*(Continued from cover page)*

Well, it's Monday morning and OMG, am I sore and sunburnt, but I am extremely happy, and proud of myself as well as the other 9 women who graduated in the annual Mother's Day Riders education class!

I have been a member of FORR for three years and I finally did it. I took the plunge and graduated myself from a passenger to a rider! Don't get me wrong, I am not ready to hit the highway and go on a cross-country adventure, but I did get the basics, overcame my fears of failure, and had fun doing it!

This class appealed to me for many reasons; #1, I wanted to understand the HOW. I've been told to, "just do it, and you will figure it out," but, my brain does not work that way. I have to understand how something works before I can trust myself to get out and do it, add in horsepower and mechanical components, and I just didn't know where to start.

The Saturday morning classroom portion helped me get the necessary information I needed to feel confident. #2 I wanted a women's only class. Don't get me wrong on this one; the reason is not what you think. I wanted a place that was non-judgmental, uplifting, and hopefully in the same skillset as me. I figured, if it was an only women's class, that would mean that there would be others like me, who have been passengers but wanted to learn to ride their own (*something men just don't usually do unless they were younger and riding with dad*). #3 I wanted a weekend where I could be vulnerable, this is something that many bikers would not admit to, we're personified as hardcore, kiss my a\$\$, take me as I am type of people. But let's face the truth, to learn something new we need to open our self to failure and accept that we are not going to "get it" the first time or sometimes the 100th time we do it.

Our instructors Chuck and Paul were great! They never gave up on us no matter how many times we made the same mistakes, and they never showed their frustration to us if they felt it. They celebrated each victory as if it were their own.

If you have considered taking the Riders Education classes, but put them off, I highly encourage you to reevaluate your decision. For me, I think that it was one of the better choices I have made. Young or finely aged, you are never too old to learn something new.

**Stephanie Barber**

*Editors Note: Been riding since I was about 8, so I guess I'm one of those 'Finely Aged'. Just had to say... I'm So proud of all of you!!!*

Howdy all!

Looks like the sun gods are finally smiling down upon us! So nice that we can be out there again, safer than we have in a long time. (Thankfully!) A BIG announcement... Dragon & I have celebrated our 35th wedding anniversary on the 13th of this month. It's been a great ride!!!

Bootstrap is healing well from his hip surgery, after a little bit of a 're-do', and has planned a great Lime Run route. (see pictures in next month's submission) Hope to see many of you there!!! Remember our meeting is immediately following the run.

We now have patches for Rick Long, so if you need one, contact us at the numbers listed above. They are going fast, so hopefully there will be some left!

Our July meeting is at our house in Holden at 1pm before the District 4 Family Picnic & Horseshoe Tournament! Plans to be a "GREAT DAY!"

So much craziness in today's world – be careful out there whatever you do. We have been to too many funerals this Spring!

Guess I've been a bit longer winded than usual, so I guess I should be wrapping things up. So, as I always say, have a good one, then have another!!!

See ya, **Michelle 'Rebel' O'Connor #7157**

Good morning all!!

I say good morning as I am sipping on my coffee, enjoying a quiet time! Just perfect for getting this done as April is coming to a close.

My wish is that every one of you is feeling great with Spring here and with the promise of all the fun activities and rides ahead!!

A few of us at Local 2 started April on the right foot, on 4/3/22, we headed to Macon to meet up, on to Moberly to meet with more and on to the Madison for a lunch break and where a couple more joined is!! And it was off to Mark Twain Lake. We stopped at the Visitor Center, Cannon Dam has so much history behind it, it was a great addition to the area which is now such a popular summer destination!!

We wended our way back toward Madison, Moberly, Salisbury, Keytesville, Marceline and finally home to Bucklin just before it started to get cooler. A perfect day!!

4/10/22: Monthly meeting! We welcome our newest member: Jes Wobken, she has been involved with the Chariton River Rally for year and still is, she brings with her a wealth of experience and her help will be a great asset as we are working and planning our "2 Rocks Rally" for the 3rd weekend of July !! Mark your calendar!!

Annie Lamme, who has been our go between with the DOT finally got word that our Adopt a Highway signs were up !! I saw them with my own eye the other day!! So yeah! Prepare for a clean-up day soon! Say the word Annie and we will be there!!

4/23/22: Several members joined up to support AVENUES and 660 Charitable Motorcycles Club on their 1st annual ride to raise awareness to the very sad but very real problems

(Continued on next page)

(Continued from previous page) connected to sexual abuse and domestic violence...it affects so many, together we hope to make a difference!

It was a great turn out, 23 bikes left From Kirksville, to Memphis, Wayland, and ended at Huckleberry Park in Hannibal where we enjoyed a welcome lunch break, AVENUES provides lunch!! We were all tired of fighting the wind that day!! It was terrible!! We enjoyed the day, the participation but we were ready to head home!!

So, till next ... be happy and ride safe!!

I think Zach Rogers is our official #1 name drawer for the attendance pot. A few weeks ago, he drew his mother's name and last meeting he drew his dad's name, Slick Rogers congrats, but Zach what's the deal, is my name even in there? We need to talk!!! There were 17 present at our April meeting, threat of rain that day, not a real good day to ride. One of our visitors said, "This is a mc meeting, where's all the bikes?" HA! He was the only one there riding a bike, he is a local so he didn't have far to go.

Sorry to hear of the passing of Harold "Crawdad" Wilson on April 27th. A friend and member for several years and a dandy 'ole Cajun, he will be missed.

What a crappie day for the May Rally, rain forecasted through-out the state, and it did! But thanks to the diehard riders who were out in full force and also the many who went in cages to support the organization. It was a great day after all, hopefully it was a safe & fun day. I'd like to submit my forecast for next year, 70 & a little cloudy, no wind, no rain, yeah sounds good.

Until next time, **Piglet #33946**

Hello to all,

I'm sorry to pass on the sad news of the loss of our Brothers and Friends Stuart "Hoss" North Local 5, Ralph Davis, and Louie Dave both members of 14. Our prayers are with their families. Too many lately.

Lot of events coming up hope to see you at some or all. So much to do so little time.

May 21st is our next meeting followed by Mike and Stephanie Austin's vow renewal. 30 years deserves a big turnout. No gifts requested just free food and great company.

June 11th is Smut Fun Ride after our meeting to Scores Sports Bar and Grill.

Thanks to all who attended Bikers in the Beltway in Washington DC. What dedication it takes to make that long trip for our Rights. Plus, an iron a\*\*.

Thanks to all who made to the May Rally in Jefferson City. Taking time out of busy schedule. Two thumbs up for all the sacrifices made and money spent. Keeps this thing of ours a goin'.

At the May meeting we were visited by two locals. Lucky us! Chris McCurley, Jacine Hern, Jammie and Mike Tipton from Local 2 in Macon captured a flag and invited us all to 2 Rocks Rally July 22-24. Sounds like fun.

Our frequent visitors and our kissing cousins, Doug and Donna Hilburn Local 14, came to remind us of the Crash Run June 4th. Always a welcome surprise to have visitors.

I'm also throwing in a shoutout to some kissing cousins in Local 1 and the upcoming Lime Run June 18th. Dragon and Rebel work tirelessly every month to support FORR. Let's support them all when possible.

So many more events coming please read your newsletter. Rebel we love the effort you put in and it shows.

(I really wrote this not Rebel).

Thank you for your time, **Rebecca**

Hello everyone! Hope all is well & safe.

We had a couple birthdays in April. Kathy Burt's birthday was on 4/6 & Dan Harmon's was on 4/21.

We had our 2nd Social (Continued on next page)

(Continued from previous page) Gathering on April 23rd.

There were 9 bikes & 5 vehicles. Oops, If my memory serves me correctly there were 33 people there. As always, we had a great time.

Also, on April 23rd we had several Local 6 Members participate in Abate District 11 in Troy, Kansas "Blessing Of the Bikes." They had 12 bikes & 26 people in attendance. The Christian Motorcycle Association (CMA) out of Kansas was there and did the Blessings on each bike

Last but not least we are having our 2nd Local 6 Ladies Night Out. This event is for members ONLY. It is scheduled for June 10, 2022. Time and place will be announced at a later time. I'm sure it will be amazingly awesome as the 1st one was.

So, until next time stay safe and have a tremendous time riding...

(Continued from previous page) Tammy is working on getting local 7 T-shirts. She should be ready for final cost at next meeting. We also decided to move our meeting place for monthly ride to the commuter parking by hospital.

Our local got in on adopt a highway, thought it would be a good idea to get our name on a sign coming into Lebanon We picked up trash for a mile and when I say we I mean Bell / April / Marie / Josh / Tammy and myself. That was the last weekend in April we are yet to see the sign. So, we decided until we see a sign, we will not pick up any more trash.

Our member Bob who had a wreck last month is recovering good, In fact so well he is thinking on a new Triumph, get er done Bob.

Well, I have went on enough, so ride safe. **Sir Robert**

Hey, Local 8 Framily!!!

Hope everyone is doing great and ready for summer fun. I am definitely ready for sunshine and warm weather. These grey, rainy cold days are not my cup of tea.

We are still planning for Spring Fling, June 10-12, and gearing up for a great time. We have Mixology scheduled for Friday night, SOB and Blue 88 set up for Saturday night. We are still open for vendors if anyone is interested have them contact Rob or Big Mike. We will have bike games, an on-site pub crawl, the king and queen contest and a lot of good memories will be made. Our location has no hook up so if you bring a camper don't forget to bring your generator if you want electricity!

Right now, that is all I have to report. Be watching facebook for information on future events. Let's hope 2022 is a year of more riding and more memory making!

We do have some Local 8 t-shirts and car decals if anyone is interested, please let me know and I'll get you hooked up!

Until next time – Keep Smilin' **Glenda**

Hello FORR, June is upon us already, HELLO SUMMER, things are rolling along here at 13, Car Show is coming along and will be here before we know it, July 9th is the date so mark your calendars. It will be held at the Mexico High School 639 N. Wade Street in the big parking lot. Whitney has a lot planned for the day with some things for the kids to do, as well as a Vendors. Back on April 9th 13 held its first Easter Egg hunt for the kids in our area. They had a good turnout, there were over 2000 eggs filled and set out for the kids. It seemed everyone had a good time from the adults to the kids. We want to thank Locals 14 and 24 for coming by and capturing our Flag.

Hope to see some of you at the Car and Bike Show.

First, I want to thank Rebel, Dragon and everyone else who worked hard to make the newsletter great again. Second, I want to say thanks to our new publisher, the pics are clear, and members are receiving it in a timely manner.

We just got home from the May Rally at the Capitol in Jefferson City and most of us are soaking wet, some rode in a car. 10 members of local 14 attended the rally and I think everyone enjoyed it. It is important to contact your representatives and remind them of who we are and what we do. VP “Roundabout” led a large group of members from local 1, 5, 14 and 33. He got us there and back safely, even in the pouring rain and sleet, thanks brother. Doug “Roundabout” Hilburn has bike giveaway tickets for sale. The bike is a 2009 Sportster, and the winning ticket will be drawn at Homecoming.

Local 14 will be having our “Crash” memorial ride on June 4th. Sign in is from 10:30am to 11:45am. Kickstands up at noon sharp. Side dishes are welcome for the after-ride meal.

Member attendance is up at meetings and events, L-14 is a tighter group than we have been in a long time. It's always great to see so many brothers and sisters getting along and working together.

Ride safe and take it easy.

Our first meeting back at the West End Tavern after a long hiatus resulted in a really good attendance. We would like to welcome Brian and Kendra as official members of Local 16. They've been part of the crew long enough it seemed like they already were. And although we really did not have anything new to talk about, it was productive discussion just the same.

Ongoing at this time, we are getting some direction and a little progress on the annual Disabled Americans Veterans Run in September. The date and the format will be the same, it's just all of those pesky little details that need to be addressed. But, just like the proverbial Elephant, we will eat it one bite at a time.

The gun giveaway for the XMAS Dance is under control. George has secured the shoot'in iron and Denise has the tickets formatted and ready for print. White Lighting will grace the stage with their musical prowess and the giveaway quilt is in the process of being, uh well, "Quilted".

Although we are scheduling our meetings 7pm on the fourth Friday of each month at the West End Tavern in Frohna, that could be subject to change from time to time. George has an invitation for us from the Cape Eagles to have the meeting on Friday evening in the lower level. The invitation also includes the ability to stay and enjoy the evening's live entertainment. Thank you, George! **Martin Lee King**

Hello! We all had a great time at the Blessing of The Bikes on May 1st! Thanks to VFW Post 2184 for their support of FORR and local 24. Thanks to all the fine folks that attended our blessing as well. Some came from as far as Kansas City to be there which is why we were forced to have this event on the rain date. It was a pretty good turnout considering it was held on the rain date.

At last month's meeting Missy "Noidette" was given the coveted Staples Award for her hard work and commitment to our cause. Congratulations! It's people like her in our local that inspire us all to do more to fight for motorcyclist's rights in Missouri.

Saturday, June 4th is the annual running of the MYSTERY RIDE. Registration starts at 10 AM at Amore Pizza 450 St. Francois St. Florissant MO, 63031. We always have fun on this ride! Play stupid games and win stupid prizes!

But remember, where it will lead you is a MYSTERY...

Spring has sprung and we have been enjoying the beautiful riding weather as much as possible! May 1st was the 15th annual Can You See Me Now Ride and it was a perfect day for hanging out with our brothers and sisters! Thanks to everyone who came out to help make this event successful! We went out for lunch, then rode out to a new gun shop between Rogersville and Fordland. We'll be doing a lot more fun rides throughout the season, so watch for notifications on Facebook or via text!

At our last meeting Noah Snelson, a member of Eric Burlison's campaign team, came out to talk to us about an awesome event they're hosting on June 4th at the Sounds of Freedom gun range in Ozark. He asked us to put on a Poker Run on the same day, prior to their event to help raise campaign funds for Eric, and we voted to take on the challenge. There's a flyer with more details in this issue of the FP, and it has a QR code that will take you directly to the event on Facebook! Please check it out, share it, and make plans to join us. We could use some help handing out flyers, so if you are willing to help, please contact an officer to get a stack. I also wanted to congratulate Shad Knox aka Fish and Stephanie Barber on their completion of the Basic Rider's Course offered by Freedom of Road Riders. Fish has been riding for nearly 30 years, but said he learned some new things.

(Continued on next page)

(Continued from previous page) Steph took the women only course and really enjoyed her experience too. If you don't have your M endorsement, or just want to enhance your riding skills you should definitely consider enrolling in a class! Our attendance lotto jumped up to \$53 dollars and will roll over to next month, as Linda Bowden's name was drawn but she wasn't with us.

Hope to see y'all at the next meeting or ride! ~chips

Some of the older neighborhood boys have been making fun of Little Johnny lately. There latest trick is to offer Johnny his choice between a nickel and a dime. Johnny always takes the nickel, and the older boys laugh at him.

One day a neighbor sees what is going on and approaches  
(Continued on next page)

*(Continued from previous page)*

Little Johnny and says, “those boys are making fun of you Johnny, don’t you realize that a dime is bigger than a nickel?” Johnny smiles and says, “yes I realize that, but if I took the dime, they would stop doing it and I am up 20 bucks so far.”

Check your motorcycle every time you ride to be safe on the road and with your fellow rides and ride it like you stole it but be careful and no stunt riding on the road.

Hello to all my FORR family! Well, it's a rainy, May 4th day, as I'm writing this. I wasn't able to take off work to join you all on the May Rally ride to Jefferson City this year unfortunately. As I was leaving the job in Sedalia and pulled out onto 50 hwy headed east I noticed a long line of bikes headed west. Rain was coming down steady, the road was drenched and there was a 52 degree chill in the air. I noticed the leading motorcycle had a FORR Local 14 decal across its windshield (Doug Hilburn) and quickly realized I know who all those people are! A feeling of great pride came over me knowing those are my friends and they are representing our organization! Then as I sat inside my warm dry work truck watching them riding in the chilly rain, I thought sucks to be them! Really though wish I would've been right there riding along-side ya all! Thanks for representing us you guys! I hope everyone that went had a great day and made it home safe!

Local 35 is doin good and still growing! Last 3 monthly meetings we have had some new members join! For our April meeting we had Charles "Chuck" Allen join us! Welcome Chuck! I also would like to thank all the members that have been coming to the meetings. We had a big turnout for our April meeting! We are starting an incentive program where everyone (that is able) puts a dollar in a pot. Then we will draw a name from all the names on the Local 35 membership roster. If your name is drawn and you're at that meeting, you will win the incentive. If a members' name is drawn and they're not at that meeting the pot will grow and carry over to the next monthly meeting. So, you gotta be there to win!

A few of us went to the I-70 Flat track races in Odessa and teamed up with some Local 14 members. We set up an Awareness booth where we gave away some FORR merch and some Watch out for Motorcycle signs! Thank you, Doug and Donna Hilburn, Nick Tomlinson, Alissa Sanders, and Chuck Rhodes, Shane and April Spear, and Doug Cooper, and my wife Angie Huff for all your help! We all had a great time watching some flat track motorcycle racing once the rain finally stopped! Hopefully we can get back some more flat track motorcycle racing in Missouri like it used to be!

The Mid American Freedom Rally in Buckhorn will have already happened when you read this. Im sure we all had a great time! I hope all FORR members that could, got down there this year!

Happy June Birthday's to Local 35 members: Marilee Carmen, Travis Gotsch, and Edie Jackson Happy Birthday to you all!!

Local 35 has a couple events coming up so mark your calenders and come catch our flag!  
July 16th- Local 35 Memorial Ride and Poker Run in memory of Bob Hawkins and Doug Miller flyer and details in The Freedom Press

August 6th- Local 35 Car and Bike Show, Swap meet Tebo Creek Bar and Lodge (flyer coming soon)  
Please show your support and come have a great time with your fellow FORR member's!

That's all I have for now! I hope to get some riding in with yall soon! Our monthly meetings are held at the Eagles Lodge on the 4th Sunday of the month in Clinton Missouri at 2pm. Please call President David Nelson at 660-492-7493 or myself V.P Rod Huff at 660-233-9944 with any info or questions you may have!

Hello bikers of FORR,  
 Just got back from our local meeting at Dino's Diner in Cameron, eat at 6 meet at 7. Forgetting more than I want, if Kevin had not called me, I would have not been just coming home from the meeting. Had asked Angie to make sure that I sent this newsletter, but nothing about the meeting. Didn't get down to Jeff City for the May Rally. The weather had a lot to do with not going, but my Angie is not doing well with the cancer. Which means that there is a lot of things that I need to do and a lot of things that I want to do, and nothing is happening!

Like I just said not much happening in this part of the country and I would say that the weather has a lot to do with it. It just sucks that is for sure.

With that being said RIDE SAFE AND RIDE FREE and let's keep it free.

## Riders Ed. NEWS...

Hi Guys,

Well, the first class of the year went as every first class of the year goes, hiccups on day one, by day two, everything was smooth. We had to hold the Women's Only class early due to lack of coaches.....hint, hint.

The girls had a lot of fun and I am proud today that FORR has several new women riders. You go girls!!

I know you all have been waiting for me to get some bikes for sale. We had a Rebel that was going to cost a pretty penny and used it as a parts bike and got 2 more Rebels running beautifully. I ended up selling the parts bike for \$100 to someone that has a kid that needs to learn to work on a bike then ride. As I was talking to the mechanic about how much to sell the Vulcan for, someone in his shop bought it right then! Once the mechanics have had a chance to get all the bikes into the condition we need them in, and we use them on the course we may have a couple of Eliminators to sell. For those of you that have taken the course, those are the silver ones.

Speaking of our mechanics, this has been a bad season already for me both family and health wise. I could not keep this program running without the volunteers that we have. FORR member Ray Creason owns the mechanic shop and stores our trailers for free. He gets our parts at his discount and doesn't mark anything up. FORR members Cayce Findley and Gary Smith work tireless (get the pun) to make sure our bikes are in the condition they should be in. Gary has also range aided for about 4 years and will not take a dime in pay. Cayce has been a range aide and is an employee of Ray's shop. She works on our bikes in their down time and doesn't get paid. BJ, who is not a member, also works on our bikes at Ray's shop. Chris Steele, another member comes from Eugene twice each weekend to haul the bikes to the range and back to Ray's shop. So far, I haven't seen a gas receipt, but I keep asking. And finally, member Steve McCurdy. He has worked as a range aide for I am guessing 8 years this time and refuses to take a dime of pay. He was also a range aide for us back when Doug first took over the program. These people make this possible and without them there would not be a Rider's Education. All of these people are members of Local 10, except BJ, we are working on him.

I am having to step out of the position of Rider's Education Coordinator. I am handing some of the paperwork off to Marla Wallace, another Local 10 member, which will help me greatly. Another FORR member has shown interest in taking over my position, but we really need someone local. We will see where we are at the end of the season.

Please ATTGAT.

Thank you,

Gypsy "Beth" Clark

Sunday marks the start of May and the beginning of Motorcycle Awareness Month. Across the country, state and local governments are issuing proclamations raising awareness of motorcycle related issues.

If your local government has taken action to promote motorcycle awareness, please share it with the Motorcycle Riders Foundation (MRF). We love seeing how local bikers, working with elected officials, are spreading the word.

The MRF encourages all motorists to do their part to ensure our roads are safe for all users. All those on the road should look twice, maintain a safe distance and be vigilant when turning or changing lanes, so everyone gets home safely. Motorcycles play a critical part of our transportation network; let's make sure all Americans think about the 10 million bikers on the road.

Across the country the weather is getting warmer, and bikers are out on the road. Enjoy the month of May and, as always, Ride Safe and Ride Free.
