The main purpose of this organization is to guard the rights of all motorcyclists; to keep them informed of laws that will help or hinder them as motorcyclists; to promote safety, rider education, brotherhood, and freedom for all motorcyclists.

## HAPPY BIRTHDAY MISSOURI

August 10th, 2021 will mark Missouri's 200th Anniversary since joining the United States of America. Being the 24th state to be admitted, the area has become known as the Gateway to the West. Much of Missouri's history associates to the trails and exploration of the Wild West.

*We encourage communities across the state to commemorate the day with an ice cream social! Nothing brings people together like ice cream, and an ice cream social is a most appropriate way to celebrate Missouri, since the ice cream cone is the official state dessert!*

Hello to all! Hope you and your families are well and staying safe as we are trying to return to our 'new normal'.

Our last meeting was amazing! Best turnout in quite a while as it followed our Annual Lime Run. (See surrounding photos) 48 folks in attendance. It started at M&M Motorsports in Holden, MO., and ended at Andale Amigo's in Holden, MO. Thanks to both of the businesses. Also, HUGE thanks to our VP, Bootstrap for a great route & journey that day, and to the many locals that attended. Local's 00, 1, 3, 5, 14, 33, 35. The manager at Andale got in on our give-away's, and even won. He later was so gracious to donate \$50 towards the cause! What a guy right?

By now the District 4 picnic & Horseshoe Golf Tourney at our Lair in Holden is history. Check out the Pic's in next month's issue.

Now getting ready for Homecoming in Urich on August 20-22. Nice place for a rally & should prove to be a great time for all!

Enough for now, I must put and a close to this submission, so as I always say... Have a good one - then have another!

See ya, Michelle 'Rebel' O'Connor #7257

Hello everyone!

So, here we are with Independence Day just around the corner!!! As it always does summer is fast and furious!!! So many things to do and not enough time to do it all!!! But we try!!!

On 6/12/21 several FORR Local 2 members participated in the Legacy Ride put on by the American Legion Riders Post 57, with Terry Aldridge as the ride captain! The next day we held our monthly meeting at Scotty's Auction Barn on the north side of Macon. We had a fish fry and carry in supper. Thank you Jacine Hern for the fish and Mike Tipton for frying it, it was delicious! We had a great turn out, many members and a few guests, possibly new members? Big thanks to Rhonda and Fred Brandeberry for facilitating the meeting by acting on Local 2's behalf to secure that this location was available for us! Thank you, Scotty!! On 6/19/21 nine of us rode in the poker run put on by the Firecracker Classic out of Glasgow's local 12! We all enjoyed an awesome time with a great group of people despite the high heat!!

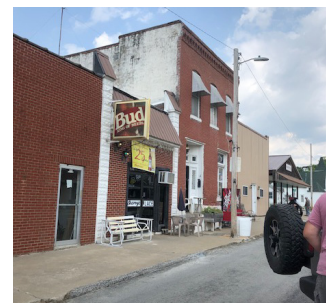

Our next group ride will be on 7/17/21, just a fun ride going to HaHa Tonka State Park. Ride Captains for Day are Stephanie Beck and Quentin Lester. On our return we will have our monthly meeting, combined with a Meet and Greet and Homemade ice cream!! Now that's sure to make for a delicious meeting! Everyone is Welcome!! 6 PM or so!! We just officially became part of the "Adopt a highway" project, we were allocated a section of Highway 63, north of Scotty's Sale Barn. Annie Lamme was volunteered to be in charge of this project, and she graciously accepted!! Hopefully we will have a great turn out for our first clean-up date!

(TBA). We are pushing to make a positive impact in our community!! safe and enjoy your summer!!

Local 3 Fun Day was held on the square in Osceola on June 5th. Lots of bicycles were given away to the kids, everyone had a great time. Thanks to all who came out for the fun.

We always try to make it to L-1's Lime Run, its too much fun. Attending from our group this year were, Walt, Dean, Ray & Darla, Rooster & Roxey, Scott & Nicole (and their friends from Springfield, glad they came along) Debbie, Jim, Roadrunner & Melody.

Amie Matter has begun laying down some serious ink and working at Spillin' Ink in Windsor. Give her a call.

Our product line dude is looking for a new t-shirt design. See John "Rooster" Bowen with your ideas. Something cool-L-3 doesn't do boring!

Coming up events you don't want to miss:  
 L-3 Swapmeet at Chopper Stopper= July 24th

Hey there family, first a big thank you to Katherine Fox and Amy Allmon for last month's newsletter. We were on our honeymoon.

Joe and I would like to thank all our freedom family who helped make our wedding day so special. Some came an awfully long way. We love ya'll! If it was not for FORR we may not have met in the first place. The things our Freedom family can do in your life is amazing.

Thank you again to all that made the local 5 Smut run happen. It was so awesome to have everyone pitch in; in case we did not make it back from our honeymoon in time. We got home the night before, so we made it, but we were beat. The route and end had to be changed at the last minute since local 2s event was cancelled, but Duane, Amy, Laura, CC, Donna, Doug, and others made it all work out great. What a team. Thank you to locals 35, 14 and 12 who supported us. We hope ya'll can make it next year. The next Friday night we had Lincoln days, Thanks to local 5 and 14 for representing. It was a great time, more in awareness on that.

The next day was the local 1 Lime run. Joe and I had to go to a SAPA bill signing (2nd amendment preservation act) but we went and checked in and supported. Amy and Duane did the ride, so we earned ourselves the local 1 flag. It is always a lot of fun; I am sorry we could not stay. Look forward to next year.

Then the next Sat the 19th of June was our sister local 14's crash run. Duane, Amy, and I went, we had a great time with great family and food at the end. We captured their flag, then also local 12's flag because we all went to local 12's firecracker classic while on the crash run. I am really liking this local supporting other local events on their runs. Family supporting family. We also had a super quick June mtg at the crash run. We will fill you in on the 3rd Sat July 17th at 2pm at our July mtg.

Prayers going up for our lifetime member and brother Mike Cox. Were here for you brother.

I have noticed a few new names on our roster. Welcome to the local 5 family, we sure look forward to meeting ya'll. We also look forward to seeing some that are on the roster but Mia for a while. We miss ya'll please come see your family. Stay tuned the August meeting may be at homecoming because it falls on that weekend. I hope to see ya'll at an event coming up, like the Dist. 4 picnic July 24th, and Homecoming Aug 20 thru 22 Please do not forget buy motorcycle giveaway tickets and we still need sponsors. I hope I covered it all. Til next time.

Be safe out there Brothers and Sisters, we want to see you again

Hi Everyone Jim Fitzsimmons, Richard White and Jay Baxter went on local 5's Ray "Smutley" Howard's poker run. They branched off from the herd and went to Worth Harley Davidson for free BBQ. Jay ended up trading his Gold Wing in for a Harley...imagine that. Patti was sure surprised when they got home! After a 2 year hiatus the Firecracker Classic finally came to fruition. Attendance was good considering the heat and rain. We want to thank everyone who helped with the Firecracker Classic. Thanks, Tony Knowll for bringing your tractor. It was a big help during set up. Thanks to all the vendors. And a special thanks to local 13 who provided security. We have a few members heading to your car show/ Veterans cruise. Hey everyone, hope you're having a fun summer so far! The pictures are from a L11, L15 lunch date on June 5th. We got together at Switchback Bar, right next to Arkansas/ Missouri State line, Hwy 23 N. on the way to Eureka Springs. It's a fun laidback biker bar. Keri and Andy Boyum are the owners' and they love and support FORR! If you get a chance to visit them, drop by and meet them. Anyway, everyone had a great ride and lunch. Hope to do it again soon!

Hope you're planning on going to Homecoming Aug. 20-22, in Urich, Mo. If you've not been before, get ahold of Cyndi Barker. They went last year and had a great time!

Our next big event for us at L-15 is our Fall Bike Show and Swap Meet, September 19th. Shadow Rock Park is currently flooded, so we'll probably be having it at our alternative site. Shoals Bend Park, 235 Corner Stone Lane, Forsyth. Watch for our flyer and keep watching our Facebook page, for more information.

Our August 3rd BS Meeting will be at Liza Jane's Harborside Pub and Grub 46, Myrtle Lane, down Indian Point by the lake. I've never been there but I've heard it was a great place to eat and BS.

Our August business meeting will be on the 16th. As usual it will be at Amvets in Rockaway Beach. We really need more people to come to these meetings. We've been having 15-20 people each month, which is lousy attendance considering we have well over 100 members! Please mark it on your calendars, plan on coming and help us make our local stronger!

As always please visit our Local 15 Facebook page for current information. Hope to see you soon, **Lou**

If you have read last month's Freedom Press, then you pretty much know all there is to know in the realm of Local 16. Other than Dudely getting an assortment of T-shirts for the product line, which were well received & going fast, there hasn't been any new developments and therefore there is nothing new to report.

In a recent poll the question was asked "After the past year, is your life back to normal?" Over 70% said it was. Apparently those 70% don't buy gas, don't eat, don't use any wood products, or live anything remotely like how 'normal' Americans live. No matter how you look at it, the old saying is always true, "Elections DO have consequences".

As always, Local 16 meetings are held 3pm on the 4th Sunday of the month at the Bayou Bar & Grill – on the outskirts of the Pocahontas Metro-Plex.

Whew, it sure has been HOT over the past few weeks! Some of you have been brave enough to roll the bike out, while others try and sneak in a ride in the "cooler" mornings or evenings. Summer is the prime time to be out riding, and I hope that everyone does some quick safety checks before heading out. Checking the oil and gas is pretty much a constant, but do you also think to check the lights, horn, and tire pressure?

There is one more thing I wanted to share with you, and that is the importance of "the bell." Hear me out....

**Guardian Bell**

Legend has it that Evil Road Spirits have been latching themselves on to motorcycles for as long as there have been bikes on the road. These Evil Road Spirits are responsible for mechanical problems and bad luck along a journey.

Legend goes on to say that by attaching a small bell onto your bike, the Evil Road Spirits will become trapped inside the bell where the constant ringing drives them insane, making them lose their grip until they fall to the ground. (Ever wonder where potholes come from?)

Legend also has it that the mystery of the Guardian Bell provides twice as much power when it is purchased by a friend or a loved one and given as a gift. Show someone how much you care by offering them defense against the Evil Road Spirits. Give a Guardian Bell and share the Legend of Good Luck it offers to a motorcycle and its rider!

A LOT can happen in a month!! Let me start by Welcoming our newest members: WELCOME to Scott Fyfe, Marlyn Donaldson, and Gary King!!! We are glad to have you as part of our family!!!

At our last meeting we discussed our meeting location. Debears is nice and the food is good. With that being said, it was brought up that we do encompass all of St. Charles County and our meetings all seem to be at the farthest west. So as of next month, we are going to try something new. We are going to have our next meeting at St. Charles Music house at noon (they don't open until then), and then the meeting after that will be back at Debears (FYI they stop serving breakfast at 11, so if you want breakfast go early). We will then go back and forth between the two venues, every other month. That way maybe it will be more convenient for all of our members to make a meeting. So July, Sept, & Nov meetings will be at St. Charles Music house and Aug, Oct, & Dec meetings will be at Debears. It may all seem confusing but really it isn't, and you can always check out our Facebook page to see if anything has changed.

I also want to thank Casey for developing our agenda and making the changes that come up at every meeting!! Thanks Casey!! You are helping keep us organized and on track. Well as good as we can stay on track. LOL We don't have any events planned for this summer so let's get out there and support everyone else who has events. We now have (Thanks to Tammy Crider) a Crew site or whatever it is, but it will help us communicate better as a local. Thanks Tammy!!! Now maybe we can get together and ride to some of these events!!! That's all I have this time.  
Later, Emily

Hello Motorcycle Lover, June 19th was our Annual USO Support Ride it was a GREAT ride for a good cause. Thanks to all the Motorcycle groups, soldiers and friends. See Pictures.

This resulted in Desert Shield, the massive Allied military buildup, and later the 100-hour war against Iraq, Desert Storm. **August 5, 1962** - Film star Marilyn Monroe died at age 36 from an overdose of sleeping pills. **August 15, 1969** - Woodstock began in a field near Yasgur's Farm at Bethel, New York. **August 17th** - American frontiersman Davy Crockett (1786-1836) was born in Hawkins County, Tennessee. **August 18, 1920** - The 19th Amendment to the U.S. Constitution was ratified, granting women the right to vote. **August 28, 1963** - The March on Washington occurred as over 250,000 persons attended a Civil Rights rally in Washington, D.C., at which Rev. Dr. Martin Luther King, Jr. made his now-famous *I Have a Dream* speech. **August 31, 1997** - Britain's Princess Diana died at age 36 from massive internal injuries suffered in a high-speed car crash, reportedly after being pursued by photographers.

"I really love to ride my motorcycle. When I want to just get away and be by myself and clear my head, that's what I do."

Buckhorn Blast was a Blast. If you did not come and check us out on 3 July, shame on you. It was a little small on attendance, but everyone had a great time. Check out the pictures if they made the press. Keep the wind and sun to your back, both wheels on the ground and God as your co-pilot. God Bless the USA.

Summer is in full swing, and we've been enjoying every minute of it! Our float trip in June was a great time, even though we didn't see the turnout we expected.

We want to thank everyone for coming out to make the Hootontown Rally a success! As always, it was an unforgettable time with some good music, fun games and great friends.

Our meetings are still being held on the third Thursday of the month at the Foxhole. This past month our Attendance Lotto reached \$97 when Brian Dennis's name was announced, and he wasn't there to claim it! Can't win if you don't show up!!

Hope everyone is well and enjoying their summer! Stay safe out there! **Cheryl**

Yo, yo, yo... waaaass sapping my loyal Local 33 Minions and Followers. It's August and things are HOT HOT HOT! With Summer in full swing and the humidity levels kicked into high gear it's tough to accomplish outdoor activities. Nothin' better than crotch sweat while walking out the door to put the flag out. Stay cool my homey peeps.

This month we're having a Fun Run. We'll meet at the Sinclair gas station next to Am Vets on Saturday August 28. The leaving time is TBD but it'll be early/mid-morning. We'll take a ride and end up at our Shelter House in Buckhorn where we'll have a picnic. Those wanting to stay the night can do so. Come to the Local meeting(s) for final details.

September is our "In-State Overnighter for Physical Fitness Ride" and October is our "All Hallows Eve Halloween Party for the Faint of Heart" (at the Hideaway Bar & Grill just South of Warrensburg). More details on both as we get closer to these wonderful and enlightening events of goodness. Our flyers will be in the Press accordingly and are currently on the FORR

A K-State alum walks into a bar in Columbia to have a beer. After a couple of minutes he turns to the guy a seat down and says "Hey, you want to hear a really funny Mizzou joke?" The guy replies, "Whoa up there fella. See the bartender? He played at Mizzou. See those two huge guys over there? They played at Mizzou. Same with the group of guys over at that table. And me? I'm 6'4, 235 pounds, and also played at Mizzou. Now, are you sure you want to tell your joke?" The K-State guy says "Nah, never mind. I'm only here for a couple of beers and I don't have time to explain it multiple times to everyone."

Hello fellow Bikers. Just got back in the house after doing some late night Fourth of July fireworks and remembered that I needed to send in a newsletter. So, let's get started with what has gone on in the past few weeks. The Local was able to help Local 8 with their Spring Fling, we were able to help with gate duty Friday and Saturday night. Got to visit with some of the old friends and make some new friends. It started out that it was going to be Mud Sling but the weather cleared up and was a good weekend. Of your 13 members, 7 of us worked the gate with the help of, one members' wife, just haven't got her sign on yet, hint hint, thanks. We had over 50% attendance at our last meeting, sounds good doesn't it. We are still meeting at Dino's diner in Cameron at 6 to eat 7 to meet on the first Thursday of the month. Been having fun, that, when I see a rider with a helmet, telling them that they now have a choice and have gotten several different replies. I just noticed it is getting late, so I better send this letter to the Editor.

So, Ride Safe And Ride Free, Later **Steve G**

# MOTORCYCLE AWARENESS REPORT

Hey there family. Hope ya'll have been getting your signs, magnets etc. out this summer.

The stats are not Looking good, but we will have to see where they are getting those. We have lost way too many this year. One is too many. Please be safe out there and keep spreading the word of Awareness.

Do not forget Kim Lorton local 2 our new membership person will be needing names to call on for Bike fest and our member drive.

Joe did not have a newsletter for legislative this month, but we would both like to thank those who came to Lincoln days. Me, Joe, Amy Allmon, Donna and Doug Hilburn, Nick Tomlinson, and Doug Byers. We did not have a room this year due to the hotel not getting back to us in time, but we had a table for Friday night and got to visit with quite a few legislators. We had a great time, it is always a lot of fun and the legislators etc. see our faces hear the Freedom name and know that we are a very active grass roots Motorcycle rights organization, and they will be seeing more of us at the capitol and at their local venues.

Now more than ever is the time to meet your legislators and those running for office. See what they stand for and how they stand on our issues. If you find one that really stands out or has questions, please give them our information.

Until next time family.

Be safe out there brothers and sisters, we want to see you again

## House Passes Highway Bill – Biker Priorities Included

Thursday morning the full House of Representatives passed H.R. 3684 the Investing in a New Vision for the Environment and Surface Transportation in America Act or the INVEST in America Act. This bill is more commonly referred to as the highway bill. The bill is over 1,500 pages, spends \$715 billion and includes five beneficial provisions for motorcyclists. The final vote on passage was 221 for and 201 against. Two Republicans voted in favor and no Democrats opposed.

The Senate has begun work on their version of the highway bill and the two chambers will eventually need to work out the differences before an agreed upon bill is sent to the President for his signature. Traditionally, a highway bill has a five-year lifespan before Congress must fund and reauthorize programs again. Typically, highway bills occur in years ending in 0's and 5's. The last highway bill expired in 2020 but was given a one-year extension as Congress was unable to reach a compromise. Congress now faces a September 30th deadline to pass a new highway bill and reauthorize crucial transportation and safety related programs.

Below is a brief recap of the five motorcyclist related items that the House of Representatives approved and included in this major piece of legislation:

### **Profiling:**

The bill includes an update to current federal law on the issue of motorcycle only check points. The bill passed today includes language that prohibits state and local governments from using funds from the Department of Transportation to “profile and stop motorcycle operators or motorcycle passengers using as a factor the clothing or mode of transportation of such operators or passengers.”

### **Traffic Stop Data Collection:**

An amendment to the bill by Congressman Tim Walberg (MI-R) and Congressman Michael Burgess (TX-R) added the term “mode of transportation” to a newly created grant program for racial and ethnic profiling. The program allows states to use federal money to collect data on traffic stops. Originally the only information that states could use the funds for was to record was the driver’s racial and ethnic makeup. With this added language, states will have access to funds to collect the “mode of transportation” of the person being stopped. If states choose to participate in the program, motorcyclists will have access to data on traffic stops and determine if motorcyclists are stopped disproportionately by law enforcement. This amendment was a joint effort by the Co-Chairmen of the House Motorcycle Caucus and was added just hours before the final bill was passed.

### **Motorcyclist Advisory Council:**

H.R. 3684 includes a section that reestablishes the Motorcyclist Advisory Council (MAC) and makes needed changes. The MAC has existed for over a decade and allows federal policymakers, state highway officials, and motorcyclists to discuss the unique demands of riding a motorcycle and how roads, bridges, and other infrastructure can be built to better account for motorcyclists’ needs. The bill creates dedicated seats on the council for motorcyclists’ rights groups and manufacturers. It also requires a report every two years be made to the Secretary of Transportation and Congress.

### **Autonomous Vehicles:**

The INVEST Act includes specific language requiring that when the Department of Transportation conducts safety studies on autonomous vehicles, motorcycles must be considered as unique roadway users. Additionally, a newly formed working group on autonomous vehicles must include a motorcyclist safety group as part of its membership. As with the MAC, motorcyclists need a seat at the table when our safety and freedoms are being debated.

### **Motorcyclist Safety Funds:**

The bill, as passed, would increase the 405 safety funds made available to states for motorcyclist safety by \$1,470,000 for the next fiscal year with increases through 2025. This is an increase in the program of roughly 34% over current funding levels. Under this bill, the total amount available to states in the next fiscal year would be \$5,760,000.

Freedom of Road Riders®, (FORR®) is a not-for-profit organization dedicated to promoting safety, rider education, brotherhood, and freedom for all motorcyclists. FORR® membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles and with all sorts of interests. Whether your interests center around legislative activities, motorcycle shows, or motorcycle rallies, FORR® has something to offer to you. You could belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State. FORR® is different from most motorcycle organizations in that persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join. So regardless of whether you ride a Honda or Harley, a moped, dirt bike or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders®.
