

What is Freedom of Road Riders[®], Inc.?

The main purpose of this organization is to guard the rights of all motorcyclists; to keep them informed of laws that will help or hinder them as motorcyclists; to promote safety, rider education, brotherhood, and freedom for all motorcyclists.

Freedom of Road Riders, Inc., (FORR[®]) is a not-for-profit organization dedicated to promoting safety, brotherhood, and freedom for all motorcyclists.

FORR[®] is made up of motorcycle enthusiasts, like you, that enjoy the friendship and camaraderie of our fellow riders. We are here to make our streets and highways a safer place for all motorcyclists and to protect our personal freedoms, via legislation.

FORR[®] membership is made up of motorcyclists from all walks of life, who ride all types of motorcycles, with all sorts of interests.

Whether your interests center around legislative activities, motorcycle shows, charity events, or motorcycle rallies,

FORR[®] has something to offer to you.

As a member of FORR[®], you belong to one of the largest motorcycling related organizations in the State of Missouri, with Local affiliates throughout the State.

FORR[®] is different from most motorcycle organizations.

Persons who ride ANY motorcycle or who support our freedom to ride without riding themselves can join.

Since its inception, Freedom of Road Riders[®], Inc., has had an impact on motorcycling in Missouri.

Some of the issues FORR[®] has been involved in include:

The creation of a State Rider Education Program with FORR[®] training sites and instructors to help reduce motorcycle accidents.

The revision of Missouri's helmet law to remove the serious penalties and make them comparable to seat-belt laws. Efforts to repeal Missouri's helmet law.

Education of our legislators on issues pertaining to motorcyclists' rights.

Regardless of whether you ride a Honda or Harley, a moped, a dirt bike, or an automobile, if you love motorcycling or would like to support the right to ride, you belong in Freedom of Road Riders[®], Inc.!
