Our November meeting was Sunday the 20th at Chopper Stopper with 20 present. Good to have L-25's Jim Price take the afternoon off from hunting while he was in the area and join us. Always good to see him. We had nominations of officers, election will be held at our next meeting. Anyone else wanting to run for a position will still be able to then. All of our events and fliers for the year were approved. Lana "Big Sis" Bowen gave a nice Historian report. Thank you Big Sis, good job. Roxie gave a very interesting and informative CC report, as always. Phyllis gave a very nice donation in Dave's name, also her name was drawn for the Oct. incentive pot and Jason Nichols' name was drawn for November. Both donated it back to the local. Our official name drawer, Zach was not present. We missed you Zach, our Historian did the honors this time. We usually do a New Year's Day ride, so try to make it. We've got to let our "crazy" show. Happy New Year,

Hope everyone had a wonderful Christmas and best wishes to all for a happy and safe 2023.

Welcome new members. We've had a recent growth spurt in membership. We number 78 members in Local 5 currently.

Again, I say Welcome! Welcome! Elections were held with all retaining offices with exception of Katherine Fox as secretary. Due to a new work schedule she has to step down. A long-winded member by the name of Rebecca has taken on the job. Heaven help us.

District 4 is having their annual crockpot competition January 28th, in Wellington Mo. Starts at 6pm. Bring your crockpot, your hunger, and some money. This is a District legislative fundraiser so be there or be square. FEW Seminar will be held March 11, 2023. Pre-registration ends February 18. Registration form available in The Freedom Press or online at FORR.net. This year's theme is "Rebel With a Cause". Local 5 will be contributing a basket for auction donation and we will need decorations to win the "Best Decorated Theme Table" award. Who has that life size James Dean cutout? Or maybe the red jacket? Or even just some Bryll cream. Let us know if you want to be in on the fun.

Reminder in April District 4 will be holding 3rd annual Horseshoe Golf Tournament at Dragon's Lair, Holden Mo date to be determined. Keep watching.

Keep in mind we always need new and fresh ideas for fundraising. No idea to small or silly.

We're a small silly group dontcha' know.

Katherine Fox has selflessly served as our C.C. Rep but due the new job has to step down. Thank you, Katherine, for all your hard work. You have been great! So, who wants to be a great replacement. If interested, contact Amy Allmon.

I want to wish you all a Happy and Prosperous New Year and to Thank you for your time, **Rebecca**

Hello everyone!

I hope all is doing well and enjoying the Holiday Season. I know the holidays can sure wear out a person real quick. After being in an accident on his Harley Trike several months ago David Rapson (Local 6) is now back at home and doing well. We need to keep another Local 6 Member Bus Rials in our thoughts and prayers. He's not doing well.

We have some people celebrating birthdays:

Angela Parton (November 8th)

Kathy Maxwell (December 8th)

Eddie Carson (December 12th)

Nicole (December 25th)

Brenda Swope (December 27th)

(Continued on next page)

On November 6, 2022, Local 6 had our Annual Christmas Toy Run to the Noyes Home For Children. We ate lunch with all the kids before Santa (Dan Harmon) passed out the Christmas gifts. There was 69 people in attendance, 30 Motorcycles/Trikes & 5 vehicles. The wind was a little gusty and Mary Jackson had to hold Santa's hat on his head cause it tried to fly off his head 4 times.

On December 3rd Diana Hafner (myself), Laura Lumb & Darrell Coy attended the FORR Local 14 Christmas Party. We had a lot of fun and we Captured a Local 14 Flag while we were there. There is a photo of Me & Mr. Grinch at the Local 14 party. Also, a photo of Myself, Laura Lung, Darrell Coy, Doug Hilburn & Donna Hilburn.

The rest of the photos are from the Local 6 Annual Christmas Toy Run. The new 2023 Officers for Local 6 are:

Jim Cross --- President

Dan Harmon -- Secretary/Treasurer

John Tiffany -- Vice President

Newsletter Editor-- Christine Bell

I sincerely hope everyone has a Very Blessed & Happy New Year in 2023. Until best time y'all be safe as always.

We were happy to have Shelly Payne at the meeting to represent the FORR product line. She has a lot of great products at reasonable prices. After the meeting we enjoyed some chilli and socializing. Happy New Year, everyone!

Since our last newsletter entry, our Local had our Toy Run and last night we had our Christmas party. Both were complete successes! I am including a few pictures from both events.

Our Branson Toy Run had 170 bikes. It was such a gorgeous and warm day. Everyone that came out were very generous with their donations of cash, toys and coats. We are now looking forward for the distribution to the parents of the families that we are helping in Taney County. I was told that there are 250 children in need of help this year. Thank you to everyone that came and rode with us. Thank you also to everyone in our Local for helping us collecting donations for the door prizes.

Last night we once again shared an evening of food, fun, music with our L-15 brothers and sisters. We have an Ambassador patch that we give members who have been with us for 5 years, held an office, but more importantly are those who go above and beyond the normal member. This year, past ambassadors, nominated and approved these people as our new ambassadors: Terry Beltz, Linda Steelman and Ron Trickle. They work very hard with us, with our Toy Run, leading rides, working shifts at Hootentown and other events and are always willing to do anything that is asked of them. I am so very proud of them and so are many of our members.

Our Annual New Year's Day Ride is scheduled for January 1st. We will meet at the Veterans Museum on Hwy 76, in Branson. KSU @ 1pm. We will ride to Saint City's on Gretna Rd. at The Fall's, also in Branson. We will hang out, toast to the New Year and most of us have a late lunch there.

Also in January is our Annual Chili Supper. It will be on the 21st at the American Legion in Kimber City. Door opens at 6pm. \$5 all you can eat. There will be a Silent Auction as well. Please come and join us there.

Don't forget about our monthly Business Meeting. We meet on the 3rd Monday of each month at the Amvets in Rockaway Beach. Our meeting starts at 7pm and usually last for an hour. If you need a New Year's resolution, how about resolving to making it to ever meeting in 2023.

I hope you enjoyed the holidays and I hope you start off the New Year on the right foot. I hope to see you soon, **Lou**

Greetings. By the time this will be on your coffee table, local 24 will have had our Christmas party. (Yes, we call it just that, political correctness be damned.) I'm sure we all will have a great time. Sorry I didn't put out the information as to where and when the party was but at the time of the newsletter deadline last month, I hadn't confirmed the location yet. I dropped the ball. Sometimes life gets in the way of my other responsibilities. All my fault.

Friendly neighborhood biker files - As I was drinking my coffee and listening to talk radio this morning, I said to Terra, "Today is the deadline and I have no idea what I'm going to write about." She suggested this story...

Terra was at a store and needed something off of the top shelf. She's not a tall girl. She couldn't reach whatever it was she needed. At about the same time, a couple bikes rolled up in front of the store. It was cold outside. Dudes were dressed out in leather head to toe. There were other people there that she could have asked for help, but she waited for these big, scary bikers to come in. She asked one of these guys for help, by choice. Why? Here's the part of the story that anyone that's reading this knows the answer to. Because she knew that a hardcore winter ridin' dude is gonna be the FIRST guy that will help her. I wish there were more cagers that truly understood what we, the motorcycle community, for the most part, are. Next time you are riding and can spare the time, stop for a broke down motorist and ask if they need anything. I do. Anyway.....

STAY VIGILANT. PACK EXTRA CLOTHING. CHECK YOUR TIRE PRESSURE. REMEMBER, WE ARE INVISIBLE TO MOST PEOPLE IN CARS, ESPECIALLY IN THE WINTER MONTHS. **Rob & Terra.**

Hello Motorcycle Lovers

First, let me hope everyone had a Great Christmas and safe New Year Celebration. Did you enjoy the opportunity to go on a Polar Run? I cannot say at this time because during this writing it hasn't happened yet for me.

Local 28 had a mixed group of riders participate in the local Christmas Parade. The excitement of riders, passengers of floats, car clubbers, animals and children would bring a smile to anyone's face. Riding along a route lined by people of all ages, watching as children raced to collecting candy being tossed, what a sight. Checkout the attached pictures (Continued on next page)

END OF YEAR LEGISLATIVE REPORT

Hello all you Freedom Fighters,

I know it's been a while and to tell you the truth, there hasn't been a lot going on this past year, unless you were involved with a campaign. Legislation ground to a stand still this past legislative session and not many things moved that pertained to us as motorcyclists. This year from what I am understanding the focus will be on education and schools. There are a couple of bills that we'll be watching this year, both are hands free legislation and a couple we are still working toward, those being driver education and a motorcycle profiling resolution. One piece of legislation that needs further study is a bill that would authorize vehicle platooning in the state. Another is a bill that would give individuals and small businesses the right to repair. I'm a little behind on right to repair but I know the state of Massachusetts passed this a few years ago and at this time I'm not sure of the scope of this legislation as far as if it includes vehicles.

This year we will also be introducing ourselves to many new legislators in the House and meeting with new Senators. This year we'll be a learning curve with new leadership in both the Senate and House.

For those of you that don't know I will continue this year as Legislative Coordinator, Chris McCurley will be assisting me and Deanna will be there as well and for legislation other than motorcycle related issues. So with that being said we hope to keep our freedoms and motorcycling alive and well in the state of Missouri. As of this moment there is no legislation that will hinder us as motorcyclists and we want to keep it that way. Thank you all for your help and support for the last few years and let's keep that going.

Hope everyone had a Merry Christmas and a Happy New Year!

Joe Widmer
Legislative Coordinator

before the start. Sorry but while riding without a camera person I couldn't get any action shots.

At our meeting, some information given out at the CC meeting was passed around. Some changes to the way 28 does business was discussed with additional information to come. History for January: New Year's Day - The most celebrated holiday around the world. 1776 During the American Revolution, George Washington unveiled the Grand Union Flag, the first national flag in America. January 2, 1960 - In Washington, D.C., Senator John F. Kennedy announced his intention to seek the Democratic presidential nomination. January 8, 1982 - The American Telephone and Telegraph (AT&T) Company was broken up as a result of an antitrust suit. AT&T gave up 22 local Bell system companies, opening the U.S. telephone system to competition. January 15, 1973 - Golda Meir became the first Israeli Prime Minister to visit the Pope. January 22, 1901 - Queen Victoria of England died after reigning for 64 years, the longest reign in British history, during which England had become the most powerful empire in the world. January 30, 1992 - Argentina allowed access to numerous files of Nazis who had fled to South America from Germany after World War II, thus aiding the hunt for Nazi war criminals.

We had a great turn out at our Local 35 Christmas party. Was a great time spending the evening together and enjoyed some damn good food! Some members turned in their drawings for our new Local 35 t-shirt and we voted on our favorite one.

HELLO

Well it is that time of the year where we need to wish everyone Merry Christmas and a Happy New Year. So I guess I have done my part, thank you! Yes, this is the January issue, but you have probably received it in December, way to go Rebel!

The local had our meeting and we gave some money to the TOYS FOR TOTS in Cameron. They help the kids in the area that probably wouldn't have a Christmas.

We also discussed our anniversary and the FEW that is happening in March. We had a good attendance at the meeting, had about 75% there.

So, RIDE SAFE and FREE.

Freedom of Road Riders®, (FORR®) is a not-for-profit organization dedicated to promoting safety, rider education, brotherhood, and freedom for all motorcyclists. FORR® membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles and with all sorts of interests. Whether your interests center around legislative activities, motorcycle shows, or motorcycle rallies, FORR® has something to offer to you. You could belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
