Chairman - Casey Singleton – Thanked everyone for attending at the FEW Seminar. The title for the bike give-a-way has been taken care of with Revenue.

Vice Chairman - Ken Lewis – A few months ago, Ken had 2 bikes for sale. He agreed to deliver them to the buyer at the January CC meeting. That was the only reason he came to the meeting. Now he's the Vice Chair. Sitting behind the front table right now at the CC meeting, it's taking every ounce of energy for Ken not to do the Chairman job. Talking about accomplishments at the FEW seminar, Ken feels like he didn't accomplish anything during his tenure when he was chairman. The one accomplishment was getting the helmet bill passed. Ken is not taking credit for that. It was the work of Joe Widmer, Catherine Fox, anyone that proceeded them, Tony Shapard from ABATE of MO, everyone that showed up for MAY Rally's, Lobby day's and all the members of FORR. KEN IS BACK. The Engineer of Freedom award was given to Michele Pipes at the FEW seminar.

A motion was made by L13 and 2nd by L25 that we discontinue rolling over any interest on the CD's at least through the end of 2026 and revisit it at the November CC meeting. Discussion: it would just keep getting rolled over each quarter so if the CC needs to get into it, it is available. This is to avoid having the CC body having to keep voting on it at each meeting. After some discussion the motion passed by a unanimous roll call vote.

Possibly have the new helmet bill killed. The one in the House has only been second read and has not been referred to committee. The one in the Senate has been referred to committee. The chairman of that committee isn't going to hear it.

Autonomous vehicles are now in St Louis, MO. Right now, there aren't any laws against autonomous vehicles in Missouri. The bills in the Senate are stalled. There are two in the House that are moving. Joe did get an amendment added to the AV bill.

Deanna has been working on getting drivers ed back in the schools. It would be an in-class not a hands-on but it would be mandatory. There are three bills for child safety on motorcycles. Joe tried to make some changes like a rear seat and foot pegs that the child can reach.

Right to repair is dead for this year. If they can get this done at the Federal level then it will take care of it for us.

March 25 will be a lobby day at the Capitol. Meet at the 3rd floor Rotunda at noon. Make your appointments with your reps and senators. We need to have as many people walking the halls. Anyone is welcome to go to the Capitol. Tuesdays and Wednesdays are best, just let Joe know.

May 6th is the May Rally. Meet at the American Legion 10:30 – noon, then we will make a ride to the Capitol. We will either be outside or in the rotunda. EVERYONE is needed to make an impression at the Capitol.

Bills that FORR is following:

- SB 990 - Sen. Tracy McCreery - **Motorcycle Helmet Law** We oppose this legislation.
- SB 1050 - Sen. Travis Fitzwater - **Autonomous Vehicles** We oppose this legislation, unless it gets fixed.
- SB 1283 - Sen. Jill Carter - **Liability Risks During Motocross Activities** Just following this legislation.
- SB 1369 - Sen. Joe Nicola - **Enacts Provisions Relating to Motorcycles** (Lane Filtering) We support the legislation.
- SB 1477 - Sen. Joe Nicola - **Motorcycle Lighting** We support this legislation.
- HB 1660 - Rep. Brian Seitz - **Right to Repair for Motorcycles** We support this legislation. It isn't moving this year.
- HB 1753 - Rep. Carolyn Caton - **Driver's Education Online Course** We support this legislation, but it isn't moving.
- HB 1831 - Rep. Terri Violet - **child safety on motorcycles and motor tricycle** We are neutral to this and hoping for fixes before moving forward.
- HB 2195 - Rep. Roger Reedy - **Drivers' Education** We support this legislation.
- HB 2069 - Rep. Brandon Phelps - **Autonomous Vehicles** We oppose this legislation unless it's fixed.
- HB 2208 - Rep. Don Mayhew - **Autonomous Vehicles** We oppose this legislation unless fixed.
- HB 2240 - Rep. Adrian Plank - **Autonomous Vehicles** We oppose this unless it is fixed.
- HB 2328 - Rep. Bill Lucas - **Child Safety on Motorcycles and Motor Tricycles** Oppose this unless it is fixed.
- HB 2553 - Rep. Scott Miller - **Child Safety on Motorcycles and Tricycles** Oppose this legislation.
- HB 2774 - Rep. Jeff Knight - **Prohibits Regulations on the Sale or Use of Certain Vehicles, Tools, or Equipment Based on Fuel Source** We support this legislation.
- HB 2994 - Rep. Danny Busick - **Motorcycle Lighting** We support this legislation.
- HB 3119 - Rep. Renee Reuter - **Motorcycle Helmet Law** We Oppose this legislation.
- HB 3220 - Rep. Mike Jones - **Modifies Provisions Relating To Driving Offences Committed by Young Drivers and Driver's Education**

Howdy to all you Freedom Fighters,

I just wanted to give a quick update on all the legislation that is being considered in the Legislature this year. Right to Repair is dead and won't be going anywhere this year, but hopefully next year. So far this year, I have killed the new helmet law, and hopefully it won't be raising its ugly head anytime soon. Some legislation that is still moving includes the driver's education bill, the motorcycle lighting bill, the autonomous vehicle bills, and fuel choice on vehicles and hand tools. As for the autonomous vehicle bill, I got an amendment added to it in the House and hope to make it a little stronger in the Senate. The rest are just moving through the process and will hopefully make it to the finish line. I also want to thank everyone who showed up for the Lobby Day on March 25th. We got introduced on the Senate and House floor, which was a great honor. Thank you to Sen. Mike Moon and Rep. Brian Seitz for the introduction. We had a total of 18 members who made the trip, and hopefully, next year it will be bigger and better. The Locals who attended were Locals 9, 10, 12, 13, 14, 15, and 33. Thank you for taking the time out of your day to lobby at our State Capitol.

- Joe Widmer Legislative Coordinator

Central Committee Meeting #277 • March 15, 2026 continued

MRF - Amy Allmon - (absent). Amy is no longer able to function as the MRF representative. Need to get a new volunteer. Anyone that is an MRF member can be the rep. Joe Widmer volunteered to keep us informed of what is going on at the Federal level. They are redefining the definition of a motorcycle, right to repair. Watch for MRF alerts and call to action. Mark Capps volunteered to take over as the MRF representative. Florida has some bills going through the house and the senate, it's against the club and the independents. If it starts there, it will probably spread. MRF is on it.

Mid-South Mile - Roy "Cowboy" Hoard - There will be at least 1 more Mile. Going back to roots. Instead of multiple hotel meeting rooms, just use 1 main room. Cowboy is the new Vice Chair of the MSM. The MSM will be in TX in 2027, then MO in 2028. The MSM will probably be in Topeka KS this year.

Mentor Program - Mark "Sparky" Capps text (417) 439-5908 - Shouldn't need to have a mentor program. We should all be mentors. It's important to have someone in training at all times. Everything we do as motorcyclists; someone is always watching. What do we need to do to keep our legacy going? Now is the time to start working on that.

Membership Coordinator - Tami McMinn (absent) - got a few memberships today. Memberships must be sent to Tami McMinn. Do not send them to any other cabinet member, past or present.

Motorcycle Awareness Coordinator
Looking for an awareness coordinator.
Jim Sheele, Deanna Widmer, Trisha Ruby and Shaulene Capps would be able to answer any questions. Each local should have an awareness coordinator to start setting up awareness/membership booths.

Marketing Coordinator - Shaulene Capps - Contact Shaulene at secapps3@gmail.com, (417) 439-0399 call or text. People are watching FORR on Facebook page. In the last month, there have been 36,000 views of FORR FB page. Views by followers are 51% and non-followers are 48%. There is a 15% increase in interactions in February. We have 23 active locals. Some locals are struggling and don't have the financial ability to afford to purchase marketing supplies. A motion was made by L11 and 2nd by 9 to spend \$600 to buy marketing supplies to assist locals. Motion passed unanimously by voice vote with no discussion. The plan is to pay for tri-folds, posters, potentially membership cards, and things to hand out at random or at membership booths. It was mentioned to purchase poker chips that have the QR code for FORR website. Orders can be made at Green Printers out of Marshall for colored tri-folds and posters. A motion was made by L11 and 2nd by L12 to roll with the information that is required to be printed for the requested \$600. Motion passed by unanimous voice vote with no discussion.

Webmaster - Kathleen "Duchess" Kerr - (absent) Some updates need to be made to the webpage. webmaster@forr.net

Product Line - Shelly Noel - Contact (660) 251-3904 or shellyblue2021@yahoo.com. Key chains with bottle openers \$5. Patches with the QR code to the FORR website \$3. Coasters \$2. FORR small towels \$1. Arm sleeves \$5 for a set. Orange and red tie dye \$20. FORR t-shirt with QR code on the back \$20. Product line will be available at the Freedom Rally and the Firecracker Classic.

Freedom Press Editor - Our cherished editor, Michelle "Rebel" O'Connor unexpectedly passed February 25, 2026. She will be greatly missed.

Central Committee Meeting #277 • March 15, 2026 continued

FEW Seminar - Trisha Ruby - Donations \$226.00, 50/50 \$300 (Dean Singleton donated he half back). Lid & Pipes made \$68, Live auction \$835. Silent auction \$781, patch \$65. There were 68 in attendance, with \$1105 at the door and \$730 preregistration and product line \$51 for a total of \$4101. Minus expenses (except patch cost) profit was \$2824.74. Local 12 will be putting on the FEW in 2027. It was mentioned that each local take a year to put on the FEW.

Show Me Rally - Ken Lewis - August 20-23 in Urich MO.

There is a sign-up sheet for those wanting to work. Gate work 4-hour shifts. Roaming security will be 2-hour shifts. Looking for a new MC. Still looking for a Friday night band. The company that rented out golf carts has closed. Need to find a new golf cart rental company. Two food vendors are lined up along with seven other vendors, including a tattoo vendor. Looking for a custom hat vendor.

Old Business - no business

New Business - Local 3 and Local 11 have decided to open up District 7 in SW Missouri. A motion was made by L9 and 2nd by L13 to give permission for District 7 to open a bank account. A letter was received from L26 (Maryville) sending notice that they are closed. Financials have been sent in.

Good of the Order/ Connections

L11 - Bike show April 11 at Eagles Lodge in Joplin. Starts at 11:00.

L16 - Broom Stick Pool Tournament at 505 Cherry Hill on the 28th

L12 - Anyone in the Sweet Springs area to participate in the graduation ceremony for a girl that has endured unfortunate circumstances. More information to follow.

L25 - Pool Tournament at Red Birds on Saturday, March 21. There are still tickets available for the GoPRO \$5 a ticket.

L14 - Crash poker ride is June 6, possibly starting at Bates City Diner and ending at the Firecracker Classic.

L9 - is needing help to work a booth at Bike Fest. Please contact Brie Whiley 417-531-3863.

May Rally is May 6th. Meet at American Legion in Jefferson City. There are many groups riding in from all directions.

Motion to Adjourn at 12:54 Local 15 and 2nd by Local 19 Passed unanimous voice vote.

**Next Meeting - The CC meeting will be May 16, 2026, at American Legion,
1423 Tanner Bridge Rd, Jefferson City**

District Secretary - Tim (Dragon) O'Connor

Hey all you Freedom Lovers,

Sorry about missing last month's issue but life got in the way. Make sure you tell your significant other that you love them because you never know if it will be the last time you see them. There is a line in a Jelly Roll song that goes "No, I'm not doing OK but everything will be all right". God has a plan for all of us and it's up to us to keep going down the path HE has chosen whether we like it or not.

The next District 4 event coming up on May 16th is the Horseshoe Golf Tournament and Picnic at the Dragons Lair in Holden, mark your calendars because you don't want to miss this one. I'll try and keep my horseshoe out of the trees this year. We will be having a Mexican spread again this year with a Salsa contest for a cash prize. After working on our families St Pat's float on the beautiful Saturday before the big day several of us got in a round of golf, picked up a lot of sticks and got the course ready to mow. Still need to trim a couple trees out of the fairways but it didn't look to bad. Then it snowed on Sunday, gotta love the mid-west weather.

The first Saturday in June is always the Local 14 Crash Memorial Run and the second Saturday is always the Local 1 Lime Run so please don't schedule anything for those weekends and come support these locals.

Octoberfest 2026 will be here before you know it, another one you need to get on your calendar, coming up the first weekend in October. If you know of anyone that would like to be a vendor or sponsor please send them to Donna "HBIC" Hilburn or give them my contact info.

Hey Local 1, we got thrown one hell of a curve so we are shifting gears and are riding down a new road. Life goes on and so must we. I want to personally thank all of you that came out and showed your respect for Rebel and that goes for all our brothers and sisters in our FORR® family, thank you all for sharing your time with me and my family. There were people there that I have not seen in over 20 years. I want to share something that I found going through some old files of Rebels, this was a letter from a new member of Local 14 with a postmark of October 6th 1999. This member thanked all the nice people he met from L-1, L-4, L-14, L-25, and a special thanks to Michelle for making his first Octoberfest a very good time. It was a nice ride out on a hot Friday afternoon but started to rain on Saturday morning and he forgot to pack some blue jeans. He walked over to L-1 campfire to

get warm and a nice lady named Michelle gave him a blanket to keep warm. Others offered pairs of sweats and everyone treated him like family. The last thing he said was see ya'll next year. Now if I know Rebel, and I do, she also fed him breakfast just like all the other single guys that would somehow find our camp. How many of you came to dinner on Saturday night and grabbed a BBQ rib off the campfire grill ? That is the kind of FAMILY this organization used to be and some still are. We need to treat all new members like family so they "come back next year".

Our May meeting will be on May 16th before the start of the District 4 picnic and horseshoe golf tournament starting at 1pm at The Dragons Lair in Holden. Our June meeting will follow the Lime Run on June 13th, not sure where yet. You'll just have to follow the limes to find out. We are changing things up this year with a silent auction and we have some really nice stuff to auction off. We are also giving away the Kansas City Chiefs football autographed by the 1998 team so be sure and get your chance to win it.

Please do everything you can to attend the Mike Sloan Memorial MAY Rally on May 6th, even if you can't ride get a group together and carpool there, we need all members at the capital to show solidarity.

So as Rebel always said, Have a good one, then have another, and then have one in honor of Rebel Tim "Dragon" O'Connor #7156.

We here at Local 6 want to offer our deepest condolences to Rebel's family and her Local, she will be greatly missed.

We had ten members participate in the ABATE District 11 Pool & Dart Tournament that was held on March 7th. Two of our members took home the winnings. Stan "Pops" Ruhnke took 1st, and Russ Middleton took 2nd. Congratulations to you both.

We held our monthly meeting on March 15th, with 22 members present, the next meetings will be on April 19th and May 17th, hope to see everyone there.

Thank you to those who donated items for our FEW Seminar basket. It brought \$160 for the state treasurer.

We had our first social gathering of the year on March 21st. There were 34 present and 26 bikes. We want to thank Wicked Sisters, ABATE and Bikers for Christ for joining us. It turned out to be a beautiful day for some fun.

A big thank you to Krista Weyer for taking the Freedom Press.

We had one birthday in April, Lee England on the 13th and Dallas and Nicole Elkins celebrated their anniversary on the 1st. Sorry I'm late, hope your days were fantastic.

May birthdays are Denise Tiffany and Larry Gilpin on the 7th, Robin Ruhnke on the 8th, Dalton Schurman on the 14th, Laura Lumb on the 15th, John Tiffany and Larry Jack on the 16th, Dallas Elkins on the 19th and Paul McQuiston on the 21st. Busy month for birthdays. Hope everyone has a great day. Don't forget our Cabin Fever Ride In Bike Show will be on May 9th at Jackson Cycles. Come on out for a great afternoon.

Our next meeting is not 'til April 12th, and of course, it will be at T'S Redneck Steak House in Lebanon at 4:00 pm. Come on out and visit.

Our April Fools ride will also be that day by the time you get this it will be history. Sense we have not had our meeting there is no new info to write about. Jason, Bruce, and myself went on a ride on April 3rd. We rode some awesome roads seen some great country views. I ended up with 196 miles. A turkey almost landed on Jason's head, but he missed that and landed on a gravel road instead. Well, as I don't have any more to say, I am going to call it a day.

Ride safe,
Sir Robert

Hello FORR family. Family. I use that term every time I talk about my local or any local. We call each other brother and sister. I never realized how much of a close-knit group we all are in FORR until we started Local 9. The love and support we got was amazing. That feeling was made even stronger this last year with all the members we lost and the support and love that has been shown to the families of the fallen. When we went to the FEW in March, and I heard the stories that were being told about the love and support each one was given during a challenging time.

Sometimes we get the family we are born with, and sometimes we get to choose the family we want or need. I am glad to belong to a group of people that I can call family.

With all of that said, we had a great FEW. The turnout this year was amazing. The discussions were in-depth and informative. I look forward to the next one. As always, please ride safe and be alert at all times.

Hey everyone ,

Local 11 has been busy! We have opened up our local district (7) with Local 3, working on meeting times, locations, and a cabinet all in the works! We have worked on getting sponsorships and all the things that go into having a great bike show! We also went and worked on our pavilion down at Buckhorn/Freedom Rally! We can't wait for all the fun events coming up.

We hope to see y'all, and don't be shy. Come say hi! 'Til next time Snax!!

Hey everyone:

Our last meeting was held at Johnny and Laura's with 10 members present. Peggy won the incentive pot but was not present to accept. At the meeting we discussed the upcoming Firecracker Classic, and it looks like we are going to have a great band, a great DJ, and more vendors than ever. It's really shaping up to be a great time this year! At the meeting, it was decided to once again sponsor the Show Me Rally, and we learned that Local 12 will host the FEW Seminar in 2027.

Local 12 had several members attend Lobby Day at the State Capitol in Jefferson City. Thanks to all of you who went to represent us, and we've had a few members out capturing flags.

Results from the Broomstick Pool Tournament at the 505 Club in Perryville are in! Kent Cassoult takes home the gold, our very own Sarah slugs it out for 2nd place, and Kyle Quisley winds up in third. We only had two tables to play on, so in order to keep the tournament within a reasonable time frame, we decided to make it a single elimination affair and cut the entry fee in half.

The vending company that supplies the additional tables has changed management, and it looks like they will no longer bring us the two extra tables we normally have. Under normal circumstances, the tournament is not much of a fundraiser. Under the reduced entry fee – single elimination format, it is a guaranteed financial loss. So, needless to say, there is a strong possibility that we will not continue to have a tournament at the 505 Club. The idea that we could have both a Spring and Fall tournament at JR's in Cape was tossed around and sounds reasonable for the moment.

Local 16 monthly meetings are scheduled for 7pm on the 4th Friday at the Heartland Social Club, outside of Appleton. As usual, call ahead before you head out.

Riding season is once again upon us! As the days get longer and the weather warms up, more and more motorcycles will be hitting the road. If you're in a cage, keep your eyes peeled. If you're on a bike, ride defensively and stay safe.

Speaking of longer and warmer days — rally season is here! Local 35 is excited for the Mid-America Freedom Rally in May. There are great vendors and entertainment lined up, so you definitely don't want to miss it!

May 6th is also the Capitol Rally, and our President, David Nelson, has challenged our local to show up strong and bring friends! We'll be riding to Jefferson City together, and we've had custom patches made for the first 50 riders who make the trip with us. You won't want to miss this opportunity to support the cause and grab a limited-edition patch!

Last month, we had a great time at the FEW seminar. It was both fun and educational, and we're proud to recognize a few members who took home awards. We would also like to welcome our newest members: Zach Looney & Taylor Lawley. Thank you all for everything you do!

Greetings from the Crossroads:

We had our April meeting and celebrated our 24 years as a local. Nice turnout. Congratulations to Joe and Connie on your new ride. We see flyers for rallies in the Freedom Press. I know they aren't what they used to be, but it's still a great time to visit old friends and make new ones.

Wiskers and I will head to Stump Island for Fire Cracker Classic. Great camp ground and an amazing fireworks display on the river. Hope to see some of you there. I always have the coffee pot on early. Come by for a cup and say Hi.

Not much going on yet so will make this short. Next meeting May 7 at Dino's. Meal at six, meeting at seven. Ride safe and beware of the other guys. We have lost too many brothers and sisters.

Until next time,

Foxy Gamma

TAKE ACTION NOW TO SAVE YOUR RIGHTS

You're a biker and you belong to a motorcyclist rights organization, but are you doing everything you can to maintain your rights? Are you actively reaching out to your elected officials to request that they act on our issues? Have you asked your friends and family members to reach out to their legislators? Or, are you just ready to give up and let the government and manufacturers do what they want? Now is the time to take action!

RIGHT TO REPAIR

Do you have and ride a completely stock motorcycle? I mean 100% stock, no changes since it left the OEM's facility. Original tires, exhaust, windshield,

handgrips, floorboards, oil, and filter. If not, did you pay the dealership for all the work and only purchase OEM parts? Guess what, the manufacturers think you and your local aftermarket shop are too stupid to work on your own motorcycle, and they are working to take that ability from you.

The REPAIR Act (H.R. 1566), currently assigned to the House Energy and Commerce Committee, can affect our ability to work on or modify our motorcycles. The passage of this bill will ensure that OEMs provide us access to the manuals, diagnostic tools, and parts needed to repair, maintain, and modify our motorcycles without going through the OEM's dealership. If it doesn't pass, we are barreling towards a world where ALL of your maintenance and repair work (tires, oil changes, etc...) must be done by a licensed dealer or the OEM will render your motorcycle inoperable. As for that local shop you currently use for oil changes or parts, you know, the one you hang out at trading riding stories with your buddies, they will be driven out of business.

DEFINITION OF A MOTORCYCLE

Today, there are vehicles classified as motorcycles that have a steering wheel, bucket seats, and seatbelts. Yes, you read that right. The Motorcycle Industry Council (MIC) thinks this is a good thing, because their OEMs created and sell these vehicles. H.R. 3385 was written to update the nearly 60-year-old definition of a motorcycle and is assigned to the House Energy and Commerce Committee. It states a motorcycle, as originally manufactured, has a seat or saddle requiring the rider to sit astride, not more than three wheels, steering controlled by handlebars, acceleration and braking controlled by handlebar and foot controls, and capable of reaching speeds in excess of 30 mph.

The MIC disagrees with MRF on this issue and doesn't understand our concern. Why does this definition matter?

- Accident and fatality statistics from these vehicles, which are used to create new laws and regulations, roll into the motorcycle category in the national Fatality Analysis Reporting System (FARS). When analyzing data to create crash avoidance strategies, the different vehicle types involved in these crashes will drive researchers toward different solutions. Meaning, the mixed data will probably lead to incorrect root causes and ultimately incorrect solutions.
- An "M" Class license is required to operate a motorcycle and training exists to instruct and test individuals on proper riding techniques to obtain such a license. There is no training course or practical riding course for these "other" types of vehicles.
- State laws differ for these types of vehicles. Some continue to classify them as motorcycles, others created the autocycle category for them, and some have not dealt with them at all. If you cross state lines while driving one of these, how do you know you're legal? Do you need to wear a helmet?

It is imperative you act now! Inform your legislator on these issues:

H.R. 1566 - RIGHT TO REPAIR

H.R. 3385 - DEFINITION OF A MOTORCYCLE

Your attendance is needed at Bikers Inside the Beltway on May 18th and 19th. While there, you will personally meet with your legislators and / or their staff members on these important issues. The section below contains all the information you need to attend.

JOIN THE MRF TODAY!

We Are The Motorcycle Riders Foundation:

The Motorcycle Riders Foundation (MRF) provides leadership at the federal level for states' motorcyclists' rights organizations as well as motorcycle clubs and individual riders. The MRF is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. The MRF is committed to being a national advocate for the advancement of motorcycling and its associated lifestyle and works in conjunction with its partners to help educate elected officials and policymakers in Washington and beyond.

Heartland STEAM 2026

Last weekend, ABATE of Minnesota proudly hosted the 36th Annual Heartland STEAM event in Alexandria, Minnesota. Riders from Illinois, Iowa, Minnesota, Nebraska, North Dakota, South Dakota, and Wisconsin came together for a powerful weekend of collaboration, education, and unity in support of motorcyclists' rights.

JOIN THE MRF

Over the course of the two-day seminar, attendees participated in a wide range of presentations highlighting both the challenges and victories experienced across the STEAM states. Representatives from each state shared firsthand accounts of legislative battles they had fought and won, demonstrating the strength and persistence of grassroots advocacy at the state level. The Heartland STEAM states continue to play a critical role in shaping the national motorcyclist rights movement and advancing the priorities of the Motorcycle Riders Foundation (MRF). These seven states represent a politically diverse region of the country, encompassing red, blue, and purple districts. Collectively, they are home to forty-two members of the U.S. House of Representatives and fourteen U.S. Senators. This unique political footprint ensures that the voice of motorcyclists from the Heartland resonates strongly in Washington, D.C.

Just as important, the unwavering support from STEAM states strengthens the MRF's ability to advocate effectively on the national stage. The engagement, leadership, and dedication of riders in this region are essential to advancing policies that protect the freedoms and lifestyle of all motorcyclists.

A sincere thank you goes out to ABATE of Minnesota for hosting an outstanding event, as well as to all who presented and participated. Those in attendance left Alexandria reenergized, better informed, and more connected than ever, ready to continue the fight for riders' rights.

We look forward to building on this momentum in the year ahead and we will see you in Nebraska in 2027. As always, Ride Safe and Ride Free.

MRF Thanks Chairman Sam Graves for Service Stresses Urgency of Building New Champions in Congress

The Motorcycle Riders Foundation (MRF) recognizes the announcement from Sam Graves, Chairman of the House Transportation and Infrastructure Committee, that he will not seek reelection at the end of this Congress. Chairman Graves will continue to serve in his leadership role through the remainder of the year, a period that will be critical for advancing key transportation priorities.

Among those priorities is the passage of a new highway bill, one of the most important “to-do” items before Congress adjourns. The MRF remains actively engaged in this process, working to ensure that the needs and concerns of motorcyclists are included in any final legislative package.

Chairman Graves has been instrumental in delivering meaningful victories for motorcyclists during his time in Congress. His leadership helped secure progress on issues such as motorcycle profiling and the recognition of riders through initiatives like the Motorcyclist Advisory Council. These efforts have strengthened the voice of motorcyclists within the U.S. House of Representatives and reinforced the importance of rider inclusion in federal transportation policy.

“Chairman Graves has been a proven champion for motorcyclists,” said Kirk “Hardtail” Willard, President of the Motorcycle Riders Foundation. “His leadership on the Transportation and Infrastructure Committee helped ensure that riders had a seat at the table and that our issues were taken seriously. We thank him for his service and his commitment to our community.”

He also emphasized that Graves' departure highlights a broader reality in Washington, D.C.

“Capitol Hill is constantly changing,” he said, “Lawmakers come and go, and that is exactly why the MRF must remain focused on building new relationships and developing new champions. Our success is not tied to any one individual, it comes from our ability to continually educate and engage members of Congress.”

As Congress works toward completing a highway bill and other legislative priorities, the MRF underscored the importance of sustained advocacy.

“The MRF remains constant,” Willard said. “We will keep making new friends, strengthening our network, and ensuring that the voice of motorcyclists is heard in every corner of Capitol Hill. That is how we achieve long-term success.”

The Motorcycle Riders Foundation looks forward to continuing its work with current and future leaders in Congress to advance policies that protect and promote the motorcycling lifestyle nationwide.

NHTSA Amplifies Investigation of Tesla Full Self Driving System

The National Highway Traffic Safety Administration (NHTSA) has been investigating Tesla's “Full Self-Driving” (FSD) systems for several months now. This is one of the systems that a California court recently called “misleading”, prompting a name change. Now, according to information posted Thursday on the NHTSA website, the investigation is being amplified.

The Motorcycle Riders Foundation (MRF) has expressed concerns regarding the “Full Self-Driving” system and its testing, following several incidents in which Teslas struck motorcycles, particularly in low-light conditions. Similarly, the NHTSA probe into Tesla's FSD is testing possible safety defects that make it risky for use in fog, glaring sun or other “reduced roadway visibility conditions.”

NHTSA wrote that Tesla FSD may fail “to detect and/or warn the driver appropriately under degraded visibility conditions such as glare and airborne obscurants.” These statements appear to echo the MRF's concerns regarding a system advertised to improve roadway safety.

The MRF continues to encourage all riders to practice safe, aware riding and consider taking an Advanced Riders Course to help with crash avoidance. There are over 3 million Teslas on the road utilizing the FSD system, so the MRF will continue to monitor this situation as it develops, to help ensure the safety of all motorcyclists.

2024 Traffic Fatality Data Motorcycle Riders Foundation Response
TAKE ACTION NOW TO SAVE YOUR RIGHTS
Full 2024 NHTSA Traffic Safety/Fatality Report

The Motorcycle Riders Foundation (MRF) is highlighting newly released 2024 data from the National Highway Traffic Safety Administration (NHTSA), which shows a modest but important decline in motorcyclist fatalities, while reinforcing the need for continued focus on rider safety and education.

According to NHTSA, 6,228 motorcyclists were killed in 2024, a decrease of 138 lives or 2.2% from 2023 levels. While any reduction is a step in the right direction, the number remains historically high, underscoring the ongoing risks faced by riders on America's roads.

Motorcyclists continue to represent a significant portion of roadway fatalities, even as overall traffic deaths declined nationwide by 4.3% in 2024. At the same time, the data shows a concerning trend in injuries, with motorcyclist injuries increasing by more than 5% year-over-year.

For the MRF, these numbers tell a nuanced story: progress is being made, but serious challenges remain.

"Seeing fatalities decline is encouraging, but no one in our community is celebrating," said MRF President Kirk "Hardtail" Willard. "This should be a wake-up call to double down on what works, strong rider training programs and effective licensing systems. If we want to continue reducing deaths, states and the federal government must invest in preparing riders before they ever hit the road."

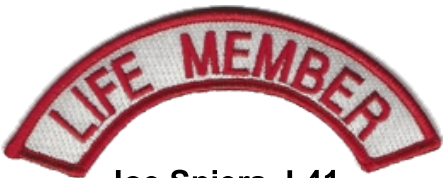

The MRF also noted that behavioral factors such as alcohol impairment and lack of proper training continue to play a role in crashes involving motorcycles. Rather than pursuing broad federal mandates that could restrict the motorcycling lifestyle, the organization is urging policymakers to focus on targeted, proven solutions.

As federal regulators examine these trends, the MRF cautions against policy approaches that may not reflect the realities of motorcycling. While improving safety outcomes is a shared goal, overly broad regulations risk undermining the independence and personal responsibility that define riding in America.

The MRF continues to advocate for a balanced path forward, one that prioritizes education, training, and licensing compliance while preserving the freedoms that riders value.

As is often the case, MRF Vice President Jay Jackson noted, "A crash that never happens is better than a safer crash."

To achieve this goal, the MRF is committed to reducing crashes and protecting our friends and family members, who make up our community.

An Open Invitation To The Supporters of Personal Freedoms

Dear Patron,

Freedom of Road Riders®, Inc. (FORR®) is a not-for-profit organization dedicated to promoting safety, brotherhood and freedom for all motorcyclists. We are here to make the streets and highways a safer place for all motorcyclists. We are here to protect our personal freedoms, via legislation monitoring and support. We sponsor events throughout the year for the enjoyment of our members and to provide funding for our goals.

FORR® now gives YOU the opportunity to invest in the continuation of the fight for freedom with the FORR Corporate Sponsor Program.

FORR® will publicize your business in our state newsletter distributed to motorcycle enthusiasts every month for twelve (12) months and post your business card on our website, forr.net. In addition, you will receive 1 issue per month and your business can take another 10 percent discount on any further advertising, during that time period.

FORR® will also send you a window cling to proudly display in your place of business.

Freedom of Road Riders®, Inc. Invites you to attend the

Local 1 'Lime' Run

Saturday, June 13th, 2026

Rain or Shine

Sign in starting at: M&M Motor Sports at 1100 East 10th Street in Holden Missouri 64040
816-850-5303 - www.mandmmotorsports.com

Sign in starts at 9:00am until 10:00am - Last bike out at 10:00am - Awards start at 1:00pm

To find the end you must follow the Limes painted on the road
(This run is approx. 75-100 miles)

Admission is \$15 - All are welcome!

A single Lime painted on the road means you are on the correct route.
A single Lime with a cross means you must choose which direction to take at the next intersection.
Make the right choice, and a single Lime will be within 500 feet!
Two Limes in and orange box means that you go in the directions of the arrow.
IF YOU GET LOST.... CALL THIS NUMBER 816-729-7704

Follow the LIME
For A Good Time!

Freedom of Road Riders®, (FORR®) is a not-for-profit organization dedicated to promoting safety, rider education, brotherhood, and freedom for all motorcyclists. FORR® membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles and with all sorts of interests. Whether your interests center around legislative activities, motorcycle shows, or motorcycle rallies, FORR® has something to offer to you. You could belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
