To the keepers of the local rosters....

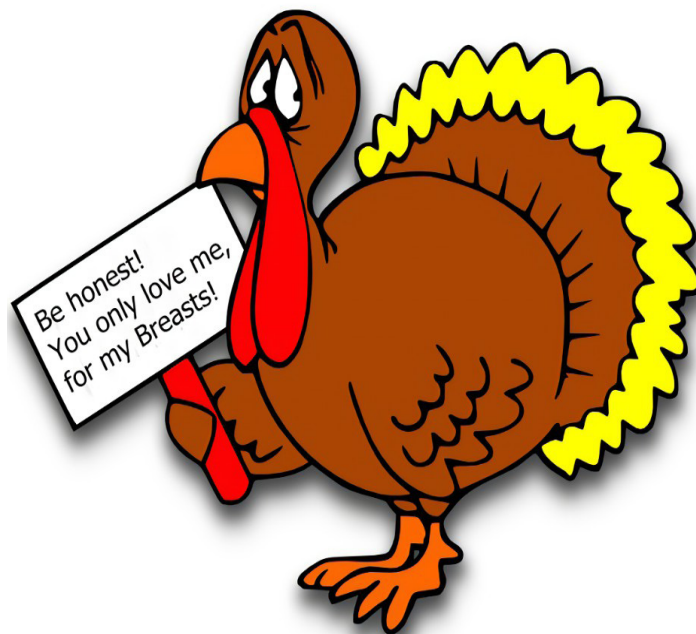

I have received a letter with no return address, no signature or last name mentioned and I need your help!

This letter explained that I did not need to send anymore correspondence to 'Robert' for he is currently in a nursing home.

Does this sound like one of your members?

If any of you can give me a last name & Local # for this person, it would be greatly appreciated.

Credit card fees are 3% charged to us. We noticed that when large amounts are paid, we would lose a nice chunk due to the fee. We will begin to charge a 4% service fee to cover our bank credit card fee on asset sales.

**Webmaster** – New Website should be 100% current with the information she has available. Local 20 indicated that they are very happy with the updated site. It has been past practice to receive permission from the family to post on the Memorial Page. We will reiterate that the permission or attempt to contact a family member to verify. Some have had issues with accessing the site on their phone that issue should be resolved with the new site. Duchess would like ideas or suggestions from members for ad.

**Awareness Coordinator** – Heather Peterson – absent. Setting up awareness booth at Bikefest and Jim volunteered to set up. He needs assistance in the booth, we will need to limit our time to 9am to 5pm on Saturday at Bikefest.

**Legislative Coordinator** – Joe Widmer – Veto session begins Wednesday. Joe is going to offer the returned campaign check as undelivered. State has a surplus of money and the Governor decided to return it to the people. Still discussing how that will take place. What legislation do we wish to pursue this term? Accident numbers have increased: helmet and no helmet numbers are about the same. There will be a challenge to the helmet issue if we don't get these numbers under control. The worse part is we are killing ourselves usually not the cagers fault. Education, safety, and sober riding, 56% of accidents are due to failure to negotiate the turn/curve, average age of a person who dies of motorcycle accident is 54 and riding an HD. ATV/UTV must carry liability insurance if registered with the city/county to drive on the streets. A member was hit by an ATV and they were not insured, asked if that shouldn't be required if they are driving on the streets? Going to discuss with a Rep to see if a bill is necessary. Also, Texting and driving, driver's education, profiling resolution.

**MRF** – Amy Allmon – How many here are MRF members? Meeting of the Minds will be held in Des Moines, IA September 22-25 at Des Moines Marriot Downtown. Contact Kat Fox, Chris McCurley, or myself for more information. Missouri will host th3 2024 Meeting of the Minds and need to fund raise to cover the \$10,000-\$12,000 needed to pay for the event which will be held in KC or STL.

**Mid-South Mile** – Roy "Cowboy" Hoard – Will be held in Topeka, KS Oct 7-9 at Ramada Inn. Needed basket donations by today and Tami did not receive any items. Local 35 donated \$50, Local 29 \$20, Local 3 \$100.

**Riders Education** – Beth Clark – All the training bikes are sold except for the 2003 Nighthawk. Beth is officially no longer a coach due to health reasons. She will still run the program. Only the November 13-14 class has space left for students. BRC 2 will probably be cancelled since we have no students signed up. The ARC 8 students have signed up and still have 4 spaces left. Continue to donate a free class when we give away a bike at Homecoming. It can be transferred to another rider if necessary. Would like to receive approval for \$3,000 to use if/when a training bike becomes available for sale. Motion from Local 1 that we give the Riders Ed coordinator permission to spend up to \$3,000 on the purchase of a training bike 2nd by Local 10. Discussion regarding the selling of assets and the CC bodies approval of buying and selling of assets. Local 1 Amended the motion to add the approval of at least 2 cabinet members and 2nd by Local 31. Voice vote on the amendment all yeas and 1 nay vote and motion carries. Roll call vote on the original motion, 22 yea votes and 4 nay votes (2 locals absent). Motion passes.

**Membership** – Kat Fox. A local had a family event and a couple brought their children and were basically blackballed. It's upsetting because we are trying to grow and involve the younger generation. Encourage locals to have kid friendly events to involve the family. The couple dropped out of FORR. A tip that may draw attention would be multicolored trifolds and each local should attempt to print on their own trifolds. Bikefest coming up and will have membership booth in vendor village. Suggestion that we sell new memberships at Bikefest for \$20 and the Locals would forgo the \$5 from each membership. Local 11 made motion that we sign up new members at the Bikefest event for \$20, 2nd Local 10, unanimous voice vote.

**COCI Liaison** – Ken Lewis. Was not able to attend the COC meeting same weekend as CC meeting. We could use a volunteer to attend these meetings they are usually in St Louis or Columbia area.

**Product Line** – Shelly Payne. Contact her (660)251-3904 or photobysshelly@yahoo.com. Denim shirts are now available: dark blue, light blue, and black, Small to 4XL. New hats available. New shirts are available with star background. Custom Koozies and shirts with Local Logo. Supply chain issues could cause delays.

**Freedom Press** – Michelle “Rebel” O’Connor. Discussion regarding putting the newsletter on the Website. Do we want it to be members only or make available to the public? Need new ideas. Need a decision by November.

**FEW Seminar** – Jammie Tipton. March 11 although Jammie volunteered to coordinate but has not been able to attend a committee meeting this year. We will contact her to ask if she willing to allow another to take over. We don’t know her plans but will discuss with her to get an answer. A discussion was had regarding committee volunteers, we need them to be able to commit to attending at least three committee meetings a year.

**Homecoming** – Joe “DC” Karr. Reminder, Today is September 11, NEVER FORGET! Total Homecoming attendance was 359, 97 day passes on Saturday, 86 nonmembers, 176 members. Your Vice Chairman was disappointed in our attendance numbers. Only ten locals showed up and only ten locals sponsored the event. \$8,880 income from the bike, \$511 from 50/50 drawing, \$1,000 band sponsors, \$300 banner sponsors, \$1,200 stage sponsors. Donation of \$192, \$8,060 entry fees, RV \$1,585, T-shirt sponsor \$850, Trophy sponsors \$650, vendor fees \$1,250. Total income \$24,478. Expenses: Bike Giveaway \$3,124.16, campground fees \$3,500, Concert fee \$4,600, Dumpster Fee \$566.75, Golf carts \$1,560.36, Miscellaneous event expenses \$824.07, Office supplies \$1149.18, Printing supplies \$268.39, Port A Potties \$1,550. Profit \$8,335.10. Income from Product Line \$375. Net Profit \$8,710.10. Next year needs to be bigger and better. Another bike giveaway that we need to step up from a Sportster. Need a new Human games coordinator. District 4 gets \$150 for the delivery and set up of the Gate booth, DIK. This year District 4 also brought the large tent for the bike show and would like to obtain an additional \$150 DIK for the delivery and setup of the tent. Motion made by Local 14 for the DIK of a total of \$300 (\$50 for each local in District 4, which are 1, 5, 14, 29, 33, 35) for the delivery and set up of the Gate Booth and Tent for Homecoming, 2nd by Local 29. Passed by unanimous voice vote. Need to increase the seed money or move money to the giveaway account to continue the Bike Giveaway. We will find a Street Glide or Dyna for \$5000 and include that in the budget to be presented in January.

**Old Business** – None found. Updated Bylaws were provided.

**New Business** – The Pulaski County Shrine Club (Freedom Rally, Buckhorn, MO) is doing electrical upgrades and if the Local has a pavilion on the grounds you need to contact Kevin Cordry (573)586-9801 he needs information from the owners. An email containing the updated bylaws was sent to Local secretaries and presidents.

A motion to adjourn was made by Local 11 and Local 7 2nd motion passed with unanimous voice vote.

Howdy all, hope all is well with everyone.

Our last meeting went really well. We all gathered at Andele Amigos in Holden for our meeting which followed with a few hours of great music by Dean Arnold. He will be head lining at Octoberfest Friday night.

As of this writing we are getting ready for Octoberfest. Can't wait!!! This year will prove to be one of the best in a long time. The weather is going to be fantastic, and THE TRACK WILL BE DRY! WooHoo, the dirt drags are in our future! I will have pictures for you all in the next issue of The Freedom Press, Promise!

Sorry I don't have the location of the November meeting, but it hasn't been decided on at this time. So, check your e-mails, or texts for the reminder, or just give Dragon or myself a call after the 16th of October and we'll set you straight on what the plans are.

We are winding into colder weather by this time so watch out. Leaves on the roads can be as slippery as ice. Hope all have a VERY good Thanksgiving.

Well, it's time to get packing.... So, as I always say... Have a good one, then have another!

See ya, **Michelle 'Rebel' O'Connor #7157**

Yep! September is over! Better get busy for the Press! Our last meeting scheduled for 9/10/22 was canceled due to Jacine's Grandma's passing away. Our sincere condolences to you and all your family!

Well after being home bound for what seemed like eternity (due to our accident) we were ready to get out! So, we caged it down to BikeFest!! It was nice to get out and visit with everyone.

We helped at our Safety and Awareness/ Membership booth!! Jim Scheele from the Springfield Local, brought all the cool giveaways and energy and laughter!! Katherine Fox Local 5 also volunteered to help out, so between the 4 of us we handed out lots of material and recruited quite a few new members!! So, it was a great day!! We were happy to see our friends from Local 13 and several other Locals. It's always fun at the Lake!!

Jacine and Pres. Chris as well as Chris Raymer participated in the Missouri Vietnam Wall Run 2022 down in Perryville Mo. And by the looks of the pictures, it was a fabulous time.

The following weekend was the Meeting of the Minds in Des Moines Ia. One of the High points was the induction of the MRF into 0the Hall of Fame, Pres. Chris McCurley can be seen wearing the Medal for it!! Way to go to all who attended!! 9/29 a pep rally and dedication to The Heroes way took place at the Macon High School to honor Coach Hugh Dunn for all his years of service to the country and his community, Chris Raymer, Warren Johnson, his son Hunter and Kim and Mike Heaton were in attendance!

Way to go!!

9/30 !! Our biggest news!! Our youngest member made her grand entrance! Steph and Matt are proud to announce the arrival of their little baby girl Ruby Jean!! Looks like she will be a team player!! Arriving early and in time for this newsletter!! Congratulations!!

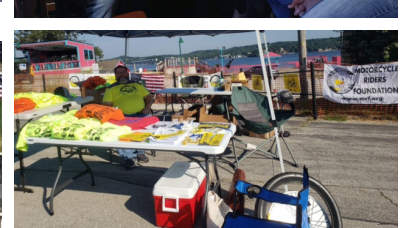

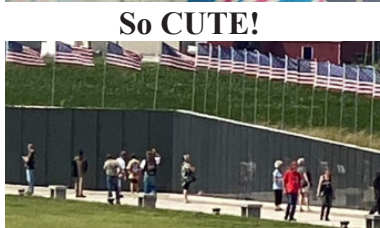

So far, this fall has been exceptionally beautiful, so get out there and enjoy life. Richard is progressing very well and hopefully by spring the healing will be completed, and we can enjoy riding again.

Be safe and happy!

Meetings: 3rd Sunday @ 1:30 p.m.

So much fun at our Not Rally, which was held Sept. 23-24th at Chopper Stopper in Roscoe. A big thank you to Terry, Donna, Willie & the gang for fixing the pulled pork, setting up the buffet inside & all the work they did. It was really nice, they also had a bar set up outside. Bike games were a hoot, Local 14 showed up to cap our flag, Local 35 showed up in full force, also L-1 & L-11.

Bryan Colons aka Rambler, the one-man band out of Warsaw was wired & on top of it Friday night, really did a great job. We'll have him again, I'm sure. There was karaoke on Saturday night, we've got some really good singers here. Had a lot of laughs with the quarter drop game (you had to have been there). Shelly Payne was there with her state product line t-shirt tent, which was a big hit. New member, Lonnie Matthews came in with his new, very sharp looking Spider.

Oct. 16 was Rebel's annual pancake breakfast in Appleton City, we always try to be there. Good food and a good ride, see I'm writing this before the fact so more on that next month. It's always on the same day as our meeting, so we make the ride, have breakfast and then ride on to our meeting.

BB&B in Rogers, Ark. was Oct 6-9th. We always try to make that, you need to have reservations long ahead of time if you want a room anywhere in the area. We stay at Stonegate Lodge in Eureka Springs. Very nice rooms, decent price & they have an excellent meal for the guests on Saturday night. All prepared and served outside by the pool, usually wild game & fish which was harvested by the owner. All top notch, can't go wrong there!

Why can't the ghost have any children---ok, wait for it -----because he has a Halloweenie !

Don't hate me, but that was funny!

Happy Halloween.

Until next time, Piglet #33946

Facebook: Freedom of Road Riders, Inc. Local 5 South KC

Hello to all, this month short and sweet as busy preparing for Oktoberfest. Which by the time you're reading this it's over. Hope you got to come and enjoy the company, especially mine. LOL!

Amy Allmon and Katherine Fox attended Mid-South Mile in Des Moines, IA with other dedicated FORR members. Came home w lots of enthusiasm and always great ideas. Thanks for all you do.

Also, thanks to Katherine Fox and Jim Scheele Local 30 who worked the FORR booth at Bikefest. Additional thanks to Richard and Cathy of Local 2 for coming to relieve Katherine and Jim for dinner break. How awesome is that!!

Quick thanks to Debbie Berneking for all she does behind the scenes. I'd go into it but time is short.

Reminder November 6th is the toy run to the Sunshine Center in Independence. They have changed the requests due to a restructuring of the curriculum. Ages of children and types of food, toys, etc have changed. Please check the flyer on FORR.Net to see new listings.

Congregating at our VFW, sign in 10-12 with wheels up at 12:00. Arrival depends on Roundabout!

Come early as VFW serves a great breakfast.

Sunshine Center is a wonderful organization and the endorphin rush of seeing the kids excited is worth the effort.

Thanks for your time, Rebecca

Hello Local 7. Well since I last wrote you we have been busy. We have had our poker run for Sound house. It turned out to be a good poker run with a BBQ at the end of the ride. I think our president done the cooking & fun was had by all. After all that some of us rode to Ozark Harley Davidson for bike week festivities there was a lot of vendors and bikes Don was hoping to find some tires worth the money. But no one offered any. Then there was the Ark. Run that did not happen. So, Bob S. and myself rode to Elephant Rock great ride and great weather.

Then we had our family fun day at the Shrine club at Buckhorn. Josh was our chef that day and done a good job. There were a lot of members that showed up & the kids played and had a good time. We had a volleyball net set up and a crochet set up and of course corn hole. I think there was more visiting than game playing.

We had our meeting at the end of it all. Don't forget, our next thing is at our toy run. It is November 6th at the American Legion in Lebanon. Bring one new toy and at least one can of food. Be there or be square.

Ride safe,  
Sir Robert

Well fall is here again, time to start looking for that cold weather gear for the upcoming months. Don't forget the cold weather gear for your bike either, a battery tender is important, especially if your bike storage isn't climate controlled. A few bucks spent on a tender now, can save you in the long run on a new battery later, trust me, been there, done that.

Hey Local 12 We had another ride to the meeting on Sept. 10th. There were 6 bikes and 7 riders not too bad. The meeting was held at Mike and Tami's. Everyone must have heard they were serving pulled pork sandwiches because we had great attendance. There were 16 members there. Thanks Mike and Tami, it was great. Some topics of the meeting... next year's Firecracker Classic will be held in Sept. hoping for cooler weather. The exact date is pending discussion with the city of Glasgow. The Christmas party will be held Dec. 3rd at J&A

Coffee Shop in Slater...happy hour starts at 5 pm with dinner to follow. They will be serving fried chicken and pork loin. The cost will be \$17.50 per person. Remember its BYOB. Thanks Terry Dobbins for making the arrangements. Long-time member Virgil Wamsher's name was drawn for the incentive pot but was not present to accept. Come see us at a meeting Virgil...we would be glad to see you. Our Nov. meeting will be held at Stump Island in Glasgow for our bi-annual litter pick up Nov. 12th. We will meet at the bridge. Jay and Patti will have a big pot of chilli to enjoy afterwards. Even if you can't make the pick-up stop by later for the meeting and some chilli.

We would like to welcome 2 new members to Local 12... Debbie Dobbins and Todd Jenkins. Debbie is on facebook and lets Todd know about group rides. Todd is a lineman with the city of Slater and has offered his knowledge for electrical work that needs to be done at Stump Island before next year's Firecracker Classic. We are happy to have you both in the group.

Fall is a great time to get out and ride. Watch Facebook for notifications...sometimes they are last minute, but we would love to get out there on some rides.

Till Next Time,

Hey everyone, I hope you're having great fall season. I know we at L-15 are playing AND working hard.

We had sunny, successful days at both our Fall Bike Show/ Swap Meet and at our Stone County Toy Run. We want to thank the people that worked their butts off at one or both of these events. We also want to thank everyone that came and enjoyed them. You know that we couldn't have done it if it wasn't for you! We have more pictures on our Facebook page for you to check out.

Our next event is the Branson Toy Run, Sunday, November 6th. We will start at Walmart on Hwy 76. KSU at 1pm. Come early to sign in. We accept toys, coats and cash. The ride will end at the ELK's Lodge 2597 of Forsyth. We'll have lunch and giveaways there. Please plan on coming and supporting the kids and their families, of Taney Co.

Our next BS will be Nov. 1st at Saints City, 3265, Falls Pkwy, Branson. A friend owns and runs it and they love having FORR/bikers visit their establishment! Come and have dinner, drinks and BS with us. The meeting starts at 7 but most of us come right after work around 6-6:30.

Our Business meeting is the third Monday of the month, at the Amvets in Rockaway Beach, the meeting starts at 7pm. We have a monthly Membership drawing. You put a dollar in at the beginning of each meeting and at the end we draw a name from our membership. If your name is drawn AND YOU'RE THERE, the money is yours. If the name drawn isn't present, the money is rolled to the next month. Bill Lloyd was the name drawn last month and he wasn't there, so the pot starts with \$22 in it in Nov. Please come and help us plan our Christmas party, and other important things for the coming year!

I hope you all have a wonderful Thanksgiving. If you find yourself by yourself and you don't want to be, please call someone. They may be alone and need company as well.

Your friend and sister, **Lou Jungbauer**

I hate to be the bearer of bad news. Our friend Ray has left us. His injuries were just too much for him to overcome. The man that could repair anything, usually better than new, was unable to repair himself. Our deepest sympathy and best wishes go out to Rosie and his entire family. I know he has made an indelible mark on many lives – most likely on just about everyone he met. The 3rd annual Bill Wooten Memorial Disabled American Veterans Run (Continued on next page)

**LOCAL 15**  
Stone County Toy Run

(Continued from previous page) has come and gone. Due to circumstances beyond any reasonable control the turnout was pitifully low. It seems someone had the brilliant idea of scheduling another similar run on that day – knowing full well of the status of the DAV Run. Despite that, it was a financial success for the local DAV Chapter. It was made possible through the hard work of the volunteers, sponsors, and the generous donations of the folks who did participate. Thanks to all who made it happen.

The annual Toy Run will be here before you know it & if you don't get your newsletter in a timely manner, it could even be over before you get this. As history does repeat itself, so does the Toy Run – sign up at noon at the Cape Eagles on the 1st Sunday in November, the Run leaves at 1:00, bring a toy(s) & non-perishable food.

The Christmas Dance will be here before you know it too. It will be on the evening of December 2nd at the Perryville VFW. "White Lighting" will be kicking out the Jams until around midnight. We will be giving away a hand-made Harley quilt at \$5 per ticket and a Bear Creek Armory AR 15 Military Spec's .223, with a SIG Scope, 30 round clip & box of shells. The tickets are \$5 each or 5 tickets for \$20. If you want any tickets for either the quilt or the gun you can contact George. (Or any other #16 member that you think can hook you up)

Local 16 meetings are scheduled for 7pm on 4th Friday of the month at The West End Tavern in beautiful up-town Frohna, but have been known to be moved to different times at different locations, so check in with someone in the local so you can plan accordingly.

Greetings! For those of you that attended the annual running of the Rat Run, which just took place at the time of this writing last Sunday, WOW. What a turn out. I've attended this event almost every year since '91 - yes, I'm old - and I don't think I've seen this many bikes attending this event. Now, while at some of the stops along the way, I asked 3 people at random if they knew why it was called the Rat Run. Only one person knew which didn't surprise me. So here's what the Rat Run was originally.

Joe Sparrow owned a local bike shop in St. Charles on HWY 94 near Shirley's called Sparrow's Cycle Repair. Once a year in October he would pick out some nasty old piece of junk motorcycle that was designated to be "The Rat". Joe would ride the bike. Only (Continued on next page)

(Continued from previous page) Joe really knew how big of a piece of junk the bike truly was. Or even how much fuel it had in it. I seem to remember that a lot of the "rats" were English bikes which of course made the prospect of the thing breaking down even more likely. (Lucas) Back then, the ride went from Joe's shop to Pere Marquette State Park near Grafton, IL where there were drag races and other festivities. If you wanted to, for I think \$5, you could bet on how far the Rat would go before breaking down or running out of fuel. These were some of the greatest of my early street riding times. I rode the first 6 or seven of them on my 1946 WL. Good times.

Last Sunday, I asked around at the various stops if anyone had seen Joe at this event. None that I asked had. I lost touch with him years ago. I was following him on favebook before I bailed out of that hell hole. Last I heard, he was working for the National Motorcycle Museum in Iowa. Joe was a pillar of the motorcycle community in this area and a good friend of mine for a while. Joe always had Flathead parts! The flood of '93 ravaged Joe's shop and he took a day job somewhere, I think. This concludes my old timer local motorcycle history lesson. STAY VIGILANT. REMEMBER WE ARE ALL INVISIBLE WHEN WE RIDE. ESPECIALLY IN THE WINTER. **Rob & Terra**

## Local 35

Hey everyone! Hope you all are doin' well! Been enjoying (Continued on next page)

(Continued from previous page) the nice fall weather like I have. I'm sure! Local 35 had a great time at The District 4 Octoberfest Rally in Grain Valley! Thanks for everyone's hard work putting it on! A few of us rode down to Joplin for Local 11's Bike show back in September. Captured their flag and enjoyed hanging out with our L11 friends! Afterwards on our way back we made a stop at Local 3's Not rally. Watched some bike games, listened to some music and ate some damn good food! We really enjoyed hanging out with all our FORR friends and family at their events this year. Local 35 wants to thank all the locals that supported us at our events as well! Means alot to us all!

FYI to all Local 35 members please keep an eye on the Local 35 Face Book page for info on our December Christmas dinner and party! At this time, we are planning to have it in the evening on Saturday December 3rd at the Eagles in Clinton. We will have our Officer elections and monthly meeting the same evening. More details will be posted on our fb soon so stay tuned! If any of you would like to become an Officer and have questions, feel free to ask and let us know you're interested!

Local 35 President David Nelson challenged us to come up with a new Local 35 logo. So, if you are a Local 35 member and have a new design draw it up and bring it to the meeting. We will look at them all and vote on the best one! The design that wins will get a free t-shirt with the new logo and a gift card for dinner at El Camino! So, get to sketching up your ideas! Happy Birthday wishes to Local 35 member's- Lesley Koeller November 10th, Jennifer Nelson November 4th, and my lovely wife Angie Huff on November 7th!! Hope you all had a great Birthday day!!

From Local 35 to all the Freedom of Road Riders we wish everyone a Happy Thanksgiving! Please stay safe out there! If you haven't been to a meeting lately or you're interested in becoming a FORR member your all welcome to join us! We all get together at the Eagles Lodge on the 4th Sunday of the month \*\*\* (except the November meeting will be Saturday December 3rd at the Christmas dinner and party in the evening)\*\*\* in Clinton, Missouri at 2pm. # District 4 - KC Area

Hello all,  
Well Octoberfest has come and gone and speaking of that, this year has just flown by. As I type this for submission a few day's before Octoberfest I'm taking a wild guess that everyone had a great weekend with District 4 at O'fest, in fact I would bet on it.

I want to throw out a huge shout out to everyone that came and supported District 4 at Octoberfest. Would also like send a shoutout to everyone for all there hard work from beginning to end and everything in between including Sponsor's and Vendor's.

Next up is our District 4 Toy Run, the flyer is out on facebook the date is November 6th 2022, nothing has changed with meeting and leaving times or places..... however, PLEASE be sure to look at the list of needed items, that list has been updated from past Toy Run's.

District 4 has other thing's being discussed about event's, we'll let ya know more later :-)!!!!

That's all for now
