kenny asked me to send a thank you out to the dedicated hard working members and all those who helped make our 23rd Annual Spring Fling such a great success!!

although there were only a few local 10 members that showed up! We had approximately 15 bikes with 25 people that rode. We are still working on more summer events, if you have any suggestions please contact Dale Thomas or myself at the e-mail address listed below or via cell phone (573) 230-7577.

Greetings everyone from your friends in local 12, Glasgow. I'm running a little short on time this month so the news will be rather brief. As I'm writing this, we're one weekend away from the Firecracker Classic and the weather reports I'm hearing call for very hot weather. Hot we can handle, just please hold the rain, Mother Nature.

Plans are coming along very well and we're hoping for a big crowd. There are many people that deserve a lot of credit for this and I'll try to get a list in next month's newsletter.

Local 12 has a new treasurer to replace Gary. Courtney Whiteside has been elected to take over the financial doings of local 12. Congratulations and thanks, Courtney. We're discussing a possible get-together out here at the farm to celebrate local 12's 15th anniversary. We are thinking about doing it on Saturday, August 1st. This will depend on how well we do at the Firecracker Classic to provide funding for the party.

A couple of days ago I got the word that governor Nixon had vetoed SB202. It's hard for me to find the words to express my disgust at this. John had personally asked him twice if he would let our bill become law and he had said "yes" both times. Does this remind anyone of Mel Camahan? We've been lied to twice now and I for one am damned tired of it. Maybe it's time to try another route, perhaps through the courts. I know one thing, we should have Nixon in the crosshairs for his next run for office and send him to the unemployment office like we did with Chuck Graham.

If you have any news you would like to be in the newsletter, call me at 660-631-7324 or e-mail me at smokeystrodtman@hotmail.com or you can see me at the meeting.

Hello Local 14 and friends, this summer Local 14 is hanging out and having some fun in the sun and in the rain. A group of us met up at the local park in Sugar Creek for some good food and good company. Despite the rain we were able to stay dry under the huge shelter and not let the rain chase us away. Thanks to Dave and Darlene for hosting and providing the tasty hamburgers and hotdogs.

Don't forget August 8 we will be holding our memorial pool tournament, "Kickstand's No Dough to Go". Sign in is 11am, Noon start, \$10/per player, 1st, 2nd, 3rd place trophies. Door prizes too. Location: Sticks and Stones 11404 E US Hwy 24 Sugar Creek, MO.

Another date to put on your calendar is our Annual Christmas Party/Auction, to be held December 5th, Saturday. We always have a good time and raise money for some deserving folks. Don't forget to start putting aside items for the auction or checking out those yard sales for auction items.

Do we have your contact information? Your phone number and/or email address? The local is still going to put together a phone book for members. You can call us or email us the information if you want to be included. Who knows someone might call you up for a dinner ride or just to hang out.

To all our members who have a birthday in August - Happy Birthday!

Letter to the Editor

Something happened today that I must share. Saturday June 13th 2009 after working blockades for the Race for the Cure an unfortunate incident occurred. While stopped at a red light off Grand and Kossuth (Hence I did say stopped at a red light) while riding home with my husband and a couple of friends it happened, I could see in my side mirror a green Mustang slowing or so I thought. Then wham the sudden jerk of my bike while the guy used my back fender as his brake. Thankfully my Guardian Angel rode with me that day and no injuries were to be had.

I got off my bike and after a few expletives flew out of my mouth guess what spewed out of his, OMG those most infamous words. I DID NOT SEE YOU. After a few more of my expletives I asked him how when it is 11 in the afternoon on a sunny dry day at a stop light could he of not seen me.

His excuse was that he just worked a long shift and he was overly tired. (The truth on that later.) I thus told him that is no excuse, that A) if he is too tired too not of seen me on my bike he had no business being behind the wheel of a vehicle, call a cab for heavensake. B) That it is because of people like him that injure or kill people like me.

His response was that he has total respect for bikers, with that I told him if he was speaking the truth he would of stopped at a safe distance before the impact upon me. I almost asked if he had been painting his nails.

The Police were called to file a report and after him telling them a different version of events the reason he truly did not see me come out. While doing their investigation of the accident scene they found heroin and syringes on this guy. Off to the Pokey for him and thankfully I will ride another day.

The point here that I am trying to make is I understand of illwills in others life, but you do not put others at risk because of it. Your addiction should not cost me my life, to have my husband become a widower, my children to have no mother and my granddaughter to lose her NaNa. For your family and friends who now have to bail you out and pay the impound for your car. To help you with your legal troubles. To try and get you into another rehab. Just maybe next time you will think about not becoming overly tired to the point you get behind the wheel of any vehicle, you will think before you drink or drug up.

The outcome of this incident could of been far worse, this letter could of come from one of my loved ones, because of your inability to SEE.

Sincerely,

Newbee

LOCAL 15 - BRANSON

Meetings: 3rd Monday @ 7 p.m.

Downing Station, Hollister, MO

Contact: 417-334-0775

The heat has really slowed things down around here. It might also be we need some time to rest up from the busy month of July to ready for the busy month of September. Riding has been great here – the hot weather hasn't slowed most of us much. Remember to keep an old denim shirt in your bags to wet down for riding on those blistering days. A wet shirt at 55 will bring shiver on the hottest days. Just doesn't last long enough. I heard a speaker in Georgia tell about crossing the desert in the heat of the day by soaking down a sweatshirt and putting his leather jacket over it to slow the drying time. He said it was a cool ride in an impossible situation.

September is our annual bike show and swap meet in Forsyth at Shadow Rock park. Those of you that have been there before will making plans to attend again I am sure. If you haven't been there yet – put it on your

calendar for a good time. Wash up the bike and polish the chrome. A bike show isn't a bike show without bikes. All makes and models are needed and appreciated. People come out to see bikes – so the more the merrier. This is one of our biggest fund-raisers of the year so everyone being a part of it makes it a success.

Thanks to Mike Brown for putting together the fund-raiser for Keith Dorsey. You deserve a big "Atta-boy". So.....Atta-boy!

Up coming calendar events....

August 4th BS meeting at the Midnight Rose in Branson West. Bring a covered dish. 7:00 PM

August 14-16 Bikers & Babes at the Beach in Rockaway Beach put on by B.A.C.A. This event is really growing. Local 15 is having the biker campground again this year. So plan on pitching a tent. \$5.00 for a tent all weekend. There will be a shower available and Porta-pots. There are flyers in this newsletter with more detail.

August 18th is the monthly business meeting in downtown Hollister at 7:00PM. Attendance at the meetings has been great. The room has really been filling up. Good support!

The next event after that is Buckhorn Freedom Rally!! Maybe we will see you there. Later...kicking it under the A/C today.....**Rose Atchley**

Hello from the Boot heel of Missouri! June is gone and we had a good attendance at local 20 meeting! Had 3 guest's and they said they were going to join that's great. I would like to thank our Vice President Tom Ott for conducting a good meeting and keeping it in order. Not much really going on here at Local 20 right now but summer has just started. Thank you to the member's that come to the meetings. Hope we get to ride lid free after Aug. Everybody keep their fingers crossed!

Well that's all I have to write for now until next month later.

Hey everybody, sorry I missed the deadline last month but by the time I got recuperated from the Freedom Rally it was July already!! Did we have a blast or what? Some of us had so much fun and laughing so hard that we had margaritas coming out of our noses!! The only thing missing was gobs of tire smoke. A bike rally is supposed to have Gobs and Gobs of thick blue tire smoke and burning hydrocarbons too! Ain't it?

Anyway our last couple of meetings have been pretty well attended and we all appreciate everyone's support. Just to clarify our meeting time was permanently changed to 4:00pm on the 3rd Sunday of each month at Buzzer McGee's until further notice. But that doesn't mean that you can't get a head start by showing up early.

After the meeting on July 19 and August 16 weather permitting, we hope to have a short run to another

Senate Bill 202 and comparative fault is close to being revised. Staples has petitions for support of the bill. We took them to the heartbaur/McBride dance (the bands there were great if you missed it this year.) With help from our ABATE friends we collected several signatures. By the time you read this hopefully the bill will be signed. We'll see.

The meeting this month was short and down to business. We are up to 37 members and growing.

The July 12th Poker Run is all set, just making sure that all the insurance information is turned in to the state.

Honda Hank passed around several pictures of Rev. Bud Ball. The local voted on the picture they would like to see on the Blessing of the Bikes T-shirts.

Newbee had a 'mishap' on her bike. She was stopped and a car ran into her. Thank goodness she's okay. This incident was out of her control. PLEASE do what you can to be aware of the idiots out there! See you at the next meeting, Wednesday July 15th at Gringo's. *Vicki*

Hope everyone had a great 4th of July and safe trips!

We had a good ride to The "Freedom Rock" June 27th near Greenfield, IA. Six of us made the journey to see the famous Rock that "Bubba" Sorensen paints every year to Honor veterans who have served our country. It's pretty awesome. The artist, Bubba Sorensen also has a studio in Greenfield, IA where you can purchase items relating to the "Rock". The website is: thefreedomrock.com When Bubba is not painting the rock, he also does personal paintings, original murals and graphic designs. He's a talented guy and very nice to talk to. He has never been in the service and does this just out of gratitude for those that have. Way to go Bubba!! Since there were a lot of other trips and commitments preventing many of you from going on the 27th, we hope to plan another ride up there in the future.

Our June 16th meeting was at the Depot in Shenandoah, IA. 18 members were present and 9 guests. The secretaries and Treasurers reports were read and approved. Pres. Kathy Rice reported on the District meeting. Other business included: Nodaway County Fair Float and that we would meet at Pitzenbergers shop to construct the float on the 17th at 6pm; Milt Sovereign made a motion that during the Fair, Local 26 donate money to the local food pantry and a set amount of \$200 be given (individual donations will be collected and the Local will make up the difference up to the \$200). It was approved.; Christmas Holiday party date was set for Jan. 16, 2010 at the Eagles.

Upcoming events were announced by Pres. Kathy.

Tickets and flyers for Keosauqua can be obtained at Pitzenbergers shop. Meeting was adjourned at 8:10 pm. Wayne Tayler won the door prize.

Our next meeting is July 21st at Camaro's in Bethany.

Hello Local 28, the year is zipping right along. Unfortunately as I write this we just found out our Governor has shot down SB202. It was definitely a disappointment, because not only can we not have the choice to decide to wear a lid, but it has opened the road for insurance companies to continue to screw us over because we ride motorcycles. mmm, Nixon, wonder if he was related to the Nixon who lied to the entire country back in the 70's.

Coincidence? Well the fight on this is still not over, we will need to you to support the fight is we can get enough Senators and Representatives to vote for an appeal.

Well, July was a busy month. For all that missed it, the Buckhorn Blats was a..... well a blast. The kids, and there were a bunch, all came out and were playing volleyball, badminton, the Bounce House was a favorite, along the spraying beach ball. And Tommy and Timmy, I don't forget. Someday, some time when you are least expecting it.....

The band that night was exceptional, everyone raved about it. The fireworks show was a hit, and although I was not out there on fire, it was not far from it, when one of the fireworks blew up instead of up. Bet you did not think a ole fat guy could move so fast huh? Over all, the Blast was a great success. And for all those out there that complained about the Freedom Rally having to become an adults only party, this was like the 14th or 15th rally, that was design from the ground as a family rally, with games just for kids, and yet you have never been to this rally, then you have no real complaint, you just missed out on a real fun family day.

Next week, the 11th of July will be the Don Nelson Memorial ride down to Eureka Springs AR, so I will have all kind of stories for you then. Kevin and June along with Dee and I are spending the night in the New Orleans house, and have tried to get them to believe it is an all nude hotel, so I will let you know how that turned out next month.

On a final note, If you were not at our last meeting and did not stay there after the meeting, you missed an event

that will only happen once every decade. I got slammed (so I am told, I don't remember) so if you missed it, you will have to wait until I am 60 to see it again.

Until next month, keep it vertical

HAVE A SAFE TRIP TO STURGIS!

PAST: Again, apologies for last month's newsletter.
MAY: There were 26 members in attendance at the May meeting. Thank you, Donna Duyck, for volunteering to record minutes at the May meeting. L29 thanked Ursula Richard, Ken DeMoss and Don Jackson for participating in D4's Capital Crusader's Day. Several Local members are planning on attending L28's Buckhorn Blast in July. Carl "Pumpkin Head" Laber won the \$24 Attendance Incentive and Jerry Karwoski would have won the \$10 Membership Incentive had he been present to win. **JUNE:** There were 26 members and 3 guests in attendance at the June meeting. A T-shirt design for the Summer's End Bike Show was voted on and approved. It was decided that even if the VFW doesn't follow through on their originally agreed upon monetary assistance for the bike show that L29 would absorb the extra cost and continue with the plan to have it. Russell Felts reported that Homecoming shift schedule is on the state website and reminded members it was put together by the old lottery system. L29 has over 350 signatures on the SB202 Petition that will be mailed out following the meeting. Meeting of the Minds will be in Bloomington Minnesota this year, September 24-27. An opportunity has opened up to assist in the planning and implementation of the Mid-America Freedom Rally. It was decided by the Local (17Y-4N) that the Local would be a part of the Mid-America Freedom Rally! Thank you Ken DeMoss and Ursula Richard for taking on the responsibility of the meetings, and Ronda & Russell for agreeing to go in their place if they are unable to make them. The Local has been given the added opportunity to add onto the Pavilion at Buckhorn. The Local voted yes and is looking to put on another 20'. Carl "Pumpkin Head" Laber AGAIN won the attendance incentive, this month bringing home \$36... Lucky Pumpkin! Rita Neal, had she been present to win, would have won the membership incentive of \$20. July's incentive will be \$30.

PRESENT: I'd like to remind the following members that

Local News

FUTURE: Sturgis, Sturgis, and more Sturgis! District 4's Meetings are on August 11 at the Pizza Shoppe (6:30Leg, 7:30BS) in Lees Summit. The Local business meeting is scheduled for August 16th, same time and place as usual. The dinner run is set for August 19th, location still to be determined. The 2nd Annual L29 Summer's End Bike Show is on August 22nd at VFW Post 5606 in Kansas City, MO.

Hi All, before I go any further I have something to share with all of our FORR members. In Remembrance June 11th, 2009 Local 31 lost one of it's oldest & dearest members. Our good friend and loyal member, Don John. Our friend Don passed quietly from this world, after losing his battle with a long illness. You will be missed my friend. Our prayers & sympathy are with you Debbie.

We never know when our time will come so, that is why we should live our lives to the fullest & that is what we as a local have been trying to do. We've had 2 fun runs this past month & both were just that a lot of fun. I was fortunate enough to attend the run to Johnson's Shut-Ins & Elephant Rock. We had a beautiful day & a really nice ride. Some of our group had never been to either place before. After a stop & climbing on some of the rocks at Elephant Rock we rode onto Ironton for some BBQ. Then we rode on down to the Shut-Ins. We were lucky, they had just opened the park back up. It is very nice & there was a lot of swimming going on. I was unable to go on the run to the Lake however, I've heard this was a nice day also. I believe they stopped at Ozark Harley & The Leather Man. These are both good places to take in & then some of them stopped at Elbow. These were both a success.

Some of us took in the Pulaski Co. Bike/Car Show. We had a really great day there also. This was a very hot day in many ways. Our Local came home with several big wins. Congrats to Dave P., Allen & yours truly "Kickstand". We came home with two 1st places, one 2nd & Best of Show which included a photo shoot in Full Throttle magazine. I think it will be the Aug. issue. Check it out this is my baby!

At our last meeting Brian brought us all up to date on all of the FORR issues & events. Someone has to keep us straight.

Debbie would like to say thanks to all of you for your prayers, flowers, & acts of kindness. A special thanks to Allen for the memorial on our web page.

LOCAL 32 - BOOTHEEL

Greetings Brothers and Sisters,

It's been a good summer so far. The Boogaloo came off without any serious problems, the weather was nice, a lot of bikers came to the event, and Local 32 continues to grow stronger. We are all anxiously awaiting the Governor's signature on the helmet bill.

Several of us are going to Little Sturgis in a few weeks, just as we have since the 2nd ever event there in Kentucky. One of the things I like about being a member of Local 32 is that it allows a wide range of memberships activity levels, from occasionally showing up at a meeting to the full-blown biker life style.

The number of people riding motorcycles continues to grow, with transcendence across all lines of distinction. Come to our Sunday monthly meetings, you are sure to find something you like. **ACE**

Hi all! I'm sorry I don't always get the newsletter in on time. Sometimes, people talk and preach too much. You hear that all the time, so you shouldn't have to read about it. And that's my excuse!!!

We just had our Local 33 10th Anniversary Bash. We had a fairly good turn out of about 120 people. The President of Local 33 for the first year was present and that was a cool, respectable thing to do. Many people helped plan the event, but I have to give a special THANK YOU!! To Nina Scroggins. Nina is the recruiting officer of our local and put a lot of time and effort into the planning and bringing everything together. Another person to recognize for efforts and planning is Dennis Guy. THANK YOU! People that step up and do the work are showing their dedication. You are the people that inspire others to do the same. I personally had a great time! I thank you all. I've met some wonderful people within this group. We are all different, but the same. When good people come together, it's always a great time!

Thanks Tom!

A lot are upset that the helmet bill was vetoed.

Personally, I'm upset that the comparative fault bill was vetoed. The helmet was attached to this bill and became the helmet bill. Whether you choose to wear a helmet or not, should be your choice. But whether you are screwed by insurance companies shouldn't be determined by law. (No thank you, I'll choose who screws me!)

Keep on riding and do your thing.

Till next time, **MARTI**

Well, I'm sitting here writing this letter and thinking to myself. When have I ever been this pissed before? Then it all comes flooding back again. Ten years ago, when we were lied to by another dam lying Governor. The last one waited till the very last minute to VETO, when he told us just 2 freaking days before he would not. Mr. Nixon told us he would not veto our bill. What the hell, with a name of Nixon, we should have known better. Veto session is September 16th and we still have a chance. Start calling your Senators and Representatives NOW. Don't wait for someone else to do it, because they may be waiting for you to do it for them. We were in Clinton Thursday and Friday where I was approached by at least 20 motorcyclist, that were pissed about the Veto. What is ironic, none of them are members. Some have been and quit because of all the rules and meetings we have. They just want to ride their motorcycles without any responsibility for their freedom. That is what FORR® is suppose to be doing for them.

You need to start making plans to be at Homecoming on Labor Day weekend. This is the Major fund-raiser for the operation of FORR® and we need everyone to stand up and help. Being a Statewide event and work shifts being spread between ALL locals, the work load is very small for each local. Oops I forgot, some members take off to other organization's events, instead of doing their part for their organization. This leaves the work load to just a few dedicated locals. I have been on the Cabinet and in charge of the committee for Homecoming. So, I understand the frustration of our Officers, when they have to depend on just a small percentage of our membership to pull off this event. Have YOU taken the time to really think what we could achieve, if all Motorcyclist in this State pulled in the same direction. **WE WOULD BE FREE.**

Yesterday, we attended the final Freedom Rally meeting for 2009's event. We would like to Thank Local 28 for hosting it and supplying lunch. They also invited us to their Buckhorn Blast afterwards. There, Linda and I visited Local 29's Pavilion, where we socialized with some of their members.

I want to thank Wesley Iiams, Michelle Pipes & Doug Cooper for coming back after an absence of several years. We appreciated Wesley and Doug jumping right back in and helping at the Freedom Rally. Thanks to Steve Villines, Mike Thompson, Brice Long & Evan Nelson for renewing. July renewals are John & Patty Coffey & Bruce Curry. Our June meeting was held on June 28, 2009 and was called to order at 1:03 p.m. at the Union City Park. We had a small group in attendance – only 18 members and one guest. We have a few yard signs still available. We held our school supply collection at Wal-Mart and Big Lots on Saturday, June 27th. Collections were not as good as in the past. Collections were down possibly due to the economy and the hot weather. We have arranged for evening collections on Friday, July 10th and Sunday, July 12th at Wal-Mart in Washington. We have been told that the need for school supplies has increased substantially this year. School Supply distribution is scheduled for July 24th.

On Thursday, July 2nd, the Governor vetoed SB202 - watch for Legislative Updates on what we need to do for next year.

Dates to remember:

August 23 – Hartbauer McBride Ride (MO – IL)

September 27 – FORR Local 42 Bike Show

Next meeting is scheduled for July 26 at 1:00 pm at Pacific Eagles. Take care, **Alma**

Darrell Swinger

Dear Darrel:

Thank you for contacting Governor Jay Nixon's office regarding the veto of Senate Bill 202. Certainly, there are people who disagree with this decision, just as there are those who agree with it. Please know our office respects the rights of all constituents on both sides of this-or any-issue to make their opinions known.

The Governor's decision to veto SB 202 was based on two primary concerns: the significantly increased health care costs to Missourians that could have resulted from the repeal, and the safety of Missouri's motorcycle riders. Data from the National Highway Traffic Safety Administration and statistics from those states which have repealed their helmet laws played key roles in the veto decision.

Again, our office thanks you for taking the time to share your opinion regarding Senate Bill 202.

Sincerely,

Constituent Services
Office of the Governor

Letter to Editor

I am going to make one last comment on this, as it has been a major topic, and I am the Chairman of the next Freedom Rally. Been a few people out there making comments about the Mid America Freedom Rally changing the age limit to 18 years of age. One, this was not decided by a person, or a committee, this was decided by vote by 7 locals of Freedom of Road Riders. This should show you something. This was something that has become an issue over the last several years. I am really shocked when people cry we have taken away your freedoms and blah blah blah. We did this to protect the children BEFORE something happened, not wait until a child gets hurt or worse. The rally is now way too large to take care of this, and the security folks are too busy to have to act as security and also baby sitters tracking down parents who don't follow the rules. And for some of the people who write letters in here who have not been to this rally in 12 years who don't have a clue what the rally even looks like and don't support it, first come then voice your opinion. For 20 years this rally was open to children until it became an issue, but not once did you ever come to this rally, nor ever bring your children, yet you write "my freedoms have been removed" Whatever.

Here is the deal folks, The Liquor control folks have talked with us, and made it real clear what can happen if they see it. If a chick flashes boobs at the rally (I have heard this happens) and a child is nearby and can see this, any person who exposed any nudity can be charged with a sexual crime and have this on their record for life. Think about it. If an old guy in a park with children opens his rain coat and exposes himself, he gets arrested, and now has a record for life for a an indecent act in front a minor. Well, we have naked people riding bikes, dance poles, and shows on stage, and by the rules of Liquor Control they can be charged.

Another issue is, we have received 2 letters from two people who both came to the rally who work for DFS. And both said, by law they have to report when an act of this nature is done in front of a minor. OK, some say that only the parent could be held liable for this. But do not forget where this rally is being held. On SHRINE property, and if one child is exposed and it hits the media, this rally is over. The Shriners will end it right there, and kick us off the property. I know, I am also a Shriner, and the children thing has been an issue for them also. The Shrine only exists to support the Shrine Children Hospital. Nothing more. And if any child is hurt, or anything that could be considered in violation to a DFS agent, which can include medical personnel, day care providers, and the list is large, all these people are required by law to report these things. So, we can continue to have the largest rally in Missouri, keeping it an adult rally. Or we can stop all nudity and go back to a 500 person rally. This year, a few people did not come BACK to the rally because of the age limit, but that number was doubled by people who showed up because we had changed the age limit.

Now for all you people whining about all this, I purposely waited until today to submit this news letter, because we just got done with the Buckhorn Blast, which has been in Buckhorn longer than the Freedom rally, and is a pro family rally, there is no nudity allowed, it is designed as an inexpensive family event (under 12 free) where we had Bounce Houses, volley ball, badminton, water toys, horse shows, ring toss, washer toss, and the list goes on. For \$5 you had all the food you could eat, fireworks show, and live music. And yet I have never seen a single one of the people who have complained about not being allowed to bring their children to a rally ever come to this family rally.

Sorry, the Freedom rally has out grown the family thing and it has become too congested and adult orientated to be a safe place or an appropriate place for minors. I would not have a bike rally in Chucky Cheese, nor do I see it as a good idea to have children at this type of rally. I do hope you find a way to understand this. I am sure it will come up again at the committee level, and each local will have a chance to vote on it and we will abide by how the majority feels about it.

AMA Report

Motorcycles deserve to be included in the federal Cash for Clunkers program. Motorcycles deserve to be included in the federal "Cash for Clunkers" program! Take Action!

Call or write your Senators to include motorcycle language today!

The Senate and U.S. House of Representatives have already passed the "Cash for Clunkers" program that would authorize funds for an auto trade-in program designed to boost consumer demand for cars and trucks.

However, the current program does not include motorcycles.

Senator Robert P. Casey, Jr. (D-PA) introduced S. 1248, the Green Transportation Efficiency Act of 2009, to expand on the existing "Cash for Clunkers" program by providing vouchers to people who trade in older, less fuel-efficient vehicles for a more fuel-efficient motorcycle.

The American Motorcyclist Association (AMA) supports S. 1248 and urges other Senators to cosponsor Senator Casey's bill.

The current "Cash for Clunkers" program would offer up to \$4,500 in vouchers to help people who trade in cars or SUVs with a combined fuel economy of 18 miles-per-gallon or less to buy newer, more fuel-efficient vehicles. S. 1248 would provide vouchers to encourage consumers to trade in their older, less fuel-efficient vehicles for new, more fuel-efficient cars, trucks and motorcycles. Participants would receive a \$2,500 voucher for the purchase of a new motorcycle. By including this language, the "Cash for Clunkers" program will be consistent with various Federal laws that define automobiles, light duty trucks and motorcycles as "motor vehicles".

Motorcycles reduce traffic and parking congestion, increase fuel economy and are less of an impact on our roads and bridges compared with automobiles and light duty trucks. Many AMA members recognize the multiple benefits of motorcycles and employ them as their primary means of transportation.

Motorcyclists are not any different from drivers of automobiles and light duty trucks who have been hit hard by the economic downturn. Moreover, motorcyclists typically purchase new bikes, apparel, vehicle servicing

and after-market equipment from local dealers that are family-owned businesses. These family-owned dealers then obtain merchandise and product from the same local suppliers as the auto dealers.

To find contact information for your Senators on AmericanMotorcyclist.com, click on "Rights," then "Issues & Legislation," and enter your zip code in the "Find your Officials" box. Additionally, a prewritten e-mail is available for you to send to your U.S. Senators by following the "Take Action" option and entering your information.

All AMA members and anyone else who enjoys riding is urged to contact their Senators and ask them to cosponsor S. 1248, the Green Transportation Efficiency Act of 2009.

Freedom of Road Riders® (FORR®) is a not-for-profit organization dedicated to promoting safety, rider education, brotherhood, and freedom for all motorcyclists. FORR® membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles and with all sorts of interests. Whether your interests center around legislative activities, motorcycle shows, or motorcycle rallies, FORR® has something to offer to you. You could belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
