## Letters to the Editor

### The Birth Of Local #20

One sunny Saturday in 1984, I went to the Harley dealer to get some parts for my bike. And as I was waiting for the parts I noticed a pamphlet with a Freedom Of Road Riders winged wheel logo. I picked the pamphlet up put it in my pocket. When I got home I started reading about a Missouri based MRO that stands up to protect our rights as Missouri motorcyclists! After reading all the information I wanted to find out more about FORR and how to get a Local started here in Dexter. So I wrote the State chairman and found out what I had to do. So in the summer of 1984 myself and three others was the proud new fathers of a bouncing baby Local #20! Like any parent we made sure the newborn Local was fed with the best formula of information that was available so it would grow strong and survive. Because as you know that it might not survive that rough roads are ahead and filled with pot holes! And believe me after 27 years Local 20 has had its share! I am the only founding member still in the local. The other three are gone one passed away a few years ago the other two dropped out after starting the local. As the years passed I watched Local 20 grow from its infancy, adolescent years to its adulthood. Sure we had our rough times as any Local does. I have held every officer's position except treasurer. After 27 yrs. I can honestly say I am proud to be a member of an elite MRO, and watch FORR become the best MRO in the state! And I am very proud of our member's here at Local 20 we have a lot of old members that stayed here to make it survive for 27 yrs. Without all of you that believed in what FORR stands for Local 20 wouldn't have survived! Thank you from me to all the members in FORR.

FORR Ever a Life member

### ROAD or CHECK POINTS:

I would like to remind everyone about our Rights as "FREEDOM OF THE ROAD RIDERS" as a whole.

We all need to pull together on this topic. As one, it is hard to get anything done. But as a UNITED GROUP,

We can and will keep this from happening here in our own state. I feel sorry for Florida. Matter of fact, other States in that Local as well. Because of this, just think of all the Revenue that they are losing or will lose, from the ones of us that decides not to go, just because of this STUPID LAW they have now.

Guess I have vented enough. Ride Hard My Brothers, But Ride safe, Larry Roark, Local 10, #29237

### 9th Annual Ride for Ryan

June 4th of 2011 will be the 9th Annual Ride for Ryan event held in St. Joseph, Mo. Many of you have supported this great cause over the past 8 years and we wish you a safe journey as you come to ride with us again this year.

For those of you that have not heard of us before, let me provide a little background.

Ryan Consolver was born to Rick and Janis Consolver of Union Star, Mo. Ryan grew up in this area attending St. Joseph and Savannah, Mo. schools. After Graduating from Savannah in 1996, Ryan attended South East Community College in Milford, NE. where he studied Construction Trades. He then went to work in the Kansas City area working in the Construction Field and riding his Custom motorcycle back and forth to work. These were two of the loves of his life. Tragically, Ryan left us August 11th, 2002 in a motorcycle accident.

In memory of Ryan and the things he was passionate about, his parents, Rick and Janis, along with Brother Brad began the Ride for Ryan Motorcycle Ride and fundraising. All of the Consolver Family and many close friends have now made this one of the Premier Rides in the 4 state regions. The event has grown so large that this year it will begin on Friday, June 3rd and carry through the weekend.

On Friday evening the 3rd, the Belt Sports Complex at 210 N. Belt in St. Joseph will host a Battle of the Bands beginning at 6:00 pm with food and drinks available. Also this year will be a Texas Holdum Tournament so don't miss this night. This event is open to everyone and has no admission charge to attend the event. There will be an entry to the Tournament.

Saturday's ride registration will begin at 10:00 am until 11:30 am and taking off from the St. Joe Harley Davidson parking lot at 12:00 noon. They are located at 4020 S. 169 Hwy in St. Joseph, Mo.

Pre-registration is \$15.00 per person and \$20.00 the day of the Ride. We will leave promptly at noon following the singing of the National Anthem which will be sung this year by Ryan's Savannah High School classmates to honor their 15th Class reunion and then a balloon release. The ride will travel approximately 85 miles round trip with a brief stop at the Union Star School for lunch. This is the single largest fundraiser for the Union Star School and we support Ryan's old stomping grounds every year with this lunch break.

After lunch we will continue back to St. Joseph and the Belt Sports Complex for the After-Party. There will be a silent auction, a live auction, music, food and drink specials.

Over the past 8 years, \$80,000.00 in Scholarships has been awarded to kids entering construction related education after High School. We hope to break \$100k this year.

For more information; email ride4ryan@yahoo.com, call Janis Consolver at 816-593-2562 or 816-596-0123. Find us at www.rideforryan.com and Ride for Ryan-St. Joe on Facebook.

## **State of the Organization 2011**

Hello to all. This is my next to last report on the condition Freedom of Road Riders®. I wish I had better news to report. Our membership has steadily declined from 3,453 in January 2006 to 2,432 in January 2011. That is a loss of 1020 people. It is funny though that our biggest declines have been in years of economic change. In 2006 we raised our dues by \$5 and that year we lost 503 members. In 2010 the nation's economy took a dive and we lost 479 members. The good news is that 2,432 of us decided to tighten our belt elsewhere and remained true supporters of this organization.

Our finances are weak mostly due to the loss of membership. When you lose 479 members in one year that is \$9,580 not received in the general fund and \$2,395 not received by the Locals. Every year our biggest fund raiser is not Homecoming or the Freedom Rally it is membership. The membership dues bring in \$25,000 per 1000 members. In 2011 we need to concentrate on getting our membership back. The PAC fund is also down I hope that this is mostly due to the economy as well. The Riders Education took a big hit with the purchase of equipment for the bike trailer and three training bikes.

We have made improvements to the website which now has unlimited space and a members only area. It costs less than and we can host other sites. If you or your want to have a web site please consider using FORR® as you host.

The general office has taken on more responsibilities by handling the newsletter and parts of the Treasurers duties. The hours of the office were reduced to 36 hour per week to save money. However, calls are still taken and handled after hours.

Regardless of the current economy we are solvent and our core membership remains dedicated to the pursuits stated in our preamble: To guard the rights of all motorcyclists, to inform them of laws good or bad, rider education, safety, and brotherhood. I invite you to contact me with any ideas that you believe will allow us to grow and become more member friendly.

Let's hope that 2011 is the year that FORR® regains its members and has successful events.

Faithfully submitted,  
Chairman Mark Chapman

## **Notes from Katherine**

Happy Spring!

Updates: Bill Stouffer announced his candidacy for Secretary Of State; both he and Senator Brown are ready and quite supportive of a veto override regarding our Helmet Mod (SB28) IF we ever get our Bill off the Informal Calendar (is where our Bill sits to date) Rep. David Day filed same Bill in House, HB114, though it does not have near the support that it has in the Senate. We need to be vigilant, boys and girls! We must keep calling our Senators and ask for SB28 to be heard and ask them to support our efforts in protecting our freedom. CALL THEM!!! We must, also, call our House Reps and ask them the same. Eventually our Senate Bill will be heading in that direction IF HB 114 doesn't get acknowledged. CALL/E-MAIL/MAKE OUR PRESENCE KNOWN! This could very well be our year, if only we work united.

A couple of other Bills we've been watching: HB464: Elimination/combination/revision of certain committees, councils, boards, etc. Matt talked with both Joe Kempker and Mike Davis (Coordinator for MMSP) and both agreed that this issue should be viewed as neutral, almost a positive, as both expressed better management of \$\$/ideas, etc if the MO. Motorcycle Safety Advisory Council was not under big brother.

HB355: requires every applicant of a motorcycle license/endorsement to show proof of the completion of an approved MC training course.

HB595: lowering the expiration date for MC permits from 6 mo to 60 days. Talking with Ed Schieffer at Demo Days, he said he would amend it to 90 days, but was still disappointed he did not introduce it as we agreed to last Session with FORR's amendment to keep it 6 mo, but put a cap on renewing your permit one time; he didn't want to consider it this Session...

HB53: auto speed enforcement system; prohibiting any entity that is authorized to issue traffic tickets from using an auto speed enforcement system to enforce speeding violations (exceptions: school, construction, and work zones)

HB549: prohibiting the usage of GPS technology to monitor the miles travelled by a motor vehicle to impose mileage tax ...in addition to SB28 & HB114, both our Helmet Mod.

Hope all that will (or did..) show up for Dist. 4's 2nd shuttle bus to the Capitol had a productive visit & expressed your opinions on the Bills listed above.

Best of luck to Bill & Terri Kempker, Ronda Felts, and Cowboy on their adventures to DC; I will be very excited to hear about your trip & reception by our Congress-peeps & Senators, and how they felt/where they stood on our Federal issues we've all been watching (MC-only checkpoints, mandatory national helmet laws, and EPA-stamp requirements on all exhaust pipes to name a few)

Don't forget MAY Rally at the Capitol April 26th

A very gracious shout out to Eric Burlison, Tom Shivley, Bill Stouffer, Dan Brown, L13, & L30, and guests, that showed up to both Lincoln Days & Demo Days, and supported FORR in our battle to protect & ensure our freedoms! I've said it before, and I will say it again...if it is that I see further, it is ONLY because I stand on the shoulders of GIANTS!

Humbly yours,  
Katherine Cashell-Legislative Coordinator

Hey everyone!! It's that time of year, SPRING! Time to tune-up those two-wheelers and get her road ready for the many miles to come! Everything's out of sight and looking forward to the season ahead. By now I've talked to everyone in the local and you should all know that we, as a local, passed the placement of future birthday announcements in Freedom Press. I'm truly excited about this feature; to me, it shows that we truly are a caring family network. Next, on to the news. We have word that the District 4 chili cook off was a success. Enough money was raised to provide BOTH bus tours! Way to go! Thanks to those who are attending these trips. On a side note: there were still quite a few empty seats on the Feb. trip and our goal is to fill those seats with our biker butts and make our presence known.

Special thanks to Gene and Debra Hilburn for hosting our meeting Mar. 19th. Thanks to those who were able to attend. April meeting will be held on the 16th @ 5 pm in the Lexington Inn located in Lexington, MO. I sure hope to see ya there!!! Another Local note: We will be holding our annual Local 1 Garage Sale in Oak Grove, MO. The date is yet TBA. I missed last month's newsletter, SORRY. We had 17 people ride the bus to Jefferson City February 23 and a total of 25 who attended to roam the halls. Deanna arranged for a tour of the capitol building and I personally learned a few things.

Great news, we have confirmed The Milestone Band for the bike show in May. Now, we need sponsors and vendors. We need to make this the best show ever.

Congratulations to Cheryl Hanlon whose birthday is March 6th, Tony Morris, March 11th and Norman Pursley, March 21st, Randy Heitman, April 7th, Bobby Eikel and Paul Nuckels, April 26th. Hey Folks

Well we had about six to eight inches of snow the day before the bike show in Elwood, KS. But people started to bring their bikes into the show about 9 am. There was snow shoveling done that morning. Some people had some funny tales of getting to the show in the snow.

The bike show was a very clean bike show. Even with the weather we had a very nice show. There were people there from up to about a 100 miles away. A lot of people wanted to put their bike in the show, but could not get them out.

There were a lot of classes and some very nice trophies.

Everyone had a great time finding some friends that they hadn't seen for a long time. Several new friends.

Dottie Pollard had a little experience with Sylvester – just ask her about it.

The activity committee is working on the upcoming events for the next year, flyers will be in the mail soon.

Happy trails til we meet again.

Ride safe

Hey Y'all from Southwest Missouri, yeah its springtime again, means more bikes are coming out.. we all know this. But during the wintertime the people driving cages get used to not having to share the road with motorcycles, so as you get the bike out and polish them up and get ready for a ride, remember to be extra careful because they are not looking for you. Its kinda like we have to train them all over again, each

and every year.. to watch for motorcycles. What makes it worse, is technology, cell phone, ipods, cars with more gadgets than a desktop computer, stereos so loud they vibrate the windows of the car next to them... I feel like I am "preaching to the choir", we all know this, its the other drivers out there that we have to get the attention of.. I always try to ride on the defensive side.. looking ahead at possible hazards. Watching the idiots who don't understand the concept of a double turn lane.. basically all I am saying is, I have lost enough brothers and sisters out there.. I don't need another funeral. So watch yourself and watch others.

L11 is at it again, the Southwest Missouri Motorcycle Rally is underway, scheduled for July 29th, 30th and 31st. Got some great bands coming in, we have NightCrawler for Friday night, and Southern Green for Saturday night... Also you don't want to miss the romantic Delights Fashion Show... Ride in Bike show, Bike Games, Vendors, Awesome campground on Center Creek, Entertainment for the whole weekend... **LOCAL 12 - GLASGOW****Meetings: Last Sunday @ 3:00 p.m.****Meeting place varies, call 660-631-7324 or email sstrodman@yahoo.com for more information**

Greetings again from Glasgow to everyone out there in FORRLand. This is being written on the 3rd of March and we are having some gorgeous weather here in central MO. I went to Marshall today and saw several bikes on the road. The Farmer's Almanac is predicting one more big snow at the end of the month and I sure hope they're wrong.

**IMPORTANT ANNOUNCEMENT!** The March 27th meeting will be held at Bud's Cafe in Marshall, just off the Square, starting at 3 pm.

This month's news starts out with some wonderful news. Local 12 co-founder and FORR Life Member Gloria Strodman is back out of the hospital after being hospitalized for more than two weeks. She suffered a fractured T4 vertebrae, along with bone chips on T6 and T7. If all that wasn't enough, she also had pneumonia. The doctors at Boone County Hospital in Columbia did a wonderful job and her pain is nearly all gone. The pneumonia is also nearly gone and she

is breathing much better.

Gloria wants to thank everyone who sent cards, flowers, plants, and other gifts and who remembered her in their thoughts and prayers. The list is too long to reprint here, suffice it to say she will be eternally grateful to all of you forever!

We had a great meeting at the Slater American Legion hall on Feb. 27th with 18 members and 5 guests in attendance. Pork Chop called the meeting to order at 3:10 and the minutes were read and approved. Laura's treasury report showed a balance of \$5,547.46. Since very little has been going on in Jefferson City, John had no legislative report.

Pork Chop thanked everyone present for taking the time to come to the meeting. Since there had been no C.C. meeting, John had no report. Socko also had no V.P.'s report. There had been no district meeting so Lyndal had no report.

In her event coordinator's report, Tami asked who we need to get in touch with to reserve Stump Island and was informed that we need to contact the City Council and the Park Board. She has contacted some barbeque members about attending the Firecracker. Our t-shirt vendor wants to come back this year. Tami is going to the next swap meet to look for vendors.

In old business, John said we need some kind of Friday night entertainment at the Firecracker. The bridge was a problem last year but that will not be the case this year. Riders go for the games and we need to focus on them. The poker run must be held before the games.

In new business, Bert has the game equipment and we need a new setup for the wienie bite, everything else is in good shape. Bert is going to take his name off the bank account. Derek Arms and his brother have again volunteered to handle security and we voted to give them free passes for doing so. We discussed having the non-riding games on Friday and a motion was passed to do that. It is important to sell the 50/50 drawing all the time, it can be a good source of income.

A motion was passed to have the Full Moon Band on Friday night at a cost of \$700. A motion was passed to have the band Tugboat Soul on Saturday night at a cost of \$700. This will also include the use of their P.A. during the event. Tami said we should look into the possibility of reserving Stump Island for 2-3 years. John and Joyce will again take care of the bike show Saturday. Sign-up will be from 9-11 am. The poker run will run from 12-3 pm and the stops will be in Stump Island, Boonesboro, Booneville, Fayette, and the Fish Beak. Price will be \$10 per hand and riders will be able to buy a wild card. We need to put up a sign about the poker run going on.

Sign-up for the games will be from 3-3:45 and they will begin at 4 pm. There will be one plaque given for first. We need to make up some gate sign-up sheets for workers, shifts will be two hours. The gates will open at noon Friday and close at 10:30 pm Saturday. Tami is getting tent prices. The date of the Firecracker Classic will be July 8th and 9th.

The t-shirt vendor needs to supply their own tent, we need the state tent for ourselves. Everyone except security and the vendors will pay to get in, \$20 general admission, \$15 M.R.O. members. \$100 sponsors will get two passes and two shirts. We are going to use a similar flier next year, mainly changing the bike and date.

We voted to have two meetings in July, one on the night before the Firecracker Classic at Stump Island and the other on the last Sunday of the month at a meeting place yet to be determined.

We voted to put F.C.C. ads in the May and June newsletters. We need to find an ice vendor. Everyone needs to work on finding sponsors, we had a big shortfall on this last year. It cost \$5,899.91 to put on last year's F.C.C. Minors that ride will be allowed in the party area after 8 pm but will be carefully monitored for liquor violations. Minors that do not ride will have to leave the area after 8 pm.

# Local News

Barry suggested that we advertise next month's meeting in the Marshall Messenger. We are planning on having a Local 12 Kickstart Party sometime this Spring, date and location will be determined at the next meeting. Barry brought up the point that we should all be busy promoting FORR as much as possible.

The meeting was adjourned at 4:30 pm. David Kateman won the attendance drawing.

#### Upcoming events:

March 27th- Local 12 meeting, 3 pm, Bud's Cafe, just off the square in Marshall.

April 24th- Local 12 meeting, 3 pm, place yet to be determined.

Welcome earth bike enthusiasts. SPRING HAS SPRUNG!!! The bells have rung and I am in the mood for a bit of fun, so let's rev up & go on a Run!!!!!!!!!!!!

Helmets and dew rags are ready to go. Thank goodness there is no more snow.

It won't be long until I'm gone, with the FORR group just riding along.

Just a little warped today, and I know my brain has gone astray. The sniffles and sneezes are finally gone so feel quite free to come riding along.

At our last meeting Lennette and Andre' were there, with Mark to lead the way. I know if I had my cast off, I too, could have had my say.

They talked about their rides we'll do, some are old and some are new.

Also spoke of Demo Days, March 4th and 5th are scheduled. Problem is that by the time you read this news it will have already happened.

Next time perhaps I might be back to normal at least I will do my best.

But all that I can tell you now is what will be coming next.

I tawt I taw a titty tat, I did, I did tee a titty tat!!!! And that is that.....ms.t.tat@gmail.com

Hello, Local 14 and everyone else,

Wanted to start this out with a change on the mystery run, it is rescheduled for June. There was some bumps in the road and couldn't get it all put together in time for our original date. Hopefully we will have more information and get to you all soon. I can tell you this though; our meeting in June will be after the event instead of at the VFW Post.

We don't seem to have a lot going on this year as far as money making events, what we need is some ideas. If you have any please come to a meeting and share them.

As you all know our Christmas Auction is set up and we will be needing items for later in the year. The flyers are ready and if you need some let me know. I have been trying to get around to some of the larger corporations this year and see what kind of help they may give, but at this time I am still awaiting their decisions. If anyone has items they can call me but you may have to wait until later in the year if it is a large item. We just don't have storage available at this time. Please keep us in mind if you have items, thanks.

One more item of note, a couple of our members are promoting the Tougher than Hell poker run and bike blessing, April 16 and 17 respectfully, you can get more information by going to TTHPokerrun.com or PokerRunKC.com. This event helps the Women's Refuge.

That's about it for now, see ya.

## LOCAL 15 - BRANSON

Meetings: 3rd Monday @ 7 p.m.

Lonestar Steakhouse, Green Mountain Dr.

Contact: 417-334-0775

Hello Everybody,

Spring is in the air! Thank goodness so is the sound of motorcycles!

We sure have a full calendar for the months of March & April. Besides all the Bike Shows going on in and around Springfield we have a couple of things from our Local.

March 27th is the date for the annual Spring Trash & Treasure Hunt. It's on Hwy 176 just pass the turn off to Rockaway Beach and winds around thru the curves until you reach Silver Creek. We will be meeting at 1 p.m. Make sure to bring a pair of gloves.

Ride out to the Forsyth Motorcycle Swap Meet. April 17th. Everybody will be there! If you've never been, then your in for a fun day of motorcycle part hunting, hanging out with the coolest people around & treasure at every turn. I've seen seats, motors & all kinds of parts going in with one person & leaving with another! I love checking out the cool leather vests & pretty T-shirts myself! Come out & see what you can find. If your interested in selling some things bring it, there is plenty of space for all size vendors! Make sure to check out the flyer that is suppose to be in this news letter for details.

If you need a place to spend the night before the Swap Meet, come over the day before & set up camp at the Shadow Rock Campground. It's right next to the field where we have the Swap Meet. Plenty of us folks from Local 15 will be there. We usually sit around the campfire, listen to some music, laugh, have a few drinks & enjoy a night of friendship next to the banks of Bull Shoals Lake.

Don't forget our BS meeting is the first Monday of the Month. April's meeting is scheduled back the Rowdy Beaver because it was snowed out last month. That's about midway on the strip on Hwy 76 in Branson. They have great food & cold beer & spirits of every kind. It's a great place to BS!

Our business meeting is the third Tuesday of the Month. We continue going to The Lone Star Steak House in Branson on Green Mnt. Drive. We always have room, so if you want to talk about something that your Local is doing soon, why not come in & sit in on a meeting with us!

Well I guess that's it for now, I feel like I'm forgetting something. I'm sure someone will let me know if I did!

You guys have a great month! I hope to see your soon!

Lou

Coming to you with news from the four corners of the globe, Licksville, Highland, Pochontas and Louisville. (Hi Ray and Rosie) For all of you that missed it well I guess you just missed it, the last meeting I mean. First things first though, we would like to welcome three new members. Tina Stueve, Tim Boettcher and Kari Boettcher. Thanks for coming out and seeing what we're about. A good cause, good times with good friends at such a low cost. Now that's hard to find nowadays.

I know most of you are only reading this because you are dying to find out the results of the Broomstick Pool Tournament so I won't tease you any longer with a bunch of meeting reports. We had a good turnout for the tournament, forty people signed up for a shot at the gold and broomstick pool immortality. Pregame ceremonies consisted of approval for Rick to go ahead and acquire a Char-Broil gas grill. Lisa Brewer volunteered to make the numbered tickets which should be available at the next meeting/April Fool's Dance, April 2 at the Hideout in Biehle, meeting at 7 pm and band starts at 9 pm. You can start dancing anytime you feel like it. The grill will be given away at the Bayou Run on August 6. Sign in at 11:00 am at the Bayou Bar and Grill in Pochontas.

Further discussion of helping out with a yard sale concluded with a date being set for May 21st & 22nd at the pavilion behind the Bayou Bar and Grill. Stay tuned for further details or call one of the usual suspects.

Linda, am I wrong or did we set a record by having four Local 16 members go to the Capitol on February 23rd, I can't recall. Thanks to Daren, Doug and Lisa for making the trip. We were able to meet with Senators Crowell and Tilley and there to present Senator Schaefer with his honorary vest on the Senate floor. You'll have to check the website for the pictures.

After all pregame ceremonies and general discussions of local business were over we shot some pool with broomsticks. And then we shot some more pool with broomsticks. And then, after more of the same, Mike Pohlman came out on top. (he cheats when you ain't looking). Stan Balsman had to lose twice to Mike to settle for 2nd. I was heartbroken not to be able to add to my collection of second place trophies and took 3rd instead.

Thanks to all who came out for a fun and relaxing day. Special thanks to Daren and Patti for the mood music. Special thanks also to Keith for letting use the hall at West End, it's a great place to have for our functions.

The April 30th meeting will be held at Paul Kirn's home outside of Fruitland at 7 pm. Call for directions.

Scads of emotion,

Not much happening at the lake. We just ended up with 24 to 28 in. of snow here. The good thing is that right behind all that f\*\*\*\*\* snow was warm weather. Which brings me to now. Please remember that cold weather is hard on your bike. It's spring an riding season is upon us. Please take the time to check out tires, tire pressure, wheel bearings fluids and all that it takes to allow you to have a very safe riding season. It doesn't take that much longer for you to be safe.

Hope that everyone gets great riding in and gets there bike ready for the season. The life you save could be mine. I love you all be safe and rubber side down.

Until next time. Mark

## LOCAL 25 - ST. PETERS

Meetings: 3rd Sunday @ 1 p.m.

American Legion Post 313, 200 Main St., Olde Town at 4-way stop in St. Peters, Mo. Contact: 636-299-1032

Hello Everyone,

Spring is finally here !

We want to give a big "Way To Go !" to our local 25 office holders. Awards were received from the state for outstanding commitment and teamwork in 2010 for the following:

Chris "Girlfriend" Heitman - Financial Report

"Tip" Tipton & Tony Shepard - C.C. Reps

"Rascal" - Editor of Freedom Press

### Tip's Legislative Tips

We want to give credit to the MRF, the AMA & U.S. House member Jim Sensenbrenner for sponsoring a bill that would kill the "Motorcycle Checkpoint Bill" that is pending in Washington DC.

Their Bill # RH 904 would prevent a motorcycles only checkpoint throughout the U.S.

The "Motorcycle Checkpoint Bill" allows states to stop motorcycles ONLY to do random checks. This is the stuff your friends need to know that we fight for on their behalf. You know, your friends who don't think they need to join an MRO ! Wake UP ! Yes it can happen here if we don't band together. Use this info to wake up your friends and bring them to the next meeting. There are some ugly bills coming at us and we need numbers to fight them.

We want to give a warm welcome to Tri-County's Local 23. Both Local 23 & 25 are looking forward to working together in the future to help each other grow. Local 23 is our new sister chapter of FORR in Moscow Mills. They meet at Tattooed Lady Bar & Grill on the 3rd Sunday of each month @ 10 am. Welcome on board guys and gals ! We will take all the help we can get. This event is huge and growing every year.

We will also be looking forward to seeing everyone at the Blessing on April 17th. We will be meeting at Hobo's at the Legion before 11:00 am that day to sign up and get our wrist bands. With a wrist band you do not have to set in line at the gate, you just show your band and ride straight in.

Spring is here!! At least according to the calendar, I hope the weather is saying so also. But if the Farmers Almanac holds true, we may be knee deep in snow again. Happy Easter!

We had our 1st annual Spring Fever Fling Party for our Local 26 members. We had around 50 attend. The night included a meal, a silent auction, door prizes and a D.J.

The silent auction brought in much needed income and was fun too. Thanks to all the contributors of the auction items: Roy Brown, Ed and Jeanine Montgomery, Allan Morris, Pat and Collette Null, Mike and Linda Pitzenberger, Lewis and Kathy Rice, Jay Steeby, Milt Sovereign, and the Taylors. Also, a big thank you to everyone who bid on the items! Thanks to Roy Brown, Kathy and Lewis Rice for helping organize the party.

## MEMBER PROFILE

Pat Null, 53, has been a member of Local 26 for 5 years. He is a part time farmer and works at the NuCor plant in Maryville full time, but he still finds plenty of time for his Harley. Besides riding his bike, Pat enjoys hunting....anything. He frequently goes to Texas to reduce the population of wild hogs (the four legged kind). He then shares his harvest with other friends and hunters at a annual wildlife feast in Pickering. You never know what you're going to find on the menu. But you can be sure to see some wild hog in more ways than one.

Pat was in the Army for 4 years. He is married to Collette and they live near Pickering, MO. They have a spoiled dog named Brandy and a spoiled kid named Tucker. Pats longest ride was to Red River, New Mexico. He's been going to Sturgis since 2006. He's never had a major accident and his advice to new riders is to be safe and drive slow. I'm not sure he took his own advice to drive slow when he first started riding, but it's good advice in theory.

Pat has been riding for 20 years starting on a 125cc Honda. He is currently riding an 01' Harley Softtail or an 05' Road King when Tucker, his son, is not riding it...which brings us to our second member chosen to be spotlighted this month....

Tucker Null, Pat and Collettes son age 16 is Local 26s youngest and most handsome member. Did I make you blush Tucker?? He has been a member of FORR for 2 years. Tucker goes to school at North Nodaway, plays football and is seen A LOT with a pretty girl named Tabitha. Tucker helps his dad on the farm and is active in FFA as well as joining his dad at the gym to "pump iron" (exhibiting their efforts in one of the pics) He rode to Sturgis on his dads shovelhead (that Pat recently sold) and did great! He did admit that he got saddle sore and would prefer a softer seat next time. We appreciate both of our Null members and hope they have many miles of riding with us in the future. We will miss the shovelhead tho as I'm sure Tucker will too, but we won't go there. On a happier note, maybe that means Dad is going to buy you a new bike Tucker!! or not. Anyway, thanks for sharing the road with us, we're proud to have you watching our back or leading the pack.

Howdy Boys and Girls,

This one will be short and sweet!

**The short part:** There were 23 members at the last meeting including Connie and Kenn Ratliff joining us as new members. Department notes include Treasurer Burns's finances in order and up to date at CC and Secretary Ross's minutes approved. Our new V.P - Madd Dawg (Rebel stepped down due to too many schedule conflicts) talked about t-shirts and Webman McNutt suggested putting our website on them somewhere. Madd Dawg also mentioned going to other locals meetings. And the "after the blizzard" ride with 8 bikes 9 people. He is trying to get some ideas and will be doing some further investigation on the possibility of building a L-27 pavilion at Buckhorn. It was also suggested we put the amount of the incentive pot in the newsletter which was \$194 and went to Yancy Saunders this month. Membership Coord. Singleton has us at 51 members. CC Rep Cashell said the Helmet Bill passed thru Transportation Committee and was going on the floor Monday. No news how that turned out yet, but I'm sure Mrs. Cashell will keep us informed! Product Mgr Ross will be keeping an eye out for jeans shirts as we have a nice embroidery design that can be put on them for a minimal charge. Auditor Gerlts says "all's good". Safety Coord Burrow gave a nice talk on tire pressure and how it affects your bike. Webman McNutt says he has pictures up now and can put 'for sale' items on the site as well as a business card ad for \$5 a month.

We voted to get \$100 worth of giveaway tickets for members to sell for the Personal Safe for Homecoming. Member Jacque Garver talked about TLM (Truman Lake Manor) Bike Week and she has expanded on it from last year. We got volunteers for the Freedom Ride Hosts and they are as follows: March is The Burns, April 9th is Trash Pick Up, May is Yancy Saunders, August is Bill and Ramona Thornhill, Sept is hopefully the Steve Edwards ride and overnight camp again, October is The Cashells.

The Calendar is coming together nicely and you should have your copy by the time this issue comes out. Most events will have a reminder send out for your convenience. Meeting adjourned at 2:35

## LOCAL 28 - WAYNESVILLE

Meetings: 1st Friday @ 7 p.m.

Pulaski Shriners Club.

Contact: President 573-528-4159 - Vice President 573-337-0303 - Shrine Club 573-774-5454.

A tough-looking group of bikers were out riding when they spotted a girl about to jump off a bridge, so they stopped. The leader, a big burly man, gets off his bike and says, "What are you doing?" "I'm going to commit suicide," she said. While the biker didn't want to appear insensitive, he also didn't want to miss an opportunity. "Well, before you jump, why don't you give me a kiss?" So she does and it was a long, lingering kiss. When she had finished kissing him, the biker says "Wow! That was the best kiss I ever had. That's a real talent you are wasting. You Could be famous! Why are you committing suicide?" She answers, "Because my parents don't like me dressing like a girl."

Our coming events are Spring Poker Run on April 2 with April 9 as weather day, Support the Troops Ride is April 23, and Wow, can't wait MID AMERICA FREEDOM RALLY IS MAY 27--MAY 30!!! This year's rally looks to be bigger and better than ever. So see you there!

Our February meeting (with snow coming down), had 43 members and 2 guests. Our newest member is Michelle Burris, welcome. The winner of the incentive drawing was Debby Johnson.

Local 28 member Rose Wheeler is in St. Lukes Hospital in Kansas City. At last word she was in ICU. Please keep Rose and her husband Larry (Santa Claus) in our thoughts and prayers. Larry and Rose get involved in everything local 28 has going on, and are loved by all.

I haven't got to go riding yet, but several of our members have. I'm so jealous. With spring and warmer weather approaching, I hope

to have more to write about next month.

Remember, a stranger is just a friend you haven't met yet.

Be safe, Joker out.

Howdy, Howdy,

It's Spring & I believe I can speak for all of you & say "We are glad it's finally here!" Now we can get ready for some serious riding. Hopefully, you have all taken advantage of all the down time & gave those ole' rides a good checking over for worn tires, loose bolts, or any other necessary repairs to keep you & your passengers safe.

Our last meeting was a really enjoyable meeting. We had 14 in attendance & we are growing. We have 1 new member. We would like to extend a welcome to Stan Cowin. We have had a couple members in the hospital lately but, we are happy to say both Pete & Debbie are doing well.

The Freedom Rally is just around the corner & I believe almost all of our work slots are filled but, there are still a few & if you want to work, give us a call.

Yes, our riding has been limited & not a whole lot to report on but..... that is about to change & here is just a few of the upcoming events some of us are planning to attend.

I was over at one of our member's home (one of our newest member's) back in February and he was gripping about all the snow and the cities policies on snow removal. Evidently, the city had left a flyer on his door explaining that the snow plow would be coming through on the following day and he needed to park his vehicles on the even numbered side of the street so the plow could clean the odd side of the road. Then on the next day, he needed to park on the odd numbered side of the street so the plow could get the even side clean. Well, he ranted and raved for close to 30 minutes about the inconvenience of all this moving of vehicles, when Laura his wife interrupted and said; Honey, why don't you just leave the bikes and the car in the garage? Go figure!

During the month of **February** we made it through **Sedalia MC Assoc. Bike Show**, which was a good show and a success, given the weather that was on the ground. Debbie won a trophy and the \$100.00 gift card; even though it was rumored she was wearing some kind of **pink** Harley hat, can you imagine. Nice bike by the way. **Super Bowl weekend** was at Biffs' place where we got to watch a good game and experience some of Biffs' special cooking skills and Tam and the ladies provided the treats and deserts. The game was O.K. but the food was much better. Local 33 meeting was on the **20th** and in short it was a good meeting and everything is on track for the **Freedom Rally**. The George Washington pot was won by Donna (**there was some discrepancy over who actually won**), but I get to keep my private parts intact and sleep soundly at night and she donated the prize to the Christmas Fund. Wow, *that was a close one!*

**February 24th** was the District 4 Bus Ride to Jefferson City, which was a good time and some crazy woman kept sticking me with knitting needles for no apparent reason during the ride over and back. Blood was spurting out all over the place. (OK, there probably was a reason, but I admit to nothing.) I must state that the trip was very educational and worthwhile. Senators and Representatives at the capitol knew there was leather present on the grounds and acknowledged our presence. We had about 32 members present at the Capital and a good time over and back.

**March 13th** we sprang into **daylight savings time**, so I hope you got your clocks set ahead 1 hour or you've been late for work. Sunday March the 20th is our local meeting at 12:00 noon on Sunday. Please try to be there as there is much to discuss and a good time to have. Plus it's the first day of spring.

### April 2011

Now it's time to get on track! I've talked enough about what we've done so now for the news part of this letter.

**April 3rd** will be our **12th annual spring poker run**. Sign in is 12:00 pm to 1:00 pm @ Am-Vets with a \$10.00 donation. If it decides to rain (and why it wouldn't?) the **rain date** will be the **10th of April** same time and place. This poker run every year is a blast and everyone is usually in high spirits, since it's the first chance many folks have

been able to get out and ride and shed those cabin blues. Where are we riding to? Now, that is always a good question, but I'm afraid Randy is the only one who knows the answer to that one, but if you don't show up, you're the fool for this month for sure.

**April 17th @12:00 noon** will be our local meeting at AM-VETS. Folks if you can make it please do, there will be much to discuss and planning for the Freedom Rally and of course future poker runs and some day trips to some eateries and our sponsors. We will also be discussing our run down to Buckhorn, MO to improve the pavilion with more comforts of home. Folks I'm telling you right here and now, this run to Buckhorn has all the elements of a good time and for some seriously funny crap to happen. If you don't come on this work detail to Buckhorn there is just something wrong with you. If you do go, there could still be something seriously wrong with you when you get home, if you get my drift. So come to the meeting find out what's happening and follow the saga of Old Granny and the Iowa escape. One just never knows when Granny may try and make a break for it.

This recent photo was caught after Granny had been out all night trying to get some cigar peddler to take back to Iowa, but alas her boyfriend showed up and got her to stay in Missouri with her beloved mule. Don't ask me! I only write this crap.

**April 26th** will be the FORR M.A.Y. Rally in Jefferson City. This rally will be at the memorial park in Jefferson City and starts at 10:00 am and ends at 6:30 pm. Why this rally is on a Tuesday I cannot figure, but if you would like to attend there's the info.

**April 30th** we will be heading down to Buckhorn to repair leaks in the roof, do a little wiring, putting in a refrigerator to store refreshments and just a general clean up to prepare for the rally. If the weather is good most will probably ride if it's rainy and cold, we'll be in 4 wheeled vehicles. Either way, come on and have a good time and help out there is no telling what may happen at this run.

Well, that's it for this month and I know coming out of winter we all feel a little down and forgotten, but remember this! If you think nobody cares if you're alive, just try missing a couple of payment on that bike.

February was a quiet month for Local 35. A "spur of the moment" ride on a nice Sunday got a few members together and out and about. Ray Herron is working hard on getting some miles on his new "bagger". If it's over freezing he's starts getting itchy. Looks like April will bring some more riding and some work at Buckhorn as well. Local 35 has a new position of Historian for the group. Linda Browning stepped up to the plate to become

our first Historian. Linda has been a member for awhile now and has been very active in the Local. She is an avid family historian and has lots of experience! We look forward to what she will do!

Some members are already making plans for Sturgis. You know what they say... early bird gets the worm (in this case lodging).

This month's quote is from a current day member of Congress: "I am convinced that there are more threats to American liberty within the 10 mile radius of my office on Capitol Hill than there are on the rest of the globe." U.S. Representative Ron Paul (Texas)

A friend of mine whom I'll call Paul because that's his name has been coming to our local meetings. I didn't know how everyone would take his presence because of his handicap. Every where you go with Paul people move out of the way and stare and have a hard time taking there eyes off him. It is funny in a way but can be very annoying. All people see is the way he looks. My friend just happens to be a member of "HELLS ANGELS". He told me he enjoyed coming to the meetings and how everyone treated him like a person and I said that's FREEDOM OF ROAD RIDERS.

June 5th is our Hartbauer-McBride run.. Really looking forward to meeting all the new members and their families. If you need a calendar of our events in a pinch just e-mail me at [slow.leak@yahoo.com](mailto:slow.leak@yahoo.com) and I'll be glad to send one back to ya...

We had our meeting this past Sunday with about 15 people attending. I had to sit in for Rick cause he was sick with the flu after I was barely over it. I didn't have a hammer to open the meeting but I thank everyone that donated their knuckles. We have one more meeting before Leather and Lace comes up but I believe we have everything lined out...

## Congress to hold hearing on DOI's 'Wild Lands' Policy

As mentioned in a previous American Motorcyclist Association (AMA) alert, on Dec. 22, 2010, Interior Secretary Ken Salazar signed Secretarial Order 3310 creating a new land-use designation called 'Wild Lands' that essentially allows officials in the federal Bureau of Land Management (BLM) to manage public land as if it had received a "Wilderness" land-use designation from Congress, but without requiring congressional approval. This new policy may restrict responsible off-highway vehicle (OHV) use in the affected areas.

The U.S. House Committee on Natural Resources will hold an oversight hearing on March 1 entitled "The Impact of the Administration's Wild Lands Order on Jobs and Economic Growth."

"This is a prime example of why Congress must exercise vigorous oversight of the Obama Administration," said Natural Resources Committee Chairman Doc Hastings. "The Wild Lands policy expressly circumvents Congress' statutory authority to establish Wilderness areas."

A Wilderness designation is one of the strictest forms of public land management. Once Congress designates an area as Wilderness, nearly all forms of non-pedestrian recreation are illegal. The AMA supports appropriate Wilderness designations that meet the criteria established by Congress in 1964, but anti-access advocates have been abusing the legislative process to ban responsible OHV recreation on public land.

With the new "Wild Lands" policy, anti-access advocates and the administration are now seeking an end-run around Congress. Salazar's order has far-reaching implications because the BLM manages about 245 million acres of public land nationwide, primarily in western states.

The AMA sent a letter, dated Jan. 11, 2011, to Salazar asking him to explain whether the new "Wild Lands" land-use designation will block traditional routes of travel for off-highway riding. To view the letter, go to [http://www.americanmotorcyclist.com/Libraries/Rights\\_Documents\\_Federal/Salazar\\_WildLands\\_1-11-2011.sflb.ashx](http://www.americanmotorcyclist.com/Libraries/Rights_Documents_Federal/Salazar_WildLands_1-11-2011.sflb.ashx). And to view the AMA's press release, go to [http://www.americanmotorcyclist.com/NewsView/11-01-25/Opposition\\_to\\_federal\\_Wild\\_Lands\\_policy\\_grows.aspx](http://www.americanmotorcyclist.com/NewsView/11-01-25/Opposition_to_federal_Wild_Lands_policy_grows.aspx).

The AMA needs volunteers to attend this hearing. If you can attend the hearing, please e-mail [grassroots@ama-cycle.org](mailto:grassroots@ama-cycle.org) with the subject line Wild Lands. All volunteers will be given a "Stop the Land Grab" decal for display during the hearing.

Even if you plan to attend the hearing, the AMA needs all its members and OHV enthusiasts to write their Representative today. You can follow the "Take Action" option to send a pre-written e-mail directly to your Representative urging them to oppose any usurpation of congressional authority with regards to public land designations.

Send a pre-written e-mail to your Representative now and let them know you oppose any usurpation of congressional authority.

## Bill introduced to prohibit funding discriminatory motorcycle-only checkpoints

On March 3, 2011, Representative Jim Sensenbrenner (R-WI) introduced legislation that would prohibit the Secretary of Transportation from providing grants or any funds to states or local governments to be used for any program to create motorcycle-only checkpoints (MOCs).

In addition to Sensenbrenner, Reps. Tom Petri (R-WI) and Paul Ryan (R-WI) are original cosponsors.

Because MOCs are discriminatory and have not been proven effective, the American Motorcyclist Association (AMA) strongly supports this new legislative effort and urges motorcyclists to take action to assure passage. The AMA needs your help to contact your Representative immediately and urge them to cosponsor this legislation.

This bill came about in response to the Motorcycle Law Enforcement Demonstrations Grant (DTNH22-10-R-00386) program administered by the National Highway Traffic Safety Administration (NHTSA). You can view the grant notice at <http://www.grants.gov/search/search.do?mode=VIEW&oppId=55792>.

Initially begun in New York State, the process involves establishing checkpoints in which only motorcycles are pulled over and subjected to a series of inspections.

As you may know, the state of Georgia was the only state to receive a grant in the amount of \$70,000 from the NHTSA program to create MOCs. The grant will be used to conduct one or more roadside motorcycle-only checks in accordance with what was outlined in the Request for Applications. The Georgia State Patrol (GSP) will oversee the day-to-day operation of the program.

On October 26, 2010, the AMA sent a letter to Georgia's former Governor Sonny Perdue requesting he suspend the implementation of the grant until questions raised by the motorcycling community are addressed. The former governor did not respond to AMA's letter. Therefore, the AMA sent another letter, dated February 15, 2011, to Georgia's newly-elected Governor Nathan Deal.

The AMA cautions riders traveling through the state of Georgia that the GSP may mobilize the MOC before, during and after Daytona Bike Week.

In addition to the letters submitted to the past and present governors of Georgia, the AMA has questioned the potential discriminatory and legal nature of this program and submitted a list of questions for clarification to the New York State Police. To date, New York authorities have not responded. The AMA also sent a letter to the NHTSA Administrator David Strickland urging him to suspend the grant program until questions have been addressed.

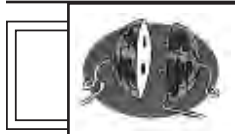

Additionally, on September 30, 2010, Sensenbrenner, along with some of his congressional colleagues, sent a letter to the U.S. Department of Transportation Secretary Ray LaHood. The congressional letter urged LaHood to suspend the grant program that would expand the highly criticized practice of creating motorcycle-only checkpoints by law enforcement agencies. The AMA strongly supports this important letter.

The AMA believes that the primary source of motorcycle safety is in motorcycle crash prevention and not in arbitrarily pulling over riders and randomly subjecting them to roadside inspections. The NHTSA should focus on decreasing the likelihood of crashes from occurring in the first place. The methods used in New York State and possibly Georgia remain highly suspect and no public money should be applied to promoting such a program without first addressing questions from the motorcycling community.

Specifically, how do MOCs increase the safety of motorcyclists? Where do the selected states draw their authority to conduct MOCs? Will "probable cause" be required to stop a motorcycle under the terms of this grant program? If so, what will constitute "probable cause?" What types of infractions were recorded by New York law enforcement officials at these checkpoints? What criteria will be used to determine if the MOCs are successful? Do states have the jurisdiction to inspect vehicles registered in another state? And, how was the safety of motorcyclists improved by the use of MOCs?

This bill is critical to ending the discriminatory practice of MOCs. The motorcycling community needs you to contact your Representative now to ask them to cosponsor Sensenbrenner's new bill to end funding for MOCs. Just follow the "Take Action" option to send a pre-written e-mail directly to your Representative.

Be sure to forward this to your motorcycling friends! The AMA needs motorcyclists to unite against MOCs.

## ***Congressman Jim Sensenbrenner, Standout Supporter of Motorcyclists***

United States Congressman Jim Sensenbrenner, Jr. (R-WI) has always been a staunch supporter of motorcyclists and this week, he once again went above and beyond the average member of congress.

Sensenbrenner penned a letter to the USDOT last year asking for some clarification on the agency's plan to fund motorcycle-only roadside checkpoints. When the USDOT funded a program in Georgia to the tune of \$70,000 before responding to Mr Sensenbrenner's letter, it ruffled his feathers, so to speak.

The Republican from Wisconsin took another tack and decided to try to defund the program entirely. Sensenbrenner introduced an amendment that would strip all funding for the controversial program. The amendment would make it illegal for the US DOT to use any money to conduct checkpoints or any program to check for helmet usage.

However, the amendment is one of 600 introduced to this particular bill and may not see the light of day. We commend Mr. Sensenbrenner for his defense of motorcyclists and fully understand that the amendment may not receive a vote. We at the Motorcycle Riders Foundation stand by, ready to assist Mr. Sensenbrenner in any way we can.

The MRF will keep you informed on this issue as details develop.

## ***MRF Bikers Inside The Beltway National Lobby Day***

The Motorcycle Riders Foundation (MRF) is pleased to report that the 3rd annual Michael "Boz" Kerr Bikers Inside The Beltway national lobby day will be held Thursday, May 12, 2011 in Washington DC. The MRF will have secure, free parking for motorcycles just steps from the US Capitol Building. This year's event will take place from 9am-4pm.

9:00-11:00: Arrival, registration, instruction and lobby material pickup

11:00-2:00: Lobby your federal elected officials

2:00-3:30: Program with invited Congressional speakers at Rayburn House Office Building.

The MRF encourages you to schedule appointments with your Representative and Senators during the lobbying hours. It is best to begin scheduling them now, as the calendar will fill up on this busy legislative day.

Plan your appointments according to your arrival time. If you plan to arrive promptly at 9AM you can schedule meetings anytime from 9:45 until 2:00 without conflict with the program. If you plan on arriving at 11:00, then you can schedule meetings from 11:30 until 2:00.

Should you not be able to get appointments, plan on dropping by as many offices from your state as you can during the scheduled lobby time. Feel free to contact the MRF office with any questions about scheduling or otherwise.

This year's Bikers Inside The Beltway national lobby day coincides with the MRF's eastern regional conference, BEAST of the East, which begins the next day, Friday May 13, in Baltimore, MD. It is just a short ride or train trip away from Washington, DC.

Exact locations for the free motorcycle parking will be announced soon. For those of you anxious to get a feel for how long your ride will be, just use the US Capitol for a final destination. Details for BEAST of the East, including registration and hotel information, are on the MRF website at <http://www.mrf.org/events.php>.

An event flyer for Bikers Inside The Beltway is also available on the MRF website at [http://www.mrf.org/2011/BEST/BIB\\_2011v2-BW.pdf](http://www.mrf.org/2011/BEST/BIB_2011v2-BW.pdf).
